## **SUCCESSFUL COMPLETION OF \$150 MILLION PLACEMENT**

Domino's Pizza Enterprises (ASX:DMP) advises that it has successfully completed its \$150 million fully underwritten placement (**Placement**) of approximately 2.3 million shares (**New Shares**) to institutional investors.

The Placement received strong support from existing shareholders and new investors. The Placement offer price was determined via a bookbuild process and ultimately priced at \$66.38 per New Share, the closing price on Wednesday, 30 November.

Funds raised under the Placement will be used to fund the option exercise price for the acquisition of all the shares held by Domino's Pizza Group plc in the German joint venture and any surplus will be applied towards debt retirement.

Domino's Pizza Enterprises CEO Don Meij said "we are very pleased with the support shown by new and existing institutional investors for the Placement, which reflected shareholder feedback prior to the capital raising. We look forward to acquiring full ownership in Domino's Pizza Germany and continuing to build the momentum across our network and delivering value to our customers, team members, franchisees and investors."

The trading halt is expected to be lifted prior to market open today and settlement of the Placement is expected on Tuesday, 6 December 2022.
