TPG to not seek a judicial review of the Australian Competition Tribunal determination on regional network sharing arrangement with Telstra

TPG Telecom Limited (ASX: TPG) advises that it will not seek judicial review of the Australian Competition Tribunal's determination which affirmed the ACCC's decision not to authorise the regional network sharing arrangement with Telstra.

TPG Telecom will continue to explore commercial options to expand its mobile network, which currently reaches 96% of Australia's population, and will advocate for sensible policy reform for improved connectivity in regional Australia.
