Dear Shareholder

OFFER OF NEW STAVELY SHARES UNDER A SHARE PURCHASE PLAN

The Directors of Stavelly Minerals Limited ("**Company**" or "**Stavelly**") are pleased to extend an invitation to each Stavelly shareholder registered as at 5:00pm (WST) on 23 July 2020 ("**Record Date**") with a registered address in Australia or New Zealand ("**Eligible Shareholder**") to subscribe for additional fully paid ordinary shares in Stavelly ("**Shares**") under the terms and conditions of Stavelly's Share Purchase Plan ("**Plan**") set out in Annexure "A" to this letter ("**Offer**").

On 24 July 2020, the Company announced a two-tranche placement of 41,666,667 Shares at a price of \$0.60 per Share to sophisticated, institutional and professional investors, to raise approximately \$25 million ("**Placement**"). The Placement will be issued in two tranches, Tranche 1 consisting of 28 million Shares is being undertaken within the Company's available capacity to issue new securities under Listing Rule 7.1 (11.8 million Shares) and 7.1A (16.2 million Shares), and Tranche 2 consisting of 13.67 million Shares which will be issued subject to Shareholder approval. A general meeting will be held as soon as practicable to approve the issue of the Tranche 2 Shares. Settlement of Tranche 1 is scheduled for 29 July 2020 with allotment to occur on 30 July 2020.

Under this Plan, Eligible Shareholders may purchase up to \$12,000 worth of Shares, irrespective of the size of their shareholding, without incurring brokerage and commission, at a price of 60 cents per Share ("**Subscription Price**"). This is the same price as the Shares issued under the Placement and represents a discount of 14.2% to the volume weighted average trading price ("**VWAP**") of Shares on ASX during the 5 days on which sales were recorded immediately prior to the date of announcement of this Offer (5 day VWAP of \$0.6993).

The total number of Shares to be issued under the Plan will be 5,000,000 Shares, being the number of Shares required to raise \$3,000,000. In conjunction with the Placement, this will provide the Company with additional cash funds of approximately \$28 million (before costs).

The maximum number of Shares that can be issued under the Plan is limited by the ASX Listing Rules to a maximum of 30% of the Company's Share capital (which is currently equal to 64,394,935 Shares). However, the Company will cap the raise under the Plan at \$3,000,000, being 5,000,000 Shares.

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than \$3,000,000 is raised. Scale back decisions are made by the Board and are final.

The Plan will not be underwritten.

An application form for the Plan (**Application Form**) is included in this package.

If you currently hold an unmarketable parcel of Shares (being less than \$500 worth of Shares), participation in the Plan may enable you to top up your shareholding to a marketable parcel.

Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 5:00pm (WST) on the Record Date and whose registered address is in

For personal use only

Australia or New Zealand (“**Eligible Shareholders**”). The Offer under the Plan is non-renounceable. This means that you cannot transfer your right to subscribe for Shares under the Plan to anyone else.

Junior Mineral Exploration Incentive

Stavely was successful in its application to participate in the Junior Mineral Exploration Incentive Scheme (JMEI) for the 2020/2021 year and as a result may allocate up to \$1,750,000 in exploration tax credits to Australian resident shareholders participating in the Plan, Placement or other capital raisings during the year. Existing shareholders who do not participate in the Plan or the Placement will not be eligible for the distribution of 2020/2021 JMEI tax credits. The precise amount of credit per share will be determined after 30 June 2021 and will be determined based on amounts raised under this Offer, the Placement and other new shares issued during the year to 30 June 2021, together with the amount of eligible exploration for the year, and the tax result for Stavely. The JMEI credits will be issued after the lodgement of the Company’s 30 June 2021 tax return, and the JMEI credits will apply to eligible shareholders income tax assessment for the year ended 30 June 2021.

Current Activities

Details of the Stavely’s current activities are set out in the announcements made by the Company to the ASX and are available from the ASX (ASX:SVY), or the Company’s website at www.stavely.com.au.

Funds raised by this Offer and the Placement will be used to supplement Stavely’s cash requirements to progress drilling programs across the Company’s key projects in western Victoria and for working capital purposes.

How Much Can You Invest?

Eligible Shareholders may each apply for a maximum of \$12,000 worth of Shares and a minimum of \$3,000 worth of Shares under the Plan.

How to accept this Offer

To apply for Shares under the Plan, please follow the instructions on the enclosed personalised Application Form.

Eligible Shareholders may participate by selecting only one of the following offers to purchase Shares under the Plan:

	Dollar Value of Shares	No of Shares @ 60 cents
Offer A	\$3,000	5,000
Offer B	\$6,000	10,000
Offer C	\$9,000	15,000
Offer D	\$12,000	20,000

The number of Shares is rounded up to the nearest whole number after dividing the dollar amount by the Subscription Price.

Once an application has been made it cannot be revoked. All Application Forms must be received by the **Closing Date of Friday 7 August 2020**. If the exact amount of money is not tendered with your application, the Company reserves the right to either:

same name or is both a sole and joint holder of Shares. It is the responsibility of the applicant to ensure that the aggregate of the application price paid for the Shares the subject of the application and any other shares and interests in the class applied for by the applicant under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$12,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.67. The market price of Shares in Stavely may rise or fall between the date of this Offer and the date that the Shares are issued to you under the Plan. This means that the Subscription Price you pay for Shares pursuant to this Offer may be either higher or lower than the market price of Shares at the time the Shares are issued to you under this Offer.

By making an application under this Offer and applying for Shares under the Plan, each Eligible Shareholder acknowledges that although the Subscription Price is at a discount to the current market price, Shares are a speculative investment and there is a risk that the price of Shares on ASX may change between the date of the announcement of the Offer and the date of the issue of the Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares prior to applying for Shares under this Offer. Stavely's Share price can be found on the ASX website at www.asx.com.au (ASX code: SVY).

Additional Information and Important Dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act (2001) (Cth) (**Corporations Act**).

The Offer cannot be transferred and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any application. Shares allotted under the Plan will be issued no later than 10 business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$3,000,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale back applications on an equitable basis. Scale back for Shares held by Custodians will be applied at the level of the underlying Beneficiary.

If the Company rejects or scales back an application or purported application, the Company will promptly return to the shareholder the relevant application monies, without interest.

Annexure "A"

Terms and Conditions of the Share Purchase Plan of Stavely Minerals Limited

Purpose

The purpose of the Share Purchase Plan (the "**Plan**"), which will be conducted in conjunction with the Placement, is to offer shareholders of Stavely Minerals Limited ("**Stavely**" or "**the Company**") the opportunity to acquire additional fully paid ordinary shares in Stavely ("**Shares**") up to a maximum of \$12,000 (which shall not exceed \$30,000 when combined with any Shares issued under any share purchase plan in the 12 months preceding the date of the Plan) and a minimum of \$3,000 worth of Shares ("**Offer**").

The issue price of \$0.60 per Share under the Plan is at a discount of 14.2% to the volume weighted average market price for Shares over the last 5 days on which sales in the Shares were recorded on the financial market operated by ASX Limited (**ASX**) before the day on which the Plan was announced which was \$0.6993. The Company seeks to raise a maximum of \$3,000,000 under the Plan (before costs). The Shares will also be issued without the need to pay brokerage costs and without the need for the Company to issue a prospectus. The Plan is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit.

No Financial Advice

This document does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You should consider the appropriateness of participating in the Plan having regard to your investment objectives, financial situation or particular needs. Shareholders should seek independent financial and taxation advice before making any investment decision in relation to these matters.

Shareholders Eligible to Participate

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds Shares on behalf of another person who resides outside Australia or New Zealand. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Shares offered under the Plan). Eligible Shareholders who wish to take up Shares issued under the Plan agree to be bound by the Company's constitution in respect of Shares issued under the Plan.

An offer may, at the discretion of the directors of the Company (**Directors**), be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12-month period is \$30,000. The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the offer is available to Eligible Shareholders.
