Annual General Meeting Presentation FY2019

Disclaimer

This presentation contains certain statements that may constitute forward-looking information under applicable securities laws. All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that 5G Networks Ltd anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. In some cases, forward-looking information is identified by the use of terms and phrases such as "anticipate", "believe", "could", "estimate", "expect", "intend", "may", "plan", "predict", "project", "will", "would", and similar terms and phrases, including references to assumptions. Such information may involve, but is not limited to, comments with respect to expectations, planned operations or future actions. These forward-looking statements are based on currently available information as of the date of this presentation but are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those expressed or implied by such forward-looking information. The forward-looking information contained in this presentation is expressly qualified by this cautionary statement.

A number of risks, uncertainties and other factors could cause actual results to differ materially from the results discussed in the forward-looking information, including, but not limited to, the following: risks associated with reliance on key personnel; financial health of 5G Networks Ltd and its related cash flows; general industry and market conditions and growth rates; legislative and regulatory developments; general economic conditions and levels of economic activity; global financial conditions; financing risks; degree of competition in the industry; risks associated with the development of projects; changes in employee relations; and control of costs and expenses.

Forward-looking information reflects 5G Networks Ltd 's current beliefs and is based on information currently available to 5G Networks Ltd and on assumptions it believes to be reasonable. The forward-looking information is made as of the date of this presentation and 5G Networks Ltd assumes no obligation to update or revise such information to reflect new events or circumstances, except as may be required by applicable law. Prospective investors should not read forward-looking information as guarantees of future performance or results and should not place undue reliance on forward-looking information. Nothing in this presentation is, or should be relied upon as, a promise or representation as to the future.

Key Business Achievements for 5G Networks

Key Milestones Achieved since 2017 IPO:

- 6 acquisitions successfully completed and integrated;
- End to End IT proposition for clients supported by our integrated product offering Cloud,
 Data Centre, Data Networking and Managed IT;
- Integration of people and culture Stable Executive team;
- Strengthened board with recent appointment of Jason Ashton (ex-BigAir Group);
- Future proofing of technology platforms and adoption of automation tools across cloud and data networks;
- Focussed sales team on high margin solutions and our own infrastructure product sales;
- Implementation of sales tools and sales channel expertise to maximise cross-sell and up-sell opportunities to 5G Networks' 2,500 customers;
- Multiple network options to allow customers to optimise hybrid cloud solutions;
- Over 200 skilled employees in 12 offices across Australia;

Financial Performance and Strategic Growth Plan

Key Financial Achievements in FY19

- Positive Operating Cashflow;
- Revenue growth 848% from FY18 to \$51M:
 - 71% contracted;
 - \$27M Total Contract Value of re-contracted and new revenue in FY19;
- Underlying EBITDA* of \$3.2M;
- EBITDA margin 8.4% for H2FY19;
- Strong cash position and available debt capacity;
- Inaugural 1 cent per share fully franked dividend;

Our future growth agenda in FY2020+

- Development of the 5GN Private Cloud platforms to retain and grow customer base;
- Automation of major services to enable increased scalability and speed to revenue;
- Growth accelerated with the inclusion of our indirect sales channel;
- Continue aggressive strategy for targeted acquisitions;
- Network expansion to meet demand in existing and emerging markets;
- Improved returns from existing network and data centre infrastructure to drive profitability;

What We Do

5G Networks empower digital technologies for business by offering simplified, end to end service experiences for our customers.

Core Products & Services

Data Networking

Enterprise grade connectivity solutions including a nationwide data network to seamlessly connect our customers to their workplace, critical business applications and managed digital platforms.

Data Centre & Cloud

Delivering on the cloud strategies of Australian business. The 5GN cloud seamlessly combines private cloud, public cloud and national data centres, orchestrated and governed by secure management platforms.

Managed Services

Optimising ICT environments to accelerate the future opportunities presented by digital transformation through strategic consulting, hybrid IT, migration services and 24/7 dedicated Australian based service management & support.

"In today's game, using the right technology can be vital to gain an edge on the competition. Thanks to 5G Networks, our on-field digital technology allows us to make the right decisions faster. The support of 5G Networks means we can utilise market-leading technologies to help us reach our goals."

^{*} EBITDA before acquisition and share option costs

Future Strategic Agenda Dedicated to Accelerating Growth

Acquisitions and Upsell

- APTel Managed Voice/Network
- Enspire Data Networks & Cloud

Annualised Revenue (FY18) \$11.5M EBITDA 13.5%

- Anittel Managed IT
- Hostworks Cloud Hosting
- Melbourne Data Centre
- 1000+ new customers

FY19 Revenue \$51M
FY19 EBITDA 6.3%*
*excluding acquisitions and share option costs

Acquisitions and Channel Expansion

- Sydney Data Centre Acquisition (APDC)
- Indirect Channel started
- New Customer growth

Revenue Target \$55m – \$65m EBITDA Target 8%* – 12%*

- Strategic acquisitions
- Indirect Channel growth
- EBITDA growth

Executive Options Revenue Target \$80m Executive Options EBITDA Target \$10m

Strategic Principles Underpin our Acquisition Strategy

Discipline & Framework

The 5GN acquisition targets are identified, managed and integrated in accord with our Strategic Framework

Financial Value

- Purchase price <4X EBITDA
- Revenue growth via cross sell opportunities
- EBITDA enhancement through on-net services

Products & Infrastructure

- Offerings are in synergy with 5GN strategy
- Offerings are market leading
- Products open new geo-markets & customers
- Products are digitised for integration

People & Culture

- Organisational alignment to future mode of operations
- Resources are revenue generating
- New capability can drive competitive advantage/ differentiation

Operational Scale

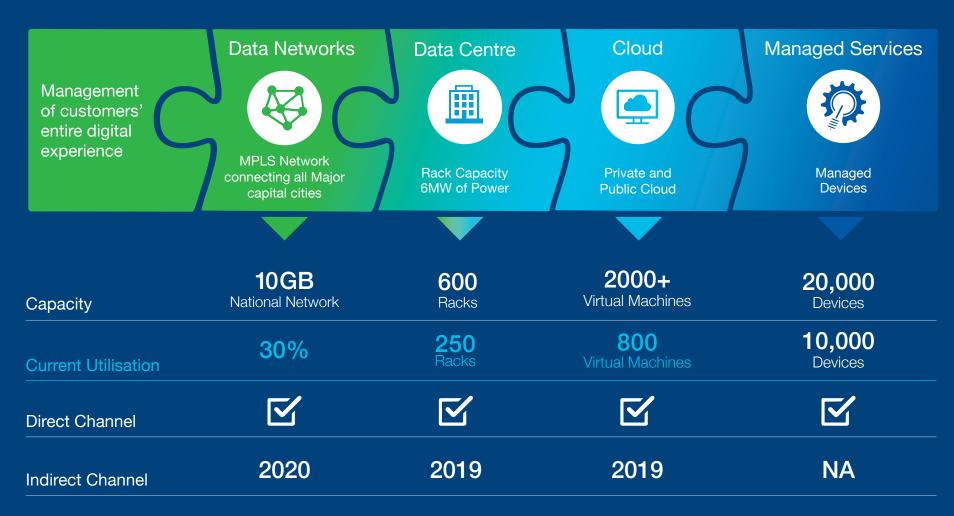

- Existing processes are market leading
- Systems are in accord with 5GN or bring improved functionality

or personal use

For personal use only

Targeted Acquisitions Continue To Grow Our Capacity

Growth Strategy Including New Indirect Sales Channel

- ► New Indirect Sales Channel to leverage capacity
- Leverage high capacity product and platform assets
- Accelerate growth outcomes to meet aggressive revenue targets in FY2020+

- ► Cross-sell, up-sell for customer revenue growth
- Harvest acquired customers' which typically have only single product holdings
- Targeted network infrastructure investment to high-density customer locations

- Acquisitions
- 5GN disciplined approach to ensure underlying financial value is defined
- Identify operational and product synergies which augment current capabilities
- New customer acquisition without service overlap

Appendices

Revenue Breakdown

	H2 FY 19 \$000	H1 FY 19 \$000	Total FY2019 \$000	FY 2018 \$000
Network and Voice	3,263	3,515	6,778	2,020
Data Centre	2,516	1,557	4,073	
Hardware Software	8,438	6,559	14,997	564
Managed Services	7,175	6,131	13,306	1,429
