ABOUT JAXSTA

Jaxsta is the world's only official music credits database. It contains more than 355 million official, deep-linked music credits across 110 million pages, sourced from over 366 data partners, including record labels, publishers and industry associations. Jaxsta's data is mapped to the world's charts and can provide world-first insights including custom repertoire reports to ensure industry organizations can map music ownership and revenue. Jaxsta is a key solution to the music industry's metadata problem.

ABOUT VINYL.COM

Vinyl.com is a record store with a difference. Vinyl.com is a global marketplace where Creators and Music Fans can connect and collect. Vinyl.com is an online record store that allows you to easily buy your favourite record while allowing you to dig through liner notes as though you're diggin' through crates, exploring who did what on each album and more. Our offer to music fans is an extensive catalog of over 50,000 records across all genres, powered by Official Music Credits, verifying every creative contribution on every recording. Vinyl.com will ensure that everyone is recognised - main artists, songwriters, producers, composers, engineers, musicians and all roles. Vinyl.com has a clear vision of the experience that should be expected with this iconic url and is expanding beyond selling vinyl records to include merchandise, tickets, digital collectibles and experiences that connect fans with creators.
