## 5. RESOLUTION 4 - ADOPTION OF REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires the Company to propose a resolution that the Remuneration Report be adopted. The Remuneration Report may be found within the Directors' Report on pages 48 to 68 in the Company's 2022 Annual Report.

A vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into direct consideration when reviewing the remuneration practices and policies of the Company in the future.

The Company's overriding aim is to ensure that executive performance outcomes are aligned with building the Company's enterprise value and securing long-term cash flow in order to support share price growth for Shareholders and to ensure sustainability in the long term.

Karoon's guiding principles for its remuneration framework remain as follows:

- **Safety, culture and ethics:** ensuring that clear vesting gateways exist based on appropriate safety and ethical outcomes. If outcomes do not meet the relevant standards, these gateways will block "at-risk" remuneration payments,
- **Shareholder value is paramount:**
  - » remuneration outcomes (particularly incentive-based outcomes) are designed to take account of share price movements across the reporting period and therefore, the value delivered to shareholders;
  - » a close alignment is created between operational performance, reward and sustained growth in shareholder value; and
  - » as Karoon has now transitioned from explorer to producer, it is recognised that shorter term shareholder returns, such as dividend payments, will also now be considered.

- **People:**

- » remuneration and people issues are considered by the People, Culture and Governance Committee of the Board and environmental and social issues by the Sustainability and Operational Risk Committee of the Board. Nonetheless, all relevant decisions and associated discussion remains the responsibility of the Board;

- » our remuneration structures are designed to attract, motivate and retain the best people whilst remunerating them reasonably and competitively; and

- » we encourage our people to hold equity in Karoon which builds a culture of viewing management decisions as an owner, thereby helping to further align executives' and shareholders' interests. In relation to this, during 2022, a new management shareholding policy has been introduced under which KMP are now required to maintain a shareholding in the Company equal to 50% of their first year, base salary (after-tax) within the later of three years after their initial appointment as an executive and 30 June 2024.

- **Transparency:** remuneration measures, outcomes and reporting are as simple and transparent as possible for shareholders and other stakeholders.
- **Longer term focus:** we aim to ensure that key decision making is always appropriately longer term in its nature and focus (including by having STI hurdles linked to Karoon's longer term environment, social and governance (ESG) strategy).

In respect of FY22, Karoon's remuneration settings aim to reward high performance outcomes in a responsible manner. In this regard, it is noted that:

- Short Term Incentive ("STI") - based on the significant progress detailed above and achieving Karoon's strategic targets set at the beginning of the 2022 financial year (associated with production, opex, capex, Neon strategy, the Baúna intervention campaign, the Patola development and ESG), 67.5% of the possible STI outcome was achieved. This STI is to be paid 50% in cash and 50% in performance rights with such performance rights to be issued after the release of the Company's FY22 full year financial results and subject to the satisfaction of a 12-month employment retention period. For KMP other than the CEO and Managing Director, a component of their STI was granted based on the satisfaction of role-specific objectives.
- Long Term Incentive ("LTI") - a 100% LTI outcome was earned due to an absolute total shareholder return ("TSR") of 32.1% per annum (in excess of the required threshold of 14% per annum), and the Company's relative shareholder return positioning Karoon at the 100<sup>th</sup> percentile (as compared to a group of peer companies), over the prior 3-year period.
- Base Board and committee fees remained unchanged for FY22.

Looking to the 2023 financial year, the remuneration structure for Australian and Brazilian staff members will be reviewed for reasonableness and competitiveness.

The base Board and Committee fees paid to the Non-Executive Chairman and Non-Executive Directors will be increased by 5%, while the fees paid to the Chairs of Board committees will be increased by A\$5,000 per annum. The increase in respect of Non-Executive Director base fees is the first increase in over 10 years and, in respect of the Non-Executive Chairman's base fee, is the first increase in 7 years. Notwithstanding the increase in base fees, the maximum fees payable to directors in aggregate, as approved by shareholders at the 2016 AGM, will not be exceeded.

### Summary

Karoon's strategy and remuneration structure is designed to link remuneration outcomes to shareholder value which the Karoon Board believes it has done for the financial year ending 30 June 2022 by rewarding the achievement of significant operational and strategic goals and through achieving relative share price out-performance compared to Karoon's peer group.

#### Voting exclusion statement with regards to resolution 4

Votes may not be cast, and the Company will disregard any votes cast, on resolution 4:

- by or on behalf of any member of the KMP whose remuneration details are included in the Remuneration Report, or any Closely Related Parties of those persons, regardless of the capacity in which the votes are cast; or
- as a proxy by any person who is a member of the KMP as at the time the resolution is voted on at the Meeting or any Closely Related Parties of those persons,

unless the votes are cast as a proxy for a person who is entitled to vote on the resolution:

- in accordance with a direction in the proxy appointment; or
- by the Chairman of the Annual General Meeting in accordance with an express authorisation in the proxy appointment to cast the votes even if the resolution is connected directly or indirectly with the remuneration of a KMP member.

**Board recommendation:** Noting that each Director has a personal interest in their own remuneration from the Company (as described in the Remuneration Report), the Board unanimously recommends that Shareholders vote in favour of the adoption of the Remuneration Report.

#### 6. RESOLUTION 5 – APPROVAL OF ISSUE OF SECURITIES UNDER THE PERFORMANCE RIGHTS PLAN 2022

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities in any 12-month period than the amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 contains a number of exceptions to Listing Rule 7.1. Exception 13 in Listing Rule 7.2 provides that Listing Rule 7.1 does not apply to an issue under an employee incentive scheme if, within three years before the date of issue, shareholders have approved the issue as an exception to Listing Rule 7.1.

The Company's previous performance rights plan, the Performance Rights Plan 2019 (**2019 PRP**), was approved by Shareholders at the 2019 Annual General Meeting and the approval expires on 29 November 2022. The Company has considered the value of short-term as well as long-term incentives being issued to the eligible employees. In accordance with Exception 13 of Listing Rule 7.2, the Company now submits a new Performance Rights Plan (**2022 PRP**) to Shareholders of the Company to approve its operation and the issue of securities from time to time under the 2022 PRP, as an exception to Listing Rule 7.1. The 2022 PRP will provide flexibility to the Company's remuneration arrangements and create a mutual interdependence between eligible employees and the Company for the long-term benefit of both parties. The Directors have prepared the 2022 PRP taking into account the current operations, changes to government legislation, industry market practice and size of the Company.

Under the 2022 PRP eligible employees may be awarded Performance Rights to be issued and allotted fully paid ordinary shares for nil consideration, provided that certain performance conditions have been met either over a short or long-term. Each Performance Right can be converted into one fully paid ordinary share of the Company, subject to any adjustment in accordance with the 2022 PRP. The Board will be responsible for assessing whether the performance measures have been achieved.

The grant of Performance Rights as part of the STI program is conditional on the achievement of specified performance measures over a one-year performance period, and conditional on the employee remaining employed by the Company for an additional year past the performance period. The STI is 'At Risk' subject to reliable performance hurdles that are measured and tested properly.

The grant of Performance Rights as part of the LTI program is conditional on long-term relative performance and superior absolute Shareholder returns. Under the LTI, Performance Rights will only be issued and vest if the predetermined performance conditions are achieved and the individual remains employed by the

Company for the duration of the performance period. Again, the LTI is 'At Risk' remuneration subject to reliable performance hurdles that are measured and tested properly.

The quantum of Performance Rights to be given to eligible employees will be based on a pre-determined percentage of total fixed remuneration that is allocated to the STI or LTI amount, divided by the Company's VWAP in the period post the release of the Company's full year financial results. The portion of total fixed remuneration to be allocated to the STIs or LTIs will be determined at the commencement of the performance period.

#### **Summary of the terms of the 2022 PRP**

A summary of the main terms and conditions of the 2022 PRP is set out in Annexure "A". A copy of the 2022 PRP is also available on Karoon's website [www.karoonenergy.com](http://www.karoonenergy.com) under the Governance tab.

#### **Number of securities previously issued under the scheme**

No Performance Rights have been previously issued under the 2022 PRP, however, as at the date of approval of this Notice of Meeting there were 8,406,880 Performance Rights which have been issued but have either not yet vested or have not yet been exercised as part of the 2019 PRP.

#### **Maximum number of securities to be issued under the scheme**

The maximum number of Performance Rights which will be granted under the 2022 PRP will not exceed 5% of the total issued share capital of the Company at the time of the grant of the Performance Rights (assuming all Performance Rights are exercised and when aggregated with any shares issued in the last three years under any other employee incentive scheme operated by the Company, including the 2019 PRP).

#### **Voting exclusion statement with regard to resolution 5**

Votes may not be cast, and the Company will disregard any votes cast:

- in favour of resolution 5 by or on behalf of a person who is eligible to participate in the 2022 PRP in respect of which approval is sought or any of their associates; or
- in favour of or against resolution 5 by any associates of those persons eligible to participate in the 2022 PRP, as a proxy,

unless the votes are cast as a proxy for a person who is entitled to vote on the resolution:

- in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- by the Chairman of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate or a person excluded from voting on resolution 5; and
  - the holder votes on resolution 5 in accordance with directions given by the beneficiary to the holder to vote in that way.

#### **Board recommendation**

The Non-Executive Directors of the Company (who are not eligible to participate in the 2022 PRP) unanimously support the resolution. The Managing Director makes no recommendation in relation to resolution 5 on the basis that the 2022 PRP allows for Performance Rights to be granted to the Managing Director and consequently the resolution relates to the Managing Director's remuneration.

## 7. RESOLUTION 6 - APPROVAL TO ISSUE PERFORMANCE RIGHTS TO DR JULIAN FOWLES

Resolution 6 seeks Shareholder approval for the Company to grant to Dr Julian Fowles:

- a) 62,891 Short Term Incentive (STI) Performance Rights (FY22 STI Performance Rights), based on the extent to which the relevant performance hurdles in FY22 were satisfied, which will only vest upon completion of a one-year employment retention period ending 30 June 2023; and
- b) 432,577 Long-term Incentive (LTI) Performance Rights (FY23 LTI Performance Rights), which are at risk remuneration and will only vest should the LTI performance hurdles over the three-year performance period from 1 July 2022 to 30 June 2025 be satisfied,

on the terms and conditions set out in this Explanatory Memorandum and otherwise pursuant to the 2022 PRP.

### **Why is Shareholder approval being sought?**

Listing Rule 10.14 requires Shareholder approval in order for a Director to be issued equity securities in the Company under an employee incentive scheme, subject to certain exceptions. Dr Julian Fowles is the Managing Director of the Company.

Listing Rule 10.16 states that Listing Rule 10.14 does not apply to a grant of Performance Rights to Dr Fowles where the securities to be acquired on vesting of the rights (i.e. Shares) permit those securities to be purchased on-market. This exception applies to Dr Fowles' participation in the 2022 PRP.

Despite this exception, the Board considers it appropriate from a governance perspective to ask Shareholders to approve the grant of Performance Rights to Dr Fowles, on the terms and conditions set out below.

### **Rationale for the granting of LTI Performance Rights**

The Company uses a LTI plan to align the interests of its Managing Director with Shareholders' interests. The vesting of the LTI Performance Rights that will be granted, if resolution 6 is approved, is linked to the performance of the Company, as described below.

The LTI Performance Rights will only vest if the pre-agreed performance hurdles are achieved over the three year period commencing on 1 July 2022. Specifically, vesting conditions are split as follows, noting that each hurdle is assessed independently of the other:

- 50% Relative TSR performance (based on compound annual growth rate) as assessed against a list of closely comparable and representative industry peer group of companies, whose business models and/or regions of operations are similar to those of Karoon, as set out in Table 1; and
- 50% Absolute TSR performance (based on compound annual growth rate), with Absolute TSR being in excess of 10% resulting in a vesting of performance rights between 10% and 18% (as set out below).

Table 1 (FY23-24 Relative TSR Peers)

<b>Australian Market Peers</b>	<b>Global Peers</b>
<ul style="list-style-type: none"><li>• Australis Oil &amp; Gas Limited</li><li>• Beach Energy Limited</li><li>• Carnarvon Petroleum Limited</li><li>• Horizon Oil Limited</li><li>• Santos Limited</li><li>• Woodside Petroleum Limited</li><li>• Strike Energy Limited</li><li>• Central Petroleum Limited</li><li>• Cooper Energy Limited</li></ul>	<ul style="list-style-type: none"><li>• Cairn Energy plc</li><li>• GeoPark Limited</li><li>• Gran Tierra Energy Inc</li><li>• Kosmos Energy Ltd</li><li>• New Zealand Oil &amp; Gas Ltd</li><li>• Enauta Participações S.A.</li><li>• SOCO International plc</li><li>• Tullow Oil plc</li><li>• Petro Rio</li><li>• Jadestone Energy Inc.</li></ul>

This group has been carefully selected by the Board to include those companies which have similar business models, geological footprints and operations to the Company, as well as companies that Shareholders may consider when looking to invest in the energy sector.

Vesting of the relative TSR performance LTI Performance Rights will occur in accordance with Table 2:

Table 2:

<b>Relative TSR performance against the selected industry peer group</b>	<b>Proportion of target LTI to vest</b>
Less than 50 <sup>th</sup> percentile	0%
At 50 <sup>th</sup> percentile	50%
Between 50 <sup>th</sup> and 75 <sup>th</sup> percentile	50% plus 2% for each additional percentile ranking above 50 <sup>th</sup> percentile
At or above 75 <sup>th</sup> percentile	100%

In the event of delisting, merger or acquisition of any of the above peer companies, the Board will apply its discretion to assess the relative performance of that entity:

- by normalising its performance over the testing period in the case of delisting; or
- substituting the performance of the new entity from the day of acquisition in the case of merger or acquisition.

Vesting of the absolute TSR performance LTI performance rights will occur in accordance with Table 3:

Table 3:

<b>Absolute TSR</b>	<b>Proportion of Performance Rights Vesting</b>
Less than 10%	Nil %
At 10%	50%
Between 10.01% and 17.99%	50% plus 6.25% for each additional percentage point above the 10% threshold
At or above 18.00%	100%

The terms of the Performance Rights to be issued to Dr Fowles are summarised in Annexure "B" in this Explanatory Memorandum.

The number of LTI Performance Rights to be issued to Dr Fowles is considered reasonable by the Board having regard to his respective responsibilities and achievements to date. The Board considers it appropriate that performance measures relate to the overall market performance of the Company both in terms of its Absolute TSR, and Relative TSR performance against the select group of local and global exploration and production companies, which may be of investment interest.

The actual FY22 remuneration package for Dr Fowles as Managing Director, includes the following components:

For personal use only

Table 4: FY22 Remuneration Package

Remuneration (in respect of financial year period 1 July 2021 to 30 June 2022)	Fixed (40%)	STI (20%)	LTI (40%)
	\$773,250*	\$386,625**	\$773,250

\*excluding superannuation of \$73,459

\*\*50% paid subject to satisfaction of one year employment retention period

Dr Fowles remuneration is similar in structure to other employees and senior management and is comprised of base salary and a combination of short and long-term “at risk” incentives.

Effective from 1 July 2022, Dr Fowles STI (50% of fixed remuneration) and LTI (100% of fixed remuneration) entitlements are calculated as a percentage of base salary plus superannuation

Further details of the Company's executive remuneration policy can be found in the Remuneration Report section of the Company's 2022 Annual Report. Details of any securities issued under the PRP will be published in the annual report for the Company relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Under the LTI, Dr Fowles will receive his LTI as Performance Rights in accordance with the following table:

Table 5 – FY23 LTI Performance Rights:

Remuneration Package	FY23 LTI Performance Rights *
% of LTI	100%
Per security value	\$2.0748 per right
Target LTI Remuneration**	\$897,511
Total Securities 'At Risk'	<b>432,577</b>

**\*Based on Remuneration Package effective 1 July 2022**

**\*\*Target LTI remuneration is 100% of Total Fixed Remuneration (Base plus superannuation)**

**Calculation of LTI Performance Right fair value**

The fair value of FY23 Performance Rights to be issued to Dr Fowles is equivalent to the VWAP of the Company's shares traded on the ASX in the 20 trading days following the release of the Company's 2022 full year financial results.

Over the 12 months prior to 30 September 2022, the lowest recorded price of Shares traded on ASX was \$1.43 on 7 July 2022 and the highest was \$2.335 on 9 April 2022.

**Grant and vesting of FY22 STI Performance Rights**

The FY22 STI Performance Rights are to be granted to Dr Fowles given the satisfaction of 67.5% of performance hurdles set at the beginning of the financial year ending 30 June 2022. The FY22 STI Performance Rights will be subject to a retention period and become exercisable from 1 July 2023.

In respect of the financial year ending 30 June 2022, the STI component of remuneration relating to the issue of performance rights for Dr Fowles was \$130,486 which equates to 50% of the total STI component of total remuneration.

For personal use only

The number of Performance Rights to be issued to Dr Fowles was calculated by dividing that amount by the value weighted average price of Karoon ordinary fully paid shares in the 20 trading days after the release of the Company's full year financial results on 25 August 2022.

The following schedule of performance conditions outlines the performance hurdles against which it was determined that 67.5% of such performance hurdles had been satisfied.

<b>Criteria</b>	<b>Summary of Hurdle</b>
Safety (0% - gateway)	TRIR of < 2 required for any award to proceed.
<b>Financial and Operational Objectives (40%)</b>	
Operational Performance and Budgeting	Achieve the challenging Baúna approved budget operational targets.
<b>Project Objectives (30%)</b>	
Neon Strategy	Progress the Company's strategy in respect of the development of the Neon/Goia project.
Baúna interventions	Commence and progress the Baúna intervention campaign within approved budget and programme window.
Patola development	Commence and progress the Patola development within approved budget and programme window.
	Reach financial close under the US\$160M Syndicated Facility Agreement.
<b>Strategic (30%)</b>	
M&A Strategy	Progress M&A strategy.
ESG	Develop and implement ESG strategy.
Anti-bribery and Corruption / No Fatality (0% - clawback)	Negative discretion will be applied, if necessary, by the Board of Directors should any fatality occur in the Company's workforce (including its Contractors) or any material event occurs which constitutes a breach of Karoon's Anti-bribery and Corruption Policy.

Linking STI outcomes to financial and operational performance, achievement of project objectives and strategic objectives develops an essential alignment between the Company's year-to-year inherent value growth and the reward provided to those who establish that value. The Board annually agrees performance metrics that, taking into account safety and Antibribery and Corruption Policy compliance, demonstrate a clear pathway toward value creation. In setting objectives for the performance period, the Board assesses the operational, financial, project and strategic goals for the performance period and upcoming key value drivers within the Company's business, allowing for transparent measurement of performance against these objectives. The Board recognises the risks associated with offshore operations and projects and considers safety paramount. Safety will continue to be used as a gateway for vesting conditions. The FY22 STI Performance Rights will have a retention period ending 30 June 2023 before they become exercisable and convertible into fully paid ordinary shares. The Performance Rights will expire after a further 12 months if not exercised before. The terms of the Performance Rights are set out in the 2022 PRP and are summarised in Annexure "B" in this Explanatory Memorandum.

If these were newly issued Shares, Dr Fowles would have an interest in 0.3% of the total issued Shares in the Company (based on the total number of issued Shares in the Company as of 10 October 2022).

  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate or a person excluded from voting on resolution 6; and
  - the holder votes on resolution 6 in accordance with directions given by the beneficiary to the holder to vote in that way.

#### **Board recommendation**

The Non-Executive Directors of the Company unanimously support the resolution. The Managing Director of the Company makes no recommendation in relation to resolution 6 on the basis that the resolution relates to the Managing Director's remuneration.

  - any conditions that will apply;
  - the period (if any) that an Eligible Employee must wait before any ordinary shares acquired on the exercise of any Right may be disposed of;
  - the date on which the Eligible Employee's right to subscribe for and be issued or transferred ordinary shares will lapse;
  - circumstances in which the Eligible Employee's right to subscribe for and be issued or transferred ordinary shares will lapse; and
  - any other matters required to be specified by the Corporations Act or the Listing Rules.

#### Eligible employees

- B. Any full-time or part-time employee or any executive director of the Company or any subsidiary.

#### Grant of Performance Rights

- C. Performance Rights offered to an Eligible Employee will entitle the Eligible Employee to subscribe for and be issued or transferred the relevant number of fully paid ordinary shares.

#### Exercise price

- D. Subject to the Board's discretion to requirement payment of nominal consideration for the grant of a Performance Right, there will be no exercise price required to be paid on exercise of the Right.

#### Participant

- E. An Eligible Employee who has been granted Performance Rights will be a participant.

#### Vesting conditions

- F. Unless otherwise determined by the Board, Performance Rights granted under the 2022 PRP will vest on any date after the first anniversary of the grant date, subject to all other conditions being met.
- G. If a participant dies, becomes permanently disabled, is retrenched, reaches the age of retirement or is given a bona fide redundancy, or if the Company is in the process of winding-up, and at that time the participant holds Performance Rights which are subject to the satisfaction of any relevant vesting condition, the Board may resolve that all or a specified number of the participant's Performance Rights vest immediately.

#### Cessation of employment

- H. If a participant ceases to be an employee before or after he or she has satisfied the vesting conditions attaching to an offer of Performance Rights, then all rights in respect of those Performance Rights lapse, unless the participant ceases to be an employee by reason of death, permanent disability, retrenchment, retirement or redundancy.

### **Death, permanent disability, retirement, retrenchment or redundancy**

- I. If a participant dies, becomes permanently disabled, is retrenched, reaches the age of retirement or is given a bona fide redundancy, and at that time the participant holds a right to subscribe for ordinary shares (whether or not subject to satisfaction of any relevant vesting condition), the participant, or in the event of death or legal incapacity, the participant's legal personal representative, retains the Performance Rights subject to lapsing for any other reason under the 2022 PRP.

### **Adjustments and reorganisations**

- J. A participant has no right to any variation in the offer price or the number of securities to be granted in an offer of shares upon the occurrence of a new issue of shares or other securities to holders of shares, unless the participant has validly exercised their Performance Rights in accordance with the 2022 PRP prior to the record date for the new issue.
- K. In respect of a participant who has accepted an offer of Performance Rights, if there is a bonus issue to the Company's Shareholders prior to the time at which the Right has been exercised, that participant will be entitled, upon later issue of the relevant ordinary shares, to receive an issue of so many additional shares as would have been issued to a Shareholder who, on the record date for determining entitlements under the bonus issue, held ordinary shares equal in number to the shares comprised in the offer of Performance Rights.
- L. In the event of any reorganisation of the issued capital of the Company other than a bonus issue, then the number of Performance Rights which each Participant is entitled will be adjusted in a manner determined by the Board (in accordance with the Listing Rules), in order to minimise or eliminate any material advantage or disadvantage to a participant.

### **Takeover**

- M. If the Board determines that there has been a change of control of the Company, the replacement of a majority of the Board is imminent or that a bidder who did not have a relevant interest in more than 50% of the Company's issued shares has acquired (or become entitled to acquire) a relevant interest in more than 50% of the Company's issued shares, then the Board may resolve that the Company notify each participant in writing that some or all of the participant's unvested Performance Rights have vested on the basis of a pro-rated achievement of any vesting conditions applying to those unvested Performance Rights.

### **Termination or suspension**

- N. Subject to the Listing Rules, the 2022 PRP may be amended at any time by a resolution of the Board.

## ANNEXURE "B"

### THE PERFORMANCE RIGHTS PROPOSED TO BE GRANTED UNDER RESOLUTION 6

The Board may from time to time make offers to 'eligible employees' subject to any performance conditions and any additional conditions the Board determines.

Each Performance Right entitles the holder to subscribe for or acquire and be issued or transferred one fully paid ordinary share (**Share**) in the Company.

There is no amount payable for the grant of the Performance Rights.

The Performance Rights cannot be exercised until 1 July 2023 (in the case of FY22 STI Performance Rights) and 1 July 2025 (in the case of FY23 LTI Performance Rights) respectively (**Exercise Date**) except in the circumstances set out below.

There is no exercise price to be paid on exercise of the Performance Rights.

A Performance Right (which has not otherwise lapsed) will vest in a holder on any date after the first anniversary of the grant date provided that the performance conditions notified to the holder by the Board are satisfied or waived by the Board.

The Performance Rights will lapse at 5.00 pm (AEDT) 12 months after the relevant Exercise Date (**Expiry Date**). Any Performance Rights which have not been exercised on or before 5.00pm (Melbourne Time) on the Expiry Date lapse automatically.

The Performance Rights are not transferable and the Company will not seek official quotation of any Performance Rights. Once the Performance Rights are exercised, the Company will apply for official quotation of the Shares issued on exercise of those Performance Rights (except quotation of Shares is not guaranteed).

In the event of a takeover of the Company or a change of control, the Board may notify the holder that a percentage of his Performance Rights have vested.

Performance Rights may only be exercised after meeting the performance conditions and any other conditions by notice in writing (**Exercise Notice**) delivered to the registered office of the Company. The Exercise Notice must specify the number of Performance Rights being exercised and must be accompanied by the certificate for those Performance Rights, for cancellation by the Company.

A holder of Performance Rights has no entitlement to participate in a new issue of Shares or other securities in the Company unless those Performance Rights have vested and have been exercised in accordance with the PRP prior to the record date for the relevant new issue.

If the Company makes (whether before or after the Performance Rights have vested) a pro-rata or bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) and no Share has been acquired in respect of a Performance Right before the record date for determining entitlements to the bonus issue, then the number of Shares the subject of the Performance Right shall be:

- increased by the number of Shares which the holder would have received if the holder had exercised the Performance Right prior to such record date; or
- adjusted in a manner determined by the Board and in accordance with the Listing Rules, in order to minimise or eliminate any material advantage or disadvantage to a holder.

In the event of any reorganisation of the issued capital of the Company on or prior to the Expiry Date, then the number of Performance Rights to which a holder is entitled will be adjusted in a manner determined by the Board and in accordance with the Listing Rules to minimise or eliminate any material advantage or disadvantage to the holder. Any further Performance Rights issued on such an adjustment will be subject to the same terms and conditions as the original Performance Rights.
