OPERATING AND FINANCIAL REVIEW

Operating Results

The Company's operating loss after providing for income tax for the half-year ended 31 December 2022 was \$510,615 (30 June 2022: loss \$266,413). The loss in the current period was principally related to due diligence and administration expenditure.

REVIEW OF OPERATIONS

The Company's primary focus for the six months was the conclusion of due diligence and all other matters to finalise the acquisition of the Chilwa Heavy Mineral Sands Project conducted at the Exploration Licences EL0670/22 and EL0671/22 and to seek quotation on the main board of the ASX.

The Company is only in its early stage of development however it expects to complete all the necessary tasks to be admitted to the main board of the ASX in the first quarter of 2023. As part of this process the Company will issue a Prospectus and raise capital sufficient to meet its goals at the Project in the 2022/2023 Financial Year.

Significant changes in the state of affairs

The Company was incorporated on 1 February 2022 to invest in the Chilwa Heavy Mineral Sands Project (Project) in Chilwa Malawi and there has not been any significant changes in the state of affairs since that time.

Likely developments and expected results of operations

The Company intends to continue its exploration activities on the existing Project.

Environment

There were no environmental breaches or incidents recorded during the reporting period.

FUTURE DEVELOPMENTS, PROSPECTS AND BUSINESS STRATEGIES

The Company intends to continue its exploration activities on the existing Project.

MATTERS SUBSEQUENT TO THE END OF THE PERIOD

Subsequent to the end of the reporting period, the Company undertook the following:

The impact of the Coronavirus (COVID-19) pandemic is ongoing for the entity up to 31 December 2022, it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation continues to develop and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

Notes to the Financial Statements

FOR THE HALF YEAR ENDED 31 DECEMBER 2022

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Statement of compliance

The half year financial report is a general-purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 Interim Financial Reporting.

The half year report covers the financial statements of the entity Chilwa Minerals Limited (the Company). The half year report does not include notes of the type normally included in an annual financial report and should be read in conjunction with the most recent annual financial report for the year ended 30 June 2022 of the Company and any public announcements made during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The interim financial statements were authorised for issue on 3 March 2022 by the directors of the Company.

Basis of preparation

The Company is a company of the kind referred to in ASIC Corporations Instrument 2016/191, and in accordance with that Instrument amounts in the directors' report and the half year financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

Accounting policies

The same accounting policies and methods of computation adopted in the preparation of the half year financial report are consistent with those adopted and disclosed in the Company's annual financial report for the year ended 30 June 2022, except for those described below.

New or amended Accounting Standards and Interpretations adopted

The Company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

It has determined by the Company that there are no new Accounting Standards or Interpretations that have a material or otherwise impact on its business.

Going Concern

The directors believe it is appropriate to prepare the financial statements on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and liabilities in the ordinary course of business.

The Company has incurred a loss of \$(510,615), had cash outflows from operating activities of \$437,942 (30 June 2022: \$167,202), concluded the year with cash and cash equivalents of \$204,479 (30 June 2022: \$652,799).

The Directors believe that the Company has sufficient cash and will be able to meet its requirements to continue as a going concern.

The Directors consider the going concern basis of preparation to be appropriate based on its forecast cash flows for the next twelve months and that the Company will be seeking to list on the main board of the ASX so as it is in a position to raise further capital to continue to meet its minimum administrative, evaluation and development expenditures and commitments for at least twelve months from the date of this report.

No other accounting policies are required for the half-year financial report.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF CHILWA MINERALS LIMITED

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Chilwa Minerals Limited (the company) which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration of the entity comprising the company and the entities it controlled at 31 December 2022, or during the half year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Chilwa Minerals Limited is not in accordance with the Corporations Act 2001 including:

- (a) giving a true and fair view of the entity's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report.

Material Uncertainty Related to Going Concern

Without qualifying our conclusion, we draw attention to Note 1 in the financial report which indicates that the entity incurred a net loss of \$510,615 during the half year ended 31 December 2022. These conditions, indicate the existence of a material uncertainty which may cast significant doubt about the entity's ability to continue as a going concern and therefore, the entity may be unable to realise its assets and discharge its liabilities in the normal course of business.

Independence

We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the Corporations Act 2001 and for such internal controls as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the entity's financial position as at 31 December 2022 and its performance for the half year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporation Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
