**AUB Group announces partnership with Kelly+Partners Group**

AUB Group Limited (**ASX: AUB**), Australasia's largest equity-based insurance broker network, today announced it has entered into a new partnership with Kelly+Partners Group (**ASX: KPG**).

The new partnership service offerings will include the following:

- the provision of general and life insurance broking services to Kelly+Partners clients and members;
- general insurance advice and services to Kelly+Partners Group Holdings Ltd;
- accounting and tax services to Austbrokers clients and members;
- design and delivery of tailored solutions for Kelly+Partners clients including a tax and government audit insurance product as well as specialty HR technical advisory services; and
- the development of insurance, tax and accounting advisory services for the strata industry.

The partnership will take full advantage of the innovative services and systems of both Austbrokers and Kelly+Partners. A new operation, "Austbrokers Kelly+Partners", will market and deliver insurance broking services to the members and clients of Kelly+Partners. The Austbrokers ExpressCover platform will be used to underpin a significant portion of these general insurance activities.

While AUB Group does not anticipate the benefits of the new partnership will result in a material uplift in AUB Group underlying net profit after tax for FY21, we have issued this announcement to provide clarity to investors as we are aware that Kelly+Partners Group has issued an announcement about the partnership.
