BRIEF EXPLANATION OF RESULTS AND COMMENTARY ON RESULTS AND OTHER SIGNIFICANT INFORMATION

Orion earned a maiden \$0.21 million in Tenement royalties income during the year.

Orion's overall \$0.866 million net loss for the financial year is principally attributable to:

- \$0.652 million recognised as a share of an Associate entity's net loss – this relates to Orion's investment in Bentley Capital Limited (ASX:BEL); Bentley generated a net loss of \$3.582 million for the financial year (attributable principally to a \$2.745 million unrealised loss on its investment in Strike); and
- \$0.5 million unrealised loss from its investment in Strike Resources Limited (ASX:SRK), which declined in price from 11 to 6 cents per share during the financial year.

Orion accounts for Bentley as an Associate entity, which means that Orion is required to recognise a share of Bentley's net gain or loss in respect of a financial year based on Orion's (26.95% as at 30 June 2023) shareholding interest in Bentley (this is known as the equity method of accounting for an associate entity).

Orion and Bentley's financial performance is primarily dependent on the share price performance of Strike (in which Orion has 10 million shares and Bentley has 56.7 million shares).

The SRK share price has traded within a range of 4.9 cents (on 18 April 2023) to 16.5 cents (on 19 October 2022) in the past 12 months, with a bid price of 6 cents (as at 30 June 2023) and a current price of 6.5 cents (as at 23 August 2023).

Further information about Bentley's operations financial position and performance for the financial year ended 30 June 2023 are outlined in Bentley's 30 June 2023 Full Year Report.

Results for Announcement to the Market

Please refer to the Directors' Report and Financial Report for further information on a review of Orion's operations and the financial position and performance of Orion for the financial year ended 30 June 2023.

(d) Other Assets

Orion owns a property held for redevelopment or sale (currently rented out) located in Mandurah, Western Australia.

(e) Material Business Risk

Risks facing the Company can be divided into the broad categories of operations, market and compliance risks.

Operations risk refers to risks arising from day-to-day operational activities which may result in direct or indirect loss from inadequate or failed internal processes, people or systems or external events. The Company has clear accounting and internal control systems to manage risks to the accuracy of financial information and other financial risks. The Executive Chairman and Executive Director (also the Company Secretary) have delegated responsibility from the Board for identification of operations risks generally, for putting processes in place to mitigate them and monitoring compliance with those processes.

Market risk encompasses risks to the Company's performance from changes in equity prices, interest rates, currency exchange rates, capital markets and economic conditions generally. Management represents the first line in managing this risk, under the supervision of the Board. The Board retains final responsibility to assess the Company's exposure to these risks and set the strategic direction for managing them.

DIRECTORS' REPORT

Compliance risk is the risk of failure to comply with all applicable legal and regulatory requirements and industry standards and the corresponding impact on the Company's business, reputation and financial condition. The Company's compliance risk management strategy ensures compliance with key legislation affecting the Company's activities. The Company Secretary has oversight responsibility for managing the Company's compliance risk. The Company Secretary take external legal and other professional advice as necessary. Comprehensive advice is taken from appropriate external professionals when establishing an operation in a new country and standing relationships are maintained with relevant external advisers, whose brief includes alerting the Company to material changes in law and government policy.

The Company also has policies on responsible business practices and ethical behaviour including a Statement of Values, Board Charter, Code of Conduct, Continuous Disclosure Policy, Anti-Bribery and Anti-Corruption Policy, Whistleblower Policy, Share Trading Policy and its Corporate Governance Statement (which is updated and released on ASX annually) to maintain confidence in the Company's integrity and ensure legal compliance.

The Company's approach to risk management is not stationary; it evolves constantly in response to developments in operations and changing market conditions.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There were no significant changes in the state of affairs of Orion that occurred during the financial year not otherwise disclosed in this Directors' Report or the financial statements.

FUTURE DEVELOPMENTS

Orion intends to continue its investment activities in future years. The results of these investment activities depend upon the performance of the underlying companies and securities in which Orion invests. The investments' performances depend on many economic factors and also industry and company specific issues. In the opinion of the Directors, it is not possible or appropriate to make a prediction on the future course of markets, the performance of Orion's investments or the forecast of the likely results of Orion's activities.

ENVIRONMENTAL REGULATION

Orion is not subject to any particular or significant environmental regulation under Australian Commonwealth or State legislation.

Board Committees

During the financial year and as at the date of this Directors' Report, the Company did not have separate designated Audit or Remuneration Committees. In the opinion of the Directors, in view of the size of the Board and nature and scale of Orion's activities, matters typically dealt with by an Audit or Remuneration Committee are dealt with by the full Board.

¹¹ Refer to Orion's ASX announcement dated 30 March 2022: Change of Directors Interest Notice – Y Khan

REMUNERATION REPORT

This report details the nature and amount of remuneration for each Director and Company Executive (being a company secretary or senior manager) (**Key Management Personnel**) of Orion.

The information provided under headings (1) to (5) below has been audited for compliance with section 300A of the *Corporations Act 2001 (Cth)* as required under section 308(3C).

(1) Remuneration Policy

The Board determines the remuneration structure of all Key Management Personnel having regard to the Company's strategic objectives, scale and scope of operations and other relevant factors, including experience and qualifications, length of service, the duties and accountability of Key Management Personnel, the frequency of Board meetings, market practice (including available data concerning remuneration paid by other listed companies and in particular, companies of comparable size and nature) and the objective of maintaining a balanced Board which has appropriate expertise and experience, at a reasonable cost to the Company.

Corporate Governance Principles: The Company's Corporate Governance Statement (**CGS**) also addresses matters pertaining to the Board, Senior Management and Remuneration. The latest version of the CGS may be downloaded from the Company's website: www.orionequities.com.au/corporate-governance.

Fixed Cash Short-Term Employment Benefits: The Key Management Personnel of the Company are paid a fixed amount per annum plus applicable employer superannuation contributions. The Non-Executive Directors of the Company are paid a maximum aggregate base remuneration per annum inclusive of employer superannuation contributions where applicable, to be divided as the Board determines appropriate.

The Board has determined the following fixed cash remuneration for current Key Management Personnel during the year as follows:

Executive Directors

- (1) Mr Farooq Khan (Executive Chairman) - a base salary of \$220,369 per annum inclusive of employer superannuation contributions (which Mr Khan has voluntarily agreed to suspend in respect of the financial year); and
- (2) Mr Victor Ho (Executive Director and Company Secretary) - a base salary of \$105,013 per annum inclusive of employer superannuation contributions (which Mr Ho has voluntarily agreed to suspend in respect of the financial year).

Non – Executive Director

- (3) Mr Yaqoob Khan (Non-Executive Director) - a base fee of \$25,000 per annum (the payment of which Mr Khan has voluntarily agreed to suspend in respect of the financial year).

Key Management Personnel can also opt to "salary sacrifice" their cash fees/salary and have them paid wholly or partly as further employer superannuation contributions or benefits exempt from fringe benefits tax.

Special Exertions and Reimbursements: Pursuant to the Company's Constitution, each Director is entitled to receive:

- (a) Payment for reimbursement of all travelling, hotel and other expenses reasonably incurred by a Director for the purpose of attending meetings of the Board or otherwise in and about the business of the Company; and
- (b) In respect of Non-Executive Directors, payment for the performance of extra services or the making of special exertions for the benefit of the Company (at the request of and with the concurrence of the Board).

Short-Term Benefits: The Company does not have any short-term incentive (**STI**) cash bonus schemes (or equivalent) in place for Key Management Personnel.

Long Term Benefits: The Company does not have any long-term incentive (**LTI**) cash bonus schemes (or equivalent) in place for Key Management Personnel.

REMUNERATION REPORT

Equity Based Benefits: The Company does not presently have any equity (shares or options) based remuneration arrangements for any personnel pursuant to any executive or employee share or option plan or otherwise.

Post-Employment Benefits: The Company does not presently provide retirement benefits to Key Management Personnel. Other than compulsory superannuation contribution and early termination benefits disclosed in 'Service Agreement' below, Key Management Personnel also have no right to termination payments save for payment of accrued unused annual and long service leave (where applicable) (these accrued employee entitlements are not applicable in respect of Non-Executive Directors). The Company notes that shareholder approval is required where a Company proposes to make a "termination payment" (for example, a payment in lieu of notice, a payment for a post-employment restraint and payments made as a result of the automatic or accelerated vesting of share based payments) in excess of one year's "base salary" (defined as the average base salary over the previous 3 years) to a director or any person who holds a managerial or executive office.

Service Agreements: The Company does not presently have formal service agreements or employment agreements with any Key Management Personnel.

Performance-Related Benefits and Financial Performance of Company: The Company does not presently provide short- or long-term incentive/performance-based benefits related to the Company's performance to Key Management Personnel, including payment of cash bonuses. The current remuneration of Key Management Personnel is fixed, is not dependent on the satisfaction of a performance condition and is unrelated to the Company's performance.

The Board does not believe that it is appropriate at this time to implement an equity-based benefit scheme or a performance related/variable component to Key Management Personnel remuneration or remuneration generally linked to the Company's performance but reserves the right to implement these remuneration measures if appropriate in the future (subject to prior shareholder approval where applicable).

In considering the Company's performance and its effects on shareholder wealth, Directors have had regard to the data set out below for the latest financial year and the previous four financial years.

(3) Other Benefits Provided to Key Management Personnel

No Key Management Personnel has during or since the end of the 30 June 2021 financial year, received or become entitled to receive a benefit, other than a remuneration benefit as disclosed above, by reason of a contract made by the Company or a related entity with the Director or with a firm of which he is a member, or with a Company in which he has a substantial interest.

(4) Engagement of Remuneration Consultants

The Company has not engaged any remuneration consultants to provide remuneration recommendations in relation to Key Management Personnel during the year. The Board has established a policy for engaging external Key Management Personnel remuneration consultants which includes, inter alia, that the Non-Executive Directors on the Remuneration Committee be responsible for approving all engagements of and executing contracts to engage remuneration consultants and for receiving remuneration recommendations from remuneration consultants regarding Key Management Personnel. Furthermore, the Company has a policy that remuneration advice provided by remuneration consultants be quarantined from Management where applicable.

(5) Shares held by Key Management Personnel

The number of ordinary shares in the Company held by Key Management Personnel is set out below:

Key Management Personnel	Balance at 30 June 2022	Additions	Received as part of remuneration	Disposals	Balance at 30 June 2023
Executive Directors:					
Farooq Khan	2,000	-	-	-	2,000
Victor Ho	-	-	-	-	-
Non-Executive Director:					
Yaqoob Khan	55,229	-	-	-	55,229

Note: The disclosures of shareholdings above are in accordance with the accounting standards which require disclosure of shares held directly, indirectly or beneficially by each key management person, a close member of the family of that person, or an entity over which either of these persons have, directly or indirectly, control, joint control or significant influence (as defined under Accounting Standard AASB 124 Related Party Disclosures).

(6) Voting and Comments on Remuneration Report at 2022 AGM

At the Company's most recent (2022) AGM, a resolution to adopt the prior year (2022) Remuneration Report was passed on a poll (called by the Chair) 96.69% of votes in favour of adopting the Remuneration Report.¹² No comments were made on the Remuneration Report that was considered at the AGM.

This concludes the audited Remuneration Report.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

1. ABOUT THIS REPORT

1.1 Background

This financial report covers the consolidated financial statements of the consolidated entity consisting of Orion Equities Limited (ASX:OEQ) (the **Company** or **OEQ**), its subsidiaries and investments in associates (the **Consolidated Entity** or **Orion**). The financial report is presented in the Australian currency.

Orion Equities Limited is a company limited by shares, incorporated in New South Wales, Australia and whose shares are publicly traded on the Australian Securities Exchange (**ASX**).

These financial statements have been prepared on a streamlined basis where key information is grouped together for ease of understanding and readability. The notes include information which is required to understand the financial statements and is material and relevant to the operations, financial position and performance of the Consolidated Entity.

Information is considered material and relevant if, for example:

- (a) the amount in question is significant because of its size or nature;
- (b) it is important for understanding the results of the Consolidated Entity;
- (c) it helps to explain the impact of significant changes in the Consolidated Entity's business – for example, acquisitions; or
- (d) it relates to an aspect of the Consolidated Entity's operations that is important to its future performance.

The notes are organised into the following sections:

- (a) **Key Performance:** Provides a breakdown of the key individual line items in the profit and loss that the Directors consider most relevant to understanding performance and shareholder returns for the year:

Notes

- 2 Revenue
- 3 Expenses
- 4 Segment information
- 5 Tax
- 6 Loss per share

- (b) **Financial Risk Management:** Provides information about the Consolidated Entity's exposure and management of various financial risks and explains how these affect the Consolidated Entity's financial position and performance:

Notes

- 7 Cash and cash equivalents
- 8 Financial assets at fair value through profit or loss
- 9 Financial risk management
- 10 Fair value measurement of financial instruments

- (c) **Other Assets and Liabilities:** Provides information on other balance sheet assets and liabilities that do not materially affect performance or give rise to material financial risk:

Notes

- 11 Property held for development or resale
- 12 Payables
- 13 Provisions

- (d) **Capital Structure:** This section outlines how the Consolidated Entity manages its capital structure and related financing costs, as well as capital adequacy and reserves. It also provides details on the dividends paid by the Company:

Notes

- 14 Issued capital
- 15 Profits reserve
- 16 Capital risk management

- (e) **Consolidated Entity Structure:** Provides details and disclosures relating to the parent entity of the Consolidated Entity, controlled entities, investments in associates and any acquisitions and/or disposals of businesses in the year. Disclosure on related parties is also provided in the section:

Notes

- 17 Parent entity information
- 18 Investment in controlled entities
- 19 Investment in associate entity
- 20 Related party transactions

- (f) **Other:** Provides information on items which require disclosure to comply with Australian Accounting Standards and other regulatory pronouncements however, are not considered significant in understanding the financial performance or position of the Consolidated Entity:

Notes

- 21 Auditors' remuneration
- 22 Contingencies
- 23 Events occurring after the reporting period

Significant and other accounting policies that summarise the measurement basis used and presentation policies and are relevant to an understanding of the financial statements are provided throughout the notes to the financial statements.

1.2. Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board, Australian Accounting Interpretations and the *Corporations Act 2001 (Cth)*, as appropriate for for-profit entities.

Compliance with IFRS

The consolidated financial statements of the Consolidated Entity also comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

Reporting Basis and Conventions

The financial report has been prepared on an accruals and going concern basis and is based on historical costs modified by the revaluation of selected non-current assets, and financial assets and financial liabilities for which the fair value basis of accounting has been applied.

1.3. Principles of Consolidation

The consolidated financial statements incorporate the assets and liabilities of the subsidiaries of Orion Equities Limited as at 30 June 2023 and the results of its subsidiaries for the year then ended. Orion Equities Limited and its subsidiaries are referred to in this financial report as the Consolidated Entity.

All inter-company balances and transactions between entities in the Consolidated Entity, including any unrealised profits or losses, have been eliminated on consolidation.

1.4. Comparative Figures

Certain comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.5. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST. Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

1.6. Dividends Policy

Provision is made for the amount of any dividend declared; being appropriately authorised and no longer at the discretion of the entity, on or before the end of the financial year but not distributed at the Balance Date.

1.7. Impairment of Assets

At each reporting date, the Consolidated Entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the profit or loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Consolidated Entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

1.8. Leases

At the lease commencement, the Consolidated Entity recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Consolidated Entity believes it is reasonably certain that the option will be exercised. The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight-line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Consolidated Entity's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured when there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Consolidated Entity's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Consolidated Entity has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Consolidated Entity recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

1.9. New, revised or amending Accounting Standards and Interpretations adopted

The Consolidated Entity has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the AASB that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not mandatory have not been early adopted. These are not expected to have a material impact on the Consolidated Entity's financial statements.

for the year ended 30 June 2023

2. REVENUE

	2023	2022
	\$	\$
The consolidated loss before income tax includes the following items of revenue:		
Revenue		
Rental revenue	37,700	37,700
Interest revenue	13,835	7,667
	<u>51,535</u>	<u>45,367</u>
Other income		
Tenement royalties	206,661	-
Impairment reversal on revaluation of property held for development or resale	100,000	-
	<u>358,196</u>	<u>45,367</u>

Accounting policy

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Consolidated Entity and the revenue can be reliably measured. All revenue is stated net of the amount of Goods and Services Tax (GST). The following specific recognition criteria must also be met before revenue is recognised:

(a) Sale of financial assets, goods and other assets

Revenue from the sale of financial assets, goods or other assets is recognised when the Consolidated Entity has passed control of the financial assets, goods or other assets to the buyer.

(b) Interest revenue

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

(c) Dividend revenue

Dividend revenue is recognised when the right to receive a dividend has been established. The Consolidated Entity brings dividend revenue to account on the applicable ex-dividend entitlement date.

(d) Other revenues

Other revenues are recognised on a receipts basis.

3. EXPENSES

Accounting policy

The operating segments are reported in a manner consistent with the internal reporting provided to the "Chief Operating Decision Maker" (CODM). The Consolidated Entity's CODM is the Board of Directors who are responsible for allocating resources and assessing performance of the operating segments.

The Board has considered the business and geographical perspectives of the operating results and determined that the Consolidated Entity operates only within Australia, with the main segment being Investments. Corporate items are mainly comprised of corporate assets, office expenses and income tax assets and liabilities.

Description of segments

- (a) Investments comprise of equity investments of companies listed on the Australian Securities Exchange (ASX) and liquid financial assets; and
- (b) Corporate items are mainly comprised of corporate assets, office expenses and income tax assets and liabilities.

Liabilities

Liabilities are not reported to the CODM by segment. All liabilities are assessed at a consolidated entity level.

Unrecognised deferred tax asset - capital losses	341,540	341,539
	3,952,996	3,995,589

Critical accounting judgement and estimate

The above deferred tax assets have not been recognised in respect of the above items because it is not probable that future taxable profit will be available against which the Consolidated Entity can utilise the benefits. Revenue and capital tax losses are subject to relevant statutory tests.

Tax Consolidation

The head entity, Orion Equities Limited and its controlled entities have formed a tax consolidated group with effect from 29 June 2004. The members of the tax consolidation group continue to account for their own current and deferred tax amounts. These tax amounts are measured as if each entity in the tax consolidated group continues to be a stand-alone taxpayer in its own right.

In addition to its own current and deferred tax amounts, the Company also recognises the current tax liabilities (or assets) and the deferred tax assets (as appropriate) arising from unused tax losses and unused tax credits assumed from controlled entities in the tax consolidated group.

Assets or liabilities arising under tax funding agreements within the tax consolidated entities are recognised as amounts receivable from or payable to other entities in the group. Any differences between the amounts assumed and amounts receivable or payable under the tax funding agreement are recognised as a contribution to (or distribution from) wholly-owned tax consolidated entities.

The income tax expense or revenue for the period is the tax payable on the current period's taxable income based on the notional income tax rate for each taxing jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements, and to unused tax losses (if applicable).

Deferred tax assets and liabilities are recognised for temporary differences at the tax rates expected to apply when the assets are recovered or liabilities are settled, based on those tax rates which are enacted or substantively enacted for each taxing jurisdiction. The relevant tax rates are applied to the cumulative amounts of deductible and taxable temporary differences to measure the deferred tax asset or liability. An exception is made for certain temporary differences arising from the initial recognition of an asset or a liability. No deferred tax asset or liability is recognised in relation to these temporary differences if they arose in a transaction, other than a business combination, that at the time of the transaction did not affect either accounting profit or taxable profit or loss.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. The amount of deferred tax assets brought to account or which may be realised in the future, is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the Consolidated Entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

5. TAX (continued)

Accounting policy

Deferred tax liabilities and assets are not recognised for temporary differences between the carrying amount and tax bases of investments in controlled entities where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax balances attributable to amounts recognised directly in other comprehensive income or equity are also recognised directly in other comprehensive income or equity.

--------------------------------	-----------	-------------

	Number of Shares	
Weighted average number of ordinary shares	15,649,228	15,649,228

The Consolidated Entity has no securities outstanding which have the potential to convert to ordinary shares and dilute the basic earnings/(loss) per share.

Accounting policy

Basic earnings/(loss) per share is determined by dividing the operating result after income tax by the weighted average number of ordinary shares on issue during the financial period.

Diluted earnings/(loss) per share adjusts the figures used in the determination of basic earnings/(loss) per share by taking into account amounts unpaid on ordinary shares and any reduction in earnings/(loss) per share that will probably arise from the exercise of options outstanding during the financial period.

8. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

	2023	2022
	\$	\$
Listed securities at fair value	600,000	1,100,000

Accounting policy

Financial instruments are initially measured at cost on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition, financial assets at fair value through profit and loss acquired principally for the purpose of selling in the short term or if so designated by management and within the requirements of AASB 9: Financial Instruments will recognise its realised and unrealised gains and losses arising from changes in the fair value of these assets are included in Profit or Loss in the period in which they arise.

The fair value of financial instruments traded in active markets (such as publicly traded derivatives, and trading and available-for-sale securities) is based on quoted market prices at the balance sheet date which is the current bid price. The fair value of the unlisted managed funds is determined from unit price information provided by investment manager. The Consolidated Entity's investment portfolio is accounted for as "financial assets at fair value through profit and loss" and is carried at fair value.

9. FINANCIAL RISK MANAGEMENT

The Consolidated Entity's financial instruments consist of deposits with banks, accounts receivable and payable, investments in listed securities, and other unlisted securities. The principal activity of the Consolidated Entity is the management of its investments (Financial Assets at Fair Value through Profit and Loss) (refer Note 8). The Consolidated Entity's investments are subject to market (which includes interest rate and price risk), credit and liquidity risks.

The Board of Directors is responsible for the overall internal control framework (which includes risk management) but no cost-effective internal control system will preclude all errors and irregularities. The system is based, in part, on the appointment of suitably qualified management personnel. The effectiveness of the system is continually reviewed by management and at least annually by the Board.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

9. FINANCIAL RISK MANAGEMENT (continued)

The financial receivables and payables of the Consolidated Entity in the table below are due or payable within 30 days. The financial investments are held for trading and are realised at the discretion of the Board of Directors.

The Consolidated Entity holds the following financial assets and liabilities:

		2023	2022
	Note	\$	\$
Cash and cash equivalents	7	136,406	13,640
Financial assets at fair value through profit or loss	8	600,000	1,100,000

Payables	12	(106,328)	(100,795)
Net financial assets		630,078	1,012,845

(a) Market risk

Market risk is the risk that the fair value and/or future cash flows from a financial instrument will fluctuate as a result of changes in market factors. Market risk comprises of price risk from fluctuations in the fair value of equities and interest rate risk from fluctuations in market interest rates.

(i) Price risk

The Consolidated Entity is exposed to equity securities price risk. This arises from investments held by the Consolidated Entity and classified in the Statement of Financial Position at fair value through profit or loss. The Consolidated Entity is not exposed to commodity price risk, save where this has an indirect impact via market risk and equity securities price risk.

The value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all instruments in the market. By its nature as an investment company, the Consolidated Entity will always be subject to market risk as it invests its capital in securities that are not risk free - the market price of these securities can and will fluctuate. The Consolidated Entity does not manage this risk through entering into derivative contracts, futures, options or swaps.

Equity price risk is minimised through ensuring that investment activities are undertaken in accordance with Board established mandate limits and investment strategies.

The Consolidated Entity has performed a sensitivity analysis on its exposure to market price risk at Balance Date. The analysis demonstrates the effect on the current year results and equity which could result from a change in these risks. The ASX All Ordinaries Accumulation Index was utilised as the benchmark for the unlisted and listed share investments which are financial assets available-for-sale or at fair value through profit or loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

9. FINANCIAL RISK MANAGEMENT (continued)

(ii) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in market interest rates. The Consolidated Entity's exposure to market risk for changes in interest rates relate primarily to investments held in interest bearing instruments. The weighted average interest rate for the year for the table below is 4.01% (2022: 0.1%). The revenue exposure is immaterial in terms of the possible impact on profit or loss or total equity.

(a) Market Risk (continued)	2023	2022
(ii) Interest rate risk (continued)	\$	\$
Cash at bank	136,406	13,640

(b) Credit risk

Credit risk refers to the risk that a counterparty under a financial instrument will default (in whole or in part) on its contractual obligations resulting in financial loss to the Consolidated Entity. Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions, including outstanding receivables and committed transactions. Concentrations of credit risk are minimised primarily by undertaking appropriate due diligence on potential investments, carrying out all market transactions through approved brokers, settling non-market transactions with the involvement of suitably qualified legal and accounting personnel (both internal and external), and obtaining sufficient collateral or other security (where appropriate) as a means of mitigating the risk of financial loss from defaults. The Consolidated Entity's business activities do not necessitate the requirement for collateral as a means of mitigating the risk of financial loss from defaults.

The credit quality of the financial assets are neither past due nor impaired and can be assessed by reference to external credit ratings (if available with Standard & Poor's) or to historical information about counterparty default rates. The maximum exposure to credit risk at Balance Date is the carrying amount of the financial assets as summarised below:

	2023	2022
Cash and Cash Equivalents	\$	\$
AA-	136,256	13,490

The Consolidated Entity measures credit risk on a fair value basis. The carrying amount of financial assets recorded in the financial statements, net any provision for losses, represents the Consolidated Entity's maximum exposure to credit risk.

(c) Liquidity Risk

Liquidity risk is the risk that the Consolidated Entity will encounter difficulty in meeting obligations associated with financial liabilities. The Consolidated Entity has no borrowings. The Consolidated Entity's non-cash investments can be realised to meet trade and other payables arising in the normal course of business. The financial liabilities disclosed in the above table have a maturity obligation of not more than 30 days.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

10. FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

Fair Value Hierarchy

AASB 13 (Fair Value Measurement) requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- (i) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- (ii) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- (iii) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
Financial assets at fair value through profit or loss:				
Listed securities at fair value				
2023	600,000	-	-	600,000
2022	1,100,000	-	-	1,100,000

There have been no transfers between the levels of the fair value hierarchy during the financial half year.

(a) Valuation techniques

The fair value of the listed securities traded in active markets is based on closing bid prices at the end of the reporting period. These investments are included in Level 1.

The fair value of any assets that are not traded in an active market are determined using certain valuation techniques. The valuation techniques maximise the use of observable market data where it is available, or independent valuation and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2. If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

(b) Fair values of other financial assets and liabilities

		2023 \$	2022 \$
Cash and cash equivalents	7	136,406	13,640
Current Receivables and Loan to controlling entity	20(a)	166,058	97,149
Current payables	12	(106,328)	(100,795)
		196,136	9,994

Due to their short-term nature, the carrying amounts of cash, current receivables and current payables is assumed to approximate their fair value.

11. PROPERTY HELD FOR RESALE

Impairment of property	(1,947,339)	(2,047,339)

Critical accounting judgement and estimate

Property held for development or resale was valued by an independent qualified valuer (a Licensed Valuer of the Australian Property Institute) as at 30 June 2023. The reversal of impairment on the revaluation of \$100,000 has been recognised in Profit or Loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

11. PROPERTY HELD FOR RESALE (continued)

Accounting policy

Property held for resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development are expensed. Profits are brought to account on the signing of an unconditional contract of sale.

12. PAYABLES

Non-current		
Accrued Directors' fees and entitlements	273,456	273,455

Accounting policy

These amounts represent liabilities for goods and services provided to the Consolidated Entity prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

Risk exposure

The Consolidated Entity's exposure to risks arising from current payables is set out in Note 9.

13. PROVISIONS

	\$	\$
Employee benefits - annual leave	50,739	50,739
Employee benefits - long service leave	65,282	65,282
Provision for dividends	6,592	6,727
	122,613	122,748

Accounting policy

Short-term obligations

Provision is made for the Consolidated Entity's liability for employee benefits arising from services rendered by employees to the Balance Date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year from the Balance Date have been measured at the present value of the estimated future cash outflows to be made for those benefits. Employer superannuation contributions are made by the Consolidated Entity in accordance with statutory obligations and are charged as an expense when incurred.

Other long-term employee benefit obligations

The liability for long-service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the Balance Date. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

13. PROVISIONS (continued)

(a) Amounts not expected to be settled within 12 months

The provision for annual leave and long service leave is presented as current since the Consolidated Entity does not have an unconditional right to defer settlement for any of these employee benefits. Long service leave covers all unconditional entitlements where employees have completed the required period of service and also where employees are entitled to pro-rata payments in certain circumstances.

Based on past experience, the employees have never taken the full amount of long service leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months:

	2023	2022

No movement in issued capital in the current financial year.

Accounting policy

Ordinary shares are classified as equity. Fully paid ordinary shares carry one vote per share and the right to dividends.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds. Incremental costs directly attributable to the issue of new shares or options for the acquisition of a business, are included in the cost of the acquisition as part of the purchase consideration.

Profits reserve transfer	333,116	108,361
Closing balance	6,987,584	6,654,468

Profits reserve

An increase in the Profits Reserve will arise when the Company or its subsidiaries generates a net profit (after tax) for a relevant financial period (i.e. half year or full year) which the Board determines to credit to the company's Profits Reserve. Dividends may be paid out of (and debited from) a company's Profits Reserve, from time to time.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

16. CAPITAL RISK MANAGEMENT

The Company's objectives when managing its capital are to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders and to maintain a capital structure balancing the interests of all shareholders.

The Board will consider capital management initiatives as is appropriate and in the best interests of the Company and shareholders from time to time, including undertaking capital raisings, share buy-backs, capital reductions and the payment of dividends.

The Consolidated Entity has no external borrowings. The Consolidated Entity's non-cash investments can be realised to meet accounts payable arising in the normal course of business.

Subsidiaries	Incorporated	Ownership Interest	
		2023	2022
		%	%
Silver Sands Developments Pty Ltd	Australia	100	100
CXM Pty Ltd	Australia	100	100

Accounting policy

Subsidiaries are all entities (including structured entities) over which the Consolidated Entity has control. The Consolidated Entity controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

Subsidiaries are fully consolidated from the date on which control is transferred to the Consolidated Entity. They are de-consolidated from the date that control ceases.

All controlled entities have a June financial year-end. All inter-company balances and transactions between entities in the Consolidated Entity, including any unrealised profits or losses, have been eliminated on consolidation.

Changes in Ownership Interests

When the Consolidated Entity ceases to have control, any retained interest in the entity is re-measured to its fair value with the change in carrying amount recognised in profit or loss. The fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Consolidated Entity has directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

Accounting policy

Associates are all entities over which the Consolidated Entity has presumed significant influence but not control or joint control, generally accompanying a shareholding of between approximately 20% and 50% of the voting rights. Investments in Associates in the consolidated financial statements are accounted for using the equity method of accounting. On initial recognition investment in associates are recognised at cost, for investments which were classified as fair value through profit or loss, any gains or losses previously recognised are reversed through profit or loss. Under this method, the Consolidated Entity's share of the post-acquisition profits or losses of Associates are recognised in the consolidated Statement of Profit or Loss and Other Comprehensive Income, and its share of post-acquisition movements in reserves is recognised in Other Comprehensive Income. The cumulative post-acquisition movements are adjusted against the carrying amount of the investment.

A share of an Associate entity's net gain increases the investment (and a share of net loss decreases the investment) and dividend income received from an Associate entity decreases the investment. When the Consolidated Entity's share of losses in an Associate equals or exceeds its interest in the Associate, including any other unsecured long-term receivables, the Consolidated Entity does not recognise further losses, unless it has incurred obligations or made payments on behalf of the Associate.

Where applicable, unrealised gains on transactions between the Consolidated Entity and its Associates are eliminated to the extent of the Consolidated Entity's interest in the Associates. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. The accounting policies of Associates are aligned to ensure consistency with the policies adopted by the Consolidated Entity, where practicable.

20. RELATED PARTY TRANSACTIONS

(a) Loan to Controlling Entity

Queste Communications Ltd (ASX : QUE) is deemed to have control of the Consolidated Entity as it holds 59.86% (9,367,653 shares) (2022: 59.86% and 9,367,653 shares) of the Company's total issued share capital.

The Company and QUE have entered into a Loan Agreement for the Company to advance up to \$200,000 to QUE. The loan is unsecured and matures on 31 December 2024 (unless extended by agreement of the parties) and accrues interest at 10% pa in respect of the first \$150,000 advanced, and 7.5% pa in respect of \$50,000 advanced thereafter. During the year, the Company advanced \$66,420 and received \$10,940 repayments from QUE and earned interest income of \$12,631. The outstanding loan balance as at Balance Date is \$165,403 (principal and accrued interest).

(b) Transactions with Related Parties

During the financial year there were transactions between the Company, QUE and Associate Entity, Bentley Capital Limited (ASX:BEL), pursuant to shared office and administration arrangements. There were no outstanding amounts at the Balance Date.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

for the year ended 30 June 2023

20. RELATED PARTY TRANSACTIONS (continued)

(c) Transactions with key management personnel

Refer to the Remuneration Report contained in the Directors' Report for details of the remuneration paid or payable to each member of the Consolidated Entity's KMP for the year ended 30 June 2023. The total remuneration paid to KMP of the Consolidated Entity during the year is as follows:

	2023	2022
	\$	\$
Directors		
Short-term employment benefits	-	25,000
Post employment benefits	-	-
	<u>-</u>	<u>25,000</u>

At Balance Date, the Company owes the Directors an aggregate \$298,456 in unpaid salaries (net of PAYG withholding tax remitted to the ATO) (2022: \$298,456).

During the year, the Consolidated Entity generated \$37,700 rental income from a KMP/close family member of a KMP (the KMP being Director, Farooq Khan), pursuant to a standard form residential tenancy agreement in respect of the Property Held for Resale (2022: \$37,700).

21. AUDITOR'S REMUNERATION

During the year the following fees were paid for services provided by the auditor of the parent entity, its related practices and by non-related audit firms:

	2023	2022
	\$	\$
Rothsay Auditing		
Audit and review of financial statements	-	4,400
Rothsay Audit & Assurance Pty Ltd		
Audit and review of financial statements	13,200	8,800
	<u>13,200</u>	<u>13,200</u>

22. CONTINGENCIES

(a) Directors' Deeds

The Company has entered into Deeds of Indemnity with each of its Directors indemnifying them against liability incurred in discharging their duties as Directors/Officers of the Consolidated Entity. At the end of the financial period, no claims have been made under any such indemnities and accordingly, it is not possible to quantify the potential financial obligation of the Consolidated Entity under these indemnities.

(b) Tenement Royalty

The Consolidated Entity is entitled to receive a royalty of 2% of gross revenues (exclusive of GST) from any commercial exploitation of any minerals from the Paulsens East Iron Ore Project tenement (Mining Lease M47/1583) in Western Australia currently owned by Strike Resources Limited (ASX:SRK). This royalty entitlement stems from the Consolidated Entity's sale of a portfolio of tenements (including the Paulsens East tenement) to Strike in September 2005.

23. EVENTS OCCURRING AFTER THE REPORTING PERIOD

No matter or circumstance has arisen since the end of the financial year that significantly affected, or may significantly affect, the operations of the Consolidated Entity, the results of those operations, or the state of affairs of the Consolidated Entity in future financial years.

DIRECTORS' DECLARATION

The Directors of the Company declare that:

- (1) The financial statements, Consolidated Statement of Profit or Loss and Other Comprehensive Income, Consolidated Statement of Financial Position, Consolidated Statement of Cash Flows, Consolidated Statement of Changes in Equity, and accompanying notes as set out on pages 18 to 38 are in accordance with the *Corporations Act 2001 (Cth)* and:
 - (a) comply with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting; and
 - (b) give a true and fair view of the Consolidated Entity's financial position as at 30 June 2023 and of their performance for the year ended on that date;
- (2) In the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable;
- (3) The Directors have been given the declarations required by section 295A of the *Corporations Act 2001 (Cth)* by the Executive Chairman (the person who, in the opinion of the Directors, performs the Chief Executive Officer function) and Company Secretary (the person who, in the opinion of the Directors, performs the Chief Financial Officer function); and
- (4) The Company has included in the notes to the Financial Statements an explicit and unreserved statement of compliance with the International Financial Reporting Standards.

This declaration is made in accordance with a resolution of the Directors made pursuant to section 295(5) of the *Corporations Act 2001 (Cth)*.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF ORION EQUITIES LIMITED

Opinion

We have audited the financial report of Orion Equities Limited ("the Company") and its controlled entities ("the Group") which comprises the consolidated statement of financial position as at 30 June 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended on that date and notes to the financial statements, including a summary of significant accounting policies and the directors' declaration.

In our opinion the financial report of the Group is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2023 and of its financial performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under these standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of this report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the "Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF

ORION EQUITIES LIMITED (continued)

We have determined the following key audit matter to communicate in our report:

<i>Key Audit Matter - Going Concern</i>	<i>How our Audit Addressed the Key Audit Matter</i>
<p>The financial statements have been prepared on a going concern basis as disclosed in Note 1 to the financial statements.</p> <p>We have included going concern as a key audit matter as the Group relies on existing cash reserves and the realisation of financial and non-financial assets generating sufficient cashflows to cover future expenditure.</p>	<p>In assessing the appropriateness of the going concern assumption in preparing the financial statements our procedures included the following:</p> <ul style="list-style-type: none">• Assessing the cash flow requirements of the Group over the next 12 months based on the historical and budgeted cash outflows;• Considering the liquidity of assets on the balance sheet; and• Assessing whether the disclosures included in the financial report meet the requirements of Australian Accounting Standards.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Group's annual report for the year ended 30 June 2023, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed we conclude there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Directors' Responsibility for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: www.auasb.gov.au/Home.aspx.

We communicate with the directors regarding, amongst other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe those matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communications.

Report on the Remuneration Report

Opinion on the Remuneration Report

We have audited the remuneration report included in the directors' report for the year ended 30 June 2023.

In our opinion the remuneration report of Orion Equities Limited for the year ended 30 June 2023 complies with section 300A of the *Corporations Act 2001*.
