

GetSwift signs The Fruit Box Group (Box Corporate) to a 3 year, 7M+ deliveries contract

Highlights

- **The Fruit Box Group previously known as Box Corporate signs up to an exclusive 3 year contract with GetSwift's last-mile delivery services solution to optimise and manage the fruit box and milk deliveries across Australia.**
- **Fruit Box Group currently delivers more than 1,500,000+ fruit boxes and milk deliveries per year with significant growth projections in place.**
- **Exclusive contract projected at more than 7,000,000+ total aggregate deliveries**

GetSwift Limited (ASX: GSW) ('GetSwift' or the 'Company'), the SaaS solution company that optimises delivery logistics world-wide, is pleased to announce that it has signed The Fruit Box Group to an exclusive 3 year contract to optimise and manage their fruit, milk and goods delivery operations nationally.

The Fruit Box Group (formerly Box Corporate) have been making fruit box deliveries since 2001 to offices in Australia. They currently manage over 1,500,000+ workplace deliveries of milk, fruit boxes, and other goods every year nationally.

Commenting on the potential of this agreement, Bane Hunter, Executive Chairman of GetSwift said "The Fruit Box Group is an incredible Australian success story, with an amazing service model, fantastic product offerings and very talented team in place. We are delighted and thankful to be in a position to be their exclusive partner over the next 3 years of their projected rapid growth. At GetSwift we continue to do what we always said we would do: We don't focus on hype or complexity - we just quietly, but confidently keep changing the face of last mile logistics by providing our customers verifiable commercial outcomes, unrelenting passionate customer service and a unbeatable product proposition."
