1. Remuneration Report

Resolution 1 – Adoption of Remuneration Report

1.1. Background

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://spenda.co/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting, and then again at the 2023 Annual General Meeting (**2023 AGM**), the Company will be required to put to the vote a Spill Resolution at the 2023 AGM to approve the calling of a Spill Meeting. If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2023 AGM. All of the Directors who were in office when the 2023 Directors' Report was approved, other than the Managing Director, will (if required) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to the KMP (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

1.2. Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

1.3. Director's Recommendation

The Board is not making a recommendation for this Resolution.

The Chair intends to vote all directed proxies in favour of this Resolution.

2. **Resolution 2** – Re-election of Stephen Dale as Director

2.1. Background

In accordance with clause 22.1 of the Constitution, Stephen Dale, a Director appointed on 8 April 2014 retires and offers himself for re-election as a Director.

ASX Listing Rule 14.4 also provides that each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Stephen Dale was appointed a Director on 8 April 2014 and was last re-elected as a Director at the 2019 AGM.

Under this Resolution, for the purposes of clause 22.1 of the Constitution, ASX Listing Rule 14.4 and for all other purposes, Stephen Dale (being the Director who has been in office the longest since his election) has elected to retire by rotation, and being eligible, seeks re-election as a Director at this AGM.

Stephen has successfully started, developed, managed and sold businesses across diverse sectors including telecommunications, logistics, retail furniture and equestrian ventures. Since 2003 he was a Board member of Saddleworld Australia, a franchised retail group, having served as chairman or deputy chairman for 15 years. He also served as a founding member of Assumption College Kilmore advisory board for 14 years. His current activities include paddock to plate retail of heritage beef and pork and development of a beef cattle breeding stud.

2.2. Directors' recommendation

The Directors (Stephen Dale abstaining) recommend that Shareholders vote in favour of this Resolution.

3. **Resolution 3** – ASX Listing Rule 7.1A Approval of Future Issue of Securities

3.1. Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Facility**).

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

This Resolution seeks Shareholder approval by way of a Special Resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

3.2. Requirements of Listing Rule 7.1A

(a) *Eligible Entities*

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$38.78 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

(b) *Shareholder approval*

Shareholders must approve the 10% Placement Facility by Special Resolution at the Annual General Meeting. A resolution under ASX Listing Rule 7.1A cannot be put at any other Shareholder meeting.

(c) *Equity Securities*

Equity securities issued under the 10% Placement Facility must be an existing quoted class of the Company's equity securities and issued for cash consideration.

As at the date of this Notice, the Company's capital structure is as follows:

Security Class (Listed)	Number on Issue
Shares	3,231,690,558
Listed Options	602,658,099
Security Class (Unlisted)	Number on Issue
Option Expiring 15-AUG-2025 Exercise Price \$0.042	41,079,172
Option Expiring 28-JUL-2023 Exercise Price 2.5C	4,500,000
Option Expiring 15-JUN-2025 Exercise Price \$0.0175	20,050,000
Option Expiring 15-JUN-2027 Exercise Price \$0.0175	156,000,000

Option Expiring 25-FEB-2026 Exercise Price \$0.084	60,000,000

3.3. Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

(a) *Period for which the approval will be valid*

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;

- (ii) the time and date of the entity's next annual general meeting; and
- (iii) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(b) Minimum price at which the equity securities may be issued under Listing Rule 7.1A

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

(c) Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for working capital, product development and debt warehouse funding.

(d) Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under the 10% Placement Facility, existing Shareholders' economic and voting power in the Company will be diluted as shown in the table below.

There is a risk that:

- (i) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (ii) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

		Potential Dilution and Funds Raised		
		\$0.006 50% decrease in issue price	\$0.012 issue prices ^(b)	\$0.024 100% increase in issue price

Notes:

- (a) Based on the total number of Shares on issue as at 13 October 2022.
- (b) Based on the closing price of the Shares on ASX as at 13 October 2022.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.
- (e) Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under the 10% Placement Facility will depend on a number of factors, including:

- (i) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (ii) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (iii) the potential effect on the control of the Company;
- (iv) the Company's financial position and the likely future capital requirements; and
- (v) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board reserves the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders, clients of

Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

- (f) Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to Meeting

Whilst the Company received Shareholder approval under Listing Rule 7.1A at the 31 January 2022 Annual General Meeting, it has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

3.4. Voting Exclusion Statement

A voting exclusion statement is included in the Notice for the purposes of Resolution 3. At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holders to participate in a proposed issue of equity securities under the proposed 10% Placement Facility. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice.

3.5. Directors' recommendation

The Board recommends Shareholders vote in favour of this Resolution.

Ratification of Prior Issue of equity securities

4. Resolution 4 – Ratification of Prior Issue of Shares

4.1. Background

On 12 August 2022 the Company issued 3,073,100 Shares in consideration for corporate advisory services provided to the Company.

4.2. ASX Listing Rules 7.1 and 7.4

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 3,073,100 Shares which were issued on 12 August 2022.

All of the Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to the issue of the Shares under and for the purposes of Listing Rule 7.4.

4.3. Technical information required by ASX Listing Rule 14.1A

If this Resolution is passed, the issue of Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If this Resolution is not passed, the issue of Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

4.4. Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The Shares were issued to Spark Plus Pte Ltd who is a corporate adviser to the Company but is not a related party of the Company, a member of KMP, a substantial holder in the Company, or an associate of any such person.
- (b) The Company issued 3,073,100 Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The Shares were issued on 12 August 2022.

- (e) Each of the Shares were issued at a deemed issue price of \$0.014 (1.4) cents per Share.
- (f) Funds were not raised from the issue of the Share as the Share were issued in consideration of services provided.
- (g) The Shares were issued under an agreement between the Company and Spark Plus Pte Ltd. Pursuant to the terms of that agreement, Spark Plus Pte Ltd agreed to provide corporate advisor services to the Company for a six-month virtual roadshow and the Company agreed to issue Spark Plus Pte Ltd US\$5,000 per month, with such fees to be satisfied through the issue of Shares (being the subject of this Resolution).
- (h) A voting exclusion statement is included in this Notice.

All of the Options were issued by utilising the Company's existing capacity under Listing Rule 7.1.

A summary of Listing Rules 7.1 and 7.4 is summarised at section 4.2 above.

7.5. Directors' recommendation

The Board recommends that Shareholders vote in favour of this Resolution.

8. Resolution 8 – Ratification of Listed Options

8.1. Background

On 27 September 2022 the Company issued 25,500,000 SPXO Listed Options as performance based remuneration to the ELT. The 25,500,000 SPXO Listed Options were issued utilising the Company's existing capacity under Listing Rule 7.1.

8.2. ASX Listing Rules 7.1 and 7.4

This Resolution proposes that Shareholders approve and ratify the prior issue and allotment of 25,500,000 SPXO Listed Options which were issued on 27 September 2022.

All of the SPXO Listed Options were issued by utilising the Company's existing capacity under Listing Rule 7.1.

A summary of Listing Rules 7.1 and 7.4 is summarised at section 4.2 above.

The issue of the SPXO Listed Options does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Options.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval for the issue of the SPXO Listed Options for the purposes of Listing Rule 7.4.

8.3. Technical information required by ASX Listing Rule 14.1A

If this Resolution is passed, the issue of the SPXO Listed Options will be excluded in calculating the Company's 15% capacity limit under Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of the SPXO Listed Options.

If this Resolution is not passed, the issue of the SPXO Listed options will be included in calculating the Company's 15% capacity limit under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of the SPXO Listed Options.

8.4. Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The SPXO Listed Options were issued to members of the ELT, each of whom is a member of KMP but none of whom are a related party of the Company, a substantial holder to the Company, an adviser to the Company or an associate of any such person.
- (b) The Company issued 25,500,000 SPXO Listed Options.
- (c) Each SPXO Listed Option entitles the holder to subscribe for one Share. The Options are exercisable at an exercise price of \$0.025 each at any time on or before 28 July 2023 and will otherwise be issued on the terms and conditions set out in Annexure A of this Notice.
- (d) The SPXO Listed Options were issued on 27 September 2022.
- (e) The SPXO Listed Options were issued for nil consideration as performance-based remuneration to the ELT.
- (f) Funds were not raised from the issue of the securities as the securities were issued as performance-based remuneration to the ELT who are not related parties of the Company.
- (g) A voting exclusion statement is included in this Notice.

8.5. Directors' recommendation

The Board recommends that Shareholders vote in favour of this Resolution.

9. Resolution 9 – Adoption of the Employee Incentive Plan

9.1. Background

The Company's Employee Incentive Plan (**Incentive Plan**) was last approved by Shareholders on 20 May 2021. The Company seeks Shareholder approval to re-adopt the Incentive Plan for the purposes set out in this Explanatory Statement so that Company securities may be issued under the Incentive Plan as an exception to ASX Listing Rule 7.1.

The Plan is intended to assist the Company to attract and retain key staff, whether employees or contractors. The Board believes that grants made to eligible participants under the Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the Plan will:

- a. enable the Company to incentivise and retain existing key management personnel and other eligible employees and contractors needed to achieve the Company's business objectives;
- b. enable the Company to recruit, incentivise and retain additional key management personnel, and other eligible employees and contractors, needed to achieve the Company's business objectives;
- c. link the reward of key staff with the achievement of strategic goals and the long-term performance of the Company;
- d. align the financial interest of participants of the Plan with those of Shareholders; and

- e. provide incentives to participants under the Plan to focus on superior performance that creates Shareholder value.

A summary of the key terms of the Incentive Plan is set out in Annexure C of this Notice, and a copy of the rules of the Incentive Plan is available upon request from the Company.

9.2. ASX Listing Rules

A summary of Listing Rule 7.1 is summarised at section 4.2 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme, if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum amount set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which the shareholder approval was pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

9.3. Technical information required by ASX Listing Rule 14.1A

If this Resolution is approved by Shareholders for all purposes under the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

For the avoidance of doubt, the Company will be required to seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Incentive Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of securities under the Incentive Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the securities.

9.4. Technical information required by ASX Listing Rule 7.2 (exception 13(b))

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13(b)), the following information is provided in relation to this Resolution:

- (a) A summary of the key terms and conditions of the Incentive Plan is set out in Annexure C of this Notice.
- (b) Since the Incentive Plan was last approved by Shareholders on 20 May 2021, the Company has issued 106,440,991 Shares and 197,550,000 Options pursuant to the Incentive Plan.
- (c) . If this Resolution is approved by Shareholders, the Company will issue up to a maximum of 323,169,055 securities under the Incentive Plan during the three-year period following approval =. The maximum number is not intended to be a prediction of the actual number of Securities to be issued under the Plan, simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)).
- (d) A voting exclusion statement is included in this Notice.

9.5. Directors Recommendation

The Board recommends that Shareholders vote in favour of this Resolution.

Remuneration-Sacrifice Shares

10. Resolutions 10, 11 and 12 – Issue of Remuneration-Sacrifice Shares to Directors

10.1. Background

Each of the Directors, being Adrian Floate, Peter Richards, and Howard Digby, have agreed to an option to reduce their cash remuneration through the issue of Shares in lieu of that cash remuneration.

The Company has accordingly agreed, subject to Shareholder approval and the option being exercised by Adrian Floate, Peter Richards, and/or Howard Digby (as applicable) to allot and issue Shares (**Remuneration-Sacrifice Shares**) to Adrian Floate, Peter Richards, and/or Howard Digby (as applicable) pursuant to the Company's Incentive Plan and on the terms and conditions set out below.

The purpose of the proposed issue of the Related Party Shares is to provide Share-based remuneration in lieu of what would otherwise have been cash remuneration due and payable to Directors as salary or fees.

10.2. Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions set out in section 210 to 216 of the Corporations Act; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit in the manner set out in section 217 to 227 of the Corporations Act.

The proposed issue of Related Party Shares (which is a type of equity security, for the purposes of Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company. Each of Messrs Floate, Richards and Digby are related parties of the Company by virtue of being a Director.

The Board (other than Adrian Floate in respect of Resolution 10, Peter Richards in respect of Resolution 11 and Howard Digby in respect of Resolution 12) carefully considered the issue of the Related Party Shares to each Director the subject of Resolutions 10 to 12 (inclusive) and formed the view that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of those issues because they form part of the respective remuneration to each applicable Director as an officer of the Company and the remuneration is reasonable given the applicable Director's circumstances and the circumstances of the Company.

Accordingly, approval will not be sought under Chapter 2E for the issue of the Related Party Shares as the issue of the Related Party Shares constitutes 'reasonable remuneration' in accordance with section 211 of the Corporations Act.

10.3. ASX Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- (a) 10.14.1: a director of the entity;
- (b) 10.14.2: an associate of a director of the entity; or
- (c) 10.14.3: a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Related Party Shares to Adrian Floate, Peter Richards, and Howard Digby falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14. Approval pursuant to Listing Rule 7.1 is not required in order to issue such Related Party Shares, as approval is being obtained under Listing Rule 10.14. Accordingly, Shareholders should note that the potential issue of Related Party Shares under the Plan will not be included in the 15% calculation imposed by Listing Rule 7.1.

10.4. Technical information required by ASX Listing Rule 14.1A

If Resolutions 10, 11 and 12 are passed, the Company will be able to proceed with the issue of the Related Party Shares to Adrian Floate, Peter Richards and Howard Digby (as applicable) under the Incentive Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules).

If Resolutions 10, 11 and 12 are not passed, the Company will not be able to proceed with the issue of the Related Party Shares to Adrian Floate, Peter Richards and Howard Digby under the Incentive Plan and the Company will be required to pay cash remuneration to the Directors instead.

10.5. Information required by ASX Listing Rule 10.15

The following information is provided to Shareholders in relation to the issue of the Related Party Shares for the purposes of ASX Listing Rule 10.15:

- (a) The allottees are Adrian Floate or his nominee (in respect of Resolution 10), Peter Richards or his nominee (in respect of Resolution 11), and Howard Digby or his nominee (in respect of Resolution 12).
- (b) Each of Adrian Floate, Peter Richards and Howard Digby fall under Listing Rule 10.14.1 as a related party because they are each a Director.

11. **Resolution 13** – Approval of Issue of SPXO Listed Options to Adrian Floate, Director of the Company

11.1. **Background**

This Resolution seeks Shareholder approval to issue and allot 8,750,000 SPXO Listed Options to Adrian Floate, a Director, or his nominee.

The issuance of securities to executives as a form of incentive-based remuneration is common practice in listed companies and further encourages and rewards efforts by directors to improve the performance of their company for the commercial benefit of all shareholders.

The Board (other than Adrian Floate) believes it is important to offer these SPXO Listed Options to Adrian Floate to continue to attract and maintain highly experienced and qualified Board members and executives in a competitive market (in a way that allows the Company to utilise its available cash for other preferred purposes).

11.2. **ASX Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, the Company, as a listed company, must not issue equity securities to persons in a position of influence without Shareholder approval.

A person in a position of influence for the purposes of Listing Rule 10.11 includes:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue of agreement, a substantial (30%+) holder in the Company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an Associate of a person referred to in (a) to (c) above; and
- (e) a person whose relationship with the Company or a person referred to in (a) to (d) above is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders.

As Adrian Floate is a Director, he is a person in a position of influence for the purposes of Listing Rule 10.11. The proposed issue of SPXO Listed Options does not fall within any of the exceptions in Listing Rule 10.12, and therefore requires the approval of Shareholders under Listing Rule 10.11.

To this end, this Resolution seeks the required Shareholder approval to issue 8,750,000 SPXO Listed Options to Adrian Floate under and for the purposes of Listing Rule 10.11.

If approval is obtained under Listing Rule 10.11 then, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under and for the purpose of Listing Rule 7.1. Accordingly, the issue of SPXO Listed Options the subject of this Resolution will not be included in the 15% calculation of the Company's annual placement capacity pursuant to Listing Rule 7.1.

11.3. **Technical information required by ASX Listing Rule 14.1A**

If this Resolution is passed, the Company will be able to proceed with the proposed issue of 8,750,000 SPXO Listed Options to Adrian Floate.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue and 8,750,000 SPXO Listed Options to Adrian Floate and may then be required to re-negotiate with Adrian Floate such other reasonable remuneration as may be applicable in substitution of these 8,750,000 SPXO Listed Options, which may include the payment of additional cash amounts, reducing the Company's cash reserves.

11.4. Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in section 10.2 above.

The proposed issue of SPXO Listed Options (which is a type of equity security, for the purposes of Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit. Adrian Floate, is a related party of the Company by virtue of being a Director.

The Board (other than Adrian Floate who has a material personal interest in the Resolution) carefully considered the issue of the SPXO Listed Options to Adrian Floate and formed the view that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of SPXO Listed Options to Adrian Floate and/or his nominee because they form part of Adrian Floate's remuneration as an officer of the Company and the remuneration is reasonable given Adrian Floate's circumstances and the circumstances of the Company.

Accordingly, approval will not be sought under Chapter 2E for the issue of the SPXO Listed Options to Adrian Floate as the issue of the SPXO Listed Options constitutes 'reasonable remuneration' in accordance with section 211 of the Corporations Act.

13.1. Background

The Company's current employee incentive plan was last approved by Shareholders of the Company on 20 May 2021. The Company is seeking Shareholder approval to re-adopt the Incentive Plan pursuant to Resolution 9.

The Company seeks to invite Adrian Floate, subject to Shareholder approval that is sought under this Resolution, to participate in the Incentive Plan by subscribing for 6,000,000 Shares under the Incentive Plan (**Incentive Shares**) in recognition of the achievement of Short Term Incentive hurdles determined by the Board. The Board deemed Mr. Floate eligible for the Incentive Shares following the securing of a \$50 million debt warehouse facility and achievement of over 100% increase in cash receipts from customers for the 2022 financial year.

13.2. Director and Related Party Approvals

(a) A summary of Listing Rule 10.14 is set out in section 10.3 above.

The issue of the Incentive Securities to Adrian Floate falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14. Approval pursuant to Listing Rule 7.1 is not required in order to issue such Incentive Securities, as approval is being obtained under Listing Rule 10.14. Accordingly, Shareholders should note that the potential issue of Incentive Securities under the Incentive Plan will not be included in the 15% calculation imposed by Listing Rule 7.1.

13.3. Technical information required by ASX Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Incentive Shares to Adrian Floate.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue and may then be required to re-negotiate with Adrian Floate such other reasonable remuneration as may be applicable in substitution of these Incentive Shares, which may include the payment of additional cash amounts, reducing the Company's cash reserves.

13.4. Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in section 10.2 above

The Board (other than Adrian Floate who has a material personal interest in the Resolution) carefully considered the issue of the Incentive Shares to Adrian Floate and formed the view that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Incentive Shares to Adrian Floate and/or his nominee because they form part of Adrian Floate's remuneration as an officer of the Company and the remuneration is reasonable given Adrian Floate's circumstances and the circumstances of the Company.

Accordingly, approval will not be sought under Chapter 2E for the issue of the Incentive Shares to Adrian Floate as the issue of the Incentive Securities constitutes 'reasonable remuneration' in accordance with section 211 of the Corporations Act.

13.5. Information Required by ASX Listing Rule 10.15

\$302,500	\$701,664

Note:

- 1. FY2023 remuneration includes agreed fee based remuneration only, it does not include the value of securities that may be issued as additional performance based or incentive remuneration which will be issued subject to Shareholders approval.
- (m) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and such annual report will state that approval for the issue of securities was obtained under ASX Listing Rule 10.14.
- (n) Any additional persons covered by listing rule 10.14 who become entitled to participate in an issue of securities under the scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Annexure C - Terms of Plan

A summary of the terms of the Plan is set out below:

- (i) **(Eligible Participant):** Eligible Participant means a person that:
- (i) is an "eligible participant" (as that term is defined in ASIC Class Order 14/1000) in relation to the Company or an Associated Body Corporate (as that term is defined in ASIC Class Order 14/1000); and
 - (ii) has been determined by the Board to be eligible to participate in the Plan from time to time.
- (j) **(Purpose):** The purpose of the Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and
 - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (k) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.
- (l) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.
- On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
- (m) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (n) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.
- Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
- (o) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise

waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

- (p) **(Exercise of Convertible Securities and cashless exercise):** To exercise an Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (q) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (r) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (s) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (t) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and

distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

- (u) **(Disposal restrictions on Plan Shares):** If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
- (v) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (w) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (x) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (y) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
