### 3. DETAILS OF THE OFFERS

#### 3.1 Loyalty Offer

The purpose of the Loyalty Offer is to recognise the invaluable support the Company has received from its Shareholders in establishing the Company as a listed entity. The Loyalty Offer is an opportunity for Shareholders to further participate in the development of the Company.

The Loyalty Offer is being made as a non-renounceable entitlement issue of one (1) Loyalty Option for every five (5) Shares held by Shareholders registered at the Record Date at an issue price of \$0.001 per Loyalty Option. Fractional entitlements will be rounded up to the nearest whole number.

Based on the capital structure of the Company as at the date of this Prospectus, a maximum of 65,656,800 Loyalty Options will be issued pursuant to the Loyalty Offer to raise up to \$65,657. If all Loyalty Options issued under the Loyalty Offer are exercised (exercisable at \$0.032 on or before the date 42 months from their issue), the Company will receive approximately \$2,101,018.

As at the date of this Prospectus the Company has 48,298,111 Options on issue, of which all may be exercised prior to the Record Date in order to participate in the Loyalty Offer. Please refer to sections 9.3 and 9.4 of the September Prospectus for information on the exercise price and expiry date of the Options currently on issue.

#### 3.2 Xcel Offer

This Prospectus includes an offer of 20,000,000 Options at an issue price of \$0.001 each to Xcel Capital Pty Ltd (or its nominees) (**Xcel Options**). Each Xcel Option will be issued on the same terms and conditions as the Loyalty Options. Only Xcel Capital may accept the Options in relation to the Xcel Offer by using the relevant Application Form. Only nominal funds will be raised from the Xcel Offer as the Xcel Options are being issued as consideration for the Lead Manager services provided by Xcel Capital.

Only Xcel Capital (or its nominees) may accept the Xcel Offer. A personalised Application Form in relation to the Xcel Offer will be issued to Xcel together with a copy of this Prospectus.

#### 3.3 Director Offer

This Prospectus includes the offer of 15,000,000 Options at an issue price of \$0.001 each to the Directors of the Company as follows:

- (a) 5,000,000 to Mr Trevor Dixon (or his nominee);
- (b) 5,000,000 to Mr Jeremy King (or his nominee); and
- (c) 5,000,000 to Mr Patrick Holywell (or his nominee),

(together, the **Incentive Options**).

Only Messrs Dixon, King and Holywell (or their nominees) may accept the Director Offer. A personalised Application Form in relation to the Director Offer will be issued to Messrs Dixon, King and Holywell together with a copy of this Prospectus.

The issue of the Incentive Options will be subject to and conditional on Shareholder approval under Listing Rule 10.11 and (if required) Chapter 2E of the Corporations Act.

### 3.4 Shortfall Offer

Any Entitlement not taken up pursuant to the Loyalty Offer will form the Shortfall (**Shortfall Offer**).

If you do not wish to take up any part of your Entitlement you are not required to take any action. That part of your Entitlement not taken up will form part of the Shortfall Offer and potentially be allocated to other Eligible Shareholders or other third parties as part of the Shortfall Offer. The Shortfall Offer will only be available where there is a Shortfall between applications received from Eligible Shareholders and the number of Options proposed to be issued under the Loyalty Offer

The Shortfall Offer is a separate offer made pursuant to this Prospectus and will remain open for up to three months following the closing date of the Institutional Offer or the Retail Offer (as applicable). The issue price for each Share to be issued under the Shortfall Offer shall be \$0.001 being the price at which Loyalty Options have been offered under the Loyalty Offer.

Eligible Shareholders who wish to subscribe for Loyalty Options above their Entitlement are invited to apply for Shortfall under the Shortfall Offer by completing the appropriate section on their Entitlement and Acceptance Form or by making payment for such Shortfall in accordance with Sections 3.7(b) and 3.8(c) of this Prospectus. However, the Directors reserve the right to issue Shortfall at their absolute discretion. The Board presently intends to allocate Shortfall as follows:

- (a) to Eligible Shareholders who apply for an excess of their full Entitlement, so long as the issue of Shortfall to that Eligible Shareholder would not take their voting power to in excess of 19.99% once the Loyalty Options are exercised; and
- (b) to other parties identified by the Directors, which may include parties not currently Shareholders of the Company.

No Loyalty Options will be issued to a party under the Shortfall Offer if the effect, upon conversion of the Loyalty Options, would be to increase that party's voting power in the Company to an amount greater than 19.99%. The Company reserves the right to issue an Eligible Shareholder a lesser number of Shortfall than applied for or no Shortfall at all. However, the Directors do not intend to refuse an application for Shortfall from Eligible Shareholders other than in circumstances of oversubscription or where acceptance may result in a breach of the Corporations Act. If the number of Shortfall applied for by Eligible Shareholders exceeds the total Shortfall, the Shortfall will be allocated among applying Eligible Shareholders proportionate to their existing holdings.

All decisions regarding the allocation of Shortfall will be made by the Directors in consultation with the Lead Manager and will be final and binding on all applicants under the Shortfall Offer; as such there is no guarantee that any Shortfall applied for will be issued to Eligible Shareholders.

The Company will have no liability to any applicant who receives less than the number of Shortfall they applied for under the Shortfall Offer. If the Company scales back any applications for Shortfall under the Shortfall Offer any application monies will be returned (without interest) as soon as practicable.

### 3.5 The Offers

All of the Options offered under this Prospectus will be issued on the terms and conditions set out in section 6.1 of this Prospectus.

All of the Shares issued upon the future exercise of the Options offered under this Prospectus will rank equally with the Shares on issue at the date of this Prospectus. Please refer to Section 9.2 of the September Prospectus for further information regarding the rights and liabilities attaching to the Shares.

The purpose of the Offers and the intended use of funds raised are set out in section 4.1 of this Prospectus.

### 3.6 Minimum subscription

### 3.7 Acceptance

Your acceptance of the Loyalty Offer must be made by making payment in accordance with the payment instructions on the Entitlement and Acceptance Form accompanying this Prospectus. Your acceptance must not exceed your Entitlement as shown on that form. If it does, your acceptance will be deemed to be for the maximum Entitlement.

Your acceptance must not exceed your Entitlement as shown on that form, unless you intend to apply for additional Loyalty Options under the Shortfall Offer (refer to Section 3.4 for further information), in which case the additional Loyalty Options applied for will be deemed to be an application for Loyalty Options under the Shortfall Offer.

The number of Options to which Eligible Shareholders are entitled (your Entitlement) is shown on your personalised Entitlement and Acceptance Form which, along with this Prospectus, is accessible at <https://investor.automic.com.au/#/home>.

You may participate in the Loyalty Offer as follows:

  - (i) visit <https://investor.automic.com.au/#/home>. You will need to provide your SRN or HIN and postcode to access the online application system and follow the instructions provided including making payment by BPAY® or EFT. You will be deemed to have applied for that number of Shortfall which in aggregate with your Entitlement is covered in full by your application monies. In order to participate in the Shortfall Offer, you must also apply for your Entitlement in full; and

- (ii) arrange payment for the appropriate application monies (at \$0.001 per Loyalty Option) by BPAY® or EFT in accordance with Section 3.8
- (c) if you only wish to accept **part** of your Entitlement:

- (d) if you do not wish to accept all or part of your Entitlement, you are not obliged to do anything.

### 3.8 Payment by BPAY®

All payment must be made electronically via BPAY® or EFT. Please follow the instructions on the Entitlement and Acceptance Form or Shortfall Application Form to make payment by BPAY® or EFT which can be accessed at <https://investor.automic.com.au/#/home>. You can only make a payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions. Please note that should you choose to pay by BPAY® or EFT:

- (a) you do not need to submit the Entitlement and Acceptance Form but are taken to have made the declarations on that Entitlement and Acceptance Form;
- (b) you do not need to take up your full Entitlement;;
- (c) if you pay more than is required to subscribe for your Entitlement, you will be taken to have applied for Shortfall (if any) under the Shortfall Offer, to the extent of the excess.

Eligible Shareholders will be given a BPAY® biller code and a customer reference number (**CRN**) unique to the shareholder. BPAY® payments must be made from an Australian dollar account of an Australian institution. Using the BPAY® details, Eligible Shareholders must:

- (a) access their participating BPAY® Australian financial institution either via telephone or internet banking;
- (b) select to use BPAY® and follow the prompts;
- (c) enter the biller code and unique CRN that corresponds to the online application;
- (d) enter the amount to be paid which corresponds to the value of Loyalty Options under the Entitlement and Acceptance Form or Shortfall Application Form;
- (e) select which account payment is to be made from;
- (f) schedule the payment to occur on the same day that the Entitlement and Acceptance Form or Shortfall Application Form is completed. Forms without payment will not be accepted; and

- (g) record and retain the BPAY® receipt number and date paid. Eligible Shareholders should confirm with their Australian financial institution whether there are any limits on the investor's account that may limit the amount of any BPAY® payment and the cut off time for the BPAY® payment.

Investors can apply online by following the instructions on the personalised Entitlement and Acceptance Form, which can be downloaded at <https://investor.automic.com.au/#/home> and completing a BPAY® or EFT payment. If payment is not made via BPAY®, the Entitlement and Acceptance Form or Shortfall Application Form will be incomplete and will not be accepted. The BPAY® payment must be completed and received by no later than the Closing Date of the Loyalty Offer or the Closing Date of the Shortfall Offer (where applicable).

A BPAY® or EFT payment constitutes a binding and irrevocable offer to subscribe for the number of Loyalty Options paid for. If the payment is for the wrong amount, it may be treated by the Company as valid. The Directors' decision as to whether to treat such as valid is final, however an Eligible Shareholder will not be treated as having applied for more Loyalty Options than is indicated by the amount of the or BPAY® or EFT payment.

By making a payment by BPAY or EFT, you will be taken to have declared that you have personally received the Entitlement and Acceptance Form together with a complete and unaltered copy of the Prospectus.

Completed Application Forms must be mailed or delivered to the address set out on the Application Form, with sufficient time to be received by or on behalf of the Company by **no later than 4:00pm (WST) on the respective Closing Date**.

The Company reserves the right to close the Offers early.

If you require assistance, please contact the Company Secretary, Sarah Smith, on +61 8 6559 1792.

**It is your responsibility to ensure that your BPAY® payment is received by the share registry by no later than 4:00 pm (WST) on the Closing Date. You should be aware that your financial institution may implement earlier cut-off times with regards to electronic payment and you should therefore take this into consideration when making payment.**

Any application monies received for more than your final allocation of Loyalty Options (only where the amount is \$1.00 or greater) will be refunded. No interest will be paid on any application monies received or refunded.

The Offer is non-renounceable. Accordingly, a Shareholder may not sell or transfer all or part of their Entitlement.

### 3.9 Not underwritten

The Loyalty Offer is not underwritten.

Xcel Capital Pty Ltd have been appointed as Lead Manager (which includes acting as Shortfall Placement Agent) to the Loyalty Offer. Xcel will use its best endeavours to place any Shortfall that arises under the Shortfall Offer.

### 3.10 Dilutionary effect

Shareholders should note that if they do not participate in the Loyalty Offer, their holdings, upon the future exercise of the Options offered under the Offer (provided no existing Options are exercised and performance rights vest), are likely to be diluted by approximately 23.47% (as compared to their holdings and number of Shares on issue as at the date of the Prospectus). Examples of how the dilution may impact Shareholders is set out in the table below:

Holder	Holding as at Record date	% at Record Date	Entitlements under the Loyalty Offer	Holdings if Loyalty Offer not taken Up	% post Offer
Shareholder 1	50,000,000	15.23%	10,000,000	50,000,000	11.66%
Shareholder 2	25,000,000	7.62%	5,000,000	25,000,000	5.83%
Shareholder 3	10,000,000	3.05%	2,000,000	10,000,000	2.33%
Shareholder 4	5,000,000	1.52%	1,000,000	5,000,000	1.17%
Shareholder 5	1,000,000	0.30%	200,000	1,000,000	0.23%

#### Notes:

1. This table assumes that all Options issued under the Offer are exercised
2. The dilutionary effect shown in the table is the maximum percentage on the assumption that those Entitlements not accepted are placed under the Shortfall Offer. In the event that:
  - (a) the Company does not issue the Options under the Offers; and/or
  - (b) all Entitlements are not accepted and some or all of the resulting Shortfall was not subsequently placed,the dilution effect for each Shareholder not accepting their Entitlement would be a lesser percentage.

### 3.11 Lead Manager

Xcel Capital Pty Ltd (AFSL 456663) have been appointed as Lead Manager and to the Loyalty Offer (which includes acting as the shortfall placement agent for the Loyalty Offer) (**Lead Manager**). The Company has entered into a Lead Manager Mandate with the Lead Manager, the material terms of which are summarised in Section 7.2.

As part of its lead manager duties, the Lead Manager will use its best endeavours to place all Entitlements that are not accepted by Shareholders under the Shortfall Offer.

### 3.12 ASX listing

Application for Official Quotation of the Options offered pursuant to this Prospectus within 7 days after the date of this Prospectus. If ASX does not grant Official Quotation of the Options offered pursuant to this Prospectus before the expiration of 3 months after the date of issue of the Prospectus, (or such period as varied by the ASIC), the Company will not issue any Options and will repay all application monies for the Options within the time prescribed under the Corporations Act, without interest.

The fact that ASX may grant Official Quotation to the Options is not to be taken in any way as an indication of the merits of the Company or the Options now offered for subscription.

### **3.13 Issue**

Options issued pursuant to the Offers will be issued in accordance with the ASX Listing Rules and timetable set out at the commencement of this Prospectus.

Loyalty Options issued pursuant to the Shortfall Offer will be issued on a progressive basis. Where the number of Loyalty Options issued is less than the number applied for, or where no issue is made surplus application monies will be refunded without any interest to the applicant as soon as practicable after the closing date of the Shortfall Offer.

Where the number of Options issued is less than the number applied for, or where no allotment is made, surplus application monies will be refunded without any interest to the Applicant as soon as practicable after the Closing Date.

Pending the issue of the Options or payment of refunds pursuant to this Prospectus, all application monies will be held by the Company in trust for the Applicants in a separate bank account as required by the Corporations Act. The Company, however, will be entitled to retain all interest that accrues on the bank account and each Applicant waives the right to claim interest.

The Company's decision on the number of Options to be allocated to an applicant will be final.

Holding statements for Shares issued under the Options will be mailed as soon as practicable after the issue of the Shares.

### **3.14 Overseas shareholders**

The return of a completed Application Form will be taken by the Company to constitute a representation and warranty by you that all relevant approvals have been obtained.

### **3.15 Nominees and custodians**

Nominees and custodians may not submit an Entitlement and Acceptance Form on behalf of any Shareholder resident outside Australia without the prior consent of the Company, taking into account relevant securities law restrictions. Return of a duly completed Entitlement and Acceptance Form will be taken by the Company to constitute a representation that there has been no breach of those regulations.

## 7.7 Financial forecasts

The Directors have considered the matters set out in ASIC Regulatory Guide 170 and believe that they do not have a reasonable basis to forecast future earnings on the basis that the operations of the Company are inherently uncertain. Accordingly, any forecast or projection information would contain such a broad range of potential outcomes and possibilities that it is not possible to prepare a reliable best estimate forecast or projection.

## 7.8 Clearing House Electronic Sub-Register System (CHES) and Issuer Sponsorship

The Company will not be issuing option certificates. The Company is a participant in CHES, for those investors who have, or wish to have, a sponsoring stockbroker. Investors who do not wish to participate through CHES will be issuer sponsored by the Company. Because the sub-registers are electronic, ownership of securities can be transferred without having to rely upon paper documentation.

Electronic registers mean that the Company will not be issuing certificates to investors. Instead, investors will be provided with a statement (similar to a bank account statement) that sets out the number of Options allotted to them under this Prospectus. The notice will also advise holders of their Holder Identification Number or Security Holder Reference Number and explain, for future reference, the sale and purchase procedures under CHES and issuer sponsorship.

Further monthly statements will be provided to holders if there have been any changes in their security holding in the Company during the preceding month.

## 7.9 Privacy Act

If you complete an application for Options, you will be providing personal information to the Company (directly or by the Company's share registry). The information may also be used from time to time and disclosed to persons inspecting the register, bidders for your securities in the context of takeovers, regulatory bodies, including the Australian Taxation Office, authorised securities brokers, print service providers, mail houses and the Company's share registry.

You can access, correct and update the personal information that we hold about you. Please contact the Company or its share registry if you wish to do so at the relevant contact numbers set out in this Prospectus.

Collection, maintenance and disclosure of certain personal information is governed by legislation including the *Privacy Act 1988* (Cth) (as amended), the Corporations Act and certain rules such as the settlement rules of the securities clearing house which operates CHES. You should note that if you do not provide the information required on the application for Options, the Company may not be able to accept or process your application.
