MONADELPHOUS SECURES MAJOR CONSTRUCTION CONTRACT WITH TALISON LITHIUM

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured a major contract for the construction of the Chemical Grade Plant 3 (“CGP3”) at Talison Lithium’s Greenbushes site in the south west of Western Australia, valued at approximately \$160 million.

The multidisciplinary contract to install a new crushing and screening facility and lithium concentrate processing plant, includes associated tank and piping fabrication works and electrical supply.

Monadelphous Managing Director, Zoran Bebic, said the award of this contract follows a successful period of early contractor involvement.

“We are delighted to have secured this key opportunity which further extends our participation in the development of Talison Lithium’s Greenbushes operations.”

Work will commence onsite later this year and is expected to be completed in the first half of 2025.
