Notice of Annual General Meeting 2022

EXPLANATORY NOTES

Item 1 – Consideration of Reports

In accordance with section 317 of the Corporations Act, the Company is required to lay before the AGM:

- the reports of the Directors and Auditor, for the year ended 30 June 2022; and
- the Financial Report, including the Financial Statements of the Company and its controlled entities, for the year ended 30 June 2022.

Whilst there is no formal resolution or vote required on Item 1, shareholders will be given a reasonable opportunity to comment and raise questions on the matters contained within the reports. Shareholders will also be able to ask questions of the Company's auditor (Ernst & Young). Shareholders can access a copy of the Company's 2022 Annual Report (which includes the Financial Report, the Directors' Report and the Auditor's Report) on REA Group's website at <https://www.rea-group.com/about-us/news-and-insights/annual-reports/>.

Item 2 – Remuneration Report

The Corporations Act requires that a resolution to adopt the Remuneration Report must be put to a vote at the AGM. The vote on this item is advisory only and is not binding on the Directors or the Company. However, the Board will have regard to the outcome of the vote and the discussion at the Meeting when reviewing the Company's remuneration practices and policies.

The Remuneration Report is presented within the Directors' Report on pages 44 to 57 of the Company's 2022 Annual Report and is available on the Company's corporate website at <https://www.rea-group.com/about-us/news-and-insights/annual-reports/>.

The Remuneration Report sets out the remuneration policy for the Company and explains the remuneration arrangements in place for key management personnel (KMP).

Voting Exclusion Statement:

The Company will disregard any votes cast on Item 2:

- by, or on behalf of, a member of the Company's KMP named in the Company's 2022 Remuneration Report, or their closely related parties (regardless of the capacity in which the vote is cast); or
- as a proxy by a person who is a member of the KMP at the date of the Meeting, or their closely related parties.

However, votes will not be disregarded if they are cast as proxy for a person entitled to vote on Item 2:

- in accordance with a direction on the Voting Form or received online (as applicable); or
- by the Chairman of the Meeting pursuant to an express authorisation to exercise the proxy as the Chairman sees fit, even though the item is connected with the remuneration of the Company's KMP.

Recommendation: The Board recommends that shareholders vote in favour of Item 2.

Item 3 – Re-election and election of Directors

The Human Resources Committee is responsible for identifying suitable candidates to recommend to the Board to fill Board vacancies, either in response to casual vacancies or to complement the existing skills, experience and diversity of the Board. External consultants may be engaged (where appropriate) to assist in a search for a candidate. The Company's 2022 Corporate Governance Statement at <https://www.rea-group.com/investor-centre/corporate-governance/> provides further information on the Company's Director appointment, election and re-election process.

Kelly Bayer Rosmarin, appointed as a non-executive Director of the Company on 1 January 2022, offers herself for election as a Director of the Company. Appropriate checks into Ms Bayer Rosmarin's background and experience were completed before Ms Bayer Rosmarin was appointed to the Board. Her expertise and experience is set out below. If elected, the Board considers that Ms Bayer Rosmarin would be an independent Director of the Company.

Michael Miller, Tracey Fellows and Richard Freudenstein are retiring by rotation at the end of the AGM and, being eligible, are standing for re-election at the AGM in accordance with the Company's Constitution and the ASX Listing Rules. Their expertise and experience are set out below. The Board considers that, if re-elected, Michael Miller, Tracey Fellows and Richard Freudenstein would not be independent Directors of the Company given their appointment as nominee directors of the Company's major shareholder, News Corp.

Notice of Annual General Meeting 2022

Item 4 – Grant of Performance Rights to Owen Wilson

The Board is seeking the approval of shareholders for the grant of 19,931 performance rights under the LTI Plan 2025 to the Chief Executive Officer, Owen Wilson in accordance with the key terms outlined below.

Each performance right entitles Mr Wilson to one fully paid ordinary share in the Company, subject to satisfaction of the performance conditions detailed below (which may include under vesting depending on performance outcomes).

If the performance rights vest and Mr Wilson becomes entitled to be allocated shares under the LTI Plan 2025, all such shares will be purchased on-market and transferred to Mr Wilson. Accordingly, the grant of performance rights and allocation of shares on vesting of those performance rights to Mr Wilson does not require shareholder approval under ASX Listing Rule 10.14. The Board is nevertheless voluntarily seeking shareholder approval in recognition of the importance of shareholder engagement on key remuneration issues.

Performance Rights under the Long-Term Incentive Plan 2025

The performance rights proposed to be granted to Mr Wilson under the LTI Plan 2025 are subject to the key terms outlined below and also those outlined in the long-term incentive plan (**LTIP**) rules. The Company refers to this grant as “LTI Plan 2025” as its 3-year performance period ends at the conclusion of FY25.

The LTI Plan 2025 is structured in a manner that is largely reflective of the LTI Plan 2024. Further details of the LTIP are contained in the Remuneration Report.

Determining number and value

The number of performance rights issued to Mr Wilson is calculated by dividing \$2,580,000, being Mr Wilson's maximum entitlement to participate in the LTI Plan 2025, by the value per right. The value per right is determined on a face value basis using a ten-day volume weighted average price of Company shares traded on ASX (over the period 2 August 2022 to 15 August 2022).

Performance conditions

The LTI Plan 2025 is subject to three performance conditions. The weighting and vesting schedule applied to each performance condition is as follows:

Performance condition	Weighting	Vesting schedule
EPS: Compound annual growth in earnings per share (EPS) between 1 July 2022 and 30 June 2025	50%	Below Threshold – 0% Threshold – 30% of maximum Target – 50% of maximum Stretch (at or above) – 100% of maximum
Revenue: Compound annual growth in revenue between 1 July 2022 and 30 June 2025	25%	Below Threshold – 0% Threshold – 30% of maximum Target – 50% of maximum Stretch (at or above) – 100% of maximum
rTSR: Relative Total Shareholder Return (rTSR) compared to a select group of 39 ASX150 companies (excluding mining and resources, energy and infrastructure, materials, industrials and healthcare companies) measured over the period 1 July 2022 to 30 June 2025	25%	Below Threshold – 0% Threshold (Median) – 37.5% of maximum Target (62.5th percentile) – 50% of maximum Stretch (at or above 75th percentile) – 100% of maximum

Notice of Annual General Meeting 2022

Vesting continues on a straight-line basis between threshold and target and then again between target and stretch levels of performance. Further details are contained in the Remuneration Report.

EPS growth was again chosen as a performance condition as it is an indicator of increasing shareholder value and provides an appropriate balance to the revenue target, as revenue growth needs to be pursued in a way that grows earnings.

Revenue growth was again chosen as a performance condition as the Company continues to pursue growth, and it counterbalances the EPS growth performance condition by ensuring earnings targets cannot be met without appropriate top line growth.

Relative TSR was again chosen as a performance condition to provide a direct link between the experience of the Company's shareholders and executive long-term rewards.

Performance targets

The Board considers that the growth rates required to attract full or partial vesting for the EPS growth and revenue growth performance conditions are commercially sensitive and therefore do not disclose them to the market. This has been the Board's usual practice for a number of years and the Board continues to believe it to be appropriate. The Board confirms its commitment to driving growth for shareholders over the longer term as it continues to consider the Company a growth company.

If Mr Wilson satisfies the performance conditions, such that performance rights granted to him under the LTI Plan 2025 ultimately vest following completion of their performance periods, the challenging performance targets set by the Board will be disclosed in the Company's FY25 Remuneration Report.

If Shareholder approval is not obtained

If Shareholders do not approve the proposed grant of performance rights to Mr Wilson under Item 4, the proposed grant of performance rights and allocation of shares on vesting will not proceed. This may impact the Company's ability to incentivise Mr Wilson and to align his interests with those of shareholders and the Board may need to consider alternative remuneration arrangements, including a cash payment, to appropriately remunerate and incentivise Mr Wilson. Any alternative remuneration arrangements would be subject to the same performance conditions.

Additional disclosure in relation to the grant of performance rights to Mr Wilson

The following information sets out additional details:

- a. No cash amount is payable by Mr Wilson on the issue or vesting of each performance right as the performance rights form part of Mr Wilson's remuneration. Accordingly, there is also no loan proposed to be made by the Company to Mr Wilson in relation to the award of these performance rights.
- b. Since his appointment as CEO, Mr Wilson has been granted 28,068 performance rights under the LTIP for no cash consideration (as they form part of his remuneration package). Mr Wilson was also granted 12,541 performance rights for no cash consideration under REA Group's one-off Recovery Incentive Plan following approval at the 2020 Annual General Meeting. Mr Wilson was previously granted performance rights in his capacity as Chief Financial Officer of the Company, as disclosed in the Company's previous Remuneration Reports. Mr Wilson is the only person entitled to participate in LTI Plan 2025 who is a person described in ASX Listing Rule 10.14.
- c. The performance rights that are the subject of this approval will be granted to Mr Wilson as soon as practicable after the date of the Meeting (and, in any event, within 12 months of the date of the Meeting).
- d. Mr Wilson is an executive director of the Company and, following a review conducted by the Board in August 2022, his current remuneration package comprises:
 - fixed annual remuneration of \$1,700,000 (inclusive of superannuation);
 - a short-term incentive up to a maximum of \$2,580,000; and
 - a long-term incentive to be granted under the LTIP up to a maximum of \$2,580,000.

Further details of Mr Wilson's remuneration package are included in the Remuneration Report.

- e. The Company uses performance rights for Mr Wilson's long-term incentive because the LTIP is designed to link long-term executive reward with ongoing creation of shareholder value, with the allocation of equity awards which are subject to satisfaction of long-term performance conditions.
- f. Details of any performance rights issued under the LTIP will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained from shareholders. Any persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the scheme after this resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained.

Notice of Annual General Meeting 2022

Voting Exclusion Statement:

The Company will disregard any votes cast on Item 4:

- in favour of the resolution by, or on behalf of Owen Wilson or his associates (regardless of the capacity in which the vote is cast); or
- as a proxy by a person who is a member of the Company's KMP at the date of the Meeting, or their closely related parties.

However, votes will not be disregarded if they are cast on Item 4:

- as a proxy or attorney for a person entitled to vote on Item 4 in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- as a proxy for a person entitled to vote on Item 4 by the Chairman of the Meeting pursuant to an express authorisation to exercise the proxy as the Chairman sees fit even though the item is connected with the remuneration of the Company's KMP; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting on Item 4; and
 - the holder votes on Item 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

Recommendation: The Board (other than Owen Wilson) recommends that shareholders vote in favour of Item 4.

Corporate representatives

A body corporate who is a shareholder or proxy must appoint an individual as its corporate representative if it wishes to attend and vote at the AGM. If you are a corporate representative, you will need to provide evidence of your appointment as a corporate representative with the Company's share registry prior to the AGM or have previously provided the Company with evidence of your appointment.

Powers of attorney

Each shareholder entitled to attend the AGM and vote at the AGM may appoint an attorney to attend the AGM and vote at the AGM on their behalf. You cannot appoint more than two attorneys. If you appoint an attorney to attend and vote at the AGM on your behalf, or your Voting Form is signed by an attorney, the power of attorney (or a certified copy) must be received by the Company's share registry by 9.00am (AEDT) on Tuesday, 8 November 2022, unless the power of attorney has previously been lodged with the Company's share registry. Powers of attorney may be submitted by post to the address for the lodgement of Voting Forms outlined on the Voting Forms.

Technical difficulties

Technical difficulties may arise during the course of the AGM. The Chairman of the Meeting has discretion as to whether and how the AGM should proceed in the event that a technical difficulty arises. In exercising his discretion, the Chairman will have regard to the number of shareholders impacted and the extent to which participation in the business of the Meeting is affected. Where he considers it appropriate, the Chairman may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions.

For this reason, shareholders (particularly those who plan to attend online) are encouraged to lodge a directed proxy or direct vote in advance of the Meeting even if they plan to attend the meeting.

Receiving shareholder communication

Receiving your shareholder communications electronically is the best way to stay informed and will assist REA with its commitment to minimising paper usage. If you haven't already, we encourage you to make the switch to paperless communications and provide us with your email address. To make the change, go to the Link Market Services Investor Centre website at <https://investorcentre.linkgroup.com> and follow the prompts.

You can make an election as to how you would like to receive certain documents including annual reports and documents related to members' meetings (for example notices of meeting and proxy/voting forms). To tell us your preference, go to the Link Market Services Investor Centre website at <https://investorcentre.linkgroup.com> and follow the prompts.

HOW TO COMPLETE THIS FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on this form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

VOTING UNDER BOX A - DIRECT VOTING

If you ticked the box under Box A you are indicating that you wish to vote directly. Please only mark either **"for"** or **"against"** for each item. Do not mark the **"abstain"** box. If you mark the **"abstain"** box for an Item, your vote for that Item will be invalid.

If no direction is given on all of the Items, or if you complete both Box A and Box B and provide a voting direction on an Item in Step 2, your vote will pass to the Chairman of the Meeting as your proxy.

Custodians and nominees may, with the Share Registrar's consent, identify on the Voting Form the total number of votes in each of the categories **"for"** and **"against"** and their votes will be valid.

The Chairman's decision as to whether a direct vote is valid is conclusive.

VOTING UNDER BOX B – APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate. If you leave this section blank, or your named proxy does not attend the Meeting or does not vote on a poll as directed, the Chairman of the Meeting will be appointed your proxy by default.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. The Chairman becomes a shareholder's proxy by default if (a) the shareholder's named proxy does not attend the meeting, regardless of whether the proxy has been directed how to vote or (b) the shareholder does not specify who is to be their proxy. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this form (subject to any applicable voting restrictions), including where the Items are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each Item of Business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any Item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you are indicating a percentage, include a **"%"** after the number. If only a number is indicated in the box, this will be taken to mean a number of shares and not a percentage. If you do not mark any of the boxes on the Items of Business, your proxy may vote as he or she chooses. If you mark more than one box on an Item your vote on that Item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Voting Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Voting Form and the second Voting Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.

You must sign this form as follows in the spaces provided:

Individual: where the holding is in one name, the holder must sign.

Joint Holding: where the holding is in more than one name, either shareholder may sign.
