QANTAS GROUP EXTENDS CLOSING DATE OF SPP

Sydney, 14 July 2020

The Qantas Group advises that the closing date of the Share Purchase Plan (**SPP**) announced on 25 June 2020 (and the terms of conditions of which were announced on 2 July 2020) will be extended by two weeks to 5 August 2020. The extension will ensure that all eligible shareholders have additional time to participate in the SPP, considering the following additional information.

At this stage the impact of the lockdown and state border restrictions imposed in response to the recent COVID-19 outbreak in Victoria is not expected to have a materially adverse impact on the three year Recovery Plan disclosed to the ASX on 25 June 2020.

Shareholders that have already applied for shares under the SPP are not required to re-submit their application form unless they wish to apply for additional shares up to a maximum Application Amount of \$30,000 as referred to in the SPP booklet announced on 2 July 2020.

All other terms of the SPP remain the same, including Qantas' ability to scale back applications or raise a higher amount, in its absolute discretion if Qantas receives applications that exceed \$500 million.

Full details of the SPP are set out in the Terms and Conditions contained in the SPP Booklet.

ISSUE PRICE

As a result of the extension of the closing date, the Issue Price for each new share under the SPP ("**SPP Shares**") will be the lower of:

- the issue price paid under the Placement, being \$3.65 per Share; and
- the volume-weighted average price of Shares traded on ASX during the 5 trading days up to, and including, the day on which the SPP is now scheduled to close (Wednesday, 5 August 2020) less a 2.5% discount, rounded down to the nearest cent.
