

ASX ANNOUNCEMENT

ARAFURA SHARE PURCHASE PLAN TO CLOSE EARLY

10 August 2021

Arafura Resources Limited (ASX:ARU) (“Arafura” or the “Company”) is pleased to announce that there has been a high level of shareholder interest and participation in the Company’s Share Purchase Plan (SPP) that was announced on 24 June 2021.

At the general meeting of shareholders on 9 August 2021, the Company obtained shareholder approval to raise a total of \$5.5 million (before costs) under the SPP. This includes up to \$500,000 in oversubscriptions.

Given the strong interest in the SPP (and the maximum amount that can be raised) the Board has decided to accept the maximum amount under the SPP (of \$5.5 million) and close the SPP early to minimise the impact of any potential scale back of applications.

Accordingly, the SPP will now close at 5.00pm (Sydney time) on 13 August 2021, instead of the previously planned closing date of 23 August 2021. Any application monies received after that time will not be accepted and will be returned.

A revised SPP timetable for the remainder of the SPP is set out below:

Timing (Sydney time)	Event
5:00pm, 13 August 2021	Closing date
20 August 2021	Announcement of results
20 August 2021	Issue date
21 August 2021	SPP Shares quoted and commence trading
21 August 2021	Despatch of holding statements

The Board would like to thank all shareholders for their support of the SPP and the Company.
