Explanatory Memorandum

This Explanatory Memorandum sets out further information regarding the proposed resolutions to be considered by Shareholders of L1 Long Short Fund Limited (**LSF** or the **Company**) at the 2022 AGM commencing at 10.00am (Melbourne Time) on Thursday 17 November 2022 online at <https://meetings.linkgroup.com/LSF22>.

The Directors recommend that Shareholders read this Explanatory Memorandum before determining whether or not to support the resolutions.

Item 1 – Financial statements and reports

Under Section 317 of the Corporations Act, LSF is required to lay its Annual Report, Directors' Report and Remuneration Report before its Shareholders at its AGM. The Annual Report is submitted for Shareholders' consideration and discussion at the AGM as required. Meeting attendees are invited to direct questions to the Chairperson in respect of any aspect of the report they wish to discuss.

Representatives of LSF's auditor, Ernst & Young, will be present for discussion purposes on matters of relevance to the audit.

Item 2 – Adoption of Remuneration Report

Board recommendation and undirected proxies.

The Board recommends that Shareholders vote in **FAVOUR** of Item 2. The Chairperson of the Meeting intends to vote undirected proxies in **FAVOUR** of Item 2.

Item 2 provides Shareholders the opportunity to vote on LSF's Remuneration Report. The Remuneration Report is contained within the Directors' Report in the Annual Report. Under Section 250R(2) of the Corporations Act, the Company must put the adoption of its Remuneration Report to a vote at its AGM.

This vote is advisory only and does not bind the Directors or the Company.

The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at this meeting when reviewing LSF's remuneration policies. If 25% or more of the votes that are cast are against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of LSF's Directors (other than the managing director) must be offered up for election.

KMP and their closely related parties must not cast a vote on the Remuneration Report, unless as holders of directed proxies for Shareholders eligible to vote on Item 2.

The Company encourages all Shareholders to cast their votes on this resolution. The Chairperson will vote all undirected proxies in favour of this resolution. If you wish to vote "against" or "abstain" you should mark the relevant box in the attached proxy form.

Item 3 – Election of Directors

3.1 Re-election of Mr Andrew Larke

Board recommendation and undirected proxies.

The Board (with Mr Larke abstaining due to his interest in the outcome) recommends that Shareholders vote in **FAVOUR** of Item 3.1. The Chairperson of the Meeting intends to vote undirected proxies in **FAVOUR** of Item 3.1.

Mr Larke was appointed as a Director of the Company on 24 January 2018. Mr Larke will retire in accordance with LSF's Constitution and, being eligible, has offered himself for re-election.

Item 3.1 provides for the re-election of Mr Larke as a Director of the Company in accordance with the Company's Constitution.

Mr Larke has over 25 years' experience in mergers, acquisitions, capital markets and senior executive leadership positions.

He was formerly CEO and Managing Director of IXOM chemicals group and prior to that he was Global Head of Strategy, Planning and Mergers & Acquisitions at Orica Limited.

Mr Larke has been a director of DuluxGroup since 2010 and he is also a director of listed company Diversified United Investment Limited.

Mr Larke's current directorships in other listed companies include Diversified United Investment Limited.

Explanatory Memorandum

Continued

3.2 Re-election of Mr Mark Landau

Board recommendation and undirected proxies.

The Board (with Mr Landau abstaining due to his interest in the outcome) recommends that Shareholders vote in **FAVOUR** of Item 3.2. The Chairperson of the Meeting intends to vote undirected proxies in **FAVOUR** of Item 3.2.

Mr Landau was appointed as a Director of the Company on 14 December 2017. Mr Landau will retire in accordance with LSF's Constitution and, being eligible, has offered himself for re-election.

Resolution 3.2 provides for the re-election of Mr Landau as a Director of the Company in accordance with the Company's Constitution.

Mr Landau is the Joint Managing Director & Chief Investment Officer of L1 Capital. Since co-founding L1 Capital in 2007, Mr Landau has jointly managed L1 Capital's Australian equities strategies including the flagship L1 Capital Long Short Strategy, which was launched in 2014.

Prior to founding L1 Capital, Mr Landau worked at Invesco Australia as an Investment Analyst in the large cap Australian Equities Fund and an Investment Manager in the Invesco Smaller Companies Fund. Previously, he was a Senior Strategy Consultant at Accenture, providing financial analysis and corporate strategy advice to a range of ASX100 companies.

Mr Landau holds a double degree in Commerce and Economics from Monash University, is an active CFA charterholder and is a Fellow of FINSIA.

Item 4 – Non-executive Director Fee Pool

Board recommendation and undirected proxies.

Given the interest in this matter of each non-executive Director, the Board does not consider it appropriate to make a recommendation on Item 4. The Chairperson of the Meeting intends to vote undirected proxies in **FAVOUR** of Item 4.

For the avoidance of doubt, Mr Landau and Mr Lamm, the Joint Managing Directors and Chief Investment Officers of the manager, L1 Capital Pty Ltd, do not receive any non-executive director fees from the Fee Pool or indeed any director fees from the Company for acting as directors of the Company. Instead Mr Landau and Mr Lamm are paid by L1 Capital Pty Ltd. In this respect, consistent with the practice since the listing of the Company, the non-executive director Fee Pool and any increase in the Fee Pool will not be used to pay any fees to the Joint Managing Directors of the Company.

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

In accordance with section 6.5(c) of the Company's Constitution and ASX Listing Rule 10.17, the Directors are seeking approval from shareholders to increase the maximum aggregate amount available for non-executive Directors' fees (Fee Pool) in any financial year commencing on or after 1 July 2022 from \$400,000 per year to \$600,000 per year, which is an increase of \$200,000 per year. The Fee Pool has not increased since the Company's listing in 2018.

Fees paid to Directors out of the Fee Pool are reviewed periodically to ensure that they are appropriate. The proposed increase in the Fee Pool will ensure that fees can continue to be set at sufficiently competitive rates to attract and retain non-executive Directors with the necessary qualifications and of appropriate calibre, having regard to fees paid by comparable companies listed on the ASX.

It will provide flexibility to allow for payment of appropriate non-executive Director fees over time including with regard to the increased responsibilities required of non executive Directors generally. It is not intended to distribute all of the proposed Fee Pool, if approved, in the current year.

If Item 4 is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$400,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

No securities have been issued to non-executive Directors under ASX Listing Rules 10.11 and 10.14 in the last three years.

Explanatory Memorandum

Item 5 – Amendment to Constitution

Board recommendation and undirected proxies.

The Board recommends that Shareholders vote in **FAVOUR** of Item 5. The Chairperson of the Meeting intends to vote undirected proxies in **FAVOUR** of Item 5.

It is proposed that the Company update its constitution by:

- including provisions to expressly permit virtual meetings; and
- amending the number of registered joint holders.

Under section 136(2) of the Corporations Act, the Company can amend the constitution by the Shareholders passing a special resolution (being a resolution passed by at least 75% of the votes cast by members entitled to vote on the resolution).

Resolution 5 is a special resolution proposing to amend the Company's existing constitution.

Access to a copy of the proposed amended constitution

A copy of the Company's constitution showing the proposed changes is available on the Company's website at <https://www.L1LongShort.com/2022AGM/>. The Company will send a copy of the constitution showing the proposed changes (at the Company's expense) to any Shareholder upon request. Shareholder requests should be made to info@L1.com.au.

An overview of the more significant changes to the Company's constitution is set out below. References to clause numbers are to numbers in the proposed amended constitution. Shareholders should note that this is a summary of proposed material amendments only. There are a number of further minor amendments to definitions and consequential changes and consideration should be given to the full text of the proposed amended constitution.

Virtual Meetings

It is proposed that the Company's constitution be amended to expressly permit virtual meetings, consistent with legislative changes to the Corporations Act under the Corporations Amendment (Meetings and Documents) Act 2022, effective from 1 April 2022.

Shareholders approved similar amendments at the 2020 Annual General Meeting to facilitate virtual meetings under the previous, temporary legislative measures. The proposed amendments to the constitution reflect permanent amendments to the Corporations Act, which allow companies to hold virtual-only meetings if this is expressly required or permitted by the entity's constitution.

It is proposed that the Company's constitution be amended to include:

- a new definition: "Virtual Meeting Technology" means any technology that allows a person to participate in a meeting without being physically present at the meeting;
- a new clause 5.2(a) to (d) as follows (and minor consequential amendments to clauses 5.2(e) to (i):

5.2 Use of Virtual Meeting Technology at general meetings

- a) *The Company may hold a general meeting:*
 - i. *at one or more physical venues; or*
 - ii. *at one or more physical venues and using Virtual Meeting Technology; or*
 - iii. *using Virtual Meeting Technology only.*
- b) *All persons attending a general meeting held pursuant to clause 5.2(a) (whether at a physical venue or by using virtual meeting technology) are taken for all purposes of this constitution (including the quorum requirement under clause 5.5) to be present at the meeting while so attending.*
- c) *A general meeting will be duly constituted and its proceedings valid if the chairperson is satisfied that adequate facilities are available throughout the meeting to ensure that persons entitled to attend, as a whole, have a reasonable opportunity to participate (in accordance with the Act) in the business for which the meeting has been convened.*
- d) *The place at which a meeting of the members of a company is held is taken to be:*
 - i. *if the meeting is held at only one physical venue (whether or not it is also held using Virtual Meeting Technology)— that physical venue; or*
 - ii. *if the meeting is held at more than one physical venue (whether or not it is also held using Virtual Meeting Technology)—the main physical venue of the meeting as set out in the notice of the meeting; or*
 - iii. *if the meeting is held using Virtual Meeting Technology only — the registered office of the company.*

CHES Replacement

In April 2021, the ASX provided an 'Issuer Update' to inform issuers about ASX's proposed data governance arrangements for the replacement of CHES with a new system that uses distributed ledger technology (CHES Replacement). The CHES Replacement, which is to be known as the ASX Clearing and Settlement Platform (CSP), is proposed to modernise and upgrade critical market infrastructure and digitise certain processes. CSP currently has a targeted 'go-live' date of April 2023.

After the CHES Replacement, the system will have the functionality to record up to four joint holders for each security. In preparation for this enhancement, ASX has suggested to issuers that certain changes be made to issuer constitutions, by amending the joint holder limit.

It is proposed that the Company's constitution be amended to include a new clause 2.8 as follows:

"The Company is entitled to and in respect of CHES Holdings, must:

- a) *record the names of only the first four (4) joint holders of a Share on the Register;*
- b) *regard the four (4) joint holders of a Share appearing first on the Register as the registered holders of that Share to the exclusion of any other holders;*
- c) *disregard the entitlement of any person to be registered on the Register as a holder if the name of the person would appear on the Register after the first four (4) holders for that Share."*

To ensure that as many Shareholders as possible have the opportunity to speak or submit questions by text via the online platform, Shareholders are requested to observe the following:

- if a Shareholder has more than one question on an item, all questions should be asked at the one time; and

HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name and email address of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.
