## Annual General Meeting Extension

On 28 July 2017, Aspermont Limited (ASX: ASP) ('Aspermont' or the 'Company'), the leading media services provider to the global resources industry, announced that it has changed its financial year from 1 July / 30 June to 1 October / 30 September. The change was made to more closely align the financial year with the Company's global business sales cycle.

Subsequently, Aspermont was granted relief by ASIC from s250N of the *Corporations Act 2001*, to extend the period within which the Company must hold its AGM to 28 February 2018. This relief will make Aspermont compliant with s250N going forward, which requires the AGM to be held at least once every calendar year and within 5 months after the end of its financial year (30 September).
