SALT LAKE POTASH STRENGTHENS EXECUTIVE TEAM

- **Three experienced Executives join Salt Lake Potash:**
  - **Shaun Day as Chief Financial Officer**
  - **Rowena Roberts as Director – People, Culture, Heritage and Community**
  - **Mark Wilde as Director – Sales and Marketing**
- **Appointments strengthen an already experienced construction and operations Executive Team as the Company continues the rapid development of the Lake Way Project.**

Salt Lake Potash Limited (**SO4** or **Company**) is pleased to announce that the Company has made several key executive appointments as the rapid development of the Lake Way Project continues.

Mr Shaun Day will commence in the role of Chief Financial Officer and be responsible for the delivery of the financial, commercial and strategic outcomes for Salt Lake Potash. He is a Chartered Accountant and experienced CFO with over 20 years' experience in executive and financial positions across mining, investment banking and international accounting firms. Most recently, Mr Day was Chief Financial Officer of Northern Star Resources during a period of significant growth with the market cap of Northern Star increasing from $700 million to $8 billion. He holds a Bachelor of Commerce from UWA and is a member of the Australian Institute of Company Directors.

Ms Rowena Roberts joins as Director – People, Culture, Heritage and Community. She is responsible for overseeing the human resources, heritage and community relations functions for Salt Lake Potash. Ms Roberts brings a broad depth of knowledge and experience with over 25 years' in People Management, Indigenous Training and Education, Aboriginal Economic Development, Community Relations and Native Title negotiations. Most recently, Ms Roberts has worked at Fortescue Metals Group, the Water Corporation and Sinosteel leading areas covering People, Culture and Community Relations.

Mr Mark Wilde joins the Company as Director – Sales and Marketing, overseeing the Sales and Marketing functions. He is an experienced senior sales and marketing executive with more than 30 years' experience working in sales, marketing, business development and technical functions. Most recently, Mr Wilde was Global Sales Director, Sulphate of Potash (**SOP**) Business Unit, for Tessenderlo Group (one of the top three largest SOP producers outside of China). In this role Mr Wilde was responsible for sales and marketing 500ktpa of SOP predominately in the premium market space, in more than 90 countries. He has a Bachelor of Chemistry from Stockport College of Technology.
