Dear Kate,

**Re: Request for Trading Halt**

Environmental Clean Technologies Limited (ASX: ESI) requests an immediate trading halt in the Company's securities pursuant to ASX Listing Rule 17.1.

The trading halt is requested pending finalisation of an incomplete transaction in relation to the Matmor technology.

We are not aware of any reason why the trading halt should not be granted and we expect that the halt will be ended by an announcement by the Company of the transaction.

Yours sincerely,

**Adam Giles**  
**Company Secretary**
