Quarterly Report for the Period Ended 31 March 2022

Nex Metals Explorations Ltd (Nex or the Company) provides the following update on recent Company activities.

1. Unconditional Metalicity Ltd (ASX:MCT) takeover bid

As of 2 March 2022, Metalicity has disclosed a substantial shareholder notice of only 32.76%.

Since the end of the previous quarter the bid has been extended on multiple occasions by Metalicity Ltd, on the 27 January 2022, 10 February 2022 and 24 March 2022.

2. Takeovers Panel applications

There were a number of Takeover Panel applications and matters which are itemised here for Shareholder reference.

3. Annual General Meeting

The Company held its Annual General Meeting (virtually) on 31 March 2022.

The resolutions put forward by Metalicity Ltd under s 203D of the Corporations Act to appoint their own Directors failed at the meeting.

4. S249f Notice

The Company was served on 17 February 2022 a 249f notice which is ostensibly to remove the Directors of Nex and appoint their own directors to the Board. We also note they have circulated a letter to shareholders with a number of accusations against Nex and its Directors whilst at the same time spending circa \$1.27million of their shareholder funds which has not been approved by Nex under the terms of the Joint Venture and therefore not liable by Nex. The expenditure needs to be approved forward looking not backward looking.

We point out that Nex has lodged Dispute resolutions with Metalicity to no avail only to be served by a dispute resolution by MCT. We consider this an unfortunate and unnecessary approach which surely could be dealt with in a pragmatic and professional manner without unnecessary legal costs.

5. Replacement Target Statement

The Company released a Replacement Target Statement (RTS) on 17 March 2022.

We note that subsequent to Quarters end (28 April 2022) the Takeovers Panel has issued orders with respect to that RTS of which shareholders should take note off.

6. Action in the Supreme Court of Western Australia settled

On 15 November 2021, the Company announced that a writ was issued to KYM Mining Pty Ltd (KYM) (a wholly owned subsidiary of MCT) on the basis that KYM has allegedly breached the Joint Venture Agreement between the Company and KYM. This matter was being tried by way of Supreme Court proceedings with the Statement of Claim (CIV 2220 of 2021) lodged on 16 November 2021.

On 24 January 2022 by CONSENT of both parties, agreed to withdraw the action with each party bearing its own costs, we note this is contrary to Metalicity Ltd statements.

7. Rights Issue

The Company is progressing the proposed rights issue in accordance with the orders of the Takeovers Panel.

The Company is still seeking to raise approximately \$3,150,000 AUD and is working closely with its corporate strategic and financial advisor **Indian Ocean Capital** and ASIC.

The Company is working on the requests of ASIC and once no objections by ASIC the Company will immediately dispatch a notice of meeting seeking shareholder approval for the rights issue.

This announcement is authorised by the Managing Director, Kenneth Allen.
