Proposed change of name to Navigator Global Investments Limited

The Board of HFA Holdings Limited (HFA or the Company) announces its intention to change the name of the Company to Navigator Global Investments Limited. The change of name will be put to Shareholders at the Company's upcoming Annual General Meeting.

The Board believes the change to the Company's name is appropriate as a signal that it has completed its rebuild with the achievement of key milestones in the recent past, including repayment of bank debt, rationalisation of the capital structure and balance sheet, and the commencement of a broader business strategy which seeks to grow and diversify the Group's key operations beyond the traditional fund of hedge fund industry.

The change of name impacts the parent entity only, and the Group's key US business, Lighthouse Investment Partners, LLC will continue to operate under its existing name and branding.
