ASX ANNOUNCEMENT

27 July 2023

## Successful Completion of Bookbuild for A\$40 million Placement

### HIGHLIGHTS

- Successful completion of the bookbuild for an underwritten two-tranche Placement to raise A\$40 million (before costs).
- Strong support received from a range of existing and new institutional investors during the bookbuild process.
- 'Share Purchase Plan' to allow eligible shareholders to participate in the Equity Raising on the same terms as the Placement to be launched in early August.
- Proceeds from the Equity Raising will strengthen the Company's balance sheet, removing the short-term working capital pressure caused by a one-off weather event and the delay of revenue resulting from the filter press head plate failure (since replaced and fully operational), and provide a platform for growth.
- Panoramic shares expected to recommence trading today.

Panoramic Resources Limited (ASX: PAN) ("**Panoramic**" or the "**Company**") is pleased to announce the successful completion of the bookbuild for a fully underwritten two-tranche placement of new fully-paid ordinary shares ("**New Shares**") to raise A\$40 million (before costs) at a fixed offer price of \$0.05 per New Share ("**Placement**").

The Placement received strong support from both new and existing shareholders based domestically and offshore, with a number of new high-quality institutional investors joining the Panoramic share register; several Panoramic Directors have also committed to participate in Tranche 2 of the Placement (see below).

Proceeds from the Placement will be used to strengthen the Company's balance sheet, removing the short-term working capital pressure caused by the delay of revenue resulting from the filter press head plate failure and disruptions caused by a one-off, severe weather event. The broken filter press head plate was replaced and has been fully operational since 9 July 2023.

Panoramic Managing Director and CEO, Victor Rajasooriar, commented:

*“The new funding relieves the short-term pressure that was placed on our balance sheet and we’re determined to repay the faith of shareholders by delivering to plan for the next 12 months and beyond. While we’re disappointed to have needed additional equity funding at this time, we’re also encouraged by the support of existing and new investors. We’re also pleased that all of our eligible current shareholders can participate through the Share Purchase Plan.”*

## Capital Raising Details

The Placement comprises the issue of approximately 800.0 million New Shares at a fixed offer price of A\$0.05 (“**Offer Price**”) to raise total proceeds of A\$40 million (before costs). The Placement is fully underwritten and will take place in two tranches:

- Tranche 1 to raise approximately A\$15.4 million via the issue of approximately 307.6 million New Shares utilising the Company’s existing placement capacity under ASX Listing Rule 7.1 (“**Tranche 1**”); and
- Tranche 2 to raise approximately A\$24.6 million via the issue of approximately 492.4 million New Shares, subject to shareholder approvals to be sought at a General Meeting of the Company expected to be held in early September 2023 (“**EGM**”) (“**Tranche 2**”).

Details of the time and venue for the EGM will be provided in a notice of meeting, expected to be despatched to shareholders on or about 3 August 2023.

Panoramic is pleased to announce that the following Directors of the Company have subscribed for New Shares under Tranche 2 of the Placement (subject to shareholder approval under ASX Listing Rule 10.11, to be sought at the EGM): Independent Non-Executive Chairman Mr Nicholas Cernotta (or an associated entity) for a total of A\$50,000; Managing Director & CEO Mr Victor Rajasooriar (or an associated entity) for a total of A\$75,000; and Non-Executive Director Ms Gillian Swaby (or an associated entity) for a total of A\$25,000. The participating Directors will also be entitled to apply for Options under the Placement (see below).

As announced on 26 July 2023, Panoramic also intends to undertake a non-underwritten “share purchase plan” to eligible existing shareholders in Australia and New Zealand, not in the US or acting on behalf of a US person, offering up to a maximum of A\$30,000 per shareholder, targeting to raise an additional A\$5 million (before costs) with the ability to accept oversubscriptions (in excess of A\$8 million will require the Joint Lead Managers’ consent) or undertake a scale back of applications to the extent and in the manner it sees fit (“**SPP**”) (together the Placement and SPP are the “**Equity Raising**”).

The SPP is subject to shareholder approval to be sought at the EGM. The SPP is not underwritten and there is no guarantee the company will raise the targeted amount.

The SPP will enable eligible Panoramic shareholders as at the record date of 7:00pm (AEST) on Tuesday, 25 July 2023 with a registered address in Australia or New Zealand and not in the United States or acting for the account or benefit of a person in the United States or any other person outside Australia and New Zealand (“**Eligible Shareholders**”) to have the opportunity to apply for up to A\$30,000 worth of New Shares (subject to any scale back). The SPP will be conducted at the same price as the Placement, being the Offer Price of A\$0.05 per New Share.

Participation in the SPP by Eligible Shareholders is entirely optional. The Directors’ participation in the Placement is in addition to their intended participation in the SPP.

For personal use only

New Shares issued under the Placement and SPP will rank equally with existing fully paid ordinary shares currently on issue.

The terms and conditions of the SPP will be detailed in a prospectus to be dispatched to Eligible Shareholders and released to the ASX.

Panoramic will offer one (1) free option for every two (2) New Shares issued under the Placement and SPP ("**Options**"). Each Option will have an exercise price of A\$0.075 and an expiry date 2 years from the date of issue. The Options will be offered under a prospectus and will not be quoted.

Tranche 2 of the Placement, the SPP and the Options, will be issued subject to shareholder approvals, which are to be sought at the EGM.

The Joint Lead Managers to the Placement have consented to the Directors' participation in Tranche 2 of the Placement for the purpose of the Underwriting Agreement entered into on 26 July 2023 (subject to shareholder approval). While the whole of Tranche 2 is underwritten, if the approvals sought at the EGM for Tranche 2 of the Placement or the Placement Options are not obtained, the Underwriters may terminate the Underwriting Agreement and Tranche 2 of the Placement would not proceed – see the Underwriting Agreement summary released on 26 July 2023. This right does not extend to the Listing Rule 10.11 and SPP approvals. If any Listing Rule 10.11 approval or the SPP approval is not obtained, the relevant New Shares (and attaching Options) would not be issued and the Company would not raise the proceeds of the issue of those New Shares, however the Underwriters would not be entitled to terminate the Underwriting Agreement.

Canaccord Genuity (Australia) Limited and Morgans Corporate Limited are acting as Joint Lead Managers, Bookrunners and Underwriters to the Placement. Foster Stockbroking Pty Limited acted as Co-Manager to the Placement.

Gilbert + Tobin acted as legal adviser to the Company and Azure Capital acted as financial advisor to the Company.

### **Trafigura Arrangements**

Additionally, Panoramic has secured an extension of the maturity date for the US\$15 million Revolving Credit Facility ("**RCF**") with Trafigura Pte Ltd ("**Trafigura**") and granted an option to Trafigura to extend its concentrate offtake agreement by two years to February 2030 on the current terms, providing the Company with further financial flexibility as Savannah ramps up, subject to raising \$40 million by 15 September.

Further details on the Trafigura RCF and offtake amendments, including the 1% interest rate increase, potential sweep of excess cash and condition precedent, can be found in the ASX announcement "Revolving Credit Facility Term Extension and Offtake Option" and Equity Raising Presentation lodged with the ASX on 26 July 2023.

## About Panoramic:

Panoramic Resources Limited (ASX: PAN) is a company headquartered in Perth, Western Australia, which owns the Savannah Nickel Project in the East Kimberley. Operations at Savannah were restarted in 2021 and the project was successfully recommissioned with first concentrate shipment achieved in December 2021. Savannah has a minimum 12-year mine life with clear potential to further extend this through ongoing exploration. The asset provides excellent leverage to the nickel, copper and cobalt markets which are heavily linked to global decarbonisation and vehicle electrification.
