iCandy Interactive Limited ("**iCandy**" or the "**Company**"), is pleased to announce that it has appointed Thomas Rössig as the Head of Europe. Thomas will be responsible for managing and providing strategic direction for the iCandy team in Europe, while continuing to serve as Flying Sheep Studios' Managing Director.

Thomas has more than 12 years of experience in the video games industry, and most recently founded Flying Sheep Studios in 2014 with a vision to revolutionise the gaming experience for desktop and mobile devices. With a committed team of software engineers, Thomas has built the studio's in-house HTML5 developer capabilities for cross-platform and accessible video games. Flying Sheep Studios has since successfully delivered over 200 cross-platform games to world-renowned clients, including DreamWorks Animation and Lego Group.

Earlier in June, Flying Sheep Studios was acquired by iCandy, marking iCandy's expansion into Europe and solidifying its ambition to become a global gaming powerhouse.

"Thomas brings over a decade of leadership experience in the industry to iCandy's growing team of gaming professionals. He will play a critical role in accelerating the company's growth in the European market," said Kin Wai Lau, Chairman of iCandy Interactive. "Thomas' success in leading Flying Sheep Studio's business development with consistent results makes him an excellent candidate for iCandy's ambitious goals
