#### Transaction Overview

**Sydney, 11 September 2023** – Atturra, a leading advisory and technology services business in designing, implementing, and maintaining IT solutions, is pleased to announce that it has entered into a binding Scheme Implementation Deed for its subsidiary Atturra Holdings to acquire 100% of the ordinary share capital of Cirrus (ASX: CNW) (the **Transaction**).

The total Scheme Consideration of \$0.053 per Cirrus share represents a 29.3% premium to the last closing price of Cirrus shares on 8 September 2023 (being the last trading day prior to the announcement of the Scheme) and a 25.5% premium to the 30-day VWAP of Cirrus shares to 8 September 2023.

<sup>1</sup> The approximate split in the total Scheme Consideration between cash and shares is subject to variation for foreign ineligible shareholders and unmarketable parcels as described in the Scheme Implementation Deed.

<sup>2</sup> In the absence of a superior proposal and subject to the Independent Expert concluding and continuing to conclude that the Scheme is in the best interests of shareholders.

Under the terms of the Scheme, Cirrus shareholders will have the option to elect to receive consideration with a total implied value of \$0.053 per Cirrus share in one of four ways:

- 75% cash consideration and 25% share consideration, equating to \$0.0398 cash and 0.0150 Atturra shares for each 1 Cirrus share held (**Default Consideration**)<sup>3</sup>;
- 100% cash consideration, equating to \$0.053 cash per Cirrus share held (**Cash Consideration**);
- 100% share consideration, equating to 0.0601 Atturra shares for each 1 Cirrus share held (**Share Consideration**)<sup>3</sup>; or
- 50% cash consideration and 50% share consideration, equating to \$0.0265 cash and 0.0301 Atturra shares for each 1 Cirrus share held (**Split Consideration**)<sup>3</sup>.

Cirrus shareholders who do not make an election or who make an invalid election will receive the Default Consideration. Ineligible Foreign Shareholders and certain Cirrus shareholders who (after the Scheme) would otherwise end up holding an unmarketable parcel in Atturra (together 'Ineligible Shareholders'), cannot make an election and will receive 100% cash consideration.

The value of Atturra shares for the purpose of determining the number of Atturra shares to be issued in accordance with the SID has been agreed at \$0.8815 per Atturra share, based on Atturra's 30-day VWAP to 8 September 2023.

The Scheme Consideration is subject to the maximum total cash consideration payable by Atturra not exceeding \$37.5 million (**Maximum Cash Consideration**) and the maximum total Atturra share consideration not exceeding 13.98 million Atturra shares (**Maximum Share Consideration**).

If Cirrus shareholders elect (or are deemed to have elected) to receive Scheme Consideration comprising aggregate total cash consideration that exceeds the Maximum Cash Consideration, then each Cirrus shareholder that has elected to receive cash (or is deemed to have elected to receive cash) will have their cash consideration scaled back, saved for the Ineligible Shareholders who will not be subject to scaleback. Conversely, if Cirrus shareholders (other than Ineligible Shareholders) elect (or are deemed to have elected) to receive Scheme Consideration comprising aggregate total share consideration that exceeds the Maximum Share Consideration, then each Cirrus shareholder that has elected to receive shares (or is deemed to have elected to receive shares) will have their share consideration scaled back.

The Scheme represents a total equity offer value of approximately \$49.3 million<sup>4</sup> and an EV / FY23 Adjusted EBITDA multiple of 8.8x<sup>5</sup> before synergies and an EV / FY23 Adjusted EBITDA multiple of 7.0x including a conservative estimate of anticipated synergies<sup>6</sup> (on a pre-AASB 16 basis).

The Scheme has been unanimously recommended by the Cirrus Board of Directors, in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of shareholders.

The Scheme is subject to standard conditions precedent for a transaction of this nature, including and not limited to approval from Cirrus shareholders, no material adverse change, retention of at least three quarters of Cirrus' key senior management team, a minimum cash requirement and court approval of the

<sup>3</sup> Cash per share and share conversion ratios rounded to 4 decimal places.

<sup>4</sup> Equity offer value assuming total ordinary shares on issue of 930.0m at the Scheme Consideration price of \$0.053 per share. Cirrus performance rights and options will be cancelled for consideration prior to the Scheme being implemented leveraging existing Cirrus cash.

<sup>5</sup> Enterprise value based on equity offer value of \$49.3m less reported net cash of \$13.9m as at 30 June 2023 divided by FY23 pre-AASB 16 adjusted EBITDA of \$4.0m (excluding the impact of share based payments, one-off corporate transaction fees and restructure and redundancy costs) (**Adjusted EBITDA**). Adjusted EBITDA is a financial measure which is not prescribed by the Australian Accounting Standards Board (AASB).

<sup>6</sup> Pre-tax anticipated annualised synergies of \$1.0m.

Scheme. The Scheme is not subject to financing or due diligence conditions.

The Transaction will be funded by the combination of the issue of new Atturra shares, debt financing from a new 3-year senior debt facility and Atturra's existing acquisition facility with Westpac and existing cash on hand. The acquisition funding structure maintains balance sheet flexibility and allows Atturra to continue to execute on organic and inorganic growth opportunities.

The acquisition of Cirrus is expected to be high single digit EPS accretive for Atturra shareholders in FY24 on a pro forma and normalised basis (excluding any one-off transaction or integration costs and including a conservative assessment of approximately \$1.0 million in anticipated annualised cost synergies).

Under the SID, Cirrus is bound by exclusivity and matching right provisions including "no shop", "no talk", "no due diligence" (with both the "no talk" and the "no due diligence" subject to the Cirrus Directors' fiduciary obligations), "notification" obligations and "matching" rights. A break fee and a reverse break fee of \$0.5 million will be payable to either Atturra or Cirrus in certain circumstances. A full copy of the SID, including all applicable conditions, is attached to this announcement.

### Strategic Rationale

The proposed acquisition is a strong strategic fit for Atturra, with the combined company creating one of the largest Australian-sovereign advisory and technology solutions providers, with increased operational and geographic scale. Cirrus provides Atturra with a broadened and complementary range of offerings, an enlarged customer base with a focus on government, energy & resources and other corporate clients, and a strengthened geographic presence in ACT, WA and VIC. Cirrus' existing strategic partnerships and customer relationships are expected to facilitate Atturra's expansion of major vendor relationships to unlock growth in key segments. The increased scale from Cirrus is transformative to Atturra's managed services offering, which will facilitate the delivery of highly recurring, multi-year services across Atturra's and Cirrus' enlarged client base.

Atturra and Cirrus represent two of the few remaining independent, Australian-owned ICT services companies given the broader sector consolidation. Combining the strengths of both companies and remaining a true sovereign player represents a key competitive advantage. Atturra has a demonstrated history of successfully integrating and leveraging the capabilities of its acquisitions. The combined entity is well positioned to become the go-to provider for key government agencies whilst continuing to pursue other customer industries.

Given its targeted focus on strategic and cultural alignment, Atturra believes Cirrus is strongly aligned in this regard. The proposed acquisition also provides an opportunity to leverage the comprehensive suite of offerings across the two businesses and provides significant future cross-selling opportunities.

### Commenting on the acquisition, Stephen Kowal, CEO of Atturra, said:

"The acquisition of Cirrus has strong strategic and cultural alignment with Atturra's industry and service capabilities and is a positive step towards Atturra's vision to be Australia's leading advisory and IT solutions provider. Cirrus will significantly expand Atturra's recurring managed service capabilities and will provide an enlarged and complementary client base with significant future cross-sell opportunities.

Cirrus brings a wealth of expertise in the government and energy & resources industries, having serviced some of the leading names across these sectors respectively, enhancing Atturra's ability to become a market leader in these sectors. We look forward to working with and welcoming the Cirrus team to Atturra."

**Chris McLaughlin, Managing Director of Cirrus, said:**

“The Board of Cirrus believe this transaction represents a compelling opportunity for Cirrus shareholders to realise immediate value and further upside potential via Atturra shares. We believe our deep expertise in our markets and our focus on delivering outstanding outcomes for our clients will be enhanced by the breadth of resources and strong market reputation that Atturra brings. Working with Atturra will provide excellent career opportunities for our team and we look forward to partnering with the organisation going forward.”

**Debt Facility Update**

At implementation of the Scheme, Atturra intends to refinance its existing term debt financing facilities and establish a new \$30.0 million secured revolving debt facility (**New Facility**) with Westpac Banking Corporation (**Westpac**). The cash component of the Scheme funding of approximately \$37.0 million will be majority funded by the New Facility.

Atturra’s existing term loan facilities will commence a new 3-year term from implementation of the Scheme. There will be no material changes to Atturra’s other Westpac facilities.

Atturra’s financing facilities are on terms that Atturra considers to be market standard, including standard conditions precedent to be drawn down.

**Indicative Timetable**

Under the SID, Cirrus will prepare a Scheme Booklet, which subject to appropriate approvals, is expected to be dispatched to Cirrus shareholders in October 2023. The Scheme Booklet will contain more information regarding the Transaction, including the reasons for Cirrus’ Directors’ recommendations, an Independent Expert’s Report and details of the Scheme meeting.

Subject to the receipt of required approvals by Cirrus shareholders and the Court, the Scheme is anticipated to be implemented in December 2023.

### 3.2 Reasonable endeavours

Each of Bidder and Target must use all reasonable endeavours to procure that:

- (a) each of the Conditions Precedent for which it is a party responsible (as noted in **clause 3.1**):
  - (i) is satisfied as soon as practicable after the date of this document; and
  - (ii) continues to be satisfied at all times until the last time it is to be satisfied (as the case may require); and
- (b) there is no occurrence that would prevent the Condition Precedent for which it is a party responsible being satisfied.

### 3.3 Regulatory matters

Without limiting **clause 3.2**, Bidder and Target must:

- (a) **(apply for Regulatory Approvals)** promptly apply for all relevant Regulatory Approvals, including taking all steps required of it as part of the approval process, including responding promptly;
- (b) **(consultation)** consult with the other party in advance in relation to all material written communications with any Government Agency relating to any Regulatory Approval and take into account such amendments to the communications as the other party reasonably requests;

- (c) **(provide information)** promptly provide the other party with all information reasonably requested in connection with Regulatory Approval applications;
- (d) **(keep informed)** keep the other party informed in relation to the progress of the Regulatory Approval applications;
- (e) **(provide copies)** promptly provide to the other party (on a confidential basis) copies of all documents provided to, and all correspondence received from, any Government Agency in relation to any Regulatory Approval,

and in the case of **clauses 3.3(b)** and **3.3(e)**, to the extent it is reasonable to do so, and the parties acknowledge and agree that neither party is required to disclose commercially sensitive information in relation to the application for a Regulatory Approval to the other party and the party applying for a Regulatory Approval may withhold or redact information or documents from the other party if and to the extent that they are either confidential to a third party or commercially sensitive and confidential to the applicant.

### 3.4 Waiver of Conditions Precedent

- (a) A Condition Precedent may only be waived in writing by the party or parties entitled to the benefit of that Condition Precedent as and to the extent noted in **clause 3.1** and is effective only to the extent specifically set out in that waiver.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this **clause 3.4** may do so in its absolute discretion.
- (c) If either Bidder or Target waives the breach or non-fulfilment of all or any portion of a Condition Precedent in accordance with this **clause 3.4**, then:
  - (i) subject to **clause 3.4(c)(ii)**, that waiver precludes that party from suing the other party for any breach of this document arising as a result of the breach or non-fulfilment of that portion of such Condition Precedent (to the extent waived); but
  - (ii) if the waiver of all or any portion of the Condition Precedent is itself conditional and the other party:
    - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with **clause 3.4(c)(i)**; or
    - (B) does not accept the condition, the Condition Precedent or a portion thereof has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:
  - (i) a waiver of a breach or non-fulfilment of any other Condition Precedent arising from the same event; or

- (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

### 3.5 Notices in relation to Conditions Precedent

Each party must:

- (a) **(notice of satisfaction)** promptly notify the other party of satisfaction of a Condition Precedent and must keep the other parties informed of any material development of which it becomes aware that may lead to the breach or non-fulfilment of a Condition Precedent which it is responsible for satisfying; and
- (b) **(notice of failure)** promptly notify the other parties of a breach or non-fulfilment of a Condition Precedent which it is responsible for satisfying, or of any event which prevents the Condition Precedent being satisfied.

Failure to provide a notice required by this **clause 3.5** is not intended to give rise to the failure of a Condition Precedent or any right to terminate this document.

### 3.6 Consultation on failure of Condition Precedent

If:

- (a) there is a breach or non-fulfilment of a Condition Precedent that is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent; or
- (b) there is an act, failure to act or occurrence which prevents a Condition Precedent from being satisfied by the time or date specified in this document for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this document),

the parties must consult in good faith with a view to determine whether both parties wish to pursue the Scheme and, if so:

- (c) whether the Scheme may proceed by way of alternative means or methods;
- (d) to extend the relevant time for satisfaction of the Condition Precedent or to adjourn or change the date of an application to the Court; or
- (e) to extend the End Date.

### 3.7 Failure to agree

If under **clause 3.6** Bidder and Target are unable to reach agreement or do not both wish to pursue the Scheme in each case within 5 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):

- (a) subject to **clauses 3.7(b)**, either party may terminate this document in accordance with **clause 15.1(g)**; or

- (b) if a Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this document in accordance with **clause 15.1(g)**,

in each case before 8.00am on the Second Court Date.

A party is not entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party or a deliberate act or omission of that party in breach of this document.

### **3.8 Scheme voted down because of the Headcount Test**

If the Scheme is not approved by Target Shareholders at the relevant Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and Bidder or Target consider, acting reasonably, that Share Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied then Target must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
- (b) make such submissions to the Court and file such evidence as counsel engaged by Target to represent it in Court proceedings related to the Scheme in consultation with Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

## **4 Outline of Scheme**

### **4.1 Proposal of Scheme**

Target must propose a scheme of arrangement under which:

- (a) all of the Target Shares held by Scheme Participants at the Record Date are transferred to Bidder;
- (b) each Scheme Participant is entitled to receive the Scheme Consideration; and
- (c) otherwise on terms consistent with this document.

### **4.2 Scheme Consideration**

Subject to and in accordance with this document and the Scheme, each Scheme Participant is entitled to receive the Scheme Consideration in respect of each Target Share held by that Scheme Participant.

### **4.3 Provision of Scheme Consideration**

Subject to this document and the Scheme, Bidder undertakes to Target (in its own right and separately as trustee or nominee of each Scheme Participant)

that, in consideration of the transfer to Bidder of each Target Share held by a Scheme Participant, on the Implementation Date:

- (a) Bidder accepts that transfer;
- (b) Bidder provides (or in the case of the Share Consideration procures ATA to provide) each Scheme Participant the Scheme Consideration in accordance with this document, the Deed Poll and the Scheme.

#### 4.4 Entitlement

- (a) Target must ensure that the Scheme Booklet sent to Target Shareholders is accompanied by a form of election under which each Scheme Participant (other than an Ineligible Shareholder who will receive the Maximum Cash Consideration) will be given the opportunity to elect to receive:
  - (i) the **Default Consideration** – whereby the Scheme Participant elects to receive for each Scheme Share they hold:
    - (A) \$0.0398; and
    - (B) 0.0150 ATA Shares.
  - (ii) the **Maximum Cash Consideration** whereby the Scheme Participant elects to receive 100% cash for each Scheme Share (which equals (per Scheme Share) \$0.0398 plus the cash value of the 0.0150 ATA Shares (calculated by reference to the ATA VWAP) and subject to the scale-back mechanism set out in clause 4.5; or
  - (iii) the **Maximum Share Consideration** whereby the Scheme Participant elects to receive 100% of its consideration in ATA Shares (the number of ATA Shares to be issued per Scheme Share calculated as 0.0150 ATA Shares plus the number of ATA Shares that equal \$0.0398 divided by the ATA VWAP (being 0.0452 ATA Shares) and subject to the scale-back mechanism set out in clause 4.6); or
  - (iv) the **Split Consideration** – whereby the Scheme Participant elects to receive for each Scheme Share they hold:
    - (A) \$0.0265; and
    - (B) 0.0301 ATA Shares,
 and subject to the scale-back mechanisms set out in clauses 4.5 and 4.6.
- (b) If a Scheme Participant does not make a valid election it will receive the Default Consideration.
- (c) A Scheme Participant who elects the Default Consideration will receive the Default Consideration in respect of all Scheme Shares held by that Scheme Participant as at the Record Date and will not be subject to any scale-back.

#### 4.5 Scale-back if the Maximum Cash Consideration Pool is exceeded

- (a) Scheme Participants who elect to take the Maximum Cash Consideration may be subject to scale-back so that the total amount of cash paid by Bidder does not exceed the Maximum Cash Consideration Pool (subject only to the effects of rounding).
- (b) If elections made by the Scheme Participants are such that the aggregate amount of cash under the Scheme Consideration that would be required to be paid by Bidder to satisfy the entitlements determined under clause 4.4(a) exceeds the Maximum Cash Consideration Pool, each Scheme Participant who elects to receive Maximum Cash Consideration or Split Consideration (**Relevant Cash Consideration**):

- (i) will only be entitled to receive Relevant Cash Consideration calculated in accordance with the following formula:

$$E = A \times \frac{\text{Maximum Cash Consideration Pool} - C - D}{B}$$

where:

- “**A**” is the aggregate amount of cash the relevant Scheme Participant would have received as part of the Relevant Cash Consideration for all Scheme Shares held by that Scheme Participant as at the Record Date determined under clause 4.4(a);
- “**B**” is the aggregate amount of cash that would have been required to be paid by the Bidder in payment of the Relevant Cash Consideration to satisfy the entitlement determined under clause 4.4(a) for all Scheme Participants who elect to receive Relevant Cash Consideration (but for any scale-back);
- “**C**” is the aggregate amount of cash payable by the Bidder in payment of the cash component of the Default Consideration to satisfy the entitlement determined under clause 4.4(a) for all Scheme Participants who elect to receive Default Consideration;
- “**D**” is the aggregate amount of cash payable by the Bidder in payment of the cash component of the Maximum Cash Consideration under clause 4.4(a) for all Scheme Participants that are Ineligible Shareholders; and
- “**E**” is the cash component that the relevant Scheme Participant is entitled to receive; and

- (ii) will be entitled to receive ATA Shares calculated in accordance with the following formula:

$$E = \frac{A - D}{VWAP}$$

“A” is the aggregate amount of cash the relevant Scheme Participant would have received as part of the Relevant Cash Consideration for all Scheme Shares held by that Scheme Participant as at the Record Date determined under clause 4.4(a);

“D” is the amount of cash the relevant Scheme Participant is entitled to receive as determined under clause 4.5(b)(i);

“E” is the number of ATA Shares that the relevant Scheme Participant is entitled to receive; and

“VWAP” means the ATA VWAP.

#### 4.6 Scale-back if the Maximum Share Consideration Pool is exceeded

- (a) Scheme Participants who elect to take the Maximum Share Consideration may be subject to scale-back so that the total number of ATA Shares issued by Bidder does not exceed the Maximum Share Consideration Pool (subject only to the effects of rounding).
- (b) If the election made by the Scheme Participants are such that the aggregate number of ATA Shares under the Scheme Consideration that would be required to be issued by Bidder to satisfy the entitlements determined under clause 4.4(a) exceeds the Maximum Share Consideration Pool, each Scheme Participant who elects to receive Maximum Share Consideration or Split Consideration (**Relevant Share Consideration**):
- (i) will only be entitled to receive Relevant Share Consideration in respect of the number of Scheme Shares calculated in accordance with the following formula:

$$D = A \times \frac{\text{Maximum Share Consideration Pool} - C}{B}$$

where:

“A” is the aggregate number of ATA Shares the relevant Scheme Participant would have received as part of the Relevant Share Consideration for all Scheme Shares held by that Scheme Participant as at the Record Date determined under clause 4.4(a);

“B” is the aggregate number of ATA Shares that would have been required to be issued by Bidder in payment of the Relevant Share Consideration to satisfy the entitlement determined under clause 4.4(a) for all

Scheme Participants who elect to receive Relevant Share Consideration (but for any scale-back);

“C” is the aggregate number of ATA Shares to be issued by Bidder in payment of the share component of the Default Consideration to satisfy the entitlement determined under clause 4.4(a) for all Scheme Participants who elect or who are deemed to receive Default Consideration; and

“D” is the share component that the relevant Scheme Participant is entitled to receive; and

- (c) will be entitled to receive cash calculated in accordance with the following formula:

$$E = (A - D) \times VWAP$$

“A” is the aggregate number of ATA Shares the relevant Scheme Participant would have received as part of the Relevant Share Consideration for all Scheme Shares held by that Scheme Participant as at the Record Date determined under clause 4.4(a);

“D” is the number of ATA Shares in respect of which the relevant Scheme Shareholder is entitled to receive as determined under clause 4.6(b)(i);

“E” is the amount of cash that the relevant Scheme Participant is entitled to receive; and

“VWAP” means the ATA VWAP.

#### 4.7 Fractional elements

- (a) If the number of Target Shares held by a Scheme Participant at the Record Date is such that the aggregate entitlement of the Scheme Participant to Scheme Consideration:
- (i) comprising New ATA Shares is such that a fractional entitlement to New ATA Shares arises; or
  - (ii) comprising cash is such that a fractional entitlement to a cent arises,

then the entitlement of that Scheme Participant must be rounded up or down with any such fractional entitlement of less than 0.5, being rounded down to the nearest whole number of New ATA Shares (or cents, as applicable), and any such fractional entitlement of 0.5 or more is to be rounded up to the nearest whole number of New ATA Shares (or cents, as applicable).

- (b) If Target and Bidder are of the opinion (acting reasonably) that two or more Scheme Participants (each of whom holds a number of Target Shares which results in rounding in accordance with **clause 4.7(a)**) have,

before the Record Date for the Scheme, been party to Share Splitting in an attempt to obtain unfair advantage by reference to such rounding, if requested by Bidder, Target must give notice to those Scheme Participants:

- (i) setting out their names and registered addresses as shown in the Register;
- (ii) stating that opinion; and
- (iii) attributing to one of them specifically identified in the notice the Target Shares held by all of them,

and, after such notice has been given, the Scheme Participant specifically identified in the notice as the deemed holder of the specified Target Shares is, for the purpose of the provisions of the Scheme, to be taken to hold all of those Target Shares and each of the other Scheme Participants whose names and registered addresses are set out in the notice, for the purposes of the provisions of the Scheme, are to be taken to hold no Target Shares. Bidder, in complying with the provisions of the Scheme relating to it in respect of the Scheme Participant specifically identified in the notice as the deemed holder of all the specified Target Shares, is to be taken to have satisfied and discharged its obligations to the other Scheme Participants named in the notice under the terms of the Scheme.

#### **4.8 Deed Poll**

Bidder (in its own right and as trustee or nominee for each Scheme Participant) and ATA undertake to Target to execute and deliver the Deed Poll prior to the First Court Date and, if the Scheme becomes Effective, to perform the Deed Poll.

#### **4.9 Withholding**

- (a) If Bidder determines (acting reasonably) that it must pay an amount to the Commissioner under Subdivision 14-D of Schedule 1 of the TAA in relation to the acquisition of any Target Shares from a Target Shareholder, Bidder must:
  - (i) determine the Withholding Amount to be paid to the Commissioner in respect of the acquisition of the Target Shares from such Target Shareholder;
  - (ii) deduct the Withholding Amount from the Scheme Consideration payable to such Target Shareholder;
  - (iii) pay the Withholding Amount to the Commissioner within the timeframe required under the TAA; and
  - (iv) if requested in writing by the relevant Target Shareholder, provide a receipt or other appropriate evidence of payment of the Withholding Amount to the Commissioner (or procure the provision

of such receipt or other evidence) to the relevant Target Shareholder.

- (b) The aggregate sum payable to relevant Target Shareholders is not to be increased to reflect deduction of Withholding Amounts and the net aggregate sum payable to those Target Shareholders is to be taken to be full and final satisfaction of Bidder's obligation to pay the Scheme Consideration to those Target Shareholders.
- (c) Either Bidder or Target may approach the ATO to obtain clarification as to the application of the CGT Withholding Law to the Scheme and must provide such information and assistance that either Bidder or Target reasonably requires in making that approach.
- (d) The parties must:
  - (i) consult in good faith as to the application of the CGT Withholding Law to the Scheme; and
  - (ii) use reasonable endeavours to take all actions that are necessary or desirable in relation to the CGT Withholding Law, which may include, without limitation, promptly communicating with any Target Shareholder to obtain a Valid Variation Notice or Withholding Declaration contemplated by the CGT Withholding Law so as to reduce or eliminate the Withholding Amount payable to the Commissioner in respect of any Target Shareholder.

#### **4.10 New ATA Shares to rank equally**

ATA covenants in favour of Target (in its own right and separately as trustee or nominee of each Scheme Participant) that:

- (a) all New ATA Shares issued as Share Consideration (pursuant to **clause 4.3**), upon their issue:
  - (i) rank equally with all other ATA Shares then on issue;
  - (ii) be fully paid and free from any Encumbrance; and
- (b) it will do everything reasonably necessary to ensure that the New ATA Shares issued as Share Consideration are listed for quotation on the Official List and commence trading on a normal settlement basis no later than the first trading day (as defined in the Listing Rules) following the Implementation Date.

#### **4.11 No amendment to the Scheme without consent**

Target must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Bidder.

## 5 Treatment of other Target securities

  - (i) notify each holder of Target Security Interests of the automatic vesting of their Target Security Interests to take effect on the Second Court Date, and of the Condition Precedent contained in clause 3.1(h) of this document);
  - (ii) apply for the ASX Waiver;
  - (iii) and in any event, prior to 8.00am on the Second Court Date, procure that each holder of Target Security Interests has entered into a binding agreement with the Target (subject only to Court approval of the Scheme) providing for:
    - (A) the cancellation (by mutual agreement) of all Target Security Interests held by it, for cash consideration of A\$0.053 per Target Security Interest, with releases in favour of the Target, and otherwise on terms acceptable to the Bidder and the Target; and
    - (B) with such cancellation to take effect on the Business Day immediately prior to the Record Date, such that there will be no Target Security Interests on issue as at the Record Date.

  - (iv) any other purpose which is agreed in writing between the parties (acting reasonably),

provided that compliance with any such request would not, in the reasonable opinion of the party (acting in good faith), result in undue disruption to the party's business; and

- (b) the Target Group will not be required to provide any access or take any action contemplated by this **clause 9.6** to the extent that to do so would breach any applicable law or regulation or any obligations of confidentiality owed to third parties as of the date of this document, or result in the loss of legal privilege or to do so would cause undue disruption to Target Group business provided that the party has, and has caused its Subsidiaries to, use all reasonable endeavours to make appropriate substitute disclosure arrangements under circumstances in which such restrictions apply (including (i) obtaining any required consent from any third party and (ii) redacting such information only to the extent necessary to comply with any law, regulation or obligation of confidentiality or to prevent loss of legal privilege) and to provide such information as to the applicable matter as can be conveyed.

## 9.7 Change of control

- (a) As soon as practicable after the date of this document, the parties must seek to identify any change of control provisions in leases and Material Contracts to which Target or a member of the Target Group is a party which may be triggered by the implementation of the Scheme.
- (b) In respect of any lease or Material Contract identified under **clause 9.7(a)**, the parties agree that:

- (i) Target and Bidder will agree upon a proposed course of action and then jointly initiate contact with the relevant landlord or counterparty and request that they provide any consents required;
- (ii) neither Bidder nor its Representatives may contact any landlord or counterparty without Target's express written approval; and
- (iii) each party must cooperate with, and provide reasonable assistance to, the other party to obtain such consents as expeditiously as possible, including by:
  - (A) promptly providing any information reasonably required by landlords or counterparties; and
  - (B) making its Representatives available, where necessary, to meet with landlords or counterparties to deal with issues arising in relation to the change of control of Target.
- (c) The failure by a member of the Target Group to obtain any non-material landlord or third party consent does not constitute a breach of this document by Target and, together with any consequences that arise, is to be disregarded when assessing the operation of any other provision of this document.

## 10 Target exclusivity

### 10.1 No existing discussions

Target warrants that, other than the discussions with Bidder in respect of the Scheme, it is not currently in negotiations or discussions with any person in respect of any Target Competing Transaction.

### 10.2 No-shop

During the Exclusivity Period, Target must not and must procure that its Representatives do not, directly or indirectly solicit, invite, encourage or initiate any inquiry, expression of interest, offer, proposal or discussion by any person or entity in relation to, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Target Competing Transaction or communicate to any person of an intention to do anything referred to in this **clause 10.2**.

### 10.3 No-talk and no due diligence

Subject to **clause 10.5**, during the Exclusivity Period, Target must ensure that neither it nor any of its Representatives, directly or indirectly:

- (a) participate in or continue any negotiations or discussions with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Target Competing Transaction or participate in or continue any negotiations or discussions

with respect to any actual, proposed or potential Target Competing Transaction;

- (b) negotiate, accept or enter into, or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding any actual, proposed or potential Target Competing Transaction;
- (c) disclose or otherwise provide any non-public or confidential information about the business or affairs of the Target or the Target Group to a third party (other than a Government Authority who has requested it) with a view to obtaining, or which would reasonably be expected to encourage or lead to receipt of, an actual, proposed or potential Target Competing Transaction (including providing such information for the purposes of the conduct of due diligence investigations in respect of the Target or the Target Group whether by that third party or another person); or
- (d) communicate to any person an intention to do anything referred to in this **clause 10.3**.

#### 10.4 Exceptions

Nothing in **clauses 10.2** or **10.3** prevent or restrict the Target Group or its Representatives from:

- (a) making normal presentations to brokers, portfolio investors and analysts in the ordinary course of business or complying with its Continuous Disclosure Obligations; or
- (b) engaging with any of Target Shareholders (in their capacity as Target Shareholders), provided that such engagement does not relate to Target soliciting, inviting or initiating an actual, proposed or potential Target Competing Transaction; or
- (c) fulfilling its continuous disclosure requirements pursuant to the Listing Rules or the Corporations Act.

#### 10.5 Fiduciary exception

**Clause 10.3** does not prohibit any action or inaction by the Target Group or its Representatives in relation to any actual, proposed or potential Target Competing Transaction which the Target Board (or any board committee to which authority to consider the Target Competing Transaction has been delegated) (**Board**) acting in good faith determines that:

- (a) such actual, proposed or potential Target Competing Transaction is a Target Superior Proposal or could reasonably be expected to become a Target Superior Proposal; and
- (b) the failure to take or not take such action would constitute, or would be likely to constitute a breach of the fiduciary or statutory duties of the Board, provided that the actual, proposed or potential Target Competing Proposal was not directly or indirectly brought about by, or facilitated by, a breach of **clause 10.2**.

**10.6 Notice of unsolicited approach**

- (a) During the Exclusivity Period, Target must notify Bidder in writing within 2 Business Days if Target or any of their Representatives becomes aware of any actual, proposed or potential Target Competing Proposal made to Target or any of their Representatives, whether, solicited or unsolicited, and in writing or otherwise, and such notice must, subject to **clause 10.4**, include the following details:
- (i) the fact of the making of the Target Competing Proposal; and
  - (ii) the price implied by the Target Competing Proposal for each Target Share, the key conditions to implementation of that Target Competing Proposal, the identity of the person making the Target Competing Proposal and all other material terms and conditions of the Target Competing Proposal.
- (b) Target must promptly update Bidder of the information set out above if further details about the Target Competing Proposal become known to Target after the date of its initial notice to Bidder under this **clause 10.6**.

**10.7 Matching right**

Without limiting **clauses 10.2** and **10.3**, during the Exclusivity Period, Target:

- (a) must not enter into any agreement, arrangement or understanding in respect of an actual, proposed or potential Target Competing Transaction Proposal;
- (b) must procure that the Target Board does not change its recommendation in favour of the Scheme to publicly recommend an actual, proposed or potential Target Competing Transaction,

unless:

- (c) the Target Board acting in good faith, after taking advice from its outside legal adviser and financial adviser, determines that the Target Competing Transaction constitutes a Target Superior Proposal or would be likely to be an actual, proposed or potential Target Superior Proposal;
- (d) the Target Board, after receiving such legal advice from its external legal advisers, determines that the failure to take such actions specified in **clause 10.7(a)** and/or **10.7(b)** would be reasonably likely to constitute a breach of the Target Board's fiduciary or statutory duties to Target Shareholders;
- (e) Target has provided Bidder with the material terms of the Target Competing Transaction to the extent required by **clause 10.5**;
- (f) for at least 5 Business Days, Target and its Representatives have negotiated in good faith with Bidder and its Representatives, to the extent Bidder wishes to negotiate and make itself reasonably available to negotiate, to enable Bidder to propose revisions to the terms of this document; and

- (g) upon the expiry of such negotiation period, the Target Board has considered in good faith any binding proposed revisions to the terms of this document proposed by Bidder, and has determined in good faith, after taking advice from its outside legal adviser and financial adviser, that such Target Competing Transaction would nevertheless continue to constitute a Target Superior Proposal if such revisions proposed by Bidder were to be given effect and that the failure to take the actions specified in **clause 10.7(a)** and/or **10.7(b)** would be reasonably likely to continue to constitute a breach of the Target Board's fiduciary or statutory duties to Target Shareholders.

Each successive material modification to the terms of any Target Competing Transaction constitutes a new Target Competing Transaction for the purposes of **clause 10.7** and accordingly Target must comply with this **clause 10.7** in respect of any new Target Competing Transaction. Target must use best endeavours to agree amendments to this document that are necessary to reflect the Bidder's revised offer and to implement the Bidder's revised offer as soon as practicable, and procure that each Target Director continue to recommend the Transaction (as revised) (subject to clause 7).

## **10.8 Legal advice**

Each of Bidder and Target acknowledges that it has received legal advice on this document and the operation of this clause.

## **11 Target Break Fee**

### **11.1 Background**

This clause has been agreed in circumstances where:

- (a) Target and Bidder believe that the Transaction provides significant benefits to Bidder, Target, and their respective shareholders, and Target and Bidder acknowledge that, if they enter into this document and the Transaction is subsequently not implemented, Bidder will incur significant costs, including those set out in **clause 11.5**;
- (b) Bidder requested that provision be made for the Target Break Fee, without which Bidder would not have entered into this document;
- (c) both the Bidder Board and Target Board believe that it is appropriate for both parties to agree to the payment referred to in this clause to secure Bidder's participation in the Transaction; and
- (d) both parties have received legal advice on this document and the operation of this **clause 11**.

### **11.2 Payment by Target to Bidder**

Target must pay the Target Break Fee to Bidder without withholding or set off if:

- (a) **(Competing Transaction)** before the Effective Date a Target Competing Transaction is publicly announced or made and within 12 months of the announcement of the Target Competing Transaction, a Target Competing Transaction is completed. However, if paragraph (a)(i) of the definition of Target Competing Transaction applies, the Target Break Fee is only payable to Bidder if the relevant person who acquired the Relevant Interest in or became the holder of 50% or more of Target Shares did not vote in favour of the Scheme at the Scheme Meeting;
- (b) **(change of Target Board recommendation)** Bidder validly terminates this document in accordance with **clause 15.1(b)**, except where the relevant change, withdrawal or modification of the Target Board's recommendation is made:
  - (i) after the Independent Expert concludes that in the opinion of the Independent Expert the Scheme is not in the best interests of Target Shareholders (other than where the reason for such opinion is a Target Competing Transaction); or
  - (ii) because of a requirement or request by a court or a Government Agency that one or more Target Directors abstain or withdraw from making a recommendation that Target Shareholders vote in favour of the Scheme after the date of this document;
  - (iii) in circumstances arising as a result of Bidder's material breach of a term of this document,

provided that, a statement made by Target or the Target Board to the effect that no action should be taken by Target Shareholders pending the assessment of a Target Competing Proposal by the Target Board or the completion of the matching right process set out in **clause 10.7** will not require Target to pay the Break Fee to Bidder;
- (c) **(Target Superior Proposal)** Target validly terminates this document in accordance with **clause 15.1(e)**; or
- (d) **(material breach)** Bidder validly terminates this document in accordance with **clause 15.1(d)**.

### 11.3 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in **clause 11.2**, if the Scheme becomes Effective:

- (a) no amount is payable by Target under **clause 11.2**; and
- (b) if any amount has already been paid under **clause 11.2** it must be refunded by Bidder.

### 11.4 Timing of payment

- (a) A demand by Bidder for payment of the Target Break Fee under **clause 11.2** must:
  - (i) be in writing;

- (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
  - (iii) state the circumstances which give rise to the demand; and
  - (iv) nominate an account in the name of Bidder into which Target must pay the Target Break Fee.
- (b) Target must pay the Target Break Fee to Bidder under **clause 11.2** without withholding or set off within 10 Business Days of receipt by Target of a valid demand for payment from Bidder under **clause 11.4(a)**.
  - (c) The demand may only be made after the occurrence of an event referred to in **clause 11.2**.
  - (d) The Target Break Fee is only payable to Bidder once.

### 11.5 Nature of payment

The Target Break Fee is an amount to compensate Bidder for:

- (a) advisory costs;
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of Bidder's management from conducting Bidder's business as usual caused by pursuing the Transaction;
- (e) reasonable opportunity costs incurred by Bidder in pursuing the Transaction or in not pursuing alternative acquisitions or strategic initiatives which Bidder could have developed to further its business and objectives; and
- (f) damage to Bidder's reputation associated with a failed transaction and the implications of that damage to Bidder's business.

The costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the Target Break Fee.

### 11.6 Limitation of liability

Notwithstanding any other provision of this document, the parties acknowledge and agree that:

- (a) the maximum aggregate monetary liability of Target Group to Bidder under or in connection with this document including in respect of any breach of this document will be the Target Break Fee and in no event will the aggregate monetary liability of Target Group under or in connection with a breach of this document exceed an amount equal to the Target Break Fee; and
- (b) the payment by Target of the Target Break Fee in accordance with **clause 11.2** represents the sole and absolute monetary liability of Target Group to Bidder under or in connection with this document and no further

damages, fees, expenses or reimbursements of any kind will be payable by Target to Bidder under or in connection with this document;

- (c) notwithstanding any entitlement to the Target Break Fee or any other monetary damages, remedy or award, Bidder is entitled to seek specific performance or other equitable remedy or relief (including interlocutory relief) to enforce Target's obligations under this document,

except to the extent that liability arises in connection with any wilful misconduct, wilful concealment or fraud by, or on behalf of, Target.

### **11.7 Modifications required to Target Break Fee**

If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a Court that all or any part of the amount payable under **clause 11.2**:

- (a) is unlawful;
- (b) involves a breach of the duties of the Target Board; or
- (c) constitutes unacceptable circumstances within the meaning of the Corporations Act,

**(Impugned Amount)**

then Target's obligation to pay the Target Break Fee does not apply to the extent of the Impugned Amount and if Bidder has received any part of the Impugned Amount, it must refund it within 10 Business Days of such final determination.

## **12 Bidder Break Fee**

### **12.1 Background**

This clause has been agreed in circumstances where:

- (a) Target and Bidder believe that the Transaction provides significant benefits to Bidder, Target, and their respective shareholders, and Target and Bidder acknowledge that, if they enter into this document and the Transaction is subsequently not implemented, Target will incur significant costs, including those set out in **clause 12.5**;
- (b) Target requested that provision be made for the Bidder Break Fee, without which Target would not have entered into this document;
- (c) both the Bidder Board and Target Board believe that it is appropriate for Bidder and Target to agree to the payment referred to in this clause to secure Target's participation in the Transaction; and
- (d) both Bidder and Target have received legal advice on this document and the operation of this clause 12.

## 12.2 Payment by Bidder to Target

Bidder must pay the Bidder Break Fee to Target without withholding or set off if:

- (a) Target validly terminates this document in accordance with clause 15.1(d); or
- (b) Bidder does not pay or cause to be issued the aggregate Scheme Consideration when it is required to do so in accordance with the terms and conditions of this document, the Scheme and the Deed Poll.

## 12.3 Bidder Break Fee not payable

Notwithstanding anything in, or the occurrence of any event in, **clause 12.2** if:

- (a) the Scheme becomes Effective,  
then:
  - (b) no amount is payable by Bidder under **clause 12.2**; and
  - (c) if any amount has already been paid under **clause 12.2** it must be refunded by Target.

- (a) A demand by Target for payment of the Bidder Break Fee under **clause 12.2** must:
  - (i) be in writing;
  - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
  - (iii) state the circumstances which give rise to the demand; and
  - (iv) nominate an account in the name of Target into which Bidder must pay the Bidder Break Fee.
- (b) Bidder must pay the Bidder Break Fee to Target under **clause 12.2** without withholding or set off within 10 Business Days of receipt by Bidder of a valid demand for payment from Target under **clause 12.4(a)**.
- (c) The demand may only be made after the occurrence of an event referred to in **clause 12.2**.
- (d) The Bidder Break Fee is only payable to Target once.

## 12.5 Nature of payment

The Bidder Break Fee is an amount to compensate Target for:

- (a) advisory costs;
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses;
- (d) the distraction of Target's management from conducting Target's business as usual caused by pursuing the Transaction;

- (e) reasonable opportunity costs incurred by Target in pursuing the Transaction or in not pursuing alternative acquisitions or strategic initiatives which Target could have developed to further its business and objectives; and
- (f) damage to Target's reputation associated with a failed transaction and the implications of that damage to Target's business.

The parties acknowledge that the costs incurred are of a nature that they cannot be accurately quantified and that a genuine pre-estimate of the costs would equal or exceed the Bidder Break Fee.

## 12.6 Limitation of liability

Notwithstanding any other provision of this document, the parties acknowledge and agree that:

- (a) the maximum aggregate monetary liability of Bidder Group (including without limitation ATA) to Target under or in connection with this document including in respect of any breach of this document will be the Bidder Break Fee and in no event will the aggregate monetary liability of Bidder Group under or in connection with a breach of this document exceed an amount equal to the Bidder Break Fee; and
- (b) the payment by Bidder of the Bidder Break Fee in accordance with **clause 12.2** represents the sole and absolute monetary liability of Bidder Group to Target under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by Bidder to Target under or in connection with this document;
- (c) notwithstanding any entitlement to the Bidder Break Fee or any other monetary damages, remedy or award, Target is entitled to seek specific performance or other equitable remedy or relief (including interlocutory relief) to enforce Bidder's obligations under this document,

except to the extent that liability arises in connection with any wilful misconduct, wilful concealment or fraud by, or on behalf of, Bidder.

## 12.7 Modifications required to Bidder Break Fee

If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a Court that all or any part of the amount payable under **clause 12.2**:

- (a) is unlawful;
- (b) involves a breach of the duties of the Bidder Board; or
- (c) constitutes unacceptable circumstances within the meaning of the Corporations Act,

**(Impugned Amount)**

then Bidder's obligation to pay the Bidder Break Fee does not apply to the extent of the Impugned Amount and if Target has received any part of the Impugned Amount, it must refund it within 10 Business Days of such final determination.

## **13 Bidder Warranties**

### 1 Definitions

Unless the context otherwise requires, terms defined in the Scheme have the same meaning when used in this document.

In this document these terms have the following meanings:

<b>Scheme Implementation Deed</b>	The scheme implementation deed entered into between ATA, Bidder and Target on [##] September 2023 with respect to the Scheme and associated matters.
-----------------------------------	--

Corrs Chambers Westgarth

<b>Scheme</b>	The scheme of arrangement under Part 5.1 of the Corporations Act between Target and the Scheme Shareholders, substantially in the form set out in <b>Annexure 1</b> , subject to any alterations or conditions made or required by the Court under subsection 411(6) of the Corporations Act and agreed to in writing by Bidder and the Target.
<b>Target</b>	Target means Cirrus Networks Holdings Limited ACN 103 348 947.

## 1.1 Interpretation

The provisions of clause 11.7 of the Scheme form part of this document as if set out in full in this document, on the basis that references to 'this Scheme' in that clause are references to 'this document', unless the context makes it clear that a rule is not intended to apply.

## 1.2 Nature of Deed Poll

The Bidder and ATA acknowledge that:

- (a) this document may be relied on and enforced by any Scheme Participant in accordance with its terms, even though the Scheme Participant is not party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints the Target and each of its directors and officers (jointly and severally) as its agent and attorney to enforce this document against the Bidder and ATA on behalf of that Scheme Participant.

## 2 Condition precedent and termination

### 2.1 Condition precedent

This document, and the obligations of the Bidder and ATA under this document, are subject to the Scheme becoming Effective on the Effective Date.

### 2.2 Termination

The obligations of the Bidder and ATA under this document will automatically terminate, and the terms of this document will be of no force or effect, if:

- (a) the Scheme Implementation Deed is terminated in accordance with its terms; or
- (b) the Scheme is not Effective by the End Date; or
- (c) the Scheme lapses and becomes of no further force or effect under clause 4 of the Scheme,

unless the Target and the Bidder otherwise agree in writing.

### 2.3 Consequences of termination

- (a) Bidder and ATA are released from their obligations to further perform this document, except those obligations under **clause 7.8**; and

- (a) for termination of the official quotation of Cirrus Shares on ASX; and
- (b) to have itself removed from the official list of ASX.

## 8 Instructions and notification

If not prohibited by law (and including where permitted or facilitated by relief granted by a Governmental Authority), all instructions, notifications or elections by a Scheme Participant to Cirrus that are binding or deemed binding between the Scheme Participant and Cirrus relating to ATA Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on ATA Shares; and
- (c) notices or other communications from Cirrus (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Atturra in its sole discretion), by reason of this Scheme, to be made by the Scheme Participant to ATA and to be a binding instruction, notification or election to, and accepted by, ATA until that instruction, notification or election is revoked or amended in writing addressed to ATA at its registry.

## 9 Power of attorney

Each Scheme Participant, without the need for any further act by any Scheme Participant, irrevocably appoints Cirrus and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of:

### 11.4 No liability when acting in good faith

Without prejudice to the parties' rights under the Scheme Implementation Deed, none of ATA, Atturra or Cirrus, nor any of their respective officers, will be liable for anything done or omitted to be done in the performance of this Scheme in good faith.
