Voting information

Eligibility to vote at the AGM

Pursuant to regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the holders of The Lottery Corporation's ordinary shares for the purposes of the meeting will be those registered holders of The Lottery Corporation's ordinary shares at 10:00am (Brisbane time) on Sunday, 6 November 2022.

Required majority and voting entitlement

The resolutions described in items 2 to 5 are ordinary resolutions and each will be passed if more than 50% of votes cast by shareholders entitled to vote on the resolution are cast in favour of that resolution. The vote on the resolution in item 4 regarding the Remuneration Report is **advisory only** and does not bind the Directors or the Company.

The vote on each resolution set out in the Notice of Meeting will be decided on a poll, pursuant to the requirements of the Corporations Act 2001 (Cth) (**Corporations Act**).

On a resolution determined by poll, each registered shareholder participating in the meeting, or present by proxy, has one vote for every fully paid ordinary share held.

Proxies

A shareholder who is entitled to vote on a resolution may appoint a proxy to attend and vote at the meeting. The Lottery Corporation encourages all shareholders to submit a proxy vote online ahead of the meeting. A proxy need not be a shareholder of The Lottery Corporation. If you are entitled to cast two or more votes, you may nominate two proxies to vote on your behalf at the meeting. If two proxies are appointed, each proxy may be appointed to represent a specified number or proportion of your votes. Fractions of votes will be disregarded. If no such number or proportion is specified, each proxy may exercise half your votes.

Votes may be cast 'For' or 'Against' or you may 'Abstain' from voting on a resolution. To direct a proxy how to vote on any resolution, place a mark (e.g. a cross) in the appropriate box on the proxy form or indicate the number of shares or percentage of shares that you wish to vote in the appropriate box. A valid voting direction must not exceed the total number of shares held or 100%. If you 'Abstain' from voting, your votes will not be counted in computing the required majority on a poll.

A proxy appointment is not revoked by the appointing shareholder participating in the AGM unless the shareholder actually votes on a resolution, in which case, the shareholder's vote on that resolution will be counted instead of any vote by the proxyholder. If a proxyholder does not attend the AGM, or does not vote on a poll in accordance with the direction of a shareholder, the Chairman of the AGM will be taken to have been appointed as the proxy for the relevant shareholder in respect of the AGM.

Online proxy facility

Proxy appointments can be made online via the Company's Share Registry website as set out below.

Login to the Link website,

<https://investorcentre.linkgroup.com> select Voting and follow the prompts to lodge your vote. To use the online lodgement facility, shareholders will need their "Holder Identifier" – Security Reference Number (**SRN**) or Holder Identification Number (**HIN**).

Choose The Lottery Corporation from the drop-down menu, enter your SRN or HIN and follow the instructions provided to appoint a proxy. Shareholders will be taken to have signed their proxy form if they make their proxy appointment in accordance with the instructions on the website.

Proxy delivery

Completed proxy forms must be received by The Lottery Corporation's share registry, Link Market Services, online or at Link Market Services Limited, Locked Bag A14, Sydney South NSW 1235 or in one of the other ways specified in the proxy form by no later than 10:00am (Brisbane time) on Sunday, 6 November 2022.

Power of attorney

If the proxy form is signed by an attorney, the power of attorney (or a certified copy of the power of attorney) must be received by The Lottery Corporation's share registry, Link Market Services, in the same manner as outlined above for proxy forms by no later than 10:00am (Brisbane time) on Sunday, 6 November 2022, unless the power of attorney has been previously lodged with The Lottery Corporation's share registry.

Corporate representatives

If a corporate shareholder wishes to appoint a person to act as its representative at the meeting, that person should be provided with a letter or certificate authorising them as the company's representative (executed in accordance with the company's constitution) or with a copy of the resolution appointing the representative, certified by a secretary or director of the company.

A form of appointment of corporate representative may be obtained from The Lottery Corporation's share registry, Link Market Services, online at <https://www.linkmarketservices.com.au/corporate/resources/forms.html>. The form must be received by Link Market Services in the same manner as outlined above for proxy forms by no later than 10:00am (Brisbane time) on Sunday, 6 November 2022.

Voting online during the meeting

Shareholders entitled to vote at the meeting are entitled to vote online at any time from when invited by the Chairman of the AGM at the start of the meeting until the Chairman of the AGM closes voting at the meeting.

If a shareholder casts a vote live during the meeting on a particular resolution, they are taken to have revoked the authority of any proxy or attorney they may have appointed to vote on their behalf on that resolution.

For instructions on how to submit a vote online during the meeting in your personal capacity or as a proxyholder, attorney or corporate representative, refer to the Online Meeting Guide.

Conduct of the meeting

The Lottery Corporation is committed to ensuring that its shareholder meetings are conducted in a manner which provides those shareholders (or their proxyholders, attorneys and representatives) who attend the meeting with the opportunity to participate in the business of the meeting in an orderly fashion and to ask questions and provide comments on matters relevant to the business of the meeting or about The Lottery Corporation generally. The Chairman and the MD & CEO will generally answer questions on behalf of the Board and management.

Shareholders are encouraged to submit questions ahead of the meeting through the Company's Share Registry website at <https://investorcentre.linkgroup.com>. Written questions must be received by 5:00pm (Brisbane time) Tuesday, 1 November 2022. The Chairman of the AGM will endeavour to address as many of the key themes raised as possible during the course of the meeting, and may address similar or identical questions together. There may not be sufficient time available at the meeting to address all of the questions submitted. Please note individual responses will not be sent to shareholders.

Shareholders are requested to restrict themselves to two questions or comments initially, and further questions will be considered if time permits. Questions and comments submitted online may be moderated to avoid repetition and to make them more concise.

The Lottery Corporation expects that all conduct at its shareholder meeting will be respectful and courteous including to those online or present at the meeting. The Chairman of the AGM will exercise their powers to ensure that the meeting is conducted in an orderly and timely fashion, in the interests of all attending shareholders, including taking appropriate action if there are any disruptions or interferences with the proper conduct of the meeting.

Technical difficulties

The Chairman of the AGM has discretion as to whether and how the meeting should proceed if a technical difficulty arises during the meeting. In exercising this discretion, the Chairman of the AGM will have regard to the nature of the issue, the number of shareholders impacted and the extent to which participation in the business of the meeting is affected.

Where considered appropriate, the Chairman of the AGM may continue to hold the meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to appoint a proxy and submit a directed proxy form, even if they plan to participate in the meeting online, in case they are unable to participate in the meeting on the day.

In the event of substantial technological failure that prevents shareholders from having a reasonable opportunity to participate in the meeting, the Company will provide an update on its website and the ASX platform to communicate the relevant details, including if it is necessary to either postpone or adjourn the meeting.

Item 5 – Grant of Performance Rights to Managing Director and Chief Executive Officer

Shareholder approval is being sought for the grant of Performance Rights to the MD & CEO, Ms. Sue van der Merwe, as part of her remuneration for the financial year ending 30 June 2023 (**FY23**). The FY23 offer will be made under The Lottery Corporation's Long Term Performance Plan (**LTPP**), which operates under the Equity Incentive Plan Rules, on the terms set out below.

Background

The MD & CEO receives fixed remuneration and can earn variable remuneration through both short-term and long-term incentive arrangements. Details of the MD & CEO's annual remuneration package can be found in The Lottery Corporation's FY22 Annual Remuneration Report and are summarised below:

| Component | At target performance | At maximum performance ¹ |
|---|-----------------------|-------------------------------------|
| Annual fixed remuneration (inclusive of superannuation) | \$1.5 million | \$1.5 million |
| Short term incentive opportunity ² | \$1.5 million | \$2.25 million |
| LTPP opportunity ³ | \$1.5 million | \$3.0 million |
| Total | \$4.5 million | \$6.75 million |

¹ The "maximum performance" opportunity will be realised if Ms. van der Merwe and The Lottery Corporation outperform on both short and long-term performance measures and is calculated using The Lottery Corporation's share price at the date equity is granted.

² Subject to the achievement of annual performance measures aligned to the long-term business plan. Paid as 50% cash and 50% in Restricted Shares.

³ Provided in the form of Performance Rights. Vesting of Performance Rights is subject to the achievement of a long-term performance measure and service conditions.

ASX Listing Rule 10.14 provides that the Company must obtain shareholder approval for an issue of securities to a Director under an employee incentive scheme. If shareholder approval is obtained, The Lottery Corporation intends to grant Performance Rights to the MD & CEO as the long-term incentive component of her annual remuneration for FY23. If shareholder approval is not obtained, it is intended that an equivalent award will be provided in cash, subject to the same performance and other conditions as described below. The total number of Performance Rights to be granted to the MD & CEO will be determined based on the formula: \$3,000,000, being the MD & CEO's long-term incentive maximum opportunity, divided by the volume weighted average price (**VWAP**) of The Lottery Corporation's shares traded on the ASX over the five trading days up to, but not including, **8 November 2022** (being the date of the 2022 AGM), rounded down to the nearest whole number.

Each Performance Right entitles the MD & CEO to one fully paid ordinary share in The Lottery Corporation at the end of the specified performance and service periods, subject to the satisfaction of the performance measure and other terms described below. Shares allocated on vesting will rank equally with other ordinary shares. The Board also has discretion to pay an equivalent cash amount, in lieu of allocating shares, on vesting.

The key terms relating to the Performance Rights are described below.

Performance Rights grant date

If shareholder approval is obtained, it is anticipated that the Performance Rights will be granted to the MD & CEO as soon as practicable after the AGM, and in any event no later than 12 months after the 2022 AGM.

Maximum number of Performance Rights to be granted

The maximum number of Performance Rights that will be granted to the MD & CEO will be determined based on the formula stated previously.

This formula uses a **face value** methodology based on the VWAP of The Lottery Corporation shares. This is the same formula used to determine the number of Performance Rights allocated to the MD & CEO of Tabcorp prior to the demerger of The Lottery Corporation (although it was based on the Tabcorp share price prior to this demerger).

The formula uses an effective maximum value of the Performance Rights at the time of allocation of \$3,000,000. This is equivalent to the market value of the maximum number of Performance Rights to be allocated and that would vest at the end of the performance and service periods, using The Lottery Corporation's share price at the time of the grant. The actual value that the MD & CEO may derive from this allocation of Performance Rights remains subject to the satisfaction of the applicable performance condition, vesting criteria and The Lottery Corporation share price at the time of vesting.

Issue price of Performance Rights

As the grant forms part of the MD & CEO's remuneration, the Performance Rights will be granted at no cost to the MD & CEO.

Performance measure

If shareholder approval is obtained, vesting of the MD & CEO's grant of Performance Rights will be subject to relative Total Shareholder Return (**TSR**) performance measured over three years, commencing 28 September 2022, and ending on 27 September 2025 (inclusive) and a service condition. Both the performance and service conditions will be tested on or around 28 September 2025.

Following the demerger of The Lottery Corporation, the Board reviewed the LTPP structure and determined that, for 2022, the LTPP offer will include a single

performance measure only, being Relative TSR. Return on Invested Capital (**ROIC**), which was previously included as a financial measure (under Tabcorp's recent LTPP grants prior to the demerger), will not be included as a measure for the 2022 LTPP offer. This is because, following the demerger:

- a baseline FY22 ROIC target consistent with future ROIC targets cannot be determined due to the absence of a comparable opening balance sheet as at 30 June 2021.
- The Lottery Corporation is still finalising its three-year business plan as a standalone ASX-listed company, and it is intended to base future ROIC targets on this plan.

A review of the LTPP structure will be undertaken in FY23 and it is intended that a second internal financial measure will be included in the FY23 LTPP offer.

The relative TSR performance condition measures The Lottery Corporation's TSR ranking against a peer group of companies over the three-year performance period commencing on 28 September 2022 and ending on 27 September 2025 (inclusive). The peer group comprises the companies in the S&P ASX 100 index (excluding organisations within the Metals and Mining and Oil and Gas sectors). The Board has discretion to adjust the peer group to take into account events such as, but not limited to, de-listings, takeovers, and mergers or demergers that might occur during the performance period.

Broadly, TSR measures the return received by shareholders from holding shares in a company over a particular period, calculated using the change in a company's share price over the relevant performance period as well as the dividends received (and assumed to be reinvested back into the company's shares) during that period.

The Lottery Corporation's TSR ranking against the peer group of companies has been chosen as the performance measure because it directly aligns with the interests of shareholders and The Lottery Corporation's key strategic objective of maximising shareholder returns.

The following table details the number of Performance Rights that will vest under various relative TSR performance conditions:

| Relative TSR ranking | Percentage of Performance Rights that will vest |
|---|---|
| Below 50th percentile | 0% |
| At 50th percentile | 50% |
| Above the 50th percentile and below the 75th percentile | Straight line vesting to occur between 50% and 100% |
| At or above the 75th percentile | 100% |

Service condition

In addition, Performance Rights are subject to a service condition commencing on the grant date and ending on 27 September 2025.

Treatment on cessation of employment

If the MD & CEO's employment is terminated for cause or the MD & CEO resigns during the service period, all unvested Performance Rights will lapse, unless the Board determines otherwise.

If the MD & CEO ceases employment for any other reason (including death, permanent disability, serious illness, and genuine retirement) during the service period then, unless the Board determines otherwise, a pro rata portion of her Performance Rights will remain on foot (having regard to the portion of the performance period that she has served). These Performance Rights will be subject to the original vesting conditions (including performance and except that any service condition will be waived) to be tested in the normal course, and subject to the rules of The Lottery Corporation Equity Incentive Plan and offer terms. The remainder of the Performance Rights will lapse.

The formula intended to be used to determine the pro rata number of Performance Rights to remain on foot is set out below (unless the Board determines otherwise):

Proportion of the LTPP offer service period employed

Total LTPP offer service period condition

X

Number of Performance Rights originally granted

The number of Performance Rights to remain on foot will be rounded down to the nearest whole number.

Change of control or corporate action

In the event of a takeover bid for the Company or any other transaction, event or state of affairs that, in the Board's opinion, is likely to result in, or should otherwise be treated as, a change of control of the Company, the Board may determine, in its absolute discretion, the appropriate treatment regarding any unvested Performance Rights.

If the Company undertakes a variation of the issued capital of the Company (such as a capitalisation or rights issue, bonus issue, sub-division, consolidation or reduction of share capital) or certain other corporate actions, the Board may, at its discretion, vary the performance conditions, adjust the number of Performance Rights or the number of shares to be received upon vesting of the Performance Rights or issue further Performance Rights (or any combination of these things), in each case subject to the ASX Listing Rules.

Malus and clawback

Under the Equity Incentive Plan Rules, the Board may determine to lapse Performance Rights, forfeit shares allocated on vesting of Performance Rights or require that Ms. van der Merwe pay or repay an amount to the Company as a debt should it be subsequently found that an inappropriate benefit was conferred on her, including, for example, in the case of fraud or gross misconduct or where there is a material misstatement or other event or error in the financial results of the Company.

Other Board discretions

The Board also has discretion to adjust the vesting conditions, to include or exclude any items from calculations to take into account unforeseen circumstances. Information about the LTPP is also included in the FY22 Annual Remuneration Report.

Other information

- For the purposes of ASX Listing Rule 10.5.2, Ms. van der Merwe is the MD & CEO of the Company, and accordingly falls within the director category under ASX Listing Rule 10.14.1.
- The MD & CEO is the only Director of the Company entitled to participate in, and receive, a grant of Performance Rights under the LTPP.
- Ms. van der Merwe has not been awarded any securities previously under The Lottery Corporation's LTPP.
- No loan is to be provided to Ms. van der Merwe in relation to the acquisition of Performance Rights or shares allocated on vesting of those Performance Rights.
- The Lottery Corporation utilises Performance Rights because they create share price alignment between executives and ordinary shareholders but do not provide the executives with the full benefits of share ownership (such as dividend and voting rights) unless and until the Performance Rights vest.
- Details of any securities issued under the LTPP will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTPP after this resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that ASX Listing Rule.
- The MD & CEO is prohibited from hedging the share price exposure in respect of Performance Rights prior to vesting.

A voting exclusion applies in relation to this resolution.

If shareholder approval is obtained, further details on the Performance Rights granted to the MD & CEO under the LTPP in FY23 will be provided in the FY23 Annual Remuneration Report. If approval is given under ASX Listing Rule 10.14, approval will not be required under ASX Listing Rule 7.1.

The Board (with Ms van der Merwe abstaining) recommends that Shareholders vote in favour of Resolution 5.

Voting exclusion:

The Lottery Corporation will disregard any votes cast:

- in favour of this resolution by or on behalf of Ms van der Merwe or an associate of Ms van der Merwe, regardless of the capacity in which the vote is cast;
- on this resolution as a proxy by a member of the KMP at the date of the meeting, or that KMP's closely related parties

unless the vote is cast on this resolution:

- as proxy or attorney for a person entitled to vote on the resolution in accordance with their directions of how to vote as set out in the proxy appointment;
- as proxy for a person entitled to vote on the resolution by the Chairman of the AGM pursuant to an express authorisation to exercise the proxy to vote as the Chairman of the AGM thinks fit; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

If you leave that section blank, or if your named proxy does not attend the Meeting, the Chairman of the Meeting will be your proxy. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on an item of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid on that item.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
