2023 Annual General Meeting – Notice of Meeting

The 2023 Annual General Meeting ('AGM') of 29Metals Limited ('29Metals' or, the 'Company') will be held at The Hotel Windsor, 111 Spring Street, Melbourne, VIC 3000, and virtually at <https://meetings.linkgroup.com/29MAGM23> on **Thursday, 1 June 2023**, commencing at **10.30am** (Melbourne time).

29Metals shareholders ('Shareholders') wishing to participate are encouraged to visit the AGM page on our website at <https://www.29metals.com/investors/agm> for information on how to participate, including how to attend, vote and ask questions.

28 April 2023

Dear Shareholder,

On behalf of the Board of Directors of 29Metals Limited ('29Metals' or, the 'Company'), I am pleased to invite you to the 2023 Annual General Meeting ('AGM'), our second AGM as an ASX-listed company.

My fellow Directors and I look forward to engaging with Shareholders either in person or online at the AGM and I encourage you to attend. 2022 was a significant year for 29Metals as the Company completed its first full year as an ASX-listed entity, one which proved to be a tough year for the industry as a whole. Nonetheless, against the challenging backdrop 29Metals reported increased revenue as compared to prior year, improved safety performance, increased 29Metals Group mineral resources and ore reserves (after production depletion) and good progress in advancing the Company's pipeline of organic growth opportunities.

As Shareholders are no doubt aware, since reporting our 2022 full year financial results, the Company's operations at the Capricorn Copper minesite have been impacted by extreme rainfall with the Mount Isa Shire (including Capricorn Copper) being declared a natural disaster zone. As a result, 2023 guidance for Capricorn Copper was withdrawn in March 2023 as we work through the recovery plan. Operations remain suspended at Capricorn Copper as Management focus on the health, safety and wellbeing of our people, recovery planning and reduction of the increased water levels stored on site and dewatering Esperanza South.

As a Company and as a Board, we remain focussed on the future. Market fundamentals for copper and other metals critical to the energy transition remain very positive and 29Metals remains committed to our vision to become a leading ASX-listed copper producer, developer and explorer offering investors exposure to the attractive market dynamics for copper and the other metals critical to the global energy transition.

Earlier this month, we announced the appointment of two additional Directors – Tamara Brown and Creagh O'Connor. Tamara's appointment delivers on the intention foreshadowed in the prospectus in 2021 to appoint an additional independent Director to provide additional capacity. Our largest shareholder, the EMR Capital Investors, also nominated their second nominee for appointment as a Director.¹ Creagh brings additional mining, financial and commercial experience. Tamara and Creagh will also bring a fresh perspective to the Board, and both present themselves for election at the AGM.

I look forward to providing shareholders with my address at the AGM, and Peter Albert, 29Metals' Managing Director & CEO will provide an update on business performance, including the recovery activities at Capricorn Copper.

On behalf of the Board and Management team we welcome comments and questions Shareholders may have.

EXPLANATORY NOTES

These Explanatory Notes have been prepared in relation to the items of business to be conducted at the AGM.

The purpose of these Explanatory Notes is to provide Shareholders with the information that is reasonably required by Shareholders to decide how to vote upon the resolutions being put forward at the AGM.

Resolutions 1, 2, 3, 4, and 5 are ordinary resolutions which require a simple majority of votes cast by Shareholders entitled to vote on the Resolution.

Financial Statements and Reports

The Corporations Act requires:

- the reports of the Directors and Auditor; and
- the Annual Financial Report, including the Financial Statements of the Company for the year ended 31 December 2022, to be laid before the Annual General Meeting. Neither the Corporations Act nor the Company's Constitution requires a vote of Shareholders on the reports or statements. However, Shareholders as a whole will be given an opportunity to raise questions or comments on the management of the Company.

Shareholders as a whole will also have a reasonable opportunity to ask the Company's auditor, Ernst & Young, questions regarding the conduct of the audit, the preparation and content of the Independent Auditor's Report, the accounting policies adopted by the Company in the Financial Report and the independence of the auditor.

Shareholders can access a copy of the Company's 2022 Annual Report on the Company's website at <https://www.29metals.com/investors>.

Resolution 1

The 2022 Remuneration Report on pages 106-130 of the Company's 2022 Annual Report sets out the remuneration policies of the Company and reports on the remuneration arrangements in place for the Company's KMP during the year ended 31 December 2022. Shareholders as a whole will have a reasonable opportunity at the AGM to ask questions about, or make comments on, the Company's Remuneration Report.

The vote on the resolution is advisory only and does not bind the Directors or 29Metals. However, the Board will take into account the outcome of the vote when considering future remuneration arrangements.

Recommendation

The Directors abstain from making a recommendation on this Resolution in the interests of good corporate governance.

Voting exclusion statement

Voting restrictions apply in relation to this Resolution and are described on page 7.

Resolution 2

Issue of 2022 STI Performance Rights to Peter Albert

Resolution 2 seeks Shareholder approval for the issue of securities to Peter Albert, 29Metals' Managing Director & CEO, being a person that falls within Listing Rule 10.14.1, under the Company's short term incentive ('STI') plan for 2022.

Overview of the 2022 Short Term Incentive Award

Subject to Shareholder approval, 29Metals proposes to issue 145,304 unquoted performance rights under the 2022 STI plan to Peter for nil consideration subject to the 29Metals Equity Incentive Plan Rules ('Plan Rules') (the '2022 STI Award'). Each performance right entitles Peter to one fully paid ordinary share in the Company if the vesting conditions are met.

If approved, this would be the first award of performance rights under 29Metals' 2022 STI plan to Peter following a change to the Company's remuneration framework such that 2022 STI outcomes would be delivered to executive KMPs (including the Managing Director & CEO) as a combination of cash and equity (in 2021, STI outcomes for executive KMPs were delivered wholly in cash). For the Managing Director & CEO, the equity component of the 2022 STI Award represents 40% of the nominal cash value of the 2022 STI award outcome, as determined by the Board.

The 2022 STI award outcome is determined by the Board's assessment of performance against specific performance metrics (or 'KPIs') set at the beginning of the relevant STI period. Details of the 2022 STI Award KPIs and performance against the KPIs are described in section 4.3 of 29Metals' 2022 Remuneration Report.

The number of performance rights proposed to be awarded to Peter for the 2022 STI Award has been calculated by dividing the nominal cash value of the equity component of Peter's 2022 STI award outcome (being \$315,180) by the VWAP determined by the Board for the purposes of awards under the 2022 STI (rounded down to the nearest whole performance right). The VWAP determined by the Board for the purposes of awards under the 2022 STI was the VWAP for the month of December 2022, being \$2.1691.

The performance period, vesting date and performance conditions for the 2022 STI Award are summarised in the table below.

Vesting Date	31 December 2023
Vesting Period	Period commencing 1 January 2023 and ending 31 December 2023
Vesting conditions and weighting	<p>The vesting of the performance rights to be awarded under the 2022 STI Award is conditional upon Peter remaining in continuous employment by a 29Metals group company until the end of the Vesting Period, unless the Board determines otherwise (eg, "good leaver").</p> <p>Any performance rights that remain unvested at the end of the Vesting Period following assessment of the vesting conditions will lapse immediately and will not be re-tested.</p>
Board discretion	The vesting condition attaching to the performance rights awarded to Peter under the 2022 STI Award may be amended, reduced or waived in whole or in part at any time by the Board.

Additional information for Resolution 2

The Company is required under ASX Listing Rules to provide additional information relating to the proposed issue of securities under the 29Metals Equity Incentive Plan to Peter Albert. This additional information is provided in Annexure A.

Recommendation

The Directors (with Peter abstaining) unanimously recommend that Shareholders vote in favour of this Resolution.

Voting exclusion statement

Voting restrictions apply in relation to this Resolution and are described on page 7.

Resolution 3

Issue of 2023 LTI Performance Rights to Peter Albert

Resolution 3 seeks Shareholder approval for the issue of securities to Peter Albert, 29Metals' Managing Director & CEO, being a person that falls within Listing Rule 10.14.1, under the Company's long incentive ('LTI') plan for 2023.

Overview of 2023 Long Term Incentive Award

Subject to Shareholder approval, 29Metals proposes to issue 427,366 unquoted performance rights under the 2023 LTI plan to Peter Albert for nil consideration subject to the Plan Rules (the '**2023 LTI Award**'). Each performance right entitles Peter to one fully paid ordinary share in the Company.

The number of performance rights proposed to be awarded to Peter for the 2023 LTI Award has been calculated by dividing the nominal cash value of Peter's 2023 LTI opportunity (being equal to 100% of Peter's total fixed remuneration at 1 January 2023) by the VWAP determined by the Board for the purposes of all awards under the 2023 LTI (rounded down to the nearest whole performance right). The VWAP determined by the Board for the purposes of awards under the 2023 LTI was the VWAP for the month of December 2022, being \$2.1691.

The performance period, vesting date and performance conditions for the 2023 LTI Award are summarised in the table below.

Vesting Date	31 December 2025										
Performance Period	Period commencing 1 January 2023 and ending 31 December 2025										
Performance conditions and weighting	<p>The vesting of the performance rights to be awarded under the 2023 LTI Award is dependent on the satisfaction of various performance conditions.</p> <p>Condition 1: Continuity of Service</p> <p>The 2023 LTI Award is conditional upon Peter remaining in continuous employment by a 29Metals group company until the end of the Performance Period, unless the Board determines otherwise (eg, "good leaver").</p> <p>Other Performance Conditions and weighting</p> <p>Of the total number of Performance Rights awarded:</p> <ul style="list-style-type: none">80% will be subject to the satisfaction of a Performance Condition relating to the Company's relative Total Shareholder Return ('Relative TSR') performance compared to a selected peer group assessed over the Performance Period (Condition 2: Relative TSR Component); and20% will be subject to the satisfaction of a Performance Condition relating to the Company's cumulative absolute Total Shareholder Return ('Absolute TSR') assessed over the Performance Period (Condition 3: Absolute TSR Component). <p>Further information regarding Performance Conditions 2 and 3 is set out below.</p> <p>Condition 2: Relative TSR Component (80% weighting)</p> <p>The Relative TSR hurdle is tested by measuring the Company's TSR performance against the TSR performance of a "basket" of peer group of companies (selected by the Board). The peer group for the 2023 LTI Award will consist of the following companies:</p> <p>ERO Copper Corp. (TSX: ERO), Taseko Mines Limited (TSX: TKO), Atalaya Mining Plc (TSX: AYM), Sandfire Resources Limited (ASX: SFR), Aeris Resources Limited (ASX: AIS), Capstone Mining Corp (TSX: CS), Hudbay Minerals Inc (TSX: HBM) and Copper Mountain Mining Corporation (TSX: CMMC).</p> <p>The percentage of Performance Rights subject to the Relative TSR hurdle that vest, if any, will be determined by the Board with reference to the percentile ranking achieved by the Company over the Performance Period, compared with the peer group companies, as follows:</p> <table><tr><th>29Metals' TSR relative to peer group</th><th>% of Performance Rights that vest subject to relative TSR hurdle</th></tr><tr><td>Below the 50th percentile</td><td>Nil</td></tr><tr><td>At the 50th percentile</td><td>50%</td></tr><tr><td>Between the 50th percentile and the 75th percentile</td><td>Straight line pro rata vesting between 50% and 100%</td></tr><tr><td>At or above the 75th percentile</td><td>100%</td></tr></table>	29Metals' TSR relative to peer group	% of Performance Rights that vest subject to relative TSR hurdle	Below the 50 th percentile	Nil	At the 50 th percentile	50%	Between the 50 th percentile and the 75 th percentile	Straight line pro rata vesting between 50% and 100%	At or above the 75 th percentile	100%
29Metals' TSR relative to peer group	% of Performance Rights that vest subject to relative TSR hurdle										
Below the 50 th percentile	Nil										
At the 50 th percentile	50%										
Between the 50 th percentile and the 75 th percentile	Straight line pro rata vesting between 50% and 100%										
At or above the 75 th percentile	100%										

The Board retains discretion to adjust the peer group applicable to the 2023 LTI Award if it determines it is appropriate to do so (for example, to take into account companies delisting, merging and new peer group companies listing during the Performance Period).

What is Total Shareholder Return (TSR) and the difference between 'Absolute' and 'Relative'

Broadly, TSR calculates the return Shareholders would earn if they held a notional number of Shares over a period of time and measures the change in the Company's Share price together with the value of dividends during the period, assuming that all those dividends are re-invested into new Shares.

Relative TSR takes into account the TSR performance as compared to a peer group of companies as distinct from Absolute TSR, which does not.

Condition 3: Absolute TSR Component (20% weighting)

The percentage of Performance Rights subject to the Absolute TSR hurdle that vest, if any, will be determined by the Board with reference to cumulative Absolute TSR performance achieved by the Company over the Performance Period, as follows:

29Metals' Absolute TSR	% of Performance Rights that vest subject to Absolute TSR hurdle
Below 10%	Nil
At 10%	40%
Between 10% and 20%	Straight line pro rata vesting between 40% and 100%
Above 20%	100%

Board discretion

The performance conditions attaching to the performance rights awarded to Peter under the 2023 LTI Award may be amended, reduced or waived in whole or in part at any time by the Board.

Creagh O'Connor was appointed by the Board as a Non-executive Director to fill a casual vacancy on 17 April 2023 and is a nominee director of EMR Capital Advisers Pty Ltd ('EMR'). As Creagh is an EMR Nominee director, the Board does not consider him to be independent.

29Metals is party to a Relationship Deed that governs the relationship between 29Metals and the EMR Capital Investors. Details of the key terms of the Relationship Deed are provided in section 10.6.9 of the Company's Prospectus dated 21 June 2021 ('Prospectus'), a copy of which is available on the ASX Market Announcements platform.

Under the terms of the Relationship Deed, EMR, on behalf of the EMR Capital Investors (as defined in the Prospectus), may nominate two (2) directors to the Board for so long as the EMR Capital Investors hold a relevant interest of total issued shares of more than 20%. As at the date of this Notice of Meeting, EMR Capital Investors hold approximately 44.85% of the issued capital in 29Metals.

Mr Owen Hegarty, 29Metals' Chair of the Board of Directors is the initial EMR nominee director. EMR's intention to nominate a second nominee director was set out in the Prospectus (refer section 7.6.2.2).

Pursuant to Article 10.3(b)(ii) of the Company's Constitution Creagh will retire from office and, being eligible, will stand for election as a Director of the Company.

Creagh has more than 30 years' experience as an executive and adviser in the mining industry and investment banking.

Creagh is a current director and co-founder of GP Securities, a private investment group based in Adelaide. Through GP Securities, Creagh is a founding shareholder of EMR Capital, a specialist resources private equity manager, where Creagh is also currently a non-executive director and senior advisor.

Prior to co-founding GP Securities, Creagh held various executive and senior roles in investment banking and corporate advisory, including as Global Head of the Metals & Mining advisory group of Standard Chartered Bank following its acquisition of Gryphon Partners Pty Ltd in 2011, a boutique corporate advisory firm co-founded by Creagh in 2003.

Earlier executive and senior management roles included roles as head of corporate business development at formerly ASX-listed Normandy Mining Group (1993-2001) (ASX: NDY) and Executive Director of Australian Magnesium Corporation Limited (1996-2001) (1996-2001) (ASX: ANM) and Managing Director of Queensland Metals Corporation Limited (1997-2000) (formerly ASX: QMC).

Creagh was previously a non-executive director of formerly ASX-listed Bondi Mining Limited (ASX: BOM) and Chesser Resources Limited (ASX: CHZ), Solstice Media Limited and the Queensland Mining Council.

Creagh is a member of 29Metals' Remuneration & Nominations Committee.

Background checks were conducted prior to Creagh's appointment as a Director with no adverse findings.

For the reasons set out above, the Board supports Creagh's election for the skills and experience that Creagh brings to the Board.

Recommendation

The Directors (with Creagh abstaining) unanimously recommend that Shareholders vote in favour of the Resolution.

The Company provides the following additional information relating to the proposed issues of securities under the 29Metals Equity Incentive Plan to Peter Albert.

(a) **Number and class of securities:**

- 145,304 unquoted performance rights are proposed to be issued to Peter under the 2022 STI Award.
- 427,366 unquoted performance rights are proposed to be issued to Peter under the 2023 LTI Award.

(b) **Remuneration details:** Peter's current total remuneration package for 2023 comprises:

- Total fixed remuneration ('TFR') of \$927,000;
- Variable remuneration comprising:
 - an award under the 2023 short term incentive (bonus) determined by the Board after assessing 2023 performance against the performance metrics set by the Board. The 2023 short term incentive opportunity for 'at target performance' (determined by the Board) is \$927,000 (being, 100% of TFR). Sixty percent (60%) of the 2023 STI outcomes are planned to be delivered in cash, with the remaining 40% of the STI outcome planned to be delivered in the form of performance rights (subject to Shareholder approval at the 2024 AGM)²; and
 - an award under the 2023 long term incentive of 427,366 unquoted performance rights (subject to Shareholder approval of Resolution 3 at the AGM).

Information regarding Peter's 2022 remuneration is set out in 29Metals' 2022 Remuneration Report, a copy of which is contained within the 2022 Annual Report which is available on 29Metals website at <https://www.29metals.com/investors>.

(d) **Additional information regarding the performance rights:**

The performance rights are not quoted on the ASX and carry no voting or dividend rights. Shares issued on vesting of the performance rights will rank equally with fully paid ordinary shares on issue. Performance rights are considered by the Board to be an appropriate equity security to issue under the Plan Rules as the performance rights assist with ensuring retention of the Managing Director & CEO who is needed to deliver strategic outcomes for the Company, in the interests of Shareholders.

The nominal cash value of the 2022 STI Award and 2023 LTI Award is \$315,180 and \$927,000, respectively (calculated by multiplying the applicable VWAP for the awards by the number of performance rights proposed to be awarded).

- (i) **Information regarding issue of securities:** Details of any securities issued under the 29Metals Equity Incentive Plan will be published in the 29Metals annual report relating to the period in which they were issued, along with a statement that Shareholder approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in 29Metals' Equity Incentive Plan after Resolutions 2 and 3 are approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

(j) **What happens if Resolutions 2 and 3 are approved:**

- **Resolution 3:** 29Metals will proceed with the 2023 LTI Award and 427,366 unquoted performance rights will be issued to Peter on the terms and conditions described above.

² For the avoidance of doubt, Resolution 2 contained in this Notice of Meeting is seeking approval for the award of performance rights to Peter Albert in respect of the STI outcome for 2022.

(k) **What happens if Resolutions 2 and 3 are not approved:**

- **Resolution 2:** 29Metals will not proceed with the 2022 STI Award and the Board will consider alternative remuneration arrangements to reward, incentivise and retain Peter, which may include making an award to Peter in the form of cash (restricted or otherwise) to a value up to the cash value of the 2022 STI Award.

To submit a full vote on a resolution ensure you are in the 'Full Vote' tab. Place your vote by clicking on the 'For', 'Against', or 'Abstain' voting buttons.

Partial Votes

To submit a partial vote on a resolution ensure you are in the 'Partial Vote' tab. You can enter the number of votes (for any or all) resolution/s. The total amount of votes that you are entitled to vote for will be listed under each resolution. When you enter the number of votes it will automatically tally how many votes you have left.

Note: You can close your voting card without submitting your vote at any time while voting remains open. Any votes you have already made will be saved for the next time you open up the voting card. The voting card will appear on the bottom left corner of the webpage. The message 'Not yet submitted' will appear at the bottom of the page.

You can edit your voting card at any point while voting is open by clicking on 'Edit Card'. This will reopen the voting card with any previous votes made.

At the conclusion of the Meeting a red bar with a countdown timer will appear at the top of the Webcast and Slide windows advising the remaining voting time. Please make any changes and submit your voting cards.

Once voting has been closed, all submitted voting cards cannot be changed.
