⁵ ASX announcement dated 31 July 2023

Gold Road Managing Director and CEO Duncan Gibbs commented: “The six months to 30 June 2023 has broken several financial records for Gold Road with the strong result reflecting the consistent performance of the processing plant, a supportive Australian dollar gold price and Gold Road’s production being fully unhedged.

The Company continued to return income to shareholders in the form of six-monthly dividend payments, and the Board has determined to pay a dividend for the six months to 30 June 2023 of 1.2 cents. In determining the dividend, your Board has considered the potential requirements to support growth and future operating conditions.”
