ASX/Media Release

27 March 2023

Origin signs binding Scheme Implementation Deed

Origin Energy Limited (Origin) has entered into a binding Scheme Implementation Deed (SID) in relation to the transaction with the Consortium comprising Brookfield Asset Management¹ (Brookfield) and MidOcean Energy (MidOcean), an entity managed by EIG partners (EIG), for the acquisition of all the issued shares in Origin by way of a scheme of arrangement (Scheme).

Following further discussions with the Consortium on its revised proposal announced on 22 February 2023, the consideration mix has been amended to comprise \$5.78 per share and US\$2.19 per share and applies equally to all shareholders.²

Based on an assumed AUD/USD exchange rate of 0.70, this implies a total consideration of \$8.912 per share.³

The total consideration payable will be reduced by any dividends paid by Origin prior to implementation of the Scheme, including the interim 16.5 cents per share fully franked dividend paid to shareholders on 24 March 2023. Any reduction in the amount payable to shareholders due to the payment of dividends would reduce the Australian dollar component of the total consideration.

Scheme consideration

Shareholders will have the total consideration paid in Australian dollars, with the US dollar component converted to Australian dollars based on the prevailing exchange rate at the time of implementation of the Scheme. Shareholders can elect to have the US dollar component paid in US dollars.

The total consideration payable to shareholders will vary subject to currency fluctuations between the date of this announcement and implementation of the Scheme. The consideration mix between Australian dollars and US dollars is expected to change as future US dollar receipts are converted into Australian dollars at the prevailing foreign exchange rate, and if the Consortium elects to convert an additional fixed amount of US dollar consideration to Australian dollars.⁴

¹ Together with its institutional partners and global institutional investors GIC and Temasek.

² This differs from the Consortium's proposal of 22 February 2023 which proposed that Origin shareholders would receive 100% AUD consideration for the first 100,000 shares held.

³ This amount differs from the \$8.90 value contained in Origin's 22 February 2023 announcement due to certain hedging gains realised subsequent to that date. At the spot exchange rate of 0.665 on 24 March 2023 at 5pm, the scheme consideration would imply a value of \$9.077 prior to the deduction of the 16.5 cents per share fully franked dividend paid to shareholders on 24 March 2023.

⁴ US\$904 million of calendar 2023 receipts from Australia Pacific LNG have been hedged to Australian dollars at an average rate of 0.69 and are included in the Australian dollar component of the total consideration. The Consortium may elect to convert up to an additional ~US\$640 million included in the US dollar component of the total consideration to Australian dollars at a rate of 0.70.

Any conversion from US dollars to Australian dollars would increase the Australian dollar component and reduce the US dollar component of the total consideration. The US dollar component of the consideration will not increase above US\$2.19 per share. Origin will advise shareholders periodically of the currency mix between Australian dollars and US dollars prior to implementation of the Scheme.

Origin has also agreed with the Consortium that a fully franked special dividend may be paid to shareholders subject to satisfaction of certain conditions. Any such special dividend will be considered by the Board closer to the time, but prior to implementation, of the Scheme.

A 4.5 cents per month ticking fee, accruing on a daily basis, will be payable if implementation of the Scheme is delayed beyond 30 November 2023.

The implied consideration of \$8.912 per share corresponds to an enterprise value of \$18.7 billion⁵ for Origin and represents a premium of:

- 53.4% to Origin's closing price of \$5.81 per share on 9 November 2022, being the last trading day prior to the initial proposal by the Consortium;
- 59.0% to Origin's one month VWAP of \$5.60 per share on 9 November 2022; and
- 54.7% to Origin's three month VWAP of \$5.76 per share on 9 November 2022.

The Board unanimously recommends that Origin shareholders vote in favour of the Scheme in the absence of a superior proposal, and subject to an independent expert concluding the Scheme is in the best interests of shareholders.

Scheme conditions

The Scheme is conditional upon the satisfaction of certain conditions, including:

- Origin shareholders approving the Scheme at a meeting of shareholders (Scheme Meeting);
- court and regulatory approvals including the Foreign Investment Review Board (FIRB), the Australian Competition and Consumer Commission (ACCC), the National Offshore Petroleum Titles Administrator and certain other foreign investment approvals;
- the issue of an Independent Expert's Report that concludes that the Scheme is in the best interests of Origin shareholders; and
- customary other conditions, including that no material adverse change occurs prior to implementation.

The SID contains customary exclusivity obligations, including 'no shop', 'no talk', 'no due diligence', notification obligations and a matching right regime in respect of any superior proposal received by Origin. The SID also details circumstances under which Origin may be required to pay a reimbursement fee to the Consortium should the Scheme not proceed.

A copy of the SID is attached to this announcement.

⁵ Based on 1,728,724,644 diluted shares outstanding, net debt of \$3.3 billion as disclosed in Origin's 2023 half year report and an assumed AUD/USD exchange rate of 0.70.

Separation of businesses

Origin has undertaken to assist EIG and Brookfield in the preparatory steps for the separation of Origin into two separate businesses, Integrated Gas and Energy Markets.

MidOcean has advised Origin that it has reached agreement for ConocoPhillips to acquire 2.49 per cent of Australia Pacific LNG from MidOcean, following implementation of the Scheme. ConocoPhillips has indicated that subject to the Scheme being implemented, it intends to exercise its rights under the Australia Pacific LNG shareholders agreement to assume certain service provider roles currently performed by Origin. These comprise the roles of Upstream Operator, CSG Marketing Agent, and Corporate Services Provider to Australia Pacific LNG.

Origin has also undertaken to assist in the preparatory steps for an orderly transfer of the service provider roles to ConocoPhillips.

The Scheme is not conditional on these separation steps.

Hedging

Consistent with the conditions outlined in the Consortium's revised proposal announced on 22 February, Origin has undertaken hedging of oil and JKM commodity exposure for the 2024, 2025 and 2026 calendar years. For oil, these hedges total 11.7 MMbbl⁶ and for JKM 8.2 tBtu⁷.

Scheme timetable

Origin and the Consortium are targeting implementation of the Scheme by early in the 2024 calendar year. The actual timing for implementation of the Scheme will depend on the timing for satisfaction of the required regulatory approvals. The Consortium is under an obligation to make an ACCC application filing by 14 April 2023. Origin will support the Consortium in this process.

Scheme recommendation

The Origin Board unanimously recommends that Origin shareholders vote in favour of the Scheme in the absence of a superior proposal and subject to an independent expert concluding the Scheme is in the best interests of Origin shareholders. Each Origin Director intends to vote all shares they hold or control in Origin in favour of the Scheme subject to the same qualifications.

Origin Chairman Scott Perkins said, "The Board is unanimous in its view that this transaction is in the best interests of shareholders. The transaction represents a significant premium to the share price prior to the original indicative proposal, and reflects the strategic nature of Origin's platform, its growth prospects and anticipated earnings recovery.

“We believe the Consortium will be responsible owners of Origin’s businesses. Our discussions with the Consortium confirm a high degree of alignment with Origin’s strategy and a desire to accelerate initiatives consistent with Origin’s critical role in Australia’s energy transition. This alignment validates the vision and hard work of Origin’s management team and employees.”

Origin CEO Frank Calabria said, “The significant premium placed on Origin by the Consortium reflects the value of our strategy and our advantaged position to capture value from the energy transition. We believe this transaction is a great outcome not only for our shareholders, but for all stakeholders including our customers, employees and partners. We believe this transaction also stands to benefit the broader Australian community as it will unlock significant capital that can help accelerate the energy transition and deliver benefits in the form of cleaner, smarter and lower cost energy for our nation over time.

“I’m immensely proud of our team at Origin who have remained dedicated and focused on the successful execution of our strategy and continuing to deliver good outcomes for our customers and the community.”

At this stage, shareholders do not need to take any action. Prior to the Scheme Meeting, Origin shareholders will be provided with additional information relating to the Scheme in the form of a Scheme Booklet, which will also include an Independent Expert’s Report.

where clauses 3.1(b)(1)(B), 3.1(b)(2) and 3.1(b)(3) are each subject to the relevant non-opposition of, or final determination to authorise, the Transaction that is unconditional or on conditions that are acceptable to Brookfield, acting reasonably.

- (b) If the ACCC Applicants seek merger authorisation, Brookfield must procure that the ACCC Applicants lodge with the ACCC an application for merger authorisation as soon as reasonably practicable following execution of this deed, and in any event must lodge the draft application for merger authorisation by 14 April 2023 (except to the extent of any delay by Origin in providing comments on the form of the application under clause 3.2(f)(4) and 3.3(a)) and the final application for merger authorisation within 10 Business Days of receiving final comments from the ACCC on the draft application.
- (c) If the ACCC Applicants seek merger authorisation and the ACCC does not grant authorisation in respect of the Transaction pursuant to section 88 of the CCA, then:

- (1) Brookfield must procure that the ACCC Applicants assess in good faith what options are reasonably available in order for the Transaction to proceed in a manner that is compliant with law and consistent with the terms of this deed and consult in good faith with Origin and its advisers in relation to such options;
- (2) Brookfield must procure that the ACCC Applicants, unless ACCC Applicants' senior counsel advises that there are not reasonable prospects of success (having consulted with Origin and its senior counsel), commence proceedings to obtain a Tribunal Determination;
- (3) if the ACCC Applicants commence proceedings to obtain a Tribunal Determination, Brookfield must (and must procure that the ACCC Applicants) commit all resources reasonably required in order to obtain a Tribunal Determination, as expeditiously and diligently as possible including making available relevant personnel of the Bidder Group for the purpose of any such action; and
- (4) if the ACCC Applicants commence proceedings to obtain a Tribunal Determination, Origin must do all such things as Brookfield reasonably requires to assist with any such action, at its own cost, including committing all resources reasonably required in order to litigate any such action as expeditiously and diligently as possible and making available relevant personnel of the Origin Group for the purpose of any such action.
- (d) If the ACCC Applicants seek informal clearance from the ACCC, Brookfield must procure the ACCC Applicants promptly make such application and, in doing so, must comply (and procure compliance by the ACCC Applicants) with the obligations set out in clause 3.2.
- (e) If the ACCC Applicants seek informal clearance from the ACCC and the ACCC gives notice of its intention to oppose the Transaction, then:
- (1) Brookfield must procure that the ACCC Applicants assess in good faith what options are reasonably available in order for the Transaction to proceed in a manner that is compliant with law and consistent with the terms of this deed and consult in good faith with Origin and its advisers in relation to such options;
- (2) Brookfield must procure that the ACCC Applicants, unless ACCC Applicants' senior counsel advises that there are no reasonable prospects of success (having consulted with Origin and its senior counsel), commence proceedings to obtain a Federal Court Declaration;
- (3) if the ACCC Applicants commence proceedings to obtain a Federal Court Declaration, Brookfield must (and must procure that the ACCC Applicants) commit all resources reasonably required in order to obtain a Federal Court Declaration, as expeditiously and diligently as possible including making available relevant personnel of the Bidder Group for the purpose of any such action; and
- (4) if the ACCC Applicants seek a Federal Court Declaration, Origin must do all such things as Brookfield reasonably requires to assist with any such action, at its own cost, including committing all resources reasonably required in order to litigate any such action as expeditiously and diligently as possible and making available relevant personnel of the Origin Group for the purpose of any such action.
- (f) Nothing in clause 3:

- (1) is intended to restrict or regulate a party's interactions with any Government Agency in the ordinary course of its business unrelated to the Transaction and the obligations in clause 3.2(f) do not apply in relation to any such ordinary course interactions with Government Agencies; or
- (2) requires a party to disclose to any other party any information, document, submission or other material or to permit any other party or its representatives to attend meetings the subject matter of which:
 - (A) is privileged, and cannot be provided pursuant to common interest privilege, or on an external counsel to counsel basis without waiving such privilege;
 - (B) cannot be disclosed due to confidentiality obligations owed to any third party (including any Government Agency);
 - (C) may cause a breach of the CCA; or
 - (D) is commercially sensitive to the party or: (i) in the case of the Bidder or Brookfield, the Bidder Group; and (ii) in the case of Origin, the Origin Group,

provided each party provides such information, document/s, submission/s or other material/s, or permits each other party or a reasonable number of its representatives to attend meetings, to the extent it is reasonably able to do so.

3.4 Waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a), 3.1(b), 3.1(c), 3.1(d), 3.1(f) and 3.1(k) cannot be waived.
- (b) The Conditions Precedent in clauses 3.1(h), 3.1(i) and 3.1(j) are for the sole benefit of Bidder and may only be waived by Bidder (in its absolute discretion) in writing.
- (c) The Condition Precedent in clause 3.1(e) is for the sole benefit of Origin and may only be waived by Origin (in its absolute discretion) in writing.
- (d) The Condition Precedent in clause 3.1(g) is for the benefit of Origin and Bidder and may only be waived by written agreement between Origin and Bidder (in each case, in their respective absolute discretion).
- (e) Waiver of a breach or non-satisfaction in respect of one Condition Precedent does not constitute:
 - (1) a waiver of breach or non-satisfaction of any other Condition Precedent resulting from the same event; or
 - (2) a waiver of breach or non-satisfaction of that Condition Precedent resulting from any other event.

3.5 Termination on failure of Condition Precedent

- (a) If there is an event or occurrence that would, does, or will prevent any of the Conditions Precedent being satisfied (including, for the avoidance of doubt, if Origin Shareholders do not agree to the Scheme at the Scheme Meeting by the requisite majorities), or if any of the Conditions Precedent become incapable of being satisfied, by the earlier of:

For personal use only

- (1) the time and date specified in this deed for the satisfaction of that Condition Precedent; and
- (2) the End Date,

or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable), then any party may give each other party written notice (**Consultation Notice**) within 5 Business Days after a relevant notice being given under clause 3.6(b) and the parties then must consult in good faith to:

- (3) consider and, if agreed, determine, whether the Transaction may proceed by way of alternative means or methods or whether, in the case of a breach of a Condition Precedent in clauses 3.1(h) or 3.1(i), the breach or the effects of the breach is or are able to be remedied;
- (4) consider changing and, if agreed, change, the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in writing by the parties; or
- (5) consider extending and, if agreed, extend, the time and date specified in this deed for the satisfaction of that Condition Precedent or End Date (as applicable),

respectively.

- (b) Subject to clauses 3.5(c), 3.5(d) and 3.5(e), if the parties are unable to reach agreement under clause 3.5(a) within 5 Business Days after the date on which the Consultation Notice is given (or any shorter period ending at 5.00pm on the day before the Second Court Date), then, unless:
 - (1) the relevant Condition Precedent has been waived in accordance with clause 3.4; or
 - (2) the party, or in the case of clause 3.4(d), each party, entitled to waive the relevant Condition Precedent in accordance with clause 3.4 confirms in writing to the other party that it will not rely on the event or occurrence that would or does prevent the relevant Condition Precedent from being satisfied, or would mean the relevant Condition Precedent would or will not otherwise be satisfied,

either Bidder or Origin may terminate this deed without any liability to any other party because of that termination. For the avoidance of doubt, nothing in this clause 3.5(b) affects the obligation of Origin to pay the Reimbursement Fee if it is required to do so under clause 12.

- (c) Bidder and Origin may not terminate this deed pursuant to clause 3.5(b) if:
 - (1) the relevant occurrence or event, the failure of the Condition Precedent to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach of clauses 3.2 or 3.3 by that party (which, in the case of Bidder, includes a breach of clauses 3.2 or 3.3 by Brookfield), although in such circumstances the other party may still terminate this deed; or
 - (2) the relevant Condition Precedent is stated in clause 3.4 to be for the sole benefit of the other party.
- (d) If the Condition Precedent in clause 3.1(d) (*Shareholder approval*) is not satisfied only because of a failure to obtain the majority required by sub-subparagraph 411(4)(a)(ii)(A) of the Corporations Act, then Bidder or Origin may by written notice to the other party within 5 Business Days after the date of

For personal use only

the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that sub-subparagraph, provided the party has, in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable. If such a notice is given, Origin must make such submissions to the Court and file such evidence as counsel engaged by Origin to represent it in Court proceedings related to the Scheme, in consultation with Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under sub-subparagraph 411(4)(a)(ii)(A) of the Corporations Act. If approval is given, the Condition Precedent in clause 3.1(d) (*Shareholder approval*) is deemed to be satisfied for all purposes.

- (e) If the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in clause 3.1(f), at Bidder's request Origin must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent Senior Counsel advises that, in their view, an appeal would have negligible prospects of success before the End Date). Origin may bring an appeal even if not requested by Bidder. If any such appeal is undertaken at the Bidder's request, Bidder will bear Origin's costs of the appeal (including costs of the independent Senior Counsel) unless Bidder and Origin otherwise agree.

3.6 Certain notices relating to Conditions Precedent

If a party becomes aware of:

- (a) the satisfaction of a Condition Precedent or of any material progress towards such satisfaction; or
- (b) the happening of an event or occurrence that would, does, will, or would reasonably be likely to:
- (1) prevent a Condition Precedent being satisfied; or
 - (2) mean that any Condition Precedent will not otherwise be satisfied, before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date (including, for the avoidance of doubt, if Origin Shareholders do not agree to the Scheme at the Scheme Meeting by the requisite majorities),

it must advise the other parties by notice in writing, as soon as possible (and in any event within 2 Business Days).

4 Transaction steps

4.1 Scheme

Origin must propose the Scheme to Origin Shareholders on and subject to the terms and conditions of this deed and the Scheme.

4.2 No amendment to the Scheme without consent

Origin must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without Bidder's prior written consent.

4.3 Scheme Consideration

The parties acknowledge that each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder in accordance with the terms and conditions of this deed and the Scheme.

- (a) Bidder undertakes and warrants to Origin (in its own right and separately as trustee on behalf of the Scheme Shareholders) that, in consideration of the transfer to Bidder of each Origin Share held by a Scheme Shareholder under the terms of the Scheme, on the Implementation Date, Bidder will:
- (1) accept that transfer; and
 - (2) provide to each Scheme Shareholder the Scheme Consideration for each Scheme Share in accordance with the terms and conditions of this deed and the Scheme.
- (b) The Scheme Consideration will be reduced by the aggregate cash amount per Origin Share of:
- (1) the HY23 Interim Dividend; and
 - (2) any dividends or distributions or any form of payment of any kind payable by Origin on the Origin Shares (including Permitted Dividends and Special Dividends, as applicable) to which Origin Shareholders become entitled from the date of this deed to the Implementation Date,
- except that the Scheme Consideration will not be reduced by the value attributed to any franking credits attached to any such dividend.
- (c) Where the calculation of the Scheme Consideration to be provided to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down to the nearest whole cent.

4.4 Provision of Origin Share information

In order to facilitate the provision of the Scheme Consideration, Origin must provide, or procure the provision of, to Bidder a complete copy of the Origin Share Register as at the Scheme Record Date (which must include the name, Registered Address and registered holding of each Scheme Shareholder as at the Scheme Record Date), within two Business Days after the Scheme Record Date.

4.5 Origin Equity Incentives

- (a) Origin must procure that no performance rights, options, warrants or any other securities or rights to receive shares, other than Origin Shares, are in existence on the Scheme Record Date.
- (b) The parties agree that the Origin Equity Incentives, and any other Origin equity incentives (including future grants of incentives) will be treated in the manner agreed between the parties.
- (c) For the avoidance of doubt, the parties agree that the exercise of any discretion by the Origin Board, or any other action, provided that such exercise or other action is at all times in accordance with this clause 4.5 or as otherwise agreed between the parties, will not be an Origin Prescribed Occurrence or an Origin Regulated Event or a breach of any provision of this deed, or give rise to any

right to terminate this deed, and will be disregarded when assessing the operation of any other part of this deed.

4.6 Special Dividend

- (a) Notwithstanding any other provision of this deed, in connection with any proposed payment by Origin of a special dividend to Origin Shareholders (**Special Dividend**), subject to:
- (1) the Scheme becoming Effective; and
 - (2) Origin having received a draft class ruling from the Australian Tax Office or other indicative confirmation from the Australian Tax Office in a form acceptable to Origin,

Origin may (in its absolute discretion) pay a Special Dividend to Origin Shareholders, provided that:

- (3) the Special Dividend must be paid in cash;
- (4) the Origin Group's franking account must not be in deficit as at the Implementation Date, taking into account any reasonably expected tax refund in respect of any tax payments or instalments made for the period up to the Implementation Date. For the purpose of determining Origin Group's franking account balance prior to the Implementation Date, the parties will undertake the following steps:
 - (A) Origin will supply a draft tax calculation for the financial year ending 30 June 2023 for the Bidder's review no later than 6 Business Days prior to making the final tax payment;
 - (B) Bidder will provide any comments on such draft calculation no later than 2 Business Days after receiving the information;
 - (C) Origin will update the tax calculation to take into account any reasonable comments by Bidder before making the final tax payment;
 - (D) Origin will supply a draft franking account no later than 6 Business Days prior to paying the Special Dividend for Bidder's review;
 - (E) Bidder will provide any comments on such draft franking account no later than 2 Business Days after receiving the information; and
 - (F) Origin will update the franking account to take into account any reasonable comments by Bidder before paying the Special Dividend;
- (5) the Special Dividend does not breach the Benchmark Franking Rule of section 203-205 of the Income Tax Assessment Act 1997;
- (6) the record date for the Special Dividend must be before the Scheme Record Date;
- (7) the payment date for the Special Dividend will be determined by Origin (in its absolute discretion) but must occur on or before the Implementation Date; and
- (8) the Special Dividend must comply with the Corporations Act.

- (b) The Scheme Consideration will be reduced by the cash amount of the Special Dividend in accordance with clause 4.3(b).
- (c) Origin undertakes that no amount of the Special Dividend shall be directly or indirectly funded before Implementation from the issue of equity interests (as defined in section 995-1 of the Income Tax Assessment Act, 1997) by any Origin Group Member, where such equity interests are issued before the implementation of the Scheme.
- (d) Each of the Bidder and Brookfield undertake (on behalf of itself and Bidder Group) that no amount of the Special Dividend shall be directly or indirectly funded on or after Implementation from the issue of equity interests (as defined in section 995-1 of the Income Tax Assessment Act, 1997) by any company, whether such equity interests are issued before or after the implementation of the Scheme. For the avoidance of doubt, this entails an undertaking that no proceeds from an equity issuance will be applied by the Bidder Group towards repayment of any portion of a debt facility that has been drawn by Origin prior to the Implementation Date to pay part or all of the Special Dividend.
- (e) Origin undertakes that, in the period from 22 July 2023 up to and including the Implementation Date, without the prior consent of the Bidder and Brookfield, it will not make any tax payments or instalments more than three Business Days prior to their due date, and it will not, without the prior consent of the Bidder and Brookfield, exercise any election to increase the amount of any tax payments or instalments raised or due in that period, in each case, such consent not to be unreasonably withheld or delayed. Notwithstanding this clause 4.6(e), no consent will be required to make any final tax payment in respect of the year ending 30 June 2023 during the period between 1 November 2023 and one Business Day prior to the Implementation Date if the Implementation Date is on or before 1 December 2023.

4.7 Investors

The parties agree they will comply with, and that an upstream investor may be added after the date of this deed in accordance with, the investor terms agreed between the parties in writing on or prior to the date of this deed.

4.8 Consents

If, under clauses 5.4(b), 6.2(d), 8.3 and 9, or for the purposes of the definition of 'Origin Regulated Event', of this deed, Origin requires Bidder consent or agreement to take an action, Origin has asked the Bidder to agree or consent to the action in accordance with this deed, and the Bidder fails to respond by giving or withholding agreement or consent to the action within 10 Business Days, then Bidder is taken to have consented to the action.

5 Implementation

5.1 Timetable

- (a) Subject to clause 5.1(b), the parties must each use all reasonable endeavours to:
- (1) comply with their respective obligations under this clause 5; and
 - (2) take all necessary steps and exercise all rights necessary to implement the Transaction,

For personal use only

in accordance with the Timetable.

- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside the party's control or due to Origin taking or omitting to take any action in response to a Competing Proposal as permitted or contemplated by this deed.
- (c) Each party must keep each other party informed about their progress against the Timetable and notify each other if it believes that any of the dates in the Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Timetable become not achievable due to matters outside of a party's control, the parties will consult in good faith to agree to any necessary extension to the Timetable to ensure such matters are completed within the shortest possible timeframe.

5.2 Origin's obligations

- (a) Origin must, in accordance with this clause 6.7, put in place an integration and separation plan (**IS Plan**) with the following objectives (the **Standalone Operating Objectives**):

- (1) the full ownership and control of the Integrated Gas Business by Bidder, and the Energy Markets Business by Brookfield respectively (but with the benefit of a reasonable transitional services agreement between the parties (**TSA**)), on the Implementation Date;
- (2) the Integrated Gas Business and the Energy Markets Business each being able to operate (but with the benefit of the TSA and noting that Bidder and Brookfield will provide functions which cannot reasonably be separated or provided, under the TSA), separately, safely and generally consistent with the manner in which such business and operations have been conducted prior to the Sale Transaction;
- (3) prepare for the transfer of Upstream Operator, CSG Marketing Agent and Corporate Services Provider to a third party (**Service Provider Transfer**), in accordance with clause 6.9,

in each case subject to the principle that the IS Plan will not require more than what is necessary to achieve the Standalone Operating Objectives and, prior to satisfaction of all of the Conditions Precedent, Origin will not implement any separation changes that are irreversible, cannot be undone with minimal cost and risk or which involve an Origin Group Member incurring material expenses.

- (b) The *Deloitte Separation Design and Planning Report* dated February 2023 (the **Deloitte Report**) will form the initial basis of the IS Plan. The IS Plan will be further developed and refined by the SMO, with input from the Working Groups, and, endorsed by the ISC pursuant to clause 6.7(g) below.
- (c) Promptly following the date of this deed, the parties agree to establish an **Integration and Separation Committee** (or **ISC**), comprising six members, with each of Origin, Bidder and Brookfield nominating two members, and with one representative from each of Origin, Bidder and Brookfield representing a quorum for any meeting of the ISC.

 - (2) if the members of the ISC are unable to unanimously agree on a decision:
 - (A) any of Origin, Brookfield or the Bidder may refer the matter to a mutually agreed independent expert (being a management consultancy with expertise in business separation) (**Separation Expert**), with the sole remit of promptly opining on whether the matter referred to it would,

- if actioned, be in accordance with the Standalone Operating Objectives (and the costs of such expert will be borne equally by Origin, Brookfield and Bidder). Bidder, Brookfield and Origin must each provide the Separation Expert a written statement which sets out its submissions on the relevant matter being considered by the Separation Expert. Origin, Brookfield and Bidder must reasonably take into account the opinion of the Separation Expert; and
- (B) irrespective of whether or not a matter has been referred to a Separation Expert under clause 6.7(f)(2)(A), any of Origin, Brookfield or the Bidder may refer the matter to nominated senior management of Origin, EIG and Brookfield (**Leadership Committee**) who must meet within 10 Business Days of the matter being referred to them to endeavour to agree on the matter and: (i) if the Leadership Committee unanimously agree a decision, Origin must use reasonable endeavours to implement the decision; or (ii) if the Leadership Committee are unable to unanimously agree a decision, the decision will not be passed and the status quo will prevail; and

- (h) Origin will develop (and keep updated) a communication plan relating to the Transaction and Service Provider Transfer, discuss the plan (and any updates) in good faith with Bidder and Brookfield and take into account reasonable comments from them.
- (i) Origin, Brookfield and Bidder acknowledge and agree that:
- (1) the members of the ISC do not have power to bind any party or to give any consent, approval or waiver on behalf of any party;
- (2) nothing in this clause 6.7 is intended to create a partnership, joint venture or similar relationship between the parties; and
- (3) nothing in this clause 6.7 or elsewhere in this deed requires a party to take any action that would reasonably be expected to result in a party breaching any applicable law, including any relevant competition law or the entity's constituent documents or put the party in breach of this deed.

 - (4) creating and dissolving Working Groups as the ISC or SMO determines are necessary.
- (m) The Working Groups will be established within the period ending 30 Business Days after the signing of this deed. Promptly after the establishment of each Working Group, Bidder, Brookfield and Origin may each appoint representatives to the Working Group (in such reasonable numbers as each party may determine). The following provisions will apply in respect of such Working Groups:
- (1) Working Group membership will include internal representatives and advisors and will vary as appropriate by topic; and
 - (2) Working Groups will be allocated responsibility by the SMO to:
 - (A) provide input on the development of the IS Plan
 - (B) execute parts of the IS Plan, and to make recommendations to the SMO on topics critical for separation and integration; and
 - (C) perform other matters and responsibilities as may be agreed by the SMO from time to time.
- (n) Each of Bidder, Brookfield and Origin must procure that their nominated representatives must act reasonably and in good faith in endeavouring to achieve the Standalone Operating Objectives, and the objectives of the ISC, SMO and Working Groups under this clause 6.7, including by providing the representative members of the ISC, SMO and Working Groups with access to such information as reasonably requested by those representatives, to execute their obligations or responsibilities under the IS Plan.

- in each case in accordance with (and as further specified in) the Hedging Protocol.
- (b) From the date of this deed up to and including the Implementation Date, Origin must comply with, and must procure that each relevant Origin Group Member complies with, the Hedging Protocol.

6.9 Access and preparedness for Operatorship Transfer

Principles of Operatorship Transfer

- (a) As part of the integration and separation planning process set out in clause 6.7, the parties agree that if the proposed transfer of the Upstream Operator, CSG Marketing Agent and Corporate Services Provider (together, **Service Provider Roles or SPRs**) from Origin Group to the Prospective Operator (being CAPLNG or one or more Affiliates of CAPLNG (**Prospective Operator**)) (**Operatorship Transfer**) is to occur:
- (1) the Transaction is not conditional on the Operatorship Transfer;
 - (2) the Transaction will not be delayed to facilitate or permit the Operatorship Transfer to occur; and
 - (3) on or around the Implementation Date then:
 - (A) prior to the Implementation Date, Prospective Operator will have no rights or powers to make any decisions under this deed or provide any directions to Origin in connection with the Operatorship Transfer or the business of any Origin Group Member; and
 - (B) the Operatorship Transfer will take place on an as-is basis (including as to employees, processes and systems) at the time of transfer and there will be no changes to the operations and functions of the SPRs, except as required by the IS Plan or as otherwise agreed pursuant to this deed.

Access and Preparedness for Operatorship Transfer – Finance and communications

- (b) On and from the date of this deed until the Implementation Date, Origin will, and will cause each other Origin Group Member to, provide reasonable assistance

to the Bidder and the Prospective Operator with separation preparedness to facilitate the Operatorship Transfer, by:

- (1) providing reasonable assistance requested by the Bidder in connection with: (a) any consent requests to be made to or reasonable engagement required with APLNG's financiers; and (b) any amendments required to the financing arrangements of APLNG and its Subsidiaries, in each case as is necessary to implement the Operatorship Transfer (including without limitation on the basis set out in clause 6.3(a)); and
- (2) co-operating with Bidder and the Prospective Operator to seek their input in good faith (and take into account reasonable comments) on an employee communications plan on matters relating to Operatorship Transfer.

Operatorship Transfer Working Group and Operatorship Transfer Plan

- (c) A Working Group related to the Operatorship Transfer (**Operatorship Transfer Working Group**) will be established at or around the same time as the IG Working Group and will remain in place until Phase Two when it becomes the Operatorship Transfer Team.
- (d) When the Working Groups are established in accordance with clause 6.7, each of Bidder, Origin and the Prospective Operator will have the right to nominate one member to represent their party in the Operatorship Transfer Working Group, which will meet on a regular basis, but in any event no less than 2 times per month. Additional members and observers may be added on a mutually agreed basis. The Operatorship Transfer Working Group will be supported by additional representatives of the three parties (Origin, Bidder and Prospective Operator) who will need access to relevant transition information to support and deliver transition planning activities (**Operatorship Transfer Party**). The Operatorship Transfer Working Group will maintain an up-to-date list of all members of the Operatorship Transfer Party.
- (e) Participation in the Operatorship Transfer Working Group is conditional on each of Bidder, Origin and Prospective Operator's nominated representatives acting reasonably and in good faith in endeavouring to achieve the objectives of the Operatorship Transfer Working Group under this clause 6.9.
- (f) Members of the Operatorship Transfer Working Group will have reasonable opportunity to consult subject matter experts of Origin Group as specific relevant queries arise, as may be reasonably required to assist them with executing their obligations or responsibilities under the Operatorship Transfer Plan.
- (g) The SMO will consult with the IG Working Group on the IS Plan in accordance with clause 6.7 as it relates to the Integrated Gas Business, and the IG Working Group will consult with the Operatorship Transfer Working Group as it pertains to the proposed transfer of the Service Provider Roles from Origin Group to the Prospective Operator (**Operatorship Transfer Plan**). If the input on the Operatorship Transfer Plan from the Operatorship Transfer Working Group is still being finalised at the time of the IS Plan endorsement by the ISC, the IG Working Group and the Operatorship Transfer Working Group will have a period of up to an additional 15 business days to finalise their inputs.
- (h) The Bidder and Origin agree that the Operatorship Transfer Working Group will consider and prioritise the following matters:
 - (1) input into the IG Working Group on Operatorship Transfer Plan components of the IS Plan including the processes, steps, milestones

and activities necessary to prepare for Operatorship Transfer in accordance with the principles in clause 6.9(a), including employee management and retention (on the basis set out in clause 6.9(n) below);

- (2) planning activities to support safe, reliable operations, minimal disruption to the employee experience and a timely and effective transition; and
- (3) planning in advance for Phase Two activities to facilitate orderly and efficient roll-out of these activities in the timeframe including all necessary protocols.

Prospective Operator Access: Phase One

(i) As soon as reasonably practicable, Origin will provide, subject to appropriate confidentiality arrangements and clause 6.9(o), Bidder, their advisors and the Prospective Operator with access to a virtual data room containing the following information:

- (1) detailed “as-is” organisation structures, reporting lines, and accountabilities including position and salary band information, but without personnel information, for SPR- dedicated personnel (**SPR Personnel**);
- (2) key processes and process interdependencies with Origin functions;
- (3) current enterprise bargaining agreements and template employment contracts for all permanent and limited term employees, and a general summary outlining compensation and benefits practices and policies, in each case for SPR Personnel;
- (4) detailed view of Integrated Gas Business and Corporate Services Provider data system architecture, technology and systems landscape and services including system interdependencies with Origin corporate functions;
- (5) details of applications supporting operations including operations manuals and safety procedures, performance standards, designated process safety information, integrated planning processes, and any related maintenance protocols and procedures;

- (8) regulatory reporting routines and requirements; and

Prospective Operator Access: Phase Two

(j) Origin and Bidder will consult reasonably to determine if it is reasonably likely that the Condition Precedent in 3.1(b) (ACCC approval) will be satisfied and the Implementation Date will occur around, but no earlier than, 3 months from that date, such that it is appropriate to proceed with the steps required to convene the Scheme Meeting:

- (A) following receipt of the ACCC Statement of Preliminary Views; and
- (B) 8 weeks prior to the expiry of the Tribunal’s statutory time frame (if applicable),

For personal use only

and if this determination is made by Origin and Bidder clause 6.9(k) and 6.9(l) will apply.

- (k) If at any time, the timing for the Scheme Meeting is deferred (other than to a date within the following 8 weeks), clause 6.9(l) will cease to apply until Origin and Bidder determine that it is reasonably likely that the Implementation Date will occur around, but no earlier than, 3 months from that date, in which case clause 6.9(k) and 6.9(l) will again apply. For the avoidance of doubt, the intent of the parties is that the Prospective Operator will have at least 3 months of continuous access under Phase Two, so to the extent clause 6.9(l) ceases to apply, once access under 6.9(l) recommences it is anticipated the restrictions under 6.9(m) will still apply.
- (l) The membership of the Operatorship Transfer Working Group will expand to include additional members nominated by Origin, Bidder and Prospective Operator and will be the **Operatorship Transfer Team** (with participation on select issues for other personnel as approved by the Operatorship Transfer Team, acting reasonably).  - (5) a reasonable number of visits to field sites and facilities in coordination with Origin (subject to compliance with access conditions);
 - (6) access to relevant personnel and IT/OT systems for the purpose of performing a "day-1 desktop" run-through for the purpose of testing operational readiness (including processes, control systems, monitoring and telecommunications); and
 - (7) individual-level position, salary information and performance history (subject to relevant employment contracts and laws).
- (m) Origin must not lodge the Scheme Booklet with ASIC until the date at least 4 weeks after Origin commences providing access under clause 6.9(k) (so that Origin is able to provide such access for 3 months prior to the Implementation Date).

Employees:

- (n) Bidder agrees that if Prospective Operator undertakes the Operatorship Transfer then offers of employment that are made to those Origin employees transferring as part of the Upstream Operator and CSG Marketing Agent roles or in any other capacity will be on substantially similar to, and, considered on an overall basis, no less favourable, terms than their existing employment terms, conditional on implementation of the Scheme occurring, to transfer them to the Prospective Operator.

- (1) any Prospective Operator Group representatives that participate in JV Forums (such as APLNG's Tech Comm, Comm-Comm, or Fin-Comm) cannot be a member of the Operatorship Transfer Party unless written approval is provided by the Operatorship Transition Working Group, based on written justification from Prospective Operator (approval for such access not to be unreasonably withheld);
 - (2) access to Operatorship Transfer information and work on Operatorship Transfer activities will be controlled in accordance with Clause 6.9(d). A strict confidentiality protocol will apply to all Prospective Operator Group representatives with access to Operatorship Transfer information, including individual NDAs prohibiting the sharing of Operatorship Transfer information with any other Prospective Operator Group staff, other than those who are members of the Operatorship Transfer Party in accordance with Clause 6.9(d); and
 - (3) the Prospective Operator members of the Operatorship Transfer Party, Operatorship Transfer Working Group and Operatorship Transfer Team will, if practicable, be located in segregated offices, separate from those of the other Prospective Operator Group staff.

- (p) In order to govern the broader access needed by the Prospective Operator under Phase Two and to agree any continuing limitations on sharing of the most sensitive information, the Operatorship Transfer Working Group will consider and decide a Phase Two Information Protocol (acting reasonably and in good faith) within 4 months of the date of this deed.

- (b) The Origin announcement must include a unanimous recommendation by the Origin Board to Origin Shareholders that, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent's Expert's Report (and continuing to conclude) that the Scheme is in the best interests of, Origin Shareholders, Origin Shareholders vote in favour of the Scheme and that subject to the same qualifications all the Origin Board Members will vote (or will procure the voting of) all Director Origin Shares at the time of the Scheme Meeting in favour of the Scheme at the Scheme Meeting.

9.2 Public announcements

Subject to clause 9.3, prior to making a public announcement or public disclosure of the Transaction or any other transaction the subject of this deed or the Scheme, each party must, to the extent reasonably practicable and lawful, consult with each other party as to the timing, form and content of that announcement or disclosure, including by giving each other party a reasonable opportunity to review the draft and taking into account (in good faith) all reasonable comments from them on the draft. Each party must use all reasonable endeavours to provide such comments as soon as practicable. For the avoidance of doubt, this clause 9.2 does not apply to any announcement or disclosure relating to a Competing Proposal.

9.3 Required disclosure

Where a party is required by applicable law or the Listing Rules to make any announcement or to make any disclosure in connection with the Transaction or any other transaction the subject of this deed, Operatorship Transfer or the Transaction, it may do so despite clause 9.2 but must use all reasonable endeavours, to the extent practicable and lawful, to:

- (a) notify each other party as soon as reasonably practicable after it becomes aware that disclosure is required; and
- (b) consult with each other party prior to making the relevant disclosure, including by giving each other party a reasonable opportunity to review the draft and taking into account all reasonable comments from them on the draft.

10 Confidentiality

- (a) Origin, Brookfield and Bidder (on behalf of EIG) acknowledge and agree that they continue to be bound by the Confidentiality Deed and the Confidentiality Deeds Poll after the date of this deed. The rights and obligations of the parties under the Confidentiality Deed and Confidentiality Deeds Poll survive termination of this deed.
- (b) Origin, Brookfield and Bidder (on behalf of EIG) agree that, on implementation of the Scheme, the Confidentiality Deed will automatically terminate and be of no force and effect and that on and from the Implementation Date:

For personal use only

- (1) no party will have any rights or obligations under the Confidentiality Deed in relation to any matter, act or omission undertaken at any time arising out of or in connection with the Confidentiality Deed; and
- (2) each party to the Confidentiality Deed releases each other party and from all actions, demands, claims and proceedings under, or in connection with, the Confidentiality Deed.

11 Exclusivity

11.1 Restriction during Exclusivity Period

During the Exclusivity Period, Origin must not, and must procure that its Related Bodies Corporate and Related Persons do not, directly or indirectly:

- (a) **(no shop)** solicit, encourage, initiate or invite from any other person any offer, expression of interest, proposal or transaction in relation to, or that may be reasonably expected to encourage or lead to, a Competing Proposal or communicate with any person an intention to do so;
- (b) **(no talk)** subject to clause 11.2, enter into or continue or participate in any negotiations or discussions with respect to any offer, expression of interest or proposal by any person to make, or which would reasonably be expected to encourage or lead to the making of, a Competing Proposal or negotiate, accept or enter into any agreement, arrangement or understanding regarding, or which would reasonably be expected to lead to, a Competing Proposal; and
- (c) **(no due diligence)** subject to clause 11.2, grant access to material non-public information about the business or affairs of Origin or its Related Bodies Corporate to any other person who has submitted, or might reasonably be expected to submit, a Competing Proposal,

provided that nothing in this clause 11.1 prevents or restricts Origin, its Related Bodies Corporate, or any of their Related Persons from responding to an expression of interest, offer, proposal or discussion in relation to, or that may be reasonably expected to encourage or lead to, a Competing Proposal to merely (A) acknowledge receipt and / or (B) advise that Origin is bound by the provisions of this clause 11.1.

11.2 Fiduciary exception

Clauses 11.1(b) and 11.1(c) do not prohibit any action or inaction by Origin, its Related Bodies Corporate, or any of their Related Persons in relation to a bona fide actual, proposed or potential Competing Proposal provided that such actual, proposed or potential Competing Proposal has not arisen as a result of a breach of clause 11.1(a) or 11.3 and the Origin Board, acting in good faith, has determined:

- (a) after consultation with its advisors, that the Competing Proposal could reasonably be expected to become a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, that compliance with clauses 11.1(b) and 11.1(c) (as applicable) would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of the members of the Origin Board.

11.3 Notification

- (a) During the Exclusivity Period, Origin must as soon as reasonably practicable (and in any event within 24 hours) notify Bidder in writing if it, any of its Related

Bodies Corporate or any of their respective Related Persons, become aware of any:

- (1) negotiations, discussions or approach or attempt to initiate any negotiations, discussions or other communications in respect of any expression of interest, offer, proposal or discussion in relation to an actual, proposed or potential Competing Proposal;
- (2) proposal made to Origin, its Related Bodies Corporate or any of their respective Related Persons, in connection with, or in respect of an actual, proposed or potential Competing Proposal; or
- (3) request for, or any provision by Origin, its Related Bodies Corporate or any of their respective Related Persons, of any material non-public information about the business or affairs of Origin or its Related Bodies Corporate to any other person in connection with an actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise. For the avoidance of doubt, any of the acts described in paragraphs (1) to (3) may only be taken by Origin, its Related Bodies Corporate or any of their respective Related Persons if not proscribed by clause 11.1 or if permitted by clause 11.2.

- (b) A notification given under clause 11.3(a) must include all material terms and conditions of the actual, proposed or potential Competing Proposal (including, but not limited to, price, form of consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and conditions precedent and the identity of the third party that made the actual, proposed or potential Competing Proposal) to the extent known by Origin.

11.4 Matching right

- (a) Without limiting clause 11.1, during the Exclusivity Period, Origin:
 - (1) must not, and must procure that each of its Related Bodies Corporate do not, enter into any legally binding or otherwise definitive agreement, arrangement or understanding (whether or not in writing) pursuant to which a third party or Origin or any of its Related Bodies Corporate proposes to undertake or implement or otherwise give effect to an actual, proposed or potential Competing Proposal (including any related cost underwriting or cost sharing agreement, arrangement or understanding) (but excluding, for the avoidance of doubt, any non-disclosure arrangements commonly found in a confidentiality agreement necessary to facilitate engagement or due diligence in respect of a Competing Proposal permitted by clause 11.2); and
 - (2) must not make (and must procure that none of its Related Persons make) a public statement endorsing or recommending an actual, proposed or potential Competing Proposal,

unless:

- (3) the Origin Board acting in good faith and in order to satisfy what the Origin Board consider to be their statutory or fiduciary duties (having received written legal advice from its external legal advisers) has determined that the actual, proposed or potential Competing Proposal is, or would be reasonably likely to be, a Superior Proposal;

- (4) the actual, proposed or potential Competing Proposal has not arisen as a result of Origin's breach of clause 11.1;
- (5) Origin has provided Bidder with the material terms and conditions of the actual, proposed or potential Competing Proposal, including the information referred to in clause 11.3(b);
- (6) Origin has given Bidder at least five Business Days after the date of the provision of the information referred to in clause 11.4(a)(5) (**Relevant Period**) to provide a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Bidder Counterproposal**); and
- (7) the Origin Board determines that Bidder has not provided a Bidder Counterproposal that matches or is superior to the terms of the actual, proposed or potential Competing Proposal by the expiry of the Relevant Period.
- (b) If Bidder provides to Origin a Bidder Counterproposal in accordance with clause 11.4(a)(6), and the Origin Board determines that the Bidder Counterproposal matches or is superior to the terms of the actual, proposed or potential Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then Origin and Bidder must continue to progress the Transaction (as modified by the Bidder Counterproposal) and use their best endeavours to agree the transaction documentation required to implement the Bidder Counterproposal as soon as reasonably practicable.
- (c) For the purposes of this clause 11.4, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new actual, proposed or potential Competing Proposal, and the procedures set out in this clause 11.4 must again be followed prior to Origin entering into any definitive agreement of the type referred to in the first paragraph of clause 11.4(a) in respect of such actual, proposed or potential Competing Proposal.
- (d) Despite any other provision in this deed, a statement by Origin or the Origin Board to the effect that:
- (1) the Origin Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 11.4; or
- (2) Origin Shareholders should take no action pending the completion of the matching right process set out in this clause 11.4,
- does not of itself:
- (3) constitute a change, withdrawal, modification or qualification of the recommendation by the Origin Board Members or an endorsement of a Competing Proposal;
- (4) contravene this deed;
- (5) give rise to an obligation to pay the Reimbursement Fee under clause 12.2; or
- (6) give rise to a termination right under clause 13.1.

11.5 Compliance with law

If it is finally determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 11 or any part of it:

- (a) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Origin Board;
- (b) constituted, or constitutes, or would constitute, 'unacceptable circumstances' within the meaning of the Corporations Act; or
- (c) was, or is, or would be, unlawful for any other reason,

then, to that extent (and only to that extent) Origin will not be obliged to comply with that provision of clause 11.

Origin must not make, or cause or permit to be made, any application to a court or the Takeovers Panel (to the extent applicable) for or in relation to a declaration or determination of a kind referred to in this clause 11.5.

11.6 Ordinary course discussions

Nothing in this clause 11 prevents Origin from making presentations to, responding to enquiries from, or otherwise engaging in the ordinary course with, brokers, analysts, financiers and other third parties in relation the business generally or promoting the merits of the Transaction.

12 Reimbursement Fee

12.1 Background to Reimbursement Fee

- (a) Bidder and Origin acknowledge that, if they enter into this deed and the Scheme is subsequently not implemented, Bidder will incur significant costs, including those set out in clause 12.4.
- (b) In these circumstances, Bidder has requested that provision be made for the payments outlined in clause 12.2, without which they would not have entered into this deed or otherwise agreed to implement the Scheme.
- (c) The Origin Board believes, having taken advice from its external legal and financial advisers, that the implementation of the Scheme will provide benefits to Origin and that it is appropriate for Origin to agree to the payments referred to in clause 12.2 in order to secure Bidder's participation in the Transaction.

12.2 Reimbursement Fee triggers

Origin must pay the Reimbursement Fee to Bidder in accordance with clause 12.3 if:

- (a) during the Exclusivity Period, one or more Origin Board Members:
 - (1) fail to recommend the Scheme in the manner described in clause 5.6(a); or
 - (2) withdraws, adversely changes, adversely modifies or adversely qualifies their support of the Scheme or their recommendation that Origin Shareholders vote in favour of the Scheme or fails to recommend that Origin Shareholders vote in favour of the Scheme in the manner described in clause 5.6(b),

in each case provided that the Bidder has terminated this deed in accordance with clause 13, and other than in circumstances where:

- (3) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that

report) that the Scheme is not in the best interests of Origin Shareholders (except where the sole or dominant reason for that conclusion is due to the existence, announcement or publication of a Competing Proposal);

- (4) the failure to recommend, or the change to, or qualification or withdrawal of, a recommendation to vote in favour of the Scheme occurs because of a requirement by a court, ASIC or the Takeovers Panel that one or more Origin Board Members abstain or withdraw from making a recommendation that Origin Shareholders vote in favour of the Scheme after the date of this deed; or
- (5) Origin is entitled to terminate this deed pursuant to clause 13.1(a)(1) or clause 13.2(b), and has given the appropriate termination notice to Bidder,

provided that, for the avoidance of doubt, a statement made by Origin or the Origin Board to the effect that no action should be taken by Origin Shareholders pending the assessment of a Competing Proposal by the Origin Board or the completion of the matching right process set out in clause 11.4 will not require Origin to pay the Reimbursement Fee;

- (b) during the Exclusivity Period, one or more Origin Board Members recommends that Origin Shareholders accept or vote in favour of, or otherwise supports or endorses (including support by way of accepting or voting, or by way of stating an intention to accept or vote, in respect of any Director Origin Shares), a Competing Proposal of any kind that is announced (whether or not such proposal is stated to be subject to any pre-conditions) during the Exclusivity Period; or
- (c) a Competing Proposal of any kind is announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions) and, within 12 months of the date of such announcement, the Third Party or any Associate of that Third Party:
 - (1) completes a Competing Proposal of a kind referred to in any of paragraphs 2, 3 or 4 of the definition of Competing Proposal; or
 - (2) without limiting clause 12.2(c)(1), acquires (either alone or in aggregate) a Relevant Interest in more than 50% of the Origin Shares under a transaction that is or has become wholly unconditional or otherwise acquires (either alone or in aggregate) control (within the meaning given in section 50AA of the Corporations Act) of Origin or acquires substantially all of the assets of Origin.

12.3 Payment of Reimbursement Fee

- (a) A demand by Bidder for payment of the Reimbursement Fee under clause 12.2 must:
 - (1) be in writing;
 - (2) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (3) state the circumstances which give rise to the demand; and
 - (4) nominate an account into which Origin is to pay the Reimbursement Fee.
- (b) Origin must pay the Reimbursement Fee into the account nominated by Bidder, without set-off or withholding, within 14 Business Days after receiving a demand

for payment where Bidder is entitled under clause 12.2 to the Reimbursement Fee. Notwithstanding anything in this deed to the contrary, this clause 12.3(b) survives termination of this deed such that Bidder may give Origin a demand for payment of the Reimbursement Fee even if this deed has been terminated.

12.4 Basis of Reimbursement Fee

The Reimbursement Fee has been calculated to reimburse Bidder for costs including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transaction; and
- (d) out of pocket expenses incurred by Bidder and its employees, advisers and agents in planning and implementing the Transaction,

and the parties agree that:

- (e) the costs actually incurred by Bidder will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Reimbursement Fee is a genuine and reasonable pre-estimate of those costs as at the date of this deed,

and Origin represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 12.

12.5 Compliance with law

- (a) This clause 12 does not impose an obligation on Origin to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:
 - (1) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (2) is determined to be unenforceable or unlawful by a court

and Bidder will refund to Origin within 14 Business Days any amount in excess of its obligation under this clause that Origin has already paid to Bidder when that declaration or determination is made. For the avoidance of doubt, any part of the Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by Origin.

- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 12.5(a).

12.6 Reimbursement Fee payable only once

Where the Reimbursement Fee becomes payable by Origin under clause 12.2 and is actually paid by Origin in accordance with clause 12.3, Bidder cannot make any claim against Origin for payment of any subsequent Reimbursement Fee.

12.7 Other Claims

Despite anything to the contrary in this deed, the maximum aggregate amount which Origin is required to pay in relation to this deed (including as a result of any breach of this deed by Origin or any other Claim) is the amount of the Reimbursement Fee and in no event will the aggregate liability of Origin under or in connection with this deed or any Claim exceed the amount of the Reimbursement Fee, other than in the case of fraud or wilful default by Origin.

12.8 No Reimbursement Fee if Scheme Effective

Despite anything to the contrary in this deed, the Reimbursement Fee will not be payable to Bidder if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 12.2 and, if the Reimbursement Fee has already been paid it must be refunded by Bidder prior to Implementation.

13 Termination

13.1 Termination

- (a) Either Origin or Bidder may terminate this deed by written notice to the other party:
- (1) other than in respect of a breach of either a Bidder Representation and Warranty or an Origin Representation and Warranty (which are dealt with in clause 13.2), at any time before 8.00am on the Second Court Date, if the other party has materially breached this deed (and, in the case of a breach by Origin, materially breached means any breach that is material in the context of: (i) the Integrated Gas Business; or (ii) the Energy Markets Business), the party entitled to terminate has given written notice to the party in breach of this deed setting out the relevant circumstances and stating an intention to terminate this deed, and the other party has failed to remedy the breach within five Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given; or
 - (2) in the circumstances set out in, and in accordance with, clause 3.5.
- (b) Bidder may terminate this deed by written notice to Origin at any time before 8.00am on the Second Court Date if any Origin Board Member:
- (1) fails to recommend the Scheme;
 - (2) withdraws, adversely changes, adversely modifies or adversely qualifies their support of the Scheme or their recommendation that Origin Shareholders vote in favour of the Scheme (excluding any statement that no action should be taken by Origin Shareholders pending assessment of a Competing Proposal by the Origin Board or the completion of the matching right process set out in clause 11.4); or
 - (3) makes a public statement to the effect that they no longer recommend the Scheme or recommending, supporting or endorsing another transaction (including any Competing Proposal),

other than where the Origin Board Member is required by a court, ASIC or the Takeovers Panel to abstain or withdraw from making a recommendation that Origin Shareholders vote in favour of the Scheme after the date of this deed.

- (c) Origin may terminate this deed by written notice to Bidder at any time before 8.00am on the Second Court Date if the Origin Board or a majority of the Origin Board has changed, withdrawn, modified or qualified its recommendation as permitted under clause 5.6 and, if applicable, Origin has paid the Reimbursement Fee to Bidder.

13.2 Termination for breach of representations and warranties

- (a) Bidder may, at any time prior to 8.00am on the Second Court Date, terminate this deed for breach of an Origin Representation and Warranty only if:
 - (1) Bidder has given written notice to Origin setting out the relevant circumstances and stating an intention to terminate or to allow the Scheme to lapse;
 - (2) the relevant breach continues to exist five Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 13.2(a)(1); and
 - (3) the relevant breach is material in the context of: (a) the Integrated Gas Business; or (b) the Energy Markets Business.
- (b) Origin may, at any time before 8.00am on the Second Court Date, terminate this deed for breach of a Bidder Representation and Warranty only if:
 - (1) Origin has given written notice to Bidder setting out the relevant circumstances and stating an intention to terminate or to allow the Scheme to lapse;
 - (2) the relevant breach continues to exist five Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 13.2(b)(1); and
 - (3) the relevant breach is material in the context of the Scheme taken as a whole.
- (c) This deed is terminable if agreed to in writing by Bidder and Origin.

13.3 Effect of termination

If this deed is terminated by either of Bidder or Origin under clauses 3.5, 13.1 or 13.2:

- (a) each party will be released from its obligations under this deed, except that this clause 13.3, and clauses 1, 7, 8.1, 8.2, 10, 12, 14, 15, 16 and 17 (except clause 17.10), will survive termination and remain in force;
- (b) each party will retain the rights it has or may have against the other party in respect of any past breach of this deed, including any breach that arises under or in connection with circumstances under which Bidder or Origin has terminated this deed (provided that any loss suffered by Bidder where it has terminated this deed under clause 13.1(a)(1) or 13.2(b) will be taken to include loss suffered by both Bidder and Brookfield as a consequence of the termination); and
- (c) in all other respects, all future obligations of the parties under this deed will immediately terminate and be of no further force and effect including any further obligations in respect of the Scheme.

For personal use only

13.4 Termination

Where a party has a right to terminate this deed, that right for all purposes will be validly exercised if the party delivers a notice in writing to each other party stating that it terminates this deed and the provision under which it is terminating this deed.

13.5 No other termination

No party may terminate or rescind this deed except as permitted under clauses 3.5, 13.1 or 13.2.

14 Duty, costs and expenses

14.1 Stamp duty

Bidder:

- (a) must pay all stamp duties and any fines and penalties with respect to stamp duty in respect of this deed or the Scheme or the steps to be taken under this deed or the Scheme; and
- (b) indemnifies Origin against any liability arising from its failure to comply with clause 14.1(a).

14.2 Costs and expenses

Except as otherwise provided in this deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution, delivery and performance of this deed and the proposed, attempted or actual implementation of this deed and the Transaction.

14.3 Withholding tax

- (a) If Bidder is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) (**Subdivision 14-D**) to pay amounts to the Commissioner of Taxation in respect of the acquisition of Origin Shares from certain Origin Shareholders, Bidder is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Origin Shareholders, and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to Origin Shareholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Origin Shareholders shall be taken to be in full and final satisfaction of the amounts owing to those Origin Shareholders.
- (b) The Bidder acknowledges and agrees that it shall not pay any amounts to the Commissioner of Taxation under clause 14.3(a) with respect to an Origin Shareholder where it receives an entity declaration from the Origin Shareholder prior to the Implementation Date, where:
 - (1) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and covers the Implementation Date (**Entity Declaration**); and
 - (2) the Bidder does not know that the Entity Declaration is false.
- (c) If the Bidder forms the view that it has knowledge that an Entity Declaration it has received is false, and the Bidder received the Entity Declaration more than

30 days before the Implementation Date, the Bidder agrees that it shall not pay any amounts to the Commissioner of Taxation in respect of that Origin Shareholder until it has:

- (1) provided information upon which it relied to form that view to the Origin Shareholder who has provided that Entity Declaration no less than 20 days before the Implementation Date;
 - (2) provided the Origin Shareholder by notice in writing the opportunity to review the information provided to it and respond with their views no less than 10 days before the Implementation Date; and
 - (3) reviewed any response from the Origin Shareholder and, after having reconsidered its view, still be of the view that it has knowledge that the Entity Declaration it has received is false.
- (d) Origin agrees that Bidder may approach the Australian Taxation Office to obtain clarification as to the application of Subdivision 14-D to the Transaction and will provide all information and assistance that Bidder reasonably requires in making any such approach. Bidder agrees:
- (1) to provide Origin a reasonable opportunity to review the form and content of all materials to be provided to the Australian Taxation Office, and must incorporate Origin's reasonable comments on those materials, and more generally to take into account Origin's comments in relation to Bidder's engagement with the Australian Taxation Office, and provide Origin a reasonable opportunity to participate in any discussions and correspondence between Bidder and the Australian Taxation Office in connection with the application of Subdivision 14-D to the Transaction; and
 - (2) not to contact any Origin Shareholders in connection with the application of Subdivision 14-D to the Transaction without Origin's prior written consent.
- (e) The parties agree to consult in good faith as to the application of Subdivision 14-D, including taking into account any clarification provided by the Australian Taxation Office following any process described in clause 14.3(d). The parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation which may include, without limitation, making amendments to this deed, the Scheme and the Deed Poll to ensure that relevant representations are obtained from Origin Shareholders.

15 GST

- (a) Any consideration or amount payable under this deed, including any non-monetary consideration (as reduced in accordance with clause 15(e) if required) (**Consideration**) is exclusive of GST.
- (b) If GST is or becomes payable on a Supply made under or in connection with this deed, an additional amount (**Additional Amount**) is payable by the party providing consideration for the Supply (**Recipient**) equal to the amount of GST payable on that Supply as calculated by the party making the Supply (**Supplier**) in accordance with the GST Law.
- (c) The Additional Amount payable under clause 15(b) is payable at the same time and in the same manner as the Consideration for the Supply, and the Supplier must provide the Recipient with a Tax Invoice. However, the Additional Amount is only payable on receipt of a valid Tax Invoice.

A Notice must not be given by electronic means of communication (other than email as permitted in clause 16.2).

16.4 Notice relating to Energy Markets Business or Integrated Gas Business

- (a) Where Origin gives any notice to the Bidder or Brookfield under this deed, it will also provide an equivalent notice to the other of Bidder or Brookfield (as applicable).
- (b) Despite any other provision of this deed, any notice provided under this deed by Bidder or Brookfield to Origin will be invalid unless it is received from both Bidder and Brookfield.

17 General

17.1 Governing law and jurisdiction

- (a) This deed is governed by the law in force in New South Wales.
- (b) Each party irrevocably submits to the exclusive jurisdiction of courts exercising jurisdiction in New South Wales and courts of appeal from them in respect of any proceedings arising out of or in connection with this deed. Each party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

17.2 Service of process

Without preventing any other mode of service, any document in an action (including any writ of summons or other originating process or any third or other party notice) may be served on any party by being delivered to or left for that party at its address for service of Notices under clause 16.

17.3 No merger

The rights and obligations of the parties do not merge on completion of the Transaction. They survive the execution and delivery of any assignment or other document entered into for the purpose of implementing the Transaction.

- (a) If any provision of this deed is invalid under the law of any jurisdiction the provision is enforceable in that jurisdiction to the extent that it is not invalid, whether it is in severable terms or not.
- (b) Clause 17.4(a) does not apply where enforcement of the provision of this deed in accordance with clause 17.4(a) would materially affect the nature or effect of the parties' obligations under this deed.

17.5 Waiver

No party to this deed may rely on the words or conduct of any other party as a waiver of any right unless the waiver is in writing and signed by the party granting the waiver.

4.2 Transfer of Scheme Shares

On the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clause 5.3(a), the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, must be transferred to the Bidder, without the need for any further act by any Scheme Shareholder (other than acts performed by Origin as attorney and agent for Scheme Shareholders under clause 8.5), by:
 - (1) Origin delivering to the Bidder a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by Origin (or any of its directors and officers), for registration; and

5 Scheme Consideration

5.1 Scheme Consideration

- (a) The Scheme Consideration to be provided to each Scheme Shareholder in respect of their Origin Shares will be the Scheme Consideration per Scheme Share, comprising:
 - (1) the AUD Scheme Consideration; *plus*
 - (2) the USD Scheme Consideration,

which will be paid in A\$, unless the Scheme Shareholder makes a valid Currency Election in accordance with clause 5.2 in which case the payment will be made in a combination of Australian Dollars and US dollars (comprising, the AUD Scheme Consideration paid in Australian Dollars and the USD Scheme Consideration paid in US Dollars).

- (b) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of the Scheme Shares held by that Scheme Shareholder, subject to the terms of this Scheme.

5.2 Currency election

- (a) Subject to clause 5.2(b), each Scheme Shareholder is deemed to have made an election to receive all of their Scheme Consideration in the form of Australian Dollars.
- (b) A Scheme Shareholder may make an election to receive their Scheme Consideration in the form of a combination of Australian Dollars and US Dollars (comprising, the AUD Scheme Consideration in Australian Dollars and the USD Scheme Consideration in US Dollars). Such an election will be valid only if the following requirements are satisfied (or waived by Bidder and Origin (by agreement) in their sole discretion in respect of any particular Scheme Shareholder):
 - (1) completing and signing an Election Form in accordance with the instructions on the Election Form, including providing valid US dollar banking account details; and
 - (2) the Election Form is received by the Origin Registry before the Election Time at the address on the Election Form.
- (c) If a Scheme Shareholder is noted on the Share Register as holding one or more parcels of Origin Shares as trustee or nominee for, or otherwise on account of, another person, the Scheme Shareholder may make an election under clause 5.2(b) in relation to each of those parcels of Origin Shares, and an election made in respect of any such parcel, or an omission to make an election in respect of any such parcel, will not be taken to extend to the other parcels. The manner in which such election is to be made, and the information to be provided to Bidder and Origin in relation to that, is to be as advised by Origin and Bidder (acting reasonably including after consultation with the Origin Registry) to the Scheme Shareholder.
- (d) Subject to clause 5.2(c), a Currency Election made or deemed to be made by a Scheme Shareholder under this clause 5.2 will be deemed to apply in respect of the Scheme Shareholder's entire registered holding of Scheme Shares on the Scheme Record Date, regardless of whether the Scheme Shareholder's holding of Scheme Shares on the Scheme Record Date is greater or less than the Scheme Shareholder's holding at the time it made its Currency Election.
- (e) An election made under clause 5.2(b) may be revoked in accordance with the instructions on the Election Form.
- (f) Bidder and Origin (by agreement) will determine, in their sole discretion, all questions as to the correct completion of an Election Form, and time of receipt of an Election Form. Bidder and Origin are not required to communicate with any Scheme Shareholder prior to making this determination. The determination of Bidder and Origin will be final and binding on the Scheme Shareholder.
- (g) Bidder will enter into one or more foreign exchange transactions with a foreign exchange broker in order to convert US\$ into A\$ for the USD Scheme

Consideration payable to a Scheme Shareholder in A\$. Bidder will use reasonable endeavours to first obtain, and notify Origin of, at least three quotes from independent foreign exchange brokers for US\$ to A\$ conversion rates. The Bidder will elect in its sole discretion the best rate or rates (resulting in the highest value of A\$ per USD) at which US\$ will be converted into A\$, noting that such conversions shall occur over [two] Business Days and settling at least one Business Day prior to the Implementation Date.

- (h) Notwithstanding anything else in this Scheme, no AUD Scheme Consideration will be paid to a Scheme Shareholder in the form of US Dollars and the AUD Scheme Consideration will always be paid in the form of Australian Dollars.

5.3 Provision of Scheme Consideration

- (a) The Bidder must, and Origin must use its best endeavours to procure that the Bidder does, by no later than the Business Day before the Implementation Date, deposit, or procure the deposit, in cleared funds an amount equal to:
- (1) the aggregate amount in Australian dollars of the Scheme Consideration which is payable to all Scheme Shareholders, into an Australian dollar denominated trust account with an ADI operated by Origin as trustee for the Scheme Shareholders, (provided that any interest on the amounts deposited (less bank fees and other charges) will be credited to the Bidder's account); and
 - (2) the aggregate amount in US dollars of the Scheme Consideration which is payable to all Scheme Shareholders, into a US dollar denominated trust account with an ADI operated by Origin as trustee for the Scheme Shareholders, (provided that any interest on the amounts deposited (less bank fees and other charges) will be credited to the Bidder's account).
- (b) On the Implementation Date, subject to funds having been deposited in accordance with clause 5.3(a), Origin must pay or procure the payment of that Scheme Consideration from the trust accounts referred to in clause 5.3(a) to each Scheme Shareholder as that Scheme Shareholder is entitled under clause 5.1.
- (c) The obligations of Origin under clause 5.3(b) will be satisfied by Origin (in its absolute discretion, and despite any election referred to in clause 5.3(c)(1) or authority referred to in clause 5.3(c)(2) made or given by the Scheme Shareholder):
- (1) if a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Origin Registry to receive dividend payments from Origin by electronic funds transfer to a bank account nominated by the Scheme Shareholder which is denominated in the currency(s) specified in a Currency Election, paying, or procuring the payment of, the relevant amount in the currency(s) specified in that Scheme Shareholder's Currency Election by electronic means in accordance with that election;
 - (2) paying, or procuring the payment of, the relevant amount in the currency(s) specified in that Scheme Shareholder's Currency Election by electronic means to a bank account nominated by the Scheme Shareholder by an appropriate authority from the Scheme Shareholder to Origin; or
 - (3) otherwise, dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by

prepaid post to their Registered Address (as at the Scheme Record Date), such cheque being drawn in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 5.4).

- (d) To the extent that, following satisfaction of Origin's obligations under clause 5.3(b), there is a surplus in the amount held by Origin as trustee for the Scheme Shareholders in either trust account referred to in that clause, that surplus must be paid by Origin to the Bidder.
- (e) If, following satisfaction of the Bidder's obligations under clause 5.3(a) but prior to the occurrence of all of the events described in clause 4.2 this Scheme lapses under clause 3.3:
- (1) Origin must immediately repay (or cause to be repaid) to or at the direction of the Bidder the funds that were deposited in the Trust Accounts plus any interest on the amounts deposited (less bank fees and other charges);
 - (2) the obligation to transfer Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, to the Bidder under clause 4.2 will immediately cease;
 - (3) the Bidder must return the Scheme Transfers, if provided pursuant to clause 4.2; and
 - (4) Origin is no longer obliged to enter, or procure the entry of, the name of the Bidder in the Share Register in accordance with clause 4.2(b).

5.4 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 5.3(c), the Scheme Consideration is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of Origin, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders; and
- (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of Origin, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders.

5.5 Fractional entitlements and splitting

- (a) Where the calculation of the Scheme Consideration to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.
- (b) If the Bidder is of the opinion (acting reasonably) that one or more Scheme Shareholders have, before the Scheme Record Date, been party to shareholding splitting or division or any similar action in an attempt to obtain an advantage in respect of the Scheme Consideration they would otherwise have been entitled to receive, the Bidder may direct Origin to give notice to those Scheme Shareholders:
 - (1) setting out the names and Registered Addresses as shown in the Share Register;
 - (2) stating that opinion; and

- (3) attributing all Scheme Shares held by all of them to one of them specifically identified in the notice,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all specified Scheme Shares will, for the purposes of the provisions of the Scheme, be taken to hold all those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of the provisions of the Scheme, be taken to hold no Scheme Shares. The Bidder, in complying with the provisions of the Scheme relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme.

5.6 Unclaimed monies

- (a) Origin may cancel a cheque issued under this clause 5 if the cheque:
- (1) is returned to Origin; or
 - (2) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Origin (or the Origin Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Origin must reissue a cheque that was previously cancelled under this clause 5.6.
- (c) The *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 7 of the *Unclaimed Money Act 1995* (NSW)), but any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of the Bidder.

5.7 Orders of a court or Government Agency

- (a) If written notice is given to Origin (or the Origin Registry) or the Bidder of an order or direction made by a court of competent jurisdiction or by another Government Agency that:
- (1) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Origin in accordance with this clause 5, then Origin shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (2) prevents Origin from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Origin shall be entitled to (as applicable), retain an amount, in Australian dollars or US dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration, until such time as provision of the Scheme Consideration in accordance with this clause 5 is permitted by that (or another) order or direction or otherwise by law.

- (b) To the extent that amounts are so deducted or withheld in accordance with clause 5.7(a), such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

6 Dealings in Origin Shares

6.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Origin Shares or other alterations to the Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESSE, the transferee is registered in the Share Register as the holder of the relevant Origin Shares before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received before the Scheme Record Date at the place where the Share Register is kept,

and Origin must not accept for registration, nor recognise for any purpose (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

6.2 Register

- (a) Origin must register registrable transmission applications or transfers of the Scheme Shares that are received in accordance with clause 6.1(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 6.2(a) requires Origin to register a transfer that would result in an Origin Shareholder holding a parcel of Origin Shares that is less than a 'marketable parcel' (for the purposes of this clause 6.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or otherwise deal with, or purport or agree to dispose of or otherwise deal with, any Scheme Shares or any interest in them on or after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and Origin shall be entitled to disregard any such disposal or other dealing.
- (c) For the purpose of determining entitlements to the Scheme Consideration, Origin must maintain, or procure the maintenance of, the Share Register in accordance with the provisions of this clause 6.2 until the Scheme Consideration has been paid to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Origin Shares (other than statements of holding in favour of the Bidder or any Excluded Shareholders) will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register (other than entries on the Share Register in respect of the Bidder or any Excluded Shareholder) will cease to have effect except as evidence of

entitlement to the Scheme Consideration in respect of the Origin Shares relating to that entry.

- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, Origin will ensure that details of the names, Registered Addresses and holdings of Origin Shares for each Scheme Shareholder as shown in the Share Register are available to the Bidder in the form the Bidder reasonably requires.

7 Quotation of Origin Shares

- (a) Origin must apply to ASX to suspend trading on the ASX in Origin Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by the Bidder, Origin must apply:
- (1) for termination of the official quotation of Origin Shares on the ASX; and
 - (2) to have itself removed from the official list of the ASX.

8 General Scheme provisions

8.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Origin may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which the Bidder has consented in writing; and

- without the need for any further act by the Scheme Shareholder.
- (b) Each Scheme Shareholder is deemed to have warranted to Origin and Bidder on the Implementation Date, and appointed and authorised Origin as its attorney and agent to warrant to the Bidder, that as at the Implementation Date:
- (1) all their Scheme Shares (including any rights and entitlements attaching to those shares) which are transferred under this Scheme will, at the date of transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind, and that they have full power and capacity to transfer their Scheme Shares to Bidder together with any rights and entitlements attaching to those shares;
- (2) they have full power and capacity to sell and to transfer their Scheme Shares together with all rights and entitlements attaching to those shares to the Bidder under this Scheme; and
- (3) they have no existing right to be issued any Scheme Shares, options or performance rights exercisable into Scheme Shares, convertible notes in Origin or any other Origin securities.
- (c) Origin undertakes in favour of each Scheme Shareholder that it will provide such warranty, to the extent enforceable, to Bidder as agent and attorney of that Scheme Shareholder.

8.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to the Bidder will, at the time of transfer of them to the Bidder vest in the Bidder free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.
- (b) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5, the Bidder will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Origin of the Bidder in the Share Register as the holder of the Scheme Shares.

8.4 Appointment of sole proxy
