Webjet announces successful completion of Retail Entitlement Offer

Webjet Limited ("**Webjet**") today announces the successful completion of the retail component of its fully underwritten 1 for 1 accelerated non-renounceable entitlement offer ("**Retail Entitlement Offer**").

Completion of the Retail Entitlement Offer represents the second stage of Webjet's A\$346 million equity raising via institutional placement and pro-rata accelerated non-renounceable entitlement offer ("**Entitlement Offer**"), announced on Wednesday 1 April 2020. The institutional placement and institutional component of the Entitlement Offer closed on Wednesday 1 April 2020.

The Retail Entitlement Offer closed on Tuesday, 21 April 2020 and raised approximately A\$118 million. It was sent to 24,060 eligible security holders and Webjet received 12,633 valid applications from eligible retail shareholders for their entitlements under the Retail Entitlement Offer, for approximately 50.4 million shares aggregating to approximately A\$86 million, implying a take-up rate by eligible retail shareholders of approximately 72.7%. Webjet also received, under the top up facility, eligible applications from 8,324 retail investors for approximately 27.5 million additional new shares in excess of their entitlement (up to a maximum of 100% of their entitlement) aggregating to approximately A\$46.7 million. As this exceeds the size of the Retail Entitlement Offer shortfall, a scale back will be applied. No shortfall shares will be issued to underwriters and/or sub-underwriters.

Scale back policy

It has been necessary to scale back applications for approximately 27.5 million additional shares applied for under the top-up facility. All eligible applications for additional new shares will be scaled back by approximately 31%. The scale back will be done on a pro-rata basis across all applications. Refunds totalling approximately \$14.5 million in respect of scaled back applications under the top-up facility will be dispatched to retail shareholders as soon as practicable. In light of COVID-19 restrictions and recently announced postal delays, Webjet will pay refunds directly to the bank account provided by each relevant shareholder for dividend payments. If a bank account has not been provided, the refund will be paid by cheque sent by ordinary post to the address recorded on the share register as soon as practicable.

Final details and allocations are subject to reconciliation and an audit process that is currently being completed by Webjet's share registry.

New shares under the Retail Entitlement Offer are expected to be allotted on Tuesday, 28 April 2020 and commence trading on the ASX on Wednesday, 29 April 2020.
