JobKeeper Payments Disclosure

As required under subsection 323DB(1) of the *Corporations Act 2001* (Cth), attached is Qantas Airways Limited's (Qantas) notice relating to the disclosure of JobKeeper payments received.

As previously disclosed in our 2020 and 2021 Annual Reports, in total Qantas received more than \$855 million in JobKeeper payments.

Approximately half of this was paid directly to employees who were stood down as income support while the remainder was used as a wage subsidy for those still working. During the height of lockdowns and border closures more than 20,000 of our employees were stood down.

The amount disclosed in the attached notice is done so on a receipts basis, as required by legislation, whereas the amounts reported in our 2020 and 2021 Annual Reports were done so on an accruals basis, in accordance with accounting standards.

In total, we estimate that COVID-19 will have cost the Group more than \$20 billion in revenue by the end of this calendar year, leading us to source more than \$5 billion in debt and equity since the start of the pandemic. We continue to work towards reducing our annual spend by \$1 billion a year by the end of FY23 through our recovery program.
