United Kingdom (CREST Voting Instruction)

DI Holders in CREST may transmit voting instructions by utilising the CREST voting service in accordance with the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take appropriate action on their behalf.

In order for instructions made using the CREST voting service to be valid, the appropriate CREST message (**CREST Voting Instruction**) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST).

To be effective, the CREST Voting Instruction must be transmitted so as to be received by the Company's agent (3RA50) no later than 9:00am (BST) on Friday 5 May 2023. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the Company's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST. DI Holders in CREST and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the DI Holder concerned to take (or, if the DI Holder is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST voting service by any particular time.

In this connection, DI Holders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Form of Instruction

DI Holders are invited to attend the Meeting but are not entitled to vote at the Meeting. In order to have votes cast at the Meeting on their behalf, DI Holders must complete, sign and return the Forms of Instruction sent to them together with this Notice to the Company's agent, Computershare UK, by no later than 9:00am (BST) on Friday 5 May 2023.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the period from 1 January 2022 to 31 December 2022 together with the Directors' declaration, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.88energy.com or on the ASX platform for "88E" at www.asx.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the Managing Director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that Annual General Meeting were more than 25%. Accordingly, the Spill Resolution has been included for this Annual General Meeting and will be relevant for this Annual General Meeting if at least 25% of the votes cast on this Resolution 1 are voted against adoption of the Remuneration Report. Please refer to Resolution 6 and Section 7 for further information.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member.

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3. RESOLUTION 2 – RE-ELECTION OF MS JOANNE KENDRICK AS A DIRECTOR

3.1 Background

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Ms Joanne Kendrick, who was appointed by other Directors on 2 August 2021 in accordance with the Constitution and was elected on 16 May 2022, retires by rotation and seeks re-election from Shareholders.

3.2 Qualifications and other material directorships

Ms Joanne Kendrick is a petroleum engineer with over 25 years' experience in the global oil and gas sector. She has previously held Board and senior executive positions with various international oil and gas companies including as Deputy Managing Director with Nido Petroleum Limited and more recently as Managing Director and CEO of Blue Star Helium Limited. In both cases, she oversaw substantial increases in shareholder value over her tenure. Ms Kendrick currently also serves on the Buru Energy Limited Board as a Non-Executive Director.

3.3 Independence

If re-elected, the Board considers Ms Kendrick will be an independent director. Ms Kendrick has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

3.4 Board recommendation

The Board has reviewed Ms Kendrick's performance since her appointment to the Board and considers that Ms Kendrick's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Ms Kendrick and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under ASX Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$201,078,682 (based on the number of Shares on issue and the closing price of Shares on the ASX on 28 March 2023). Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution. If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section 4.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the purpose set out for Shareholders at the time of such an issue. However, in general terms, the Company could issue Equity Securities under the additional placement capacity to raise cash to fund the Company's forward exploration and development work programs, for general working capital expenses, or acquiring new assets (including any expenses associated with such an acquisition). The Company is planning on a flow test of the Hickory-1 well in Q4 2023 / Q1 2024 Alaskan winter season, which may include the testing of multiple zones, as well as may look to acquire additional exploration and or production assets during 2023 and 2024 that will require additional funding and investment. Further, the Company may look to advance exploration work-programs at Project Phoenix upon a successful flow test of the Hickory-1 well, including a possible re-entry and testing of Icewine-1.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate,

the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at 28 March 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)	Dilution	\$0.005	\$0.010	\$0.02
		50% decrease in Issue Price	Issue Price	100 % increase in Issue Price
20,107,868,225 (Current)	Issue Price	2,010,786,823 Shares	2,010,786,823 Shares	2,010,786,823 Shares
	Funds Raised	\$10,053,934	\$20,107,868	\$40,215,736
30,161,802,338 (50% increase)*	Shares issued	3,016,180,233 Shares	3,016,180,233 Shares	3,016,180,233 Shares
	Funds raised	\$15,080,901	\$30,161,802	\$60,323,604
40,215,736,450 (100% increase)*	Shares issued	4,021,573,645 Shares	4,021,573,645 Shares	4,021,573,645 Shares
	Funds raised	\$20,107,868	\$40,215,736	\$80,431,472

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue conversion of options or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 20,107,868,225 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on March 2023.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate .
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 and that Resolutions 4 and 5 are passed to ratify the issue of the Shares the subject of those Resolutions and refresh the Company's placement capacity.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised and no Performance Rights vest into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

For personal use only

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous Approval under ASX Listing Rule 7.1A**

No securities were issued under ASX Listing Rule 7.1A in the last 12 months as the Company was not able to obtain approval from its Shareholders at its annual general meeting held on 16 May 2022.

No securities were issued under an exception of ASX Listing Rule 7.2.

4.3 Voting Exclusion

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTION 4 – RATIFICATION OF ISSUE OF PLACEMENT SHARES ISSUED UNDER LISTING RULE 7.1

5.1 Background to the Placement

5.1.1 Overview

As announced on 6 February 2023, the Company completed a placement of 1,842,105,263 Shares (**Placement Shares**) to institutional and sophisticated investors (**Placement Participants**) at an issue price of \$0.0095 per Share to raise approximately \$17.5 million (before costs) (**Placement**). The Company issued the Placement Shares on 14 February 2023 pursuant to the Company's placement capacity under Listing Rule 7.1.

The purpose of the Placement was to raise funds to apply towards:

- (a) the planned Hickory-1 well at Project Phoenix;
- (b) payment for the new Project Leonis acreage;
- (c) finance potential portfolio expansion opportunities and new ventures (should any be identified and pursued); and
- (d) ongoing working capital requirements and general and administrative overheads for at least 12 months,

(together, the **Placement Funding Purposes**).

5.1.2 Corporate Advisor

The Company engaged Euroz Hartleys Limited (ACN 104 195 057) (AFSL 230052) (**Euroz Hartleys**) for a period of 12 months concluding on 9 August 2023 (which period will be automatically extended by an additional 12 months if a capital raising occurs within two (2) months prior to the expiry of the Term) (**Term**) to assist with the provision of corporate advice and capital raising services for a period (**Engagement**). The Company agreed to pay Euroz Hartleys the following fees in relation to the Engagement:

- (a) an advisory fee of \$5,000 per month during the Term;
- (b) in respect of any capital raising conducted during the Term where Euroz Hartleys acts as lead manager (including the Placement):
 - (i) a capital raising fee of 6% (plus GST) of the gross amount subscribed through Euroz Hartley's bookbuild (including the Placement); and
 - (ii) on the completion of the first capital raising under the Term, an issue of 30,000,000 unlisted Options exercisable at \$0.02 each on or before three years from the date of issue (which Options were issued on 17 November 2022); and
- (c) in respect of any material merger and acquisition transaction conducted during the Term, a success fee amounting to 2.5% of the gross value of the transaction.

The Company also agreed to offer Euroz Hartleys the first right to act as lead manager or joint lead manager in respect of any capital raising undertaken within

six (6) months of the expiration of the term, on the terms and conditions set out in the lead manager mandate.

5.1.3 Managers

In accordance with the corporate advisory mandate summarised in Section 5.1.2 above, the Company engaged Euroz Hartleys to act as sole lead manager and sole bookrunner to the Placement. The Company also engaged Cenkos Securities Plc (**Cenkos**) to act as nominated adviser and sole broker to the Placement in the United Kingdom, and Inyati Capital Pty Ltd (ABN 83 642 351 193) (**Inyati**) to act as co-manager to the Placement.

In consideration for the Placement, the Company agreed to pay a capital raising fee of 6% (plus GST) of the total funds raised under the Placement by Euroz Hartleys, Cenkos and Inyati (together, the **Managers**) and issue an aggregate of 75,000,000 unlisted Options (exercisable at \$0.02 on or before the date which is three years from the date of issue, being 14 February 2026) (**Broker Options**) to the Managers (or their nominees).

For further details in respect of the Placement, refer to the Company's announcement released on the ASX platform on 6 February 2023.

5.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 3 being passed at this Meeting.

The issue of the Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rules 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

5.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

5.4 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of those Placement Shares.

If Resolution 4 is not passed, the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of those Placement Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 3 being passed at this Meeting.

5.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Placement Shares were issued to institutional and sophisticated investors identified by the Managers through a bookbuild process, which involved the Managers seeking expressions of interest to participate in the Placement;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 1,842,105,263 Placement Shares were issued pursuant to Listing Rule 7.1;
- (d) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the Placement Shares were issued on 14 February 2023;
- (f) the issue price was \$0.0095 per Placement Share. The Company will not receive any other consideration for the issue of the Placement Shares;
- (g) the purpose of the issue of the Placement Shares was to raise approximately \$17,500,000 (before costs), which the Company intends to apply towards the Placement Funding Purposes as set out in Section 5.1.1 above;
- (h) the Placement Shares were not issued under an agreement;

- (i) the Placement Shares were not issued under, or to fund, a reverse takeover; and
- (j) a voting exclusion statement is included in Resolution 4 of the Notice.

6. RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF UNLISTED OPTIONS TO EUROZ HARTLEYS LIMITED, CENKOS SECURITIES PLC AND INYATI CAPITAL PTY LTD

6.1 General

As summarised in Sections 5.1.2 and 5.1.3 above, the Company agreed to issue a total of 75,000,000 Broker Options to the Managers (or their nominee/s) in consideration for capital raising services provided, comprising:

- (a) 25,000,000 Broker Options to Euroz Hartleys (or its nominee/s);
- (b) 25,000,000 Broker Options to Cenkos (or its nominee/s); and
- (c) 25,000,000 Broker Options to Inyati (or its nominee/s).

The Broker Options were issued to the Managers (or their nominees) on 14 February 2023.

Further details of the agreements entered into with the Managers, including the cash fees agreed to be paid in respect of the Placement are set out in Sections 5.1.2 and 5.1.3 above.

6.2 Listing Rules 7.1 and 7.4

As summarised in Section 5.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 3 being passed at this Meeting.

The issue of the Broker Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rules 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Broker Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking

Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Broker Options.

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Broker Options.

6.3 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Broker Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of those Broker Options.

If Resolution 5 is not passed, the Broker Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of those Placement Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 3 being passed at this Meeting.

6.4 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 5:

- (a) the Broker Options were issued to the Managers (or their nominees), none of which are related parties of the Company;
- (b) the number of Broker Options issued was 75,000,000. The terms and conditions of the Broker Options are set out in Schedule 1;
- (c) the Broker Options were issued on 14 February 2023;
- (d) the Broker Options were issued for nil cash consideration, as they were issued in consideration for lead manager services provided by the Managers. The Company has not and will not receive any other consideration for the issue of the Broker Options (other than in respect of funds received on exercise of the Broker Options);
- (e) the purpose of the issue of the Broker Options was to satisfy the Company's obligations under its agreements with the Managers, a summary of which is included at Sections 5.1.2 and 5.1.3;
- (f) the Broker Options were issued under agreements with the Managers;
- (g) the Broker Options were not issued under, or to fund, a reverse takeover; and
- (h) a voting exclusion statement is included in Resolution 5 of the Notice.

7. RESOLUTION 6 - CONDITIONAL SPILL RESOLUTION

If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw Resolution 6.

7.1 General

The Corporations Act requirements for this Resolution to be put to a vote are set out in Section 2.2.

The effect of this Resolution being passed is the Company will be required to hold another meeting of Shareholders within 90 days of the date of this Meeting (**Spill Meeting**) and the Vacating Directors will cease to hold office immediately before the end of the Spill Meeting. The business of the Spill Meeting will be to put to vote resolutions to appoint persons to offices vacated by the Vacating Directors.

If a Spill Meeting is required a separate notice of meeting will be distributed to Shareholders with details about those persons that will seek election as directors of the Company at the Spill Meeting.

If a Spill Meeting is held, the following directors will automatically vacate office immediately before the conclusion of the Spill Meeting, unless they are willing to stand for re-election and are re-elected at that meeting:

- (a) Phil Byrne;
- (b) Joanne Kendrick; and
- (c) Stephen Staley,

(the **Vacating Directors**)

Even if Ms Joanne Kendrick is re-elected at this Meeting, she will still need to be re-elected at the Spill Meeting to remain in office following the Spill Meeting.

The Board recommends that shareholders vote AGAINST this Resolution 6 if it is put to the meeting. and provides the following background information in relation to the Company's updated executive short term incentive scheme (**STI Scheme**) and long term incentive scheme (**LTI Scheme**):

- (a) Following feedback at the Company's annual general meeting held on 16 May 2022, the Company engaged an independent consultant to assist the Board with their development of a remuneration framework for their executive management which includes the Managing Director, Chief Operating Officer, Chief Financial Officer, and Exploration Manager. The remuneration framework proposed by the independent consultant consisted of two components:
 - (i) a short-term and deferred incentive plan which incentivises executives for achieving the annual plan; and
 - (ii) a long-term incentive plan which rewards executives for achieving shareholder related returns (over a 3-year term).

The Company has adopted the recommendations of the independent consultant for the STI Scheme and LTI Scheme, with the exception of adding an additional hurdle for the STI measure related to share price performance as well and an option to elect to be paid in cash or shares.

- (b) The Board resolved to utilise its existing PRP to implement the STI Scheme and LTI Scheme.
- (c) The purpose of the proposed Company remuneration framework is to provide the relevant executives with a remuneration offering comprising a competitive fixed and variable “at risk” component. The variable remuneration component is designed to motivate and incentivise the executive for value accretive performance and is aligned with company objectives and increased shareholder value.
- (d) The premise of the remuneration framework is that the relevant executives will not be unjustly enriched at the expense of the Company but rather, will share in the value they have created over a designated short to long-term period. In consideration of this objective, the framework has been geared to:
- (i) allow participants to earn a meaningful reward when the Company has achieved its stated objectives;
 - (ii) enforce an ownership mentality coupled with a retentive benefit, aligning executive interests with that of shareholders;
 - (iii) reflect the consequences for long term shareholders by ensuring that any erosion or upside in company value is also borne (in part) by the executives;
- (e) The STI Scheme will be realised in cash and or Performance Rights. An immediate cash component will be paid on award, which is representative of achievement against an annual company key performance indicator scorecard. The cash component represents one-third of the STI incentive scheme and a further STI incentive award, in cash or Performance Rights, of the remaining two-thirds of the total annual STI incentive scheme will be deferred. The deferral effectively means that the relevant executive's incentive has been ‘invested’ in the business and is then subject to the longer-term performance of the Company. The deferred STI entitlements are awarded on achievement of the annual scorecard that was used to assess the cash component of the STI scheme, however payment of the deferred component in cash or vesting of the STI Performance Rights are deferred, with 50% deferred for one (1) year and 50% deferred for two (2) years, which represents alignment to a retention period but also only paid or vested if the 30-day VWAP of the Company's share price is equal or greater than the share price at award date. The Board will have absolute discretion to determine the final individual award and short-term incentive mix based on an assessment of each executive's annual performance. The Board will set and assess each executive's annual performance through a balanced KPI scorecard which includes a range of key measures that directly affect shareholder value. Each scorecard measure is weighted according to its importance and is assessed quantitatively and qualitatively. The Company expects that the relevant performance measures for executive performance (including the performance milestones as well as the scorecards and annual plans) will be determined prior to the commencement of the relevant financial year. Refer to Schedule 3 of the notice of meeting dated 10 October 2022 for a summary of the terms and conditions of the STI Performance Right.
- (f) The LTI Scheme will reward executives for achieving shareholder related returns over a 3-year period. The LTI Scheme was considered and

approved by Shareholders at the general meeting held on 11 November 2022.

7.2 Proxy voting restrictions
