Successful completion of Institutional Entitlement Offer

The Directors of Nickel Mines Limited (**'the Company'** or **'Nickel Mines'**) are pleased to announce the successful completion of the institutional component (**'Institutional Entitlement Offer'**) of its fully underwritten 1 for 3.6 accelerated pro-rata non-renounceable entitlement offer (**'Entitlement Offer'**) that was announced on Tuesday, 19 April 2020.

Proceeds from the Institutional Entitlement Offer will be put towards funding cash consideration payable for Nickel Mines to increase its current 60% ownership interests in both the Hengjaya Nickel RKEF Project (**'HNI'**) and the Ranger Nickel RKEF Project (**'RNI'**) to 80% (**'the Transactions'**). The cash consideration payable to Shanghai Decent in connection with the Transactions, of approximately US\$150 million, will be funded by the net proceeds of the Entitlement Offer, including the retail component of the Entitlement Offer which is scheduled for settlement on 15 June 2020, and the Company's existing cash reserves. Shareholder approval for the Transactions is being sought at the Company's Annual General Meeting to be held on 29 May 2020 in accordance with the ASX Listing Rules.

The Institutional Entitlement Offer raised approximately \$179 million at A\$0.50 per New Share (**'Offer Price'**). It was well supported by institutional shareholders with take-up of approximately 75% and strong demand from both existing Nickel Mines' shareholders and new institutional investors with the balance of the institutional component, comprising renounced entitlements and entitlements attributable to ineligible shareholders, being oversubscribed.

Nickel Mines' Managing Director, Justin Werner said:

"We are delighted with the success of the offer which is a clear endorsement of the Company's achievements to date and intention to increase its ownership interests in both HNI and RNI to 80%".

New shares issued under the Institutional Entitlement Offer will rank equally with existing shares. The new shares issued under the Institutional Entitlement Offer are expected to be allotted on Friday, 29 May 2020. Trading will commence on a normal settlement basis on the Australian Securities Exchange (ASX) on the same day.

Retail Entitlement Offer

The retail component of the Entitlement Offer, which is fully underwritten, will further raise approximately \$52 million ('Retail Entitlement Offer'). The Retail Entitlement Offer will open on Tuesday, 26 May 2020 and close at 5.00pm (Sydney time) on Tuesday, 9 June 2020.
