MONADELPHOUS SIGNS \$100 MILLION PIPELINE CONSTRUCTION CONTRACT

Leading engineering group Monadelphous Group Limited (ASX: MND) ("Monadelphous") today announced it has signed an infrastructure construction contract, with a value of approximately \$100 million. The contract is for the construction of a gas pipeline in Western Australia (WA).

Monadelphous has signed a contract with the Fortescue River Gas Pipeline Joint Venture¹ for the construction of the Fortescue River Gas Pipeline from Compressor Station 1 on the Dampier to Bunbury Natural Gas Pipeline (DBGNP) (approximately 150km south of Dampier, northern WA) to the Fortescue Metals Group's (ASX:FMG Fortescue) Solomon Hub in the Pilbara.

The contract will be delivered by Monadelphous KT, and is expected to be completed in late 2014.

"Following the recent award of the Wheatstone Ashburton West Pipeline project, we are pleased to continue our relationship with the DBP Development Group on the construction of another important gas pipeline in WA," Monadelphous Managing Director Rob Velletri said.
