## EXPLANATORY STATEMENT

---

## FINANCIAL STATEMENTS AND REPORTS

---

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2019 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at [www.winchesterenergyLtd.com](http://www.winchesterenergyLtd.com).

---

### 1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 1.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

---

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

### **1.3 Previous voting results**

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

---

## **2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR LARRY LIU**

### **2.1 General**

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Larry Liu, who has served as a director since 10 December 2014 and was last re-elected on 31 May 2019, retires by rotation and seeks re-election.

### **2.2 Qualifications and other material directorships**

Mr Liu obtained a Bachelor's Degree of Engineering from Southeast University, China and a MBA from a joint program between APESMA & Deakin University, Australia. Mr. LIU joined General Electric in 1997 from Contact Energy New Zealand, and served as the various Asia Pacific leadership positions, including sourcing leader, six-sigma master black belt, and energy services sales director. Mr Liu has extensive knowledge of Asia Pacific region. He brings rich experience in various management areas including sourcing, people development and management process improvement.

### **2.3 Independence**

If re-elected the Board considers Larry Liu will be an independent Director.

### **2.4 Board recommendation**

The Board has reviewed Larry Liu's performance since his appointment to the Board and considers that Larry Liu's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Larry Liu's and recommends that Shareholders vote in favour of this Resolution.

---

## **3. RESOLUTION 3 TO 5 – ELECTION OF DIRECTORS**

### **3.1 General**

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for

---

election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

## 4. RESOLUTIONS 6 AND 7 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES - LISTING RULES 7.1 AND 7.1A

### 4.1 General

On 2 December 2019, the Company issued 128,350,000 Shares to various institutional and sophisticated investors (**Placement Participants**) at \$0.05 per Share to raise \$6,417,500 (**Placement Shares**) before costs.

---

72,525,415 Shares were issued pursuant to the Company's capacity under Listing Rule 7.1 (being the subject of Resolution 6) and 55,824,585 Shares were issued pursuant to the Company's Listing Rule 7.1A mandate which was approved by Shareholders at the annual general meeting held on 31 May 2018 (being the subject of Resolution 7).

Resolutions 6 and 7 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

#### **4.2 Resolutions 6 and 7 – Listing Rule 7.1 and 7.1A**

Broadly speaking, and subject to a number of exceptions Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 31 May 2019. The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 12 being passed by the requisite majority at this Meeting.

The issue of the Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

#### **4.3 Listing Rule 7.4**

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

Resolutions 6 and 7 seek Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

#### **4.4 Technical information required by Listing Rule 14.1A**

If Resolutions 6 and 7 are not passed, the Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolutions 6 and 7 are not passed, the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 12 being passed at this Meeting.

#### **4.5 Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolutions 6 and 7:

- (a) the Placement Shares were issued to professional and sophisticated investors who are clients of Lead Managers. The recipients were identified through a bookbuild process, which involved the Lead Managers seeking expressions of interest to participate in the capital raising from non-related parties of the Company. None of the recipients are related parties of the Company.
- (b) 128,350,00 Placement Shares were issued on the following basis:
  - (i) 72,525,415 Shares issued pursuant to Listing Rule 7.1 (ratification of which is sought under Resolution 6); and
  - (ii) 55,824,585 Shares issued pursuant to Listing Rule 7.1A (ratification of which is sought under Resolution 7);
- (c) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Placement Shares were issued on 2 December 2019;
- (e) the issue price was \$0.05 per Placement Share under both the issue of Shares pursuant to Listing Rule 7.1 and Listing Rule 7.1A;
- (f) the purpose of the issue of the Placement Shares was to raise \$6,417,500, of which;
  - (i) approximately \$1 million has been applied to accelerate development drilling activities over the Mustang Oil Field located in the Permian Basin of Nolan County, Texas and towards general working capital purposes; and
  - (ii) the remaining funds shall be allocated towards the Company's continued development of its recently identified prospects and for general working capital purposes;
- (g) the Placement Shares were not issued under an agreement; and
- (h) a voting exclusion statement is included in Resolutions 6 and 7 of the Notice.

## 5. RESOLUTION 8 – RATIFICATION OF PRIOR ISSUE OF LEAD MANAGER OPTIONS

### 5.1 General

On 2 December 2019, the Company issued 10,000,000 Options at an issue price of \$0.10 per Option to raise \$1,000,000 (**Lead Manager Options**).

The Company appointed Gleneagle Securities (Aust) Pty Ltd (Gleneagle) and CPS Securities Pty Ltd as the lead managers to the Placement (**Lead Managers**) pursuant to a lead manager mandate (**Lead Manager Mandate**). In accordance with the terms of the Lead Manager Mandate, the Company has agreed to:

- (a) pay a placement management fee of 1% of the total dollar amount raised under the Placement to Gleneagle;
- (b) pay 5% of the total dollar amount raised under the Placement to each of the Lead Managers (in respect of the investors identified by each of the Lead Managers); and
- (c) issue 10,000,000 Options in part satisfaction of lead manager services provided by the Lead Managers (**Lead Manager Options**).

As summarised in Section 4.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 11 being passed at this Meeting.

The issue of the Lead Manager Options does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Lead Manager Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Lead Manager Options.

Resolution 8 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Lead Manager Options.

---

## 5.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Lead Manager Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Lead Manager Options.

If this Resolution is not passed, the Lead Manager Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Lead Manager Options.

As noted above, the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 12 being passed at this Meeting.

## 5.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to this Resolution:

- (a) the Lead Manager Options were issued to the parties as set out below, none of whom are a related party of the Company:

Co-Lead Managers	Number of Options
Gleneagle	4,000,000
CPS	2,000,000
Other Advisers^	3,500,000
Bell Potter	500,000
<b>Total</b>	<b>10,000,000</b>

- (b) 10,000,000 Lead Manager Options were issued and the Lead Manager Options were issued on the terms and conditions set out in Schedule 3;
- (c) the Lead Manager Options were issued on 2 December 2019;
- (d) the Lead Manager Options were issued at a nil issue price, in consideration for services provided by the Lead Managers. The Company has not and will not receive any other consideration for the issue of the Lead Manager Options (other than in respect of funds received on exercise of the Lead Manager Options);
- (e) the purpose of the issue of the Lead Manager Options was to i.e. satisfy the Company's obligations under its agreements with the Lead Managers;
- (f) the Lead Manager Options were issued to the Lead Managers (and their nominees) under the agreements with the Lead Managers (**Lead Manager Mandate**). A summary of the material terms of the Lead Manager Mandate is set out in Section 5.1 above; and
- (g) a voting exclusion statement is included in Resolution 9 of the Notice.

## 6. RESOLUTION 9 – RATIFICATION OF PRIOR ISSUE OF CONSULTANCY SHARES

### 6.1 Consultancy Agreement

On 25 July 2019, the Company entered into a consulting agreement with Martens Petroleum Consulting Pty Ltd (**Consultant**) whereby the Company agreed to engage the Consultant to provide exploration and drilling services between 1 June 2019 and 1 January 2020 (**Consultancy Agreement**).

In accordance with the terms of the Consultancy Agreement, the Company agreed to:

- (a) pay a cash fee of \$15,500 (plus GST) to the Consultant in respect of services provided in June 2019;
- (b) issue the Consultant (or its nominee) \$15,500 worth of Shares at a deemed issue price equal to the 30day VWAP in June 2019 (**June Consultancy Shares**);
- (c) pay a monthly fee of \$10,000 (plus GST) to the Consultant for services provided between 1 July 2019 and 1 January 2020, of which:
  - (i) 50% may be paid in cash; and
  - (ii) 50% may be paid in Shares at a deemed issue price equal to the 30day VWAP in the respective invoice month (**Monthly Fee Shares**); and
  - (iii) issue 1,500,000 Options to the Consultant (or its nominee) on the terms and conditions set out at Schedule 2 (**2019 Consultant Options**). The 2019 Consultant Options will be subject to a 12 month voluntary escrow period.

### 6.2 General

On 18 October 2019, the Company issued 605,769 June Consultancy Shares and 407,476 Monthly Fee Shares (together, the **Consultancy Shares**). Further details of these issues are set out in the table below.

Month	Deemed Issue Price	Shares
June Consultancy Shares		
June 2019	0.026	605,769
Monthly Fee Shares		
July 2019	0.032	156,250
August 2019	0.03	166,667
September 2019	0.068	84,559
<b>Total</b>		<b>1,013,245</b>

As summarised in Section 4.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 11 being passed at this Meeting.

The issue of the Consultancy Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Consultancy Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consultancy Shares.

This Resolution seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consultancy Shares.

### **6.3 Technical information required by Listing Rule 14.1A**

If this Resolution is not passed, the Consultancy Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Consultancy Shares.

If this Resolution is not passed, the Consultancy Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Consultancy Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on this Resolution being passed at this Meeting.

### **6.4 Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to this Resolution:

- (a) the Consultancy Shares were issued to the Consultant, who is not a related party of the Company;
- (b) 1,013,245 Consultancy Shares were issued and the Consultancy Shares issued were all fully paid ordinary shares in the capital of the Company

issued on the same terms and conditions as the Company's existing Shares;

- (c) the Consultancy Shares were issued on 18 October 2019;
- (d) the Consultancy Shares were issued at a nil issue price, in consideration for services provided by the Consultant. The Company has not and will not receive any other consideration for the issue of the Consultancy Shares;
- (e) the purpose of the issue of the Consultancy Shares was to satisfy the Company's obligations under the Consultancy Agreement;
- (f) the Consultancy Shares were under the Consultancy Agreement. A summary of the material terms of the Consultancy Agreement is set out in Section 6.1 above; and
- (g) a voting exclusion statement is included in Resolution 10 of the Notice.

## **7. RESOLUTION 10 – ISSUE OF OPTIONS PURSUANT TO CONSULTANCY AGREEMENT**

### **7.1 General**

As set out in Section 6.1, the Company has entered into the Consultancy Agreement, whereby it has agreed to issue the 2019 Consultancy Options (**Consultancy Options**).

As summarised in Section 4.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 11 being passed at this Meeting.

The proposed issue of the Consultancy Options does not fall within any of the specified exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

### **7.2 Technical information required by Listing Rule 14.1A**

If this Resolution is passed, the Company will be able to proceed with the issue of the Consultancy Options. In addition, the issue of the Consultancy Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Consultancy Options and the Company may need to negotiate an alternative payment structure with the Consultant.

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Consultancy Options.

---

### 7.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to this Resolution:

- (a) the Consultancy Options will be issued to the Consultant (or its nominee), who are not related parties of the Company;
- (b) the maximum number of Consultancy Options to be issued is 1,500,000 (to be issued on the terms and conditions set out in Schedule 2);
- (c) the Consultancy Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Consultancy Options will occur on the same date;
- (d) the Consultancy Options will be issued at a nil issue price in consideration for services provided by the Consultant under the Consultancy Agreement and the Extension Agreement;
- (e) the purpose of the issue of the Consultancy Options is to satisfy the Company's obligations under the Consultancy Agreement and Extension Agreement;
- (f) the Consultancy Options are being issued under the Consultancy Agreement. A summary of the material terms of these agreements is set out in Section 6.1;
- (g) the Consultancy Options are not being issued under, or to fund, a reverse takeover; and
- (h) a voting exclusion statement is included in Resolution 10 of the Notice.

## 8. RESOLUTION 11 – APPROVAL OF 7.1A MANDATE

### 8.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

---

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

## 8.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution:

### (a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

### (b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (i) if the Equity Securities are not issued within 10 trading days of the date in Section 10.2(b)(i), the date on which the Equity Securities are issued.

### (c) Use of funds raised under the 7.1A Mandate

The Company may issue Equity Securities under the 7.1A Mandate as cash consideration in which case the Company intends to use funds raised for existing project development, investing in new business opportunities including an acquisition of new projects or businesses and expenses associated therewith and/or general working capital.

### (d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

---

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 15 April 2020.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		Dilution			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.01	\$0.02	\$0.04
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	687,609,095 Shares	68,760,909 Shares	\$687,609	\$1,375,218	\$2,750,436
50% increase	1,031,413,643 Shares	103,141,364 Shares	\$1,031,414	\$2,062,827	\$4,125,655
100% increase	1,375,218,190 Shares	137,521,819 Shares	\$1,375,218	\$2,750,436	\$5,500,873

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

**The table above uses the following assumptions:**

1. There are currently 687,609,095 existing Shares as at the date of this Notice of Meeting.
2. The issue price set out above is the closing market price of the Shares on the ASX on 15 April 2020.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 7.1A Mandate will be vendors of the new resources, assets or investments.

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 31 May 2019 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 31 May 2019, the Company issued a total of 98,959,170 Shares pursuant to the Previous Approval, which, represents approximately 21.31% of the total diluted number of Equity Securities on issue in the Company on 31 May 2019, which was 464,473,270.

Further details of the issues of Equity Securities by the Company during the 12-month period preceding the date of the Meeting are set out in Schedule 1.

---

### 8.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in respect of this Resolution in this Notice.

## 9. RESOLUTION 12 – REPLACEMENT OF CONSTITUTION

### 9.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

This Resolution is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in or about July 1999.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- (a) updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- (b) expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <https://www.winchesterenergyltd.com/> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 +61 1300 133 921). Shareholders are invited to contact the Company if they have any queries or concerns.

### 9.2 Summary of material proposed changes

#### Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an "unmarketable parcel" of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

---

The Proposed Constitution is in line with the requirements for dealing with "unmarketable parcels" outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

#### **Fee for registration of off market transfers (clause 8.4(c))**

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

#### **Direct Voting (clause 13, specifically clauses 13.35 – 13.40)**

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

#### **Dividends (clause 22)**

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
  - (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
-

- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

### **Partial (proportional) takeover provisions (new clause 36)**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

#### Information required by section 648G of the Corporations Act

##### *Effect of proposed proportional takeover provisions*

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

##### *Reasons for proportional takeover provisions*

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

##### *Knowledge of any acquisition proposals*

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

##### *Potential advantages and disadvantages of proportional takeover provisions*

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

---

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

#### *Recommendation of the Board*

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.
