Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://www.siteminder.com/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2024 Annual General Meeting (**2024 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2024 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2024 AGM. All of the Directors who were in office when the 2024 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Election of Directors

Resolution 2 – Re-election of Leslie Szekely as Director

Rule 6 of the Company's Constitution requires that at each annual general meeting one-third of the Directors, rounded down, if necessary, to the nearest whole number, must retire from office. The retiring Directors must not be a Chief Executive or Managing Director. The Directors to retire at the annual general meeting are those who have been in office the longest since their last election.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Leslie Szekely was appointed a Director of the Company on 26 March 2012 and has not sought re-election since appointment. The Board does not consider Leslie Szekely to be an independent director.

Under this Resolution, Leslie Szekely has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Directors' recommendation

The Directors (excluding Leslie Szekely) recommend that Shareholders vote for this Resolution.

Resolution 3 – Re-election of Paul Wilson as Director

Rule 6 of the Company's Constitution requires that at each annual general meeting one-third of the Directors, rounded down, if necessary, to the nearest whole number, must retire from office. The retiring Directors must not be a Chief Executive or Managing Director. The Directors to retire at the annual general meeting are those who have been in office the longest since their last election.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Paul Wilson was appointed a Director of the Company on 07 May 2012 and has not sought re-election since appointment. The Board does not consider Paul Wilson to be an independent director.

Under this Resolution, Paul Wilson has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Paul Wilson is a member of the Audit and Risk Committee and a member of the People and Culture Committee.

Grant of Long Term Incentive awards

Resolution 4 – Long Term Incentive awards to the MD and CEO, Mr Sankar Narayan

Background

The Company operates the EEIP under which eligible executives (including the MD and CEO) may receive grants of Options or Performance Rights (being entitlements to acquire Shares), subject to meeting certain performance and service conditions. SiteMinder currently weights executive remuneration structures towards a substantial portion of total target remuneration being at risk. This supports Executives' alignment with shareholder interests, as well as Executive retention.

For FY2024, the LTI component of both the CEO and CFO's remuneration package was reviewed to bring their overall remuneration package closer to the median of the peer group. As a result, the CEO's maximum LTI opportunity as a percentage of TFR increased to 200% as of 1st January 2023, from 100% in FY2023. The MD and CEO's base remuneration has not been increased for FY2024 compared to FY2023 given the increase in variable compensation that had taken effect from 1st January 2023 in line with other Senior Executives.

Resolutions 4(a) and 4(b) seek approval for the annual allocation of the grant of Options and Performance Rights to the MD and CEO under the existing EEIP scheme. The grants are in respect of the long-term variable component of his remuneration package for the 2024 financial year (**FY2024 LTI**), on the terms summarised below.

The Board proposes that the MD and CEO will receive:

- (a) 356,129 Options – equivalent to the value of 75% of the MD and CEO's FY2024 LTI opportunity.

Each Option is a right to receive one Share upon exercise and payment of the exercise price, subject to the satisfaction of the service-related vesting condition. The terms of the Options are summarised in Explanatory Notes for Resolution 4(a) below; and

- (b) 48,952 Performance Rights - equivalent to the value of 25% of the MD and CEO's FY2024 LTI opportunity.

Each Performance Right is a right to receive one Share, subject to the satisfaction of the performance and service-related conditions over the performance period. The terms of the Performance Rights are summarised in Explanatory Notes for Resolution 4(b) below.

Options and Performance Rights are proposed to be granted under the EEIP because it provides immediate share price exposure as well as a focus on increasing share price.

A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

Approvals sought

ASX Listing Rule 10.14 requires the Company to obtain Shareholder approval for the issue of securities to a Director under an employee incentive scheme. The Company wishes to have flexibility to satisfy Options and Performance Rights by way of issuing new Shares or acquiring Shares on-market.

Accordingly, Shareholders are asked to approve the grant of 356,129 Options and of 48,952 Performance Rights to the MD and CEO under the EEIP, on the terms and conditions set out below. Approval of this resolution will also result in the Options and Performance Rights granted to the MD and CEO being included as an exception to the approval requirements of ASX Listing Rule 7.1. This means the Options and Performance Rights granted to the MD and CEO, and any other Shares issued pursuant to this approval, will not use up part of the 15% limit available under ASX Listing Rule 7.1. Subject to Shareholder approval being obtained, the Options and Performance Rights will be issued to Mr Sankar Narayan within 12 months of the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules), and it is anticipated that the Options and Performance Rights will be issued on one date.

If approval is not obtained from Shareholders, then the Board will consider whether to proceed with the grant, make the grant on different terms or acquire Shares on-market to satisfy exercised Options and vested Performance Rights.

Voting

Note that a voting exclusion applies to Resolutions 4(a) and 4(b) in the terms set out in the Notice of Meeting. In particular, the MD and CEO and other Restricted Voters must not vote on these Resolutions and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolutions 4(a) and 4(b) are connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolutions 4(a) and 4(b).

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on these Resolutions.

Resolution 4(a) – Grant of Options to the MD and CEO, Mr. Sankar Narayan, in respect of the FY2024 LTI

Resolution 4(a) seeks approval for the grant of 356,129 Options to the MD and CEO in respect of 75% of his FY2024 LTI. Approval is being sought pursuant to ASX Listing Rule 10.14.1, as the MD and CEO is a director of the Company.

An overview of the key terms of the proposed grant of Options to the MD and CEO under the FY2024 LTI are set out below.

Term	Details
Number of Options	<p>Subject to Shareholder approval, the MD and CEO will be granted 356,129 Options under the EEIP, as set out below.</p> <p>The MD and CEO's LTI Opportunity for FY2024 is 200% of Fixed Remuneration, of which 150% will be granted as Options.</p> <p>The total number of Options to be granted has been calculated by dividing 150% of the MD and CEO's maximum FY2024 LTI Opportunity (which comes to a value of \$665,250), by the fair value of an Option following release of the Company's annual results for FY2023 (being \$1.868 per Option). This valuation has been carried out by the Company.</p>

Term	Details
	The MD and CEO will not be required to pay any consideration to be granted the Options.
Date of grant	Within 12 months of the AGM.
Options	<p>Each Option is a right to receive one Share following valid exercise, subject to satisfaction of the vesting condition.</p> <p>Options do not carry any dividend or voting rights, or in general, a right to participate in other corporate actions such as bonus issues.</p> <p>Options are not transferable (except in limited circumstances or with the consent of the Board).</p>
Exercise price per Option	The exercise price per Option is \$4.53, which is based on the VWAP of the Company's ordinary Shares over the five (5) trading days following release of the Company's annual results for FY2023.
Exercise period	From 1 July 2026 to the Last Exercise Date.
Last Exercise Date	Ninety (90) days following release of the Company's full year results for FY2028.
Vesting date and vesting condition	Options will vest on 1 July 2026, subject to the MD and CEO's continued employment up to that date.
Settlement of Options	<p>Following valid exercise and payment of the exercise price, one Share will be allocated for each vested Option that is exercised.</p> <p>The Company's obligation to allocate Shares following exercise may be satisfied by issuing new Shares, acquiring Shares on-market, or by transferring from an employee share trust.</p> <p>Net settlement:</p> <p>Instead of paying the exercise price, the MD and CEO may elect to "net-settle" his vested Options on exercise. Where this election to "net-settle" is made, the Company will allocate the net number of Shares to the MD and CEO, taking the value of the aggregate exercise price into account.</p> <p>The net number of Shares will be calculated by subtracting the aggregate exercise price from the value of the Shares to be transferred.</p>
Cessation of employment	<p>In general, if the MD and CEO ceases employment with the Company, the treatment of his Options will depend on the circumstances of his cessation of employment.</p> <p>Where the MD and CEO ceases employment with the Company due to resignation, dismissal for cause or poor performance, or any other circumstances determined by the Board that would constitute a "bad leaver", any Options (whether unvested or vested) held by the MD and CEO will lapse on the date the MD and CEO ceases employment with the Company, unless the Board determines otherwise.</p> <p>Where the MD and CEO ceases employment with the Company for any other reason (which includes redundancy, total and permanent disablement, mental or terminal illness, or death), any vested Options will continue in force and remain exercisable until the Last Exercise Date, unless the Board determines otherwise. <table border="1"> <thead> <tr> <th>TSR rank in bespoke peer group</th> <th>Performance Rights subject to Relative TSR measure that vest (%)</th> </tr> </thead> <tbody> <tr> <td>Less than 50th percentile (below threshold)</td> <td>0%</td> </tr> <tr> <td>Equal to 50th percentile (threshold)</td> <td>50%</td> </tr> <tr> <td>Greater than 50th percentile but less than 75th percentile (between threshold and maximum)</td> <td>Straight line pro-rata between 50% and 100%</td> </tr> <tr> <td>At or above 75th percentile (maximum)</td> <td>100%</td> </tr> </tbody> </table>			TSR rank in bespoke peer group	Performance Rights subject to Relative TSR measure that vest (%)	Less than 50th percentile (below threshold)	0%	Equal to 50th percentile (threshold)	50%	Greater than 50th percentile but less than 75th percentile (between threshold and maximum)	Straight line pro-rata between 50% and 100%	At or above 75th percentile (maximum)	100%

Term	Details
	material acquisitions or corporate activity during the performance period, such that a participant is neither advantaged nor disadvantaged by matters that may materially affect achievement of the Relative TSR measure.
Performance period	Relative TSR will be tested over a 36-month performance period (from 1 July 2023 to 30 June 2026). Any Performance Rights that do not vest following testing will lapse.
Exercise and allocation of Shares	Following determination of the extent to which the performance measures have been satisfied (at the end of the performance period), vested Performance Rights will be automatically exercised, and one Share will be allocated for each vested Performance Right that is exercised. The Company's obligation to allocate Shares on vesting and automatic exercise may be satisfied by issuing new Shares, acquiring Shares on-market or by transferring from an employee share trust.
Dividend equivalent payment	Upon vesting of the Performance Rights, the MD and CEO will be granted a dividend equivalent payment in the form of additional Shares. The dividend equivalent will only be paid in respect of those Performance Rights that vest. This payment will be equivalent to the value of the dividends that would have been paid on the Shares underlying the Performance Rights prior to vesting, divided by the market price of a Share at the time of allocation of the additional Shares.
Price payable for securities	No amount is payable in respect of the grant of Performance Rights, nor in respect of any Shares allocated on exercise of vested Performance Rights.

Where the MD and CEO ceases employment with the Company due to resignation, dismissal for cause or poor performance, or any other circumstances determined by the Board that would constitute a "bad leaver", any Performance Rights held by the MD and CEO will lapse on the date the MD and CEO ceases employment with the Company. Where the MD and CEO ceases employment with the Company for any other reason (which includes redundancy, total and permanent disablement, mental or terminal illness, or death), all unvested Performance Rights will continue on the same terms, unless the Board determines otherwise. The number of Performance Rights that vest will be pro-rated to reflect the period of time that has elapsed from the grant date to the date of cessation. The Board retains discretion to determine a different treatment for the MD and CEO's Performance Rights on cessation of employment.
Malus / Clawback	The EEIP provides the Board with the ability to apply malus/clawback and forfeit Performance Rights or Shares in certain circumstances, including fraud, gross misconduct or material misstatement of financial records.
Change of control	In general, where a change of control event occurs (including a takeover, scheme of arrangement or winding-up of the Company), the Board may determine how Performance Rights will vest, including (but not limited to): (a) determining that Performance Rights (or a portion of Performance Rights) will vest; and/or (b) reducing or waiving the vesting conditions on Performance Rights.
Other information	There is no loan scheme in relation to the grant of Performance Rights under the EEIP. Details of any Performance Rights granted under the EEIP will be published in the Annual Report relating to the period in which they were granted, along with a statement that approval for the grant was obtained under Listing Rule 10.14. Any additional people covered by ASX Listing Rule 10.14 who become entitled to participate in a grant of Performance Rights under the EEIP after this Resolution 4 (b) is approved, and who were not named in this Notice of Meeting, will not participate until approval is obtained under that rule.
