6.3 **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

7 Resolutions 4 to 7 – Proposed issue of Director Incentive Options to Directors and/or their nominees

Resolutions 4 to 7 seek the approval of Shareholders to issue a total of 10,000,000 Incentive Options to the Directors, being Mr Yakov Temov, Mr Jason Ferris, Mr Blaise Thomas and Mr Eric de Mori (and/or their nominees). Approval is sought pursuant to section 208 of the Corporations Act and Listing Rule 10.14.

7.1 Background

The Director Incentive Options contemplated by Resolutions 4 to 7 will be issued to the Directors to align the long term goals of the Directors with that of Shareholders and to establish an incentive for the Directors to provide ongoing dedicated services to the Company. These Director Incentive Options are intended to provide remuneration to the Directors (and/or their nominees) that is linked to the performance of the Company. The benefit would only be received from the Director Incentive Options upon the Share price exceeding the exercise price of the Director Incentive Options and thereby warranting their exercise.

Under the Company's current circumstances, the Directors consider that the incentive noted above, represented by the issue of Director Incentive Options, is a cost effective and efficient reward and incentive to provide the Directors, as opposed to alternative forms of incentive such as the payment of cash compensation only. In addition, the Directors consider it prudent to remunerate the Directors by way of Director Incentive Options so as to preserve the cash reserves of the Company.

The Company proposes that the Director Incentive Options will be exercisable at \$0.05 each. The Options shall be issued, and will vest, upon approval by the Shareholders of Resolutions 4 to 7, and expire within 36 months of the issue date.

The full terms and conditions of the Options to be granted to the Directors (and/or their nominee) are set out in Annexure A.

7.2 Section 208 of the Corporations Act

Section 208 of the Corporations Act states that a public company cannot give a "financial benefit" (including an issue of shares and options) to a "related party" of the Company unless one of the exceptions set out in section 210 to 216 of the Corporations Act apply, or the holders of ordinary securities have approved the giving of the financial benefit to the related party in a general meeting.

Each of the Directors is a related party of the Company within the meaning specified under section 228 of the Corporations Act. Further, the provision of the Director Incentive Options constitutes a financial benefit within the meaning of section 229 of the Corporations Act. Accordingly, Shareholder approval is sought under section 208 of the Corporations Act to permit the issue of the Director Incentive Options on the terms set out in Resolutions 4 to 7 to the Directors (and/or their nominees) as related parties of the Company.

As required by section 219 of the Corporations Act, the following information is provided in relation to Resolutions 4 to 7:

Other than as set out in this Explanatory Statement, there is no further information which the Shareholders would reasonably require in order to decide whether or not it is in the Company's best interests to pass Resolutions 4 to 7.

7.3 **ASX Listing Rule 10.14**

ASX Listing Rule 10.14 provides that a company must not issue equity securities to a director or an associate of a director of the company under an employee incentive scheme without the approval of holders of ordinary securities, or to a person whose relationship with the company or a related party of the company is, in ASX's opinion, such that approval should be obtained. Further, ASX Listing Rule 7.2 (Exception 14) states that approval pursuant to ASX Listing Rule 7.1 is not required if shareholder approval is obtained under ASX Listing Rule 10.14.

The Directors are related parties of the Company within the definition specified in ASX Listing Rule 19.12. Accordingly, Shareholder approval is sought under ASX Listing Rule 10.14 to permit the issue of 10 million Director Incentive Options to the Directors (and/or their nominees) as related parties of the Company on the terms set out in this Explanatory Statement and Annexure A.

The issue of the Director Incentive Options under Resolutions 4 to 7 will not affect the capacity of the Company to issue securities in the next 12 months under ASX Listing Rule 7.1, as those Director Incentive Options (once issued) will be excluded from the calculations under ASX Listing Rule 7.1.

For the purposes of Listing Rule 10.14, the following information is provided to Shareholders in relation to Resolutions 4 to 7:

(a) **Maximum number of securities to be issued**

The maximum number of Director Incentive Options proposed to be issued to each Director (and/or its nominees) is as follows:

Director	Number of Director Incentive Options
Mr Yakov Temov	4,000,000
Mr Jason Ferris	4,000,000
Mr Blaise Thomas	1,000,000
Mr Eric de Mori	1,000,000
Total	10,000,000

(b) **Terms for each Incentive Option**

The Director Incentive Options are issued for no cash consideration. The key terms of the Director Incentive Options to be issued under Resolutions 4 to 7 are set out in the following table:

Key Terms	
Expiry Date	36 months from the date of issue
Exercise Price	\$0.05
Shares Issued	Fully paid ordinary shares which rank equally with existing Shares on issue
Vesting Criteria	Immediately upon issue

Full terms and conditions of the Director Incentive Options are set out in Annexure B.

(c) **Persons referred to in Listing Rule 10.14 who received securities under the Employee Incentive Plan since the last approval**

No persons referred to in Listing Rule 10.14 have ever received any securities under the Employee Incentive Plan.

(d) **Persons referred to in Listing Rule 10.14 entitled to participate in the Employee Incentive Plan**

Yakov Temov, Jason Ferris, Blaise Thomas and Eric de Mori (and/or their nominees).

(e) **Loans in relation to acquisition of Director Incentive Options**

There are no loans in relation to the acquisition of Director Incentive Options.

(f) **Date by which entity will issue the securities**

The Director Incentive Options will be issued as soon as possible after the General Meeting and in any event, no later than 12 months after the General Meeting (or such later date to the extent permitted by any ASX waiver of the ASX Listing Rules).

7.4 **Directors Recommendations**

Each Director, as a recipient of the Director Incentive Options, has a material personal interest in the outcome of the Resolution that applies specifically to him.

- (ii) is a fair and reasonable alternative to additional cash payment of Director's fees;
- (iii) recognises the contribution Mr Temov has and will continue to make to the Company; and

- (ii) is a fair and reasonable alternative to additional cash payment of Director's fees;
- (iii) recognises the contribution Mr Ferris has and will continue to make to the Company; and
- (iv) is in line with the remuneration benefits paid to directors of other companies operating in the Company's industry and in an international business environment.

Resolution 6

- (i) provides a long-term incentive to the Mr Thomas linked to the future success of the Company;
- (ii) is a fair and reasonable alternative to additional cash payment of Director's fees;

- (iii) recognises the contribution Mr Thomas has and will continue to make to the Company; and
- (iv) is in line with the remuneration benefits paid to directors of other companies operating in the Company's industry and in an international business environment.

Resolution 7

Mr Eric de Mori expresses no opinion and makes no recommendation in respect of the issue of the Director Incentive Options to him (and/or his nominee) as he has a material personal interest in the outcome of Resolution 7.

Each of the other Directors recommend that Shareholders vote in favour of the issue of the Director Incentive Options to Mr Eric de Mori (and/or his nominee) for the reasons set out in this Explanatory Statement and on the basis that, in their opinion, the proposed issue of Director Incentive Options:

- (i) provides a long-term incentive to the Mr de Mori linked to the future success of the Company;
- (ii) is a fair and reasonable alternative to additional cash payment of Director's fees;
- (iii) recognises the contribution Mr de Mori has and will continue to make to the Company; and
- (iv) is in line with the remuneration benefits paid to directors of other companies operating in the Company's industry and in an international business environment.

8 Resolution 8 – Ratification of issue of Shares under August Placement

On 30 August 2016 the Company announced that it had completed a placement raising \$3,000,000 through the issue of 100,000,000 Shares at \$0.03 per share (**August Placement**). Shareholder approval is sought to ratify the 100,000,000 Shares previously issued under the Placement.

8.1 Listing Rule 7.4

Listing Rule 7.1 provides that (subject to certain exceptions) prior approval of shareholders is required for an issue of securities by a company if the securities will, when aggregated with the securities issued by the company during the previous 12 months, exceed 15% of the number of the ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 sets out the procedure and effect of Shareholder approval of a prior issue of securities and provides that where shareholders in general meeting ratify a previous issue of securities made without approval under Listing Rule 7.1, provided that the previous issue of securities did not breach ASX Listing Rule 7.1, those securities shall be deemed to have been made with shareholder approval for the purposes of Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

8.2 Listing Rule 7.5

Listing Rule 7.5 requires that the following information be provided to the Shareholders in relation to obtaining approval of Resolution 8 for the purposes of Listing Rule 7.4:

- (a) A total of 100,000,000 Shares were issued.
- (b) The Shares had an issue price of \$0.03 per Share.

- (c) The Shares issued were fully paid ordinary shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary shares on issue.
- (d) The Shares under the Placement were issued to Exempt Investors. None of these subscribers are related parties of the Company.
- (e) Funds raised will be used to expedite growth to accommodate new strategic relationships and distribution channels.

8.3 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8.

9 Resolution 9 - Approval of 10% Placement Facility

9.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities totaling up to 10% of its issued share capital through placements over a 12 month period after the entity's annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

The Board believes that Resolution 9 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution.

9.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice of Annual General Meeting, the only quoted Equity Securities that the Company has on issue are its 789,916,052 Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- plus the number of partly paid shares that became fully paid in the 12 months;
- plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- less the number of fully paid shares cancelled in the 12 months.

Note that "A" has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 9.2(c) above).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; and
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

9.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 9 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable A in Listing Rule 7.1A.2		Dilution		
		\$0.0175 50% decrease in Market Price	\$0.035 Current Market Price	\$0.070 100% increase in Market Price
Current Variable A 789,916,052	10% Voting Dilution	78,991,605 Shares	78,991,605 Shares	78,991,605 Shares
	Funds raised	\$1,382,353.09	\$2,764,706.18	\$5,529,412.36
50% increase in current Variable A 1,184,874,078	10% Voting Dilution	118,487,407 Shares	118,487,407 Shares	118,487,407 Shares
	Funds raised	\$2,073,529.63	\$4,147,059.27	\$8,294,118.55
100% increase in current Variable A 1,579,832,104	10% Voting Dilution	157,983,210 Shares	157,983,210 Shares	157,983,210 Shares
	Funds raised	\$2,764,706.18	\$5,529,412.36	\$11,058,824.73

The table has been prepared on the following assumptions:

- 1 The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- 2 The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- 3 The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- 4 The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- 5 The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- 6 The issue price is \$0.035, being the closing price of Shares on the ASX on 10 October 2016.

- (c) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 9 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) cash consideration. In such circumstances, the Company may use the funds raised towards its existing projects and/or for acquisition of new assets or investments (including expenses associated with such acquisitions) and general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the persons to whom the Equity Securities will be issued will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the purpose of the issue;

- (ii) the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which existing security holders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company; prevailing market conditions; and
- (v) advice from corporate, financial and broking advisers (if applicable).

The persons issued securities under the 10% Placement Facility have not been determined as at the date of this Notice of Annual General Meeting but are likely to be investors which are sophisticated and/or professional investors for the purposes of section 708 of the Corporations Act. No Equity Securities will be issued under Listing Rule 7.1A to related parties of the Company.

If the Company is successful in acquiring new assets or investments, it is likely that the persons issued securities under the 10% Placement Facility will be the vendors of the new assets or investments.

- (f) The Company obtained Shareholder approval under Listing Rule 7.1A at the annual general meeting held on 28 November 2014. Shareholder Approval under Listing Rule 7.1A was not sought at the 2015 Annual General Meeting.
- (g) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.
- (h) During the 12 months preceding the date of the Meeting the Company has or will have issued a total of 900,000,000 equity securities (on a post consolidation basis), representing 2,255% of the total number of equity securities on issue at the commencement of that 12 month period.

8 Breach, fraud or dishonesty

Where, in the opinion of the Board, a Participant:

- (a) acts fraudulently or dishonestly; or
- (b) is in material breach of his or her duties or obligations to any Group Company,
- then the Board may in its sole and absolute discretion determine that all vested or unvested Options will lapse.

9 Cancellation of Options with consent

Notwithstanding any other provisions of these Rules, and subject to the Listing Rules, if a Participant and the Board agree in writing that some or all of the unvested Options and/or vested Options granted to that Participant may be cancelled on a specified date or on the occurrence of a particular event, then the Board may cancel those Options on the relevant date or on the occurrence of the particular event (as the case may be) for no consideration.

10 Lapse of Options

10.1 Lapsing

Subject to the other Rules of this Plan including Rules 6 and 10, the terms and conditions in the Offer (including the specific terms and conditions of the Option), and unless the Board decides otherwise, if an event in the table below occurs in respect of an Eligible Participant, the Eligible Participant's Options are treated in accordance with the following table:

Eligible Participant employment or consultancy arrangement (as applicable) is lawfully terminated and the Eligible Participant is a Good Leaver	Options lapse	The Expiry Date is adjusted to 60 days after the Termination Date or a later date decided by the Board
Eligible Participant employment or consultancy arrangement (as applicable) is lawfully terminated and the Eligible Participant is a Bad Leaver	Options lapse	Options Lapse
Eligible Participant's resignation or vacation from the Board, employment or consultancy with the Group	Options lapse	The Expiry Date is adjusted to 30 days after the date of the resignation or a later date decided by the Board

Eligible Participant loses Control of its Permitted Nominee and the Options are not transferred to the Eligible Participant under Rule 5.2(d)	Options lapse	Options lapse

Notwithstanding the foregoing, if the Term of an Option held by any Participant would otherwise expire during, or within 10 Business Days of the expiration of a Blackout Period applicable to such Participant, then the term of such Option shall be extended to the close of business on the 10th Business Day following the expiration of the Blackout Period.

10.2 What happens on lapsing

Where a Participant's Options have lapsed under Rule 10.1, the Company will:

- (a) notify the Participant that the Options held by it have lapsed;
- (b) arrange for the Participant or the Participant's agent or attorney to sign any transfer documents required to transfer or otherwise deal with the Options; and
- (c) not be liable for any damages or other amounts to the Participant in respect of the Options.

11 Rights attaching to Plan Shares

11.1 Shares to rank equally

Any Plan Shares issued by the Company to a Participant will rank equally with all existing Shares on and from the date of issue.

11.2 Dividends

A Participant will have a vested and indefeasible entitlement to any dividends declared and distributed by the Company on the Plan Shares which, at the books closing date for determining entitlement to those dividends, are standing to the account of the Participant.

11.3 Dividend reinvestment

The Participant may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares held by the Participant and such participation must be in respect of all such Plan Shares. 11.4 Voting rights

A Participant may exercise any voting rights attaching to Plan Shares registered in the Participant's name.

12 Change of Control Event

12.1 Change of Control Event

If a Change of Control Event occurs, the Board may in its sole and absolute discretion, and subject to the Listing Rules determine how unvested Options held by a Participant will be treated, including but not limited to:

- (a) determining that unvested Options (or a portion of unvested Options) will vest and become immediately exercisable or convertible with such vesting deemed to have taken place immediately prior to the effective date of the Change of Control Event, regardless of whether or not the employment, engagement or office of the Participant is terminated or ceases in connection with the Change of Control Event; and/or
- (b) reducing or waiving any of the Vesting Conditions attaching to those unvested Options in accordance with Rule 7.1 or Rule 8.1.

12.2 Notice to Participants

Whether or not the Board determines to accelerate the vesting of any Options, the Company shall give written notice of any proposed Change of Control Event to each Participant.

13 Capital events

13.1 Variation of capital

If there are variations to the share capital of the Company including a variation or rights issue, sub-division, consolidation, reduction, return or cancellation of share capital, a demerger (in whatever form) or other distribution in specie, the Board may adjust the number of Options to which a Participant is entitled and the Exercise Price (if applicable) in accordance with the Listing Rules.

13.2 Fairness in application

In the application of this Rule 13, the Board may (as far as possible) make whatever adjustments it deems necessary or desirable to ensure that the consequences of that application are fair as between the Participants and the holders of other securities in the Company, subject to the Listing Rules.

13.3 Notice of variation

As soon as reasonably practicable after making any adjustment under Rule 13.1, the Board will give notice in writing of the adjustment to any Participant affected by it.

14 Power of Attorney

In consideration of the issue of any Option, each Participant irrevocably appoints each director and the secretary for the time being of the Company severally as his or her attorney, to do all acts and things and to complete and execute any documents, including share transfers, in his or her name and on his or her behalf that may be convenient or necessary for the purpose of giving effect to the provisions of these Rules or the terms of the Options, including for the purposes of giving effect to the buy-back or sale of forfeited Plan Shares, and the application of the proceeds of the sale of forfeited Plan Shares. The Participant (or after his or her death, his or her legal representative) will be deemed to ratify and confirm any act or thing done under this power and to indemnify and keep indemnified the attorney in respect of doing so.

15 Powers of the Board

This Plan will be administered by the Board which will have an absolute discretion to:

- (a) determine appropriate procedures for administration of the Plan consistent with this Plan;
- (b) resolve conclusively all questions of fact or interpretation arising in connection with this Plan;
- (c) delegate to any one or more persons, for such period and on such conditions as they may determine, the exercise of any of their powers or discretions under this Plan; and
- (d) formulate special terms and conditions (subject to the Listing Rules), in addition to those set out in this Plan to apply to Participants employed and/or resident in and/or who are citizens of countries other than Australia. Each of these special terms and conditions will be restricted in their application to those Participants employed and/or resident in and/or who are citizens of other jurisdictions.

16 Taxation

16.1 No liability

Neither the Company nor its directors, officers, employees, representatives, advisers or agents:

- (a) take any responsibility or assume any liability for the Tax liabilities of Eligible Participants or Participants as a consequence of their participation in the Plan; or
- (b) represent or warrant that the Plan will have any particular Tax or financial consequences or that the Eligible Participant or Participant will gain any Tax or financial advantage by participating in the Plan.

16.2 Taxes

Upon the issue or exercise of an Option, the Participant shall make arrangements satisfactory to the Company regarding payment of any federal, state, provincial, local or other taxes of any kind required by law to be paid in connection with the issue or exercise of an Option. In order to satisfy the Company's obligation, if any, to remit an amount to a taxation authority on account of such taxes in respect of the exercise, transfer or other disposition of an Option (**Withholding Tax Amount**), the Company shall have the right, at its discretion, to:

- (a) retain and withhold amounts from any amount or amounts owing to the Participant, whether under this Plan or otherwise;
- (b) require the Participant to pay to the Company the Withholding Tax Amount as a condition of exercise or issue of an Option by a Participant, where the payment received by the Company shall be held on behalf of the Participant, and remitted to the appropriate taxing authority by the Company on behalf of the Participant; and/or
- (c) withhold from the Plan Shares otherwise deliverable to the Participant on exercise of Options such number of Shares as have a market value not less than the Withholding Tax Amount and cause such withheld Shares to be sold on the Participant's behalf to fund the Withholding Tax Amount, where:
 - (i) the Company will not be responsible for obtaining any particular price for the Shares;

- For personal use only
- (ii) the proceeds of any Shares sold shall be held by the Company on behalf of the Participant, and remitted to the appropriate taxing authority by the Company on behalf of the Participant; and
 - (iii) any proceeds from such sale in excess of the Withholding Tax Amount shall be promptly paid over to the Participant.

Notwithstanding the foregoing, nothing shall preclude the Company and the Participant from agreeing to use a combination of the methods described in this Rule 16.2 or some other method to fund the Withholding Tax Amount.

17 Commencement, suspension, termination and amendment of the Plan

17.1 Commencement

Subject to the passing of any necessary resolution approving the establishment of the Plan and the issue of the Options, the Plan will take effect when the Board decides.

17.2 Suspension or termination

- (a) Subject to Rule 17.2(b), the Board may at any time terminate the Plan or suspend the operation of the Plan for such period or periods as it thinks fit.
- (b) In passing a resolution to terminate or suspend the operation of the Plan, the Board must consider and endeavour to ensure that there is fair and equitable treatment of all Participants.

17.3 Options Issued Before Termination

Participants who hold an Option issued pursuant to the Plan, before termination of the Plan under Rule 17.2, will continue to be entitled to exercise such Option in accordance with the Plan and the Company will be bound to comply with the Plan in respect of such Options.

17.4 Amendment of Plan

- (a) Subject to Rules 17.4(b) and 17.4(c), the Listing Rules and the Constitution, the Board may at any time amend these Rules or the terms upon which any Options have been granted under the Plan. Without limiting the scope of the foregoing, the Board may make the following amendments to the Plan without shareholder approval:
 - (i) amendments of the type described in Rule 17.4(b)(i);
 - (ii) amendments of a "housekeeping" nature, which include amendments relating to the administration of the Plan or to eliminate any ambiguity or correct or supplement any provision herein which may be incorrect or incompatible with any other provision hereof;
 - (iii) changing the vesting and exercise provisions of the Plan or any Options in a manner which does not entail an extension beyond the originally scheduled Expiry Date for any applicable Option, including to provide for accelerated vesting and early exercise of any Options deemed necessary or advisable in the Board's discretion;
 - (iv) changing the termination provisions of the Plan or any Options which does not entail an extension beyond an Option's originally scheduled Expiry Date or end date for that Option;

- (v) adding or changing a cashless exercise feature, payable in cash or securities, which provides for a full deduction of the number of underlying Shares from the Plan reserve;
 - (vi) changing the provisions on transferability of Options for normal estate settlement purposes;
 - (vii) changing the process by which a Participant who wishes to exercise his or her Option can do so, including the required form of payment for the Shares being purchased, the form of exercise notice and the place where such payments and notices must be delivered; and
 - (viii) adding a conditional exercise feature which would give Participants the ability to conditionally exercise in certain circumstances determined by the Board in its discretion, at any time up to a date determined by the Board in its discretion, all or a portion of those Options granted to such Participants which are then vested and exercisable or convertible in accordance with their terms, as well as any unvested Options which the Board has determined shall be immediately vested and exercisable or convertible in such circumstances.
- (b) No amendment to these Rules or to the terms of any Options granted under the Plan may be made if the amendment materially reduces the rights of any Participant in respect of Options granted to it prior to the date of the amendment, other than:
- (i) an amendment introduced primarily:
 - (A) for the purposes of complying with or conforming to present or future legislation governing or regulating the Plan or like plans;
 - (B) to correct any manifest error or mistake;
 - (C) to allow the implementation of a trust arrangement in relation to the holding of Plan Shares granted under the Plan;
 - (D) for the purpose of complying with Applicable Laws; and/or
 - (E) to take into consideration possible adverse taxation implications (including, without limitation, on account of fringe benefits tax) for the Company in respect of the Plan or the Options granted, including as a result of changes to applicable taxation legislation or the interpretation of that legislation by any taxation authority or a court of competent jurisdiction or any rulings from taxation authorities administering such legislation; or
 - (ii) an amendment agreed to in writing by the Participant(s).
- (c) Notwithstanding anything contained herein to the contrary, no amendment to the Plan requiring the approval of the shareholders of the Company under any applicable securities laws or requirements shall become effective until such approval is obtained. Without limitation of the foregoing, the approval of a majority of the shareholders of the Company present in person or by proxy and entitled to vote at a meeting of shareholders shall be required for the following matters, to the extent required by applicable securities laws and regulatory requirements:
- (i) any amendment to the provisions of this Rule 17.4;
 - (ii) any amendment to increase the Plan Limit (other than pursuant to Rule 13.1);

- (iii) any reduction in the Exercise Price of an outstanding Option (including a cancellation and re-grant of an Option, constituting a reduction of the Exercise Price of an Option) or extension of the period during which an Option may be exercised,

in each case, unless the change results from the application of Rule 13.

- (d) Subject to the Listing Rules and, if applicable, any shareholder approval, the Board may determine that any amendment to these Rules or the terms of Options granted under the Plan be given retrospective effect.
- (e) Amendment of these Rules or the terms upon which Options are granted under the Plan by the Board will be of immediate effect unless otherwise determined by the Board.
- (f) As soon as reasonably practicable after making any amendment to these Rules or the terms of Options granted under the Plan, the Board will give notice of the amendment to any Participant affected by the amendment. Failure by the Board to notify a Participant of any amendment will not invalidate the amendment as it applies to that Participant.

17.5 Amendment by addendum

Subject to any other provision of these Rules, the Board may from time to time amend the terms of this Plan as they will apply in particular jurisdictions or circumstances by means of an addendum to these Rules.

18 Listing Rules

While the Company remains admitted to the ASX, the terms and conditions of the Plan must at all times comply with the Listing Rules. If there is any inconsistency between the terms and conditions of the Plan and the Listing Rules then the Listing Rules will prevail.

19 Buy-Back

Subject to compliance with Applicable Laws, the Company may Buy-Back Options for an amount agreed with the Participant at any time. Each Participant will do all acts, matters and things which are necessary or desirable to give effect to any Buy-Back of his or her Options.

20 No Hedging

If restricted by Applicable Law, a Participant may not enter into any arrangement for the purpose of hedging, or otherwise affecting its economic exposure to any Options.

21 Clawback

If the Board becomes aware of a material misstatement in the Company's financial statements or some other event has occurred which, as a result, means that the Vesting Conditions, in respect of certain vested Options, were not, or should not have been determined to have been, satisfied, then the Participant will cease to be entitled to those vested Options and the Board may:

- (a) by written notice to the Participant cancel the relevant vested Options for no consideration;

- For personal use only
- (b) by written notice to the Participant require that the Participant pay to the Company the after tax value of the vested Options (and which have been converted into Plan Shares), with such payment to be made within 30 Business Days of receipt of such notice; or
 - (c) adjust fixed remuneration, incentives or participation in this Plan of a relevant Participant in the current year or any future year to take account of the after tax value of the vested Options (and which have been converted into Plan Shares).

22 Contravention of Applicable Laws

- (a) No act will be done or determination made in accordance with these Rules where to do so would be a breach of any Applicable Laws, and where any such act is done or determination made it will be considered void and to the extent possible be unwound and of no effect in respect of unexercised Options or Plan Shares.
- (b) Without limiting Rule 20(a) above, no person may, whether directly or indirectly, provide financial assistance which is prohibited by the Corporations Act to an Eligible Participant for the purposes of, or in connection with, the acquisition of Options under the Plan.
- (c) Notwithstanding any of the provisions contained in this Plan or in any Offer, the Company's obligation to issue Plan Shares shall be subject to the following:
 - (i) completion of such registration or other qualification of such Shares and the receipt of any approvals of governmental authority or stock exchange as the Company shall determine to be necessary or advisable in connection with the authorisation, issuance or sale thereof;
 - (ii) the admission of such Shares to listing on any stock exchange(s) or over-the-counter market on which the Shares may then be listed or quoted; and
 - (iii) the receipt from the Participant of such representations, agreements and undertakings, including as to future dealings in such Shares, as the Company or its counsel determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any applicable jurisdiction.
- (d) In connection with Rule 22(c), the Company shall, to the extent necessary, take all steps determined by the Board, in its discretion, to be reasonable to obtain such approvals, registrations and qualifications as may be necessary for the issuance or procurement of such Shares in compliance with applicable securities laws and for the listing or quotation of such Shares on any stock exchange(s) on which the Shares are then listed or quoted.

23 Rights of Participants

Nothing in these Rules, participation in the Plan or the terms of any Option:

- (a) confers upon an Eligible Participant a right to a grant or offer of a grant of Options;
- (b) confers on an Eligible Participant or a Participant the right to continue as an employee, Contractor or officer of any Group Company (as the case may be) or participate in the Plan;
- (c) affects the rights of any Group Company to terminate the employment, engagement or office of an Eligible Participant or a Participant (as the case may be);

- For personal use only
- (d) affects the rights and obligations of any Eligible Participant or Participant under the terms of its employment, engagement or office with any Group Company;
 - (e) confers any legal or equitable right on an Eligible Participant or a Participant whatsoever to take action against any Group Company in respect of its employment, engagement or office;
 - (f) confers on an Eligible Participant or a Participant any rights to compensation or damages in consequence of the termination of its employment, engagement or office by any Group Company for any reason whatsoever including ceasing to have rights under the Plan as a result of such termination; or
 - (g) confers any responsibility or liability on any Group Company or its directors, officers, employees, representatives, advisers or agents in respect of any taxation liabilities of the Eligible Participant or Participant.

24 ASIC relief

Notwithstanding any other provisions of the Plan, every covenant or other provisions set out in an exemption or modification granted from time to time by ASIC in respect of the Plan or which applies to the Plan pursuant to its power to exempt and modify the Corporations Act and required to be included in the Plan in order for that exemption or modification to have full effect, is deemed to be contained in the Plan. To the extent that any covenant or other provision deemed by this Rule 24 to be contained in the Plan is inconsistent with any other provision in the Plan, the deemed covenant or other provision will prevail.

25 Non-exclusivity

25.1 Non-exclusivity

This Plan will not be deemed to be the exclusive method of providing incentive compensation to Eligible Participant, nor will it preclude any Group Company from authorising or approving other forms of incentive compensation for employees or Contractors of any Group Company.

25.2 Relationship to other equity plans

26 General

26.1 Costs and Expenses

The Company will pay all expenses, costs and charges in relation to the establishment, implementation and administration of the Plan, including all costs incurred in or associated with the issue or purchase of Shares (except for taxes, which are payable by Participants, and the Exercise Price for Options) for the purposes of the Plan. Each Group Company will, if required by the Board, reimburse the Company for any such costs and charges to the extent that they relate to its employees or officers, or former employees or officers.

26.2 Data protection

- (d) transferring information about the Participant to a country or territory outside Australia.

26.3 Error in Allocation

If any Option is provided under this Plan in error or by mistake to a person (**Mistaken Recipient**) who is not the intended recipient, the Mistaken Recipient shall have no right or interest, and shall be taken never to have had any right or interest, in that Option and any such Options will immediately lapse or be forfeited.

26.4 Dispute

Any disputes or differences of any nature arising under the Plan will be referred to the Board for determination.

26.5 No fiduciary capacity

The Board may exercise any power or discretion conferred on it by these Rules in the interest or for the benefit of the Company, and in so doing the Board is not required to act in the interests of another person or as requested by another person and will not be under any fiduciary obligation to another person.

26.6 Non-residents of Australia

- (a) The Board may adopt additional Rules applicable to any jurisdiction outside Australia under which Options offered under the Plan may be subject to additional or modified terms, having regard to any securities exchange control or taxation laws or regulations or similar factors which may apply to the Participant or any Group Company in relation to those Options. Any additional Rule must conform to the basic principles of the Plan.
- (b) When an Option is granted under the Plan to a Participant who is not a resident of Australia, the Rules apply subject to such alterations or additional terms as the Board determines having regard to any securities exchange control or taxation laws or regulations or similar factors which may apply to the Participant or to any Group Company in relation to the Option.

26.7 Enforcement

These Rules, any determination of the Board made pursuant to the Rules, and the terms of any Options granted under the Plan, will be deemed to form a contract between the Company and the Participant.

	Appendix 1 - Sources of Information	9

1. INTRODUCTION

BDO Advisory has been engaged by G8 Communications to undertake a valuation of Options intending to be granted, for inclusion in the Company's Notice of Meeting.

The key information we have received and used in our valuation is set out in Appendix 1.

2. TERMS OF THE OPTIONS

We understand the terms of the Options to be issued are as follows:

Item	Tranche A
Number of Options	10,000,000
Exercise price	\$0.050
Valuation date	11-Oct-16
Expiry date	11-Oct-19
Expiration period (years)	3.00

3. VALUATION METHODOLOGY

Options without market based vesting conditions can be exercised at any time following vesting up to expiry date, and as such are more suitably valued using a binomial option pricing model.

Option pricing models assume that the exercise of an option does not affect the value of the underlying asset.

We have used the Black Scholes option pricing model to validate the valuation prices calculated by the binomial option pricing model.

Under AASB 2 'Share Based Payments' and option valuation theory, no discount is made to the fundamental value derived from the option valuation model for unlisted options over listed shares.

4. VALUATION OF THE OPTIONS

In valuing the Options, we made the following assumptions regarding the inputs required for our option pricing model:

4.1 Current Price of the Underlying Shares

As at the valuation date, the share price of G8 Communications was \$0.033.

The valuation of the Options is for inclusion in a notice of meeting, and as such, the latest market share price of G8 Communications is the most up to date value of the Company's shares. We have adopted this price for our valuation.

4.2 Exercise Price of the Options

The exercise price is the price at which the underlying ordinary shares will be issued. The Options have an exercise price of \$0.05.

4.3 Valuation Date

The options are intended to be issued at the Company's shareholder meeting, which is to be held at a future subsequent date. For the purpose of our valuation we have assumed the Options will be granted on 11 October 2016.

4.4 Life of the Options

We have estimated the life of the Options for the purpose of our valuation. The minimum life of the Options is the length of any vesting period. The maximum life is based on the expiry date, which is approximately three years for the Options.

Under AASB 2 'Share Based Payments', the expected life of the Options needs to reflect the potential for early exercise. The potential for early exercise tends to reduce the effective life, and consequently the value of options.

With consideration for this, there are many factors that determine the rationale for exercising options and therefore, the effective life of those options.

There is a limited track record of unlisted options being exercised early. Generally, early exercise occurs:

- if the options are deep in the money as it is profitable for the holder of the option to exercise the options;
- if the stock pays a dividend as the opportunity cost of holding the option is high;
- if the volatility of the underlying share price is low as the probability of the options becoming deeper in the money is low relative to a highly volatile stock; and
- when the options are held by junior level employees. Senior employees are more likely to continue their employment with the company and therefore there is no incentive to exercise their options.

For the purpose of valuing these Options we have estimated an exercise date as the expiry date giving effective lives for the Options of three years, which we have input into our option pricing model.

4.5 Expected Volatility of the Share Price

Expected volatility is a measure of the amount by which a price is expected to fluctuate during a period. The measure of volatility used in option pricing models is the annualised standard deviation of the continuously compounded rates of return on the share over a period of time.

Many techniques can be applied in determining volatility, with a summary of the methods we use below:

- The square root of the mean of the squared deviations of closing prices from a sample. This can be calculated using a combination of the opening, high, low, and closing share prices each day the underlying security trades for all days in the sample time period chosen;
- The exponential weighted moving average model adopts the closing share price of the Company in a given time period. The model estimates a smoothing constant using the maximum likelihood method, which estimates volatility assuming that volatility is not a constant measure and is predicted to change in the future; and
- The generalised autoregressive conditional heteroscedasticity model. This model takes into account periods of time where volatility may be higher than normal and/or lower than normal, as well as the tendency for the volatility to run at its long run average level after such periods of abnormality. The model will calculate the rate at which this is likely to occur from the sample of prices thereby enabling estimates of future volatility by time to be made.

The recent volatility of the share price of comparable listed companies was calculated by Hoadley's volatility calculator for one, two and three year periods, using data extracted from Bloomberg. For the purpose of our valuation, we used a future estimated volatility level of 100% for G8 Communications in our pricing model.

4.6 Risk-Free Rate of Interest

We have used the Australian Government three-year bond rate of 1.71% as at the valuation date as inputs to our option pricing model.

4.7 Dividends Expected on the Shares

G8 Communications is currently unlikely to pay a dividend during the life of the Options.

4.8 Vesting Conditions

There are no vesting conditions for the Options.

5. CONCLUSION

We set out below our conclusions as to the value of the Options:

Item	Tranche A
Underlying Security spot price	\$0.033
Exercise price	\$0.050
Valuation date	11-Oct-16
Expiration date	11-Oct-19
Life of the Options (years)	3.00
Volatility	100%
Risk free rate	1.71
Number of Options	10,000,000
Valuation per Option	\$0.018

6. SENSITIVITY ANALYSIS

We have also examined the effect on the value of the securities of an increase or decrease in the share price by 10% and 20% between the date of this report and the date of the actual issue should shareholders approve the issue.

20% increase in share price to <u>\$0.040</u>		Tranche A
