Ainsworth Game Technology Limited – A600 to be launched at AGE

Ainsworth Game Technology Limited (AGI) is delighted to announce that it will launch its new gaming product, the A600, at the Australian Gaming Exhibition (AGE), to be held in Sydney on August 11-13, 2015. The new A600 has received regulatory approval in both New South Wales and Queensland.

The Company's substantial research and development investment has enabled the launch of the new A600 which is an exciting next step in the Company's product strategy. The A600 offers customers an unparalleled wide screen gaming experience. The Company expects the A600 to drive domestic market share gains and profitability in FY16 and beyond.

My Danny Gladstone, Chief Executive Officer, said, "The A600 is Ainsworth at its best. A focus on research and development enables us to drive machine innovation to deliver our customers the finest gaming experience possible and the commitment to our shareholders to deliver superior returns over time."

"We believe the A600 together with innovative content will provide Ainsworth with a leading product offer."

Ainsworth management will be presenting the A600 to investors at AGE at 8.00am on August 11th, 2015. The presentation slides are attached.

The Full Year FY15 results are scheduled to be released to ASX after market close on Tuesday 18th August 2015.

The results will be presented by Chief Executive Officer Mr Danny Gladstone and Chief Financial Officer/Company Secretary Mr Mark Ludski via teleconference at 9.00am on Wednesday 19th August 2015.

A live (passive) URL link to the teleconference will be available at:
www.openbriefing.com/OB/1838.aspx or www.ainsworth.com.au

An archive of the event will be placed on the Company's website later that day.
