SPECIAL ITEMS OF BUSINESS

Item 5. Issue of Performance Rights to Managing Director

Resolution 5 seeks approval, for the purposes of ASX Listing Rule 10.14 and for all other purposes, for the issue of 669,683 Indeterminate Performance Rights (Rights) under the Company's Long-Term Incentive Plan (LTIP) to the Company's Managing Director, Mr Quinton Hildebrand, and for the issue of ordinary shares in the Company upon vesting of those Rights.

The Company seeks the approval for the grant of Rights pursuant to ASX Listing Rule 10.14, which requires shareholder approval to be obtained prior to the issue of any equity securities to certain persons including Directors. If approval is granted under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1. Details and key terms of the grant are set out below.

If shareholder approval is obtained, the Company will issue the Rights to Quinton Hildebrand within three years of the date of the Meeting. If shareholder approval is not obtained, the Board will review feedback received from investors and consider alternative arrangements to appropriately remunerate and incentivise the Managing Director, which may include replacing the equity component of the LTIP with a cash-based incentive.

5.1 Background

The LTIP was introduced in October 2006 and Quinton Hildebrand is presently the only Director of the Company entitled to participate in this Plan.

The participation of Quinton Hildebrand (and other selected executives of the Company) in the LTIP is a result of the Company's decision to provide long-term rewards that are linked to shareholder returns. Under the LTIP, selected executives and the Managing Director may be offered a number of Rights. Each Right provides the entitlement on vesting to acquire one fully paid ordinary share in the Company (**Share**) for nil consideration payable.

The number of Rights to be offered to participating executive employees is determined as a fixed percentage of the executive's fixed remuneration using a monetary valuation for each Right equivalent to the VWAP of Ridley shares traded during the five-day period immediately prior to the effective date of grant. For the Managing Director, the maximum fixed percentage of the fixed remuneration is 170%, divided into two tranches. The first tranche, Tranche A, represents 70% of his total fixed remuneration of \$772,500 (inclusive of superannuation) while the second tranche, Tranche B, represents 100% of

the total fixed remuneration. In addition to total fixed remuneration and long-term incentive entitlements, the Managing Director is entitled to participate in the Company's short-term incentive plan with a maximum opportunity of 150% of his total fixed remuneration (representing an increase of 50% from 100% to 150% from 1 July 2023), representing a maximum monetary award entitlement of \$1,158,750.

Under the LTIP, Rights vest at the conclusion of a three-year performance period commencing on the effective date of grant (Performance Period), provided both of the following performance criteria are met:

- that the employee is employed by the Company or another company within the Ridley Consolidated Group on the date of vesting (subject to certain exceptions including where employment ceases due to death, disability or redundancy); and
- that the Company achieves a target performance level, as measured by reference to the Return on Funds Employed (ROFE) over the three-year Performance Period for Tranche A and to the Company's Absolute Total Shareholder Return (TSR) over the three-year Performance Period for Tranche B.

With an effective grant date of 1 July 2023, the Performance Period for the Rights will be from 1 July 2023 to 30 June 2026.

ROFE is calculated as being the average annualised Ridley Consolidated EBITDA for the Performance Period divided by the average of the funds employed at the start and end of that Performance Period.

TSR is expressed as a percentage and calculated as the sum of the cents per share increase in the Share price from the effective date of grant (being 1 July 2023) to the last day of the three-year Performance Period (being 30 June 2026) plus the aggregate of cents per share dividends paid throughout the Performance Period, divided by the Share price at the effective date of grant. All Share prices adopted in the calculations comprise the five-day VWAP immediately prior to the relevant start and end dates of the Performance Period.

The first \$1,000 of value for vested Rights is paid to the employee in cash, with the remainder settled through the issue of Shares, with the allotment to exclude that number of Shares which is equivalent at the time of vesting to the \$1,000 of value paid in cash.

Under the LTIP rules, where a participant ceases to be an employee (and is not immediately employed by another company within Ridley) or submits a letter of resignation prior to the completion of a Performance Period, other than because of a Qualifying Reason, any Rights of the participant in relation to that Performance Period expire at the earlier time of termination or the submission of the letter of resignation, and the participant is treated as having never held those Rights.

Where a participant ceases to be an employee (and is not immediately employed by another company within the Ridley Consolidated Group) or submits a letter of resignation prior to the completion of a Performance Period due to a Qualifying Reason, any Rights of the participant in relation to that Performance Period are forfeited in the same proportion as the remainder of the Performance Period bears to the three-year Performance Period, and the surviving Rights are tested for possible vesting at the date of the employee's departure.

In addition, the LTIP rules provide that where the participant is dismissed from employment for cause, or acts fraudulently or dishonestly or is in breach of duty to a company within the Group or has brought a company within the Group into serious disrepute (in the Board's reasonable opinion) then the Participant will forfeit any right or interest in the Rights or Shares issued.

A summary of the terms of the LTIP is set out in Schedule 1 to this Notice of Meeting and can also be found in the Remuneration Report on pages 31 to 40 of the Company's 2023 Annual Report. A copy of the LTIP Rules will be made available free of charge if requested by a shareholder from the Company Secretary.

5.2 Terms of the proposed issue of Rights

Timing of issue

If approved by shareholders, the Rights will be issued before 31 December 2023.

Consideration for issue and vesting

The Rights issued to Quinton Hildebrand will be issued for nil consideration payable, and each Right will provide Quinton Hildebrand with the entitlement on vesting to acquire one fully paid ordinary share in the Company for nil consideration. As noted above, the first \$1,000 of value for vested Rights is paid to the employee in cash, with the remainder settled through the issue of Shares.

Maximum number of Rights

The maximum number of Rights which may be acquired by Quinton Hildebrand under the shareholder approval being sought is 669,683 being the number of Performance Rights under the Ridley Corporation LTIP equal in value to 170% of the fixed remuneration of the Company's Managing Director as at, and valued at the \$1.961 VWAP of Ridley shares traded in the five days immediately prior to, the 1 July 2023 effective date of grant.

Details of Rights previously granted under the LTIP to Directors or their Associates

Quinton Hildebrand is presently the only Director of the Company entitled to participate in the LTIP. Quinton Hildebrand currently holds 1,762,178 Rights which were issued following receipt of shareholder approval at the 2021 and 2022 Annual General Meetings.

No Director of the Company, nor any Associate of any such Director, has received any Rights since the date of the last approval of Rights to Quinton Hildebrand at the 2022 Ridley Annual General Meeting.

Performance hurdles

The number of Rights that vest and Shares to be allocated to the Managing Director at the end of the Performance Period is to be determined by reference to the following hurdles:

Tranche A: ROFE measured as EBITDA / Funds Employed

Performance hurdles	Potential vesting
< 20%	Nil% of Tranche A Rights.
20%	50% of Tranche A Rights.
20% – 27.5%	50% – 100% of Tranche A Rights on a pro rata straight line basis.
>27.5%	100% of Tranche A Rights.

Tranche B: Total Shareholder Return

Performance hurdles	Potential vesting
< 30%	Nil% of Tranche B Rights.
30%	50% of Tranche B Rights.
30% – 52%	50% – 100% of Tranche B Rights on a pro rata straight line basis.
> 52%	100% of Tranche B Rights.

On this basis, the Managing Director will receive his full entitlement to Shares with respect to Tranche A if the Company achieves an EBITDA to Funds Employed percentage of 27.5% or more over the Performance Period.

On this basis, the Managing Director will receive his full entitlement to Shares with respect to Tranche B if the Company achieves a Total Shareholder Return over the entire three-year Performance Period in excess of 52%.

If the Company's EBITDA to Funds Employed is less than 20% at the end of the three-year Performance Period, then all Tranche A Rights will lapse and be cancelled. If the Company's Total Shareholder Return for the three-year Performance Period is less than 30%, then all Tranche B Rights will lapse and be cancelled.

SPECIAL ITEMS OF BUSINESS continued

5.3 Other information

A voting exclusion statement is set out immediately beneath Resolution 5 on page 3 of this Notice of Meeting.

Quinton Hildebrand is a Director of the Company and therefore falls within the category in ASX Listing Rule 10.14.1.

No loans have been or will be provided by the Company in relation to the issue of Rights to, or the vesting of Rights by, Quinton Hildebrand under the LTIP.

Details of any Rights issued to a Director or their Associates under the LTIP will be published in the Company's Annual Report relating to the period in which they were issued, which will also contain a statement that shareholder approval for the issue of the Rights was obtained under ASX Listing Rule 10.14.

Any person other than Quinton Hildebrand who becomes entitled to participate in the LTIP, and who requires approval to participate in the LTIP under ASX Listing Rule 10.14, will not be issued Rights until that approval is obtained under ASX Listing Rule 10.14.

Recommendation

The Board, other than Quinton Hildebrand, recommends that shareholders vote in favour of this Resolution 5 and the Chair will be voting any available and undirected proxies in favour of it.

Item 6. Issue of Performance Rights under the Special Purpose Retention Incentive Plan to the Managing Director

Resolution 6 seeks approval, for the purposes of ASX Listing Rule 10.14 and for all other purposes, for the issue of 1.5 million Indeterminate Performance Rights (**Special Purpose Rights**) under the Company's Special Purpose Retention Incentive Plan (**SPRIP**) to the Company's CEO and Managing Director, Mr Quinton Hildebrand (**Managing Director**), and for the issue of ordinary shares in the Company upon vesting of those Special Purpose Rights.

The Company seeks the approval for the grant of Special Purpose Rights pursuant to ASX Listing Rule 10.14, which requires shareholder approval to be obtained prior to the issue of any equity securities to certain persons including Directors. If approval is granted under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1. Details and key terms of the grant are set out below.

If shareholder approval is obtained, the Company will issue the Special Purpose Rights to the Managing Director within three years of the date of the Meeting. If shareholder approval is not obtained, the Board will review feedback received from investors and consider alternative arrangements to appropriately remunerate and incentivise the Managing Director, which may include replacing the equity component of the SPRIP with a cash-based incentive.

6.1 Background

A summary of the terms of the SPRIP terms is set out in Schedule 2 to this Notice of Meeting and can also be found in the Remuneration Report on pages 31 to 40 of the Company's 2023 Annual Report. A copy of the SPRIP Rules will be made available free of charge if requested by a shareholder from the Company Secretary.

The granting, subject to shareholder approval, of 1.5m Special Purpose Rights under the SPRIP is a component of a special retention arrangement for the Managing Director announced in May 2023, facilitating a one-off, three-year retention incentive, reviewed and recommended by the Remuneration and Nominations Committee and approved by the Board. The SPRIP rules were formally approved by the Board on 16 August 2023.

The grant of Special Purpose Rights, subject to shareholder approval, will be made in recognition of a competitive market for executive talent in the industry coupled with strong and sustained performance over the past four years. The allocation of the 1.5m Special Purpose Rights represents an 'at risk' special retention arrangement (subject to receipt of shareholder approval), linking long-term rewards to shareholder returns, to incentivise the Managing Director's ongoing leadership in positioning the Company for future growth.

The Special Purpose Rights granted under the SPRIP are subject to performance criteria being met and the conditions that the Managing Director remains employed by the Company as CEO and Managing Director for a three-year Performance Period commencing on 1 July 2023, and does not resign prior to 30 June 2025. Details of the Managing Director's total remuneration package are outlined in Item 5.1 of the Explanatory Memorandum.

Under the SPRIP, only an 'Eligible Employee' (being a full-time, executive director in the role of Chief Executive Officer and Managing Director of the Company) may participate in the Plan such that the Managing Director may be offered a number of Special Purpose Rights. Each Special Purpose Right provides the entitlement on vesting to acquire one fully paid ordinary share in the Company (**Share**) for nil consideration payable. The role of Managing Director is the only role that entitles an employee to participate in the SPRIP and with no other Director or employee entitled to participate.

The number of Special Purpose Rights to be offered to the Managing Director is up to 1.5 million, subject to shareholder approval of this Resolution 6.

The number of Special Purpose Rights to be offered to the Managing Director is up to 1.5 million, subject to shareholder approval of this Resolution 6. Quinton Hildebrand has not been issued any Special Purpose Rights previously under the SPRIP.

Under the SPRIP, Special Purpose Rights vest at the conclusion of a three-year Performance Period commencing on the effective date of grant, provided both of the following performance criteria are satisfied:

- that the Managing Director is employed by the Company as CEO and Managing Director on the date of vesting (subject to certain exceptions including where employment ceases due to death, disability or redundancy) and has not resigned prior to 30 June 2025; and
- that the Company achieves a target performance level, as measured by reference to the Return on Funds Employed (**ROFE**) over the three-year Performance Period for Tranche A and to the Company's Absolute Total Shareholder Return (**TSR**) over the three-year Performance Period for Tranche B.

With an effective grant date of 1 July 2023, the Performance Period for the Special Purpose Rights will be from 1 July 2023 to 30 June 2026.

ROFE is calculated as being the average annualised Ridley Consolidated EBITDA for the Performance Period divided by the average of the FE at the start and end of that Performance Period.

TSR is expressed as a percentage and calculated as the sum of the cents per share increase in the Share price from the effective date of grant (being 1 July 2023) to the last day of the three-year Performance Period (being 30 June 2026) plus the aggregate of cents per share dividends paid throughout the Performance Period, divided by the Share price at the effective date of grant. All Share prices adopted in the calculations comprise the five-day VWAP immediately prior to the relevant start and end dates of the Performance Period.

The first \$1,000 of value for vested Special Purpose Rights is paid to the Managing Director in cash, with the remainder settled through the issue of Shares, with the allotment to exclude that number of Shares which is equivalent at the time of vesting to the \$1,000 of value paid in cash.

The SPRIP rules provide that where the Eligible Employee is dismissed from employment for cause, or acts fraudulently or dishonestly or is in breach of duty to a company within the Group or has brought a company within the Group into serious disrepute (in the Board's reasonable opinion) then the Eligible Employee will forfeit any right or interest in the Rights or Shares issued.

Under the SPRIP rules, where a participant ceases to be an Eligible Employee or submits a letter of resignation more than 12 months prior to the test date for vesting (i.e. prior to 30 June 2025), other than because of a Qualifying Reason, any Special Purpose Rights of the participant in relation to that Performance Period expire at the time of cessation of employment and the participant is treated as having never held those Special Purpose Rights.

Where the Managing Director ceases to be an Eligible Employee or submits a letter of resignation more than 12 months prior to at the test date for vesting, due to a Qualifying Reason, any Special Purpose Rights of the participant in relation to that Performance Period are forfeited in the same proportion as the remainder of the Performance Period bears to the three-year Performance Period, and the surviving Special Purpose Rights are tested for possible vesting at the date of the Eligible Employee's departure.

6.2 Terms of the proposed issue of Special Purpose Rights

Timing of issue

If approved by shareholders, the Special Purpose Rights will be issued before 31 December 2023.

Consideration for issue and vesting

The Special Purpose Rights issued to the Managing Director will be issued for nil consideration payable, and each Special Purpose Right will provide the Managing Director with the entitlement on vesting to acquire one fully paid ordinary share in the Company for nil consideration. As noted above, the first \$1,000 of value for vested Special Purpose Rights is paid to the Managing Director in cash, with the remainder settled through the issue of Shares.

Maximum number of Special Purpose Rights

The maximum number of Special Purpose Rights which may be acquired by the Managing Director under the shareholder approval being sought is 1.5 million being the number of Special Purpose Rights approved by the Board under the Ridley Corporation SPRIP.

Performance hurdles

The number of Special Purpose Rights that vest and Shares to be allocated to the Managing Director under the SPRIP at the end of the Performance Period is to be determined by reference to the following hurdles:

Tranche A: ROFE measured as EBITDA / Funds Employed

Performance hurdles	Potential vesting
< 20%	Nil% of Tranche A Rights.
20%	50% of Tranche A Rights.
20% – 27.5%	50% – 100% of Tranche A Rights on a pro rata straight line basis.
>27.5%	100% of Tranche A Rights.

Tranche B: Total Shareholder Return

Performance hurdles	Potential vesting
< 30%	Nil% of Tranche B Rights.
30%	50% of Tranche B Rights.
30% – 52%	50% – 100% of Tranche B Rights on a pro rata straight line basis.
> 52%	100% of Tranche B Rights.

On this basis, the Managing Director will receive his full entitlement to Shares if the Company achieves an EBITDA to Funds Employed percentage of 27.5% or more over the Performance Period.

On this basis, the Managing Director will receive his full entitlement to Shares with respect to Tranche B if the Company achieves a Total Shareholder Return over the entire three-year Performance Period in excess of 52%.

If the Company's EBITDA to Funds Employed is less than 20% at the end of the three-year Performance Period, then all Tranche A Rights will lapse and be cancelled. If the Company's Total Shareholder Return for the three-year Performance Period is less than 30%, then all Tranche B Rights will lapse and be cancelled.

6.3 Other information

A voting exclusion statement is set out immediately beneath Resolution 6 on page 4 of this Notice of Meeting.

The Managing Director is a Director of the Company and therefore falls within the category in ASX Listing Rule 10.14.1.

No loans have been or will be provided by the Company in relation to the issue of Special Purpose Rights to, or the vesting of Special Purpose Rights by, the Managing Director under the SPRIP.

Details of any Rights issued to the Managing Director (as a Director) or his Associates under the SPRIP will be published in the Company's Annual Report relating to the period in which they were issued, which will also contain a statement that shareholder approval for the issue of the Special Purpose Rights was obtained under ASX Listing Rule 10.14.

Recommendation

The Board, other than the Managing Director, recommends that shareholders vote in favour of this Resolution 6 and the Chair will be voting any available and undirected proxies in favour of it.

SCHEDULE 1

Summary of the terms of the Ridley Corporation Limited Long-Term Incentive Plan (LTIP)

A summary of the key terms and conditions of the LTIP is set out below. A copy of the LTIP Rules will be made available free of charge by the Company if requested by a shareholder. All requests should be addressed to the Company Secretary.

Capitalised terms used in this summary have the meaning in the LTIP Rules, unless otherwise indicated.

Performance Rights

Under the LTIP, the Board of the Company may issue Rights to eligible employees, where a Right means any right of a LTIP participant to be allocated a fixed cash payment of \$1,000 (in respect of the first \$1,000 of value for vested Rights) plus (in respect of the balance of the value of the entitlement) such number of fully paid ordinary shares in the Company (Shares) as is equal to one Share per vested Right, subject to achievement of certain performance criteria.

The number of Rights granted to a holder represents the maximum number of Shares that the holder may acquire under the LTIP on vesting of the Rights. The offer and allocation of Rights may comprise up to two tranches, Tranche A and Tranche B, each of which will be subject to separate performance hurdles. The actual number of Shares that could be acquired by the holder on vesting of the Rights depends on satisfaction of the relevant performance criteria (explained below). On this basis, the number of Shares allocated to the holder on vesting of Rights under the LTIP may be lower, but cannot be higher, than the number of Rights held.

Entitlement to participate

The Board may in its absolute discretion make an offer of Rights to an Eligible Employee selected by the Board, on the terms and conditions determined by the Board. An Eligible Employee means, in relation to such an offer, any employee of the Ridley Consolidated Group (excluding a Non-Executive Director of the Company but including a full or part-time Executive Director, employee, consultant, officer or contractor of the Company or any other company within the Ridley Consolidated Group) who is invited by the Board to participate in the LTIP.

Vesting of Rights and allocation of Shares

The Performance Period for a grant of Rights is the period of time over which the Performance Criteria, each as specified in the offer letter, must be satisfied. The date upon which the Performance Period ends is referred to as the Test Date. The Company's performance as at the Test Date will be tested in accordance with the Performance Criteria (set out below). Having regard to such performance, the Company will determine the number of Shares to be allocated to a holder (if any).

Once the Company has determined the number of Shares that it is required to allocate, it will make that allocation as soon as reasonably practicable.

Performance Criteria

In order for the Rights to vest and Shares to be allocated to a holder, the following Performance Criteria will need to be satisfied:

(a) Employment Condition

Either the holder must still be employed by the Company at the Test Date, or their employment with the Company will need to have ceased prior to that date for a 'Qualifying Reason', defined in the LTIP Plan Rules as:

- (i) the death, total and permanent disability or redundancy of the Participant as determined by the Board in its absolute discretion;
- (ii) the Participant ceases to be employed by a company within the Ridley Consolidated Group as a result of a company ceasing to be a member of the Ridley Consolidated Group, or a company in the Ridley Consolidated Group selling a business it conducts other than to another company in the Ridley Consolidated Group;
- (iii) the Participant ceases to be employed by a company within the Ridley Consolidated Group as a result of a Company-initiated termination for reasons other than cause; or
- (iv) any other reason as determined by the Board in its absolute discretion.

Where a Participant ceases to be an employee (and is not immediately employed by another company within the Ridley Consolidated Group) or submits a letter of resignation prior to the completion of a Performance Period, other than because of a Qualifying Reason, any Rights of the Participant in relation to that Performance Period expire at the earlier time of termination or the submission of the letter of resignation and the Participant is treated as having never held those Rights.

Where a Participant ceases to be an employee (and is not immediately employed by another company within the Ridley Consolidated Group) or submits a letter of resignation prior to the completion of a Performance Period due to a Qualifying Reason, any Rights of the Participant in relation to that Performance Period are forfeited in the same proportion as the remainder of the Performance Period bears to the three-year Performance Period and the surviving Rights are tested for possible vesting at the date of the employee's departure.

(b) Company Performance Condition

In addition, the Company must have achieved a certain target performance level, measured over the Performance Period by reference to the performance hurdle associated with the relevant tranche of Rights.

Number of Shares to be allocated to a holder

The number of Rights that vest and Shares to be allocated to the participating employees at the end of the Performance Period are to be determined by reference to the Performance Criteria applicable to the relevant tranches of Rights on issue.

SCHEDULE 1 continued

Valuation of Rights

For the purposes of determining the number of Rights to be offered to Eligible Employees, the valuation of Rights occurs at the effective date of grant using the five-day VWAP immediately prior to the effective date of grant.

For accounting purposes and in accordance with the requirements of Australian Accounting Standard AASB 2 Share Based Payments, the Rights are valued using appropriate and widely accepted valuation methodologies which take into account the effective date of grant of the Offer, the Company's Share price at that date, the nil exercise price of the Rights, the Company's share price volatility, and the probability of achieving the Performance Criteria. Under Australian accounting standards, this value will be expensed progressively over the Performance Period. The Company engages an independent, professional valuer to conduct this AASB 2 calculation for Tranche A before adjusting for the likelihood of exceeding the ROFE hurdle, and for Tranche B.

Lapse of Rights

Regardless of the number of Shares allocated after the Test Date, all Rights that vest on the Test Date will then lapse and the holder will have no other rights with respect to them.

Rights will also lapse if:

- a forfeiture event occurs (as determined by the Board);
- the holder ceases to be an employee (subject to the exceptions explained above); or
- the holder has (in the reasonable opinion of the Board) acted fraudulently, dishonestly or in material breach of his or her obligations to the Company.

Limitations on the number of Shares that may be issued

Under the LTIP, the Board must not make an Offer of Rights if the total number of Shares that have not been approved by shareholders and that are the subject of Rights (and any other entitlements to Shares, whether under this LTIP or other employee incentive schemes) at the time of the Offer exceeds (or would exceed) 5% of the Company's total number of Shares on issue at that time.

Restrictions on dealing with Rights and Share

(a) Rights

The holder cannot transfer, assign or novate Rights without the approval of the Board, and Rights will not be listed for quotation on any stock exchange.

(b) Shares

One of the purposes of the LTIP is to encourage employees to share in the ownership of the Company. As a result, the LTIP imposes certain restrictions on when a holder can dispose of Shares that they are allocated under the LTIP. In particular, a holder will only be able to dispose of, or transfer, Shares issued under the LTIP under the following circumstances:

- (i) continuing employees:
 - may dispose of 33% of shares earned following the Performance Period (i.e. following the third anniversary of the Date of Award of the Rights);
 - may dispose of a maximum of 66% of shares earned a year after the Performance Period (i.e. following the fourth anniversary of the Date of Award of the Rights); and
 - may dispose of all Shares earned two years after the Performance Period (i.e. following the fifth anniversary of the Date of Award of the Rights);
- (ii) the holder has ceased to be an employee (and was not immediately employed by another company within the Ridley Consolidated Group);
- (iii) a Change of Control Event occurs; or
- (iv) the holder received written consent from the Board in extenuating circumstances.

In addition, if Shares are allocated to a holder under the LTIP and remain subject to disposal restrictions, they are subject to forfeiture at the discretion of the Board if the holder's employment is terminated for cause or he or she has acted fraudulently, dishonestly or in material breach of his or her obligations to the Company.

Consequences of a Change of Control Event

If a Change of Control Event (as explained below) occurs during the Performance Period, the Test Date for the Performance Period will be brought forward and the date of the Change of Control Event will be deemed to be the Test Date.

The Company's performance will be tested as at that deemed Test Date in accordance with the Performance Criteria explained above, and the holder will be entitled to be allocated such number of Shares as is determined by reference to the performance achieved by the Company for the respective tranches as explained above. For the purposes of this determination and to facilitate a meaningful measurement outcome, the Performance Criteria for Tranche A are aligned with the TSR criteria applied to Tranche B.

For the purposes of the LTIP, a Change of Control Event occurs if a third party obtains a relevant interest in greater than 50% of the Company's Shares, the Company's Board recommends a takeover bid for the Company, or if the Board determines, in its absolute discretion, that a change of control has occurred prior to the acquirer exceeding 50% ownership due to a takeover bid or scheme of arrangement or similar event.

However, if the new controller has shares listed on the ASX, the holder may agree with the Company to forego this right and to require the Board to take all reasonable steps to enable the holder to be issued new rights relating to securities in the new controller, so as to provide an incentive on substantially similar terms.

Adjustments

Other than in respect of shares issued under a Dividend Reinvestment Plan, if (before the Test Date) the Company makes any new issue of securities, or other alterations to its capital by way of a rights issue, bonus issue or other distribution of capital, reduction of capital, or reconstruction of capital:

- the Board will reconstruct the number of Rights granted to the holder to the extent, if any, required to comply with the ASX Listing Rules; and
- the Board may make adjustments to the number of Rights granted to the holder on any other basis it sees fit in its absolute discretion.

If the Company declares and pays a special dividend to holders of all issued Shares, the Board may in its absolute discretion, with effect from the time of declaration of the special dividend, make adjustments to the number of the holder's Rights to take into account the effect of that special dividend.

Amendments

The Board has the discretion to amend at any time all or any of the provisions of the LTIP and the terms and conditions of an Offer under the LTIP. However, the Board cannot do so without the consent of a participant if the amendment would prejudicially affect the existing rights of a participant, with the exception that (even in those circumstances) the Board may make an amendment if it is primarily for the purpose of complying with present or future law, to correct any manifest error or mistake, or to take into consideration possible adverse tax implications in respect of the LTIP.

In addition, the Board has power (subject to the ASX Listing Rules) to waive in whole or in part any of the Performance Criteria or other terms or conditions applicable to a participant's Rights if:

- a Change of Control Event occurs or is likely to occur; or
- the participant ceases to be an employee.

Termination

The Board can terminate the operation of the LTIP at any time, so long as doing so does not prejudicially affect the existing rights of existing participants.

SCHEDULE 2

Summary of the terms of the Ridley Corporation Limited Special Purpose Retention Incentive Plan (SPRIP)

A summary of the key terms and conditions of the SPRIP is set out below. A copy of the SPRIP Rules will be made available free of charge by the Company if requested by a shareholder. All requests should be addressed to the Company Secretary.

Capitalised terms used in this summary have the meaning in the SPRIP Rules, unless otherwise indicated.

Special Purpose Rights

Under the SPRIP, the Board of the Company may issue, in its discretion, Special Purpose Rights to Eligible Employees (being an employee who is a full-time, Executive Director in the role of Chief Executive Officer and Managing Director of the Company), where a Special Purpose Right means any right of a SPRIP participant to be allocated a fixed cash payment of \$1,000 (in respect of the first \$1,000 of value for vested Special Purpose Rights) plus (in respect of the balance of the value of the entitlement) such number of fully paid ordinary shares in the Company (Shares) as is equal to one Share per vested Special Purpose Right, subject to achievement of certain performance criteria (**Special Purpose Right**).

The number of Special Purpose Rights granted to a holder represents the maximum number of Shares that the holder may acquire under the SPRIP on vesting of the Special Purpose Rights. The Offer and allocation of Special Purpose Rights may comprise up to two tranches, Tranche A and Tranche B, each of which will be subject to separate performance hurdles. The actual number of Shares that could be acquired by the holder on vesting of the Special Purpose Rights depends on satisfaction of the relevant performance criteria (explained below). On this basis, the number of Shares allocated to the holder on vesting of Special Purpose Rights under the SPRIP may be lower, but cannot be higher, than the number of Special Purpose Rights held.

Entitlement to participate

The Board may in its absolute discretion make an Offer of Special Purpose Rights to an Eligible Employee selected by the Board, on the terms and conditions determined by the Board. An Eligible Employee means, in relation to such an Offer, an employee who is a full-time, Executive Director in the role of Chief Executive Officer and Managing Director of the Company.

Vesting of Special Purpose Rights and allocation of Shares

The Performance Period for a grant of Special Purpose Rights is the period of time over which the Performance Criteria, each as specified in the offer letter, must be satisfied. The date upon which the Performance Period ends is referred to as the Test Date. The Company's performance as at the Test Date will be tested in accordance with the Performance Criteria (set out below). Having regard to such performance, the Company will determine the number of Shares to be allocated to a holder (if any).

Once the Company has determined the number of Shares that it is required to allocate, it will make that allocation as soon as reasonably practicable.

Performance Criteria

In order for the Special Purpose Rights to vest and Shares to be allocated to a holder, the following Performance Criteria will need to be satisfied:

(a) Employment Condition

The holder must still be an Eligible Employee (being a person employed as Managing Director and CEO of the Company) at the end of the Performance Period and must not have submitted a letter of resignation prior to 30 June 2025.

In addition, under the SPRIP Rules, where a Participant ceases to be an Eligible Employee or submits a letter of resignation more than 12 months prior to the completion of the Performance Period, other than because of a Qualifying Reason, any Special Purpose Rights of the Participant in relation to that Performance Period expire at the earlier time of cessation of employment or the submission of the letter of resignation and the Participant is treated as having never held those Special Purpose Rights.

Under the SPRIP Rules where a Participant ceases to be an Eligible Employee or submits a letter of resignation prior to the completion of the Performance Period due to a Qualifying Reason, any Special Purpose Rights of the Participant in relation to that Performance Period are forfeited in the same proportion as the remainder of the Performance Period bears to the three-year Performance Period and the surviving Special Purpose Rights are tested for possible vesting at the date of the employee's departure.

'Qualifying Reason', is defined in the SPRIP Rules as:

- (i) the death, total and permanent disability or redundancy of the participant as determined by the Board in its absolute discretion;
- (ii) the Participant ceases to be employed by a company within the Ridley Consolidated Group as a result of a company ceasing to be a member of the Ridley Consolidated Group, or a company in the Ridley Consolidated Group selling a business it conducts other than to another company in the Ridley Consolidated Group;
- (iii) the Participant ceases to be employed by a company within the Ridley Consolidated Group as a result of a Company-initiated termination for reasons other than cause; or
- (iv) any other reason as determined by the Board in its absolute discretion.

(b) Company Performance Condition

In addition, the Company must have achieved a certain target performance level, measured over the Performance Period by reference to the performance hurdle associated with the relevant tranche of Special Purpose Rights.

For personal use only

Number of shares to be allocated to a holder

The number of Special Purpose Rights that vest and Shares to be allocated to the Eligible Employee at the end of the Performance Period are to be determined by reference to the Performance Criteria applicable to the relevant tranches of Special Purpose Rights on issue.

Allocation of Special Purpose Rights

For the purposes of determining the number of Special Purpose Rights to be offered to Eligible Employees, the number of Special Purpose Rights to be allocated is determined at the discretion of the Board.

Lapse of Special Purpose Rights

Regardless of the number of Shares allocated after the Test Date, all Special Purpose Rights that vest on the Test Date will then lapse and the holder will have no other rights with respect to them.

Special Purpose Rights will also lapse if:

- a forfeiture event occurs (as determined by the Board);
- the holder ceases to be an Eligible Employee (subject to the exceptions explained above); or
- the holder has (in the reasonable opinion of the Board) acted fraudulently, dishonestly or in material breach of his or her obligations to the Company.

Limitations on the number of Shares that may be issued

Under the SPRIP, the Board must not make an Offer of Special Purpose Rights if the total number of Shares that have not been approved by shareholders and that are the subject of Special Purpose Rights (and any other entitlements to Shares, whether under this SPRIP or other employee incentive schemes) at the time of the Offer exceeds (or would exceed) 5% of the Company's total number of Shares on issue at that time.

Restrictions on dealing with Special Purpose Rights and Shares

(a) Special Purpose Rights

The holder cannot transfer, assign or novate Special Purpose Rights without the approval of the Board, and Special Purpose Rights will not be listed for quotation on any stock exchange.

(b) Shares

One of the purposes of the SPRIP is to encourage Eligible Employees to share in the performance of the Company. As a result, the SPRIP imposes certain restrictions on when a holder can dispose of Shares that they are allocated under the SPRIP. In particular, a holder will only be able to dispose of, or transfer, Shares issued under the SPRIP under the following circumstances:

- (i) continuing Eligible Employees:
 - may dispose of 33% of shares earned following the Performance Period (i.e. following the third anniversary of the Date of Award of the Special Purpose Rights);
 - may dispose of a maximum of 66% of shares earned, a year after the Performance Period (i.e. following the fourth anniversary of the Date of Award of the Special Purpose Rights); and
 - may dispose of all shares earned two years after the Performance Period (i.e. following the fifth anniversary of the Date of Award of the Special Purpose Rights);
- (ii) the holder has ceased to be an Eligible Employee;
- (iii) a Change of Control Event occurs; or
- (iv) the holder received written consent from the Board in extenuating circumstances.

In addition, if Shares are allocated to a holder under the SPRIP and remain subject to disposal restrictions, they are subject to forfeiture at the discretion of the Board if the holder's employment is terminated for cause or he or she has acted fraudulently, dishonestly or in material breach of his or her obligations to the Company.

Consequences of a Change of Control event

If a Change of Control Event (as explained below) occurs during the Performance Period, the Test Date for the Performance Period will be brought forward and the date of the Change of Control Event will be deemed to be the Test Date.

The Company's performance will be tested as at that deemed Test Date in accordance with the Performance Criteria explained above, and the holder will be entitled to be allocated such number of Shares as is determined by reference to the performance achieved by the Company for the respective tranches as explained above. For the purposes of this determination and to facilitate a meaningful measurement outcome, the Performance Criteria for Tranche A are aligned with the TSR criteria applied to Tranche B.

For the purposes of the SPRIP, a Change of Control Event occurs if a third party obtains a relevant interest in greater than 50% of the Company's Shares, the Company's Board recommends a takeover bid for the Company, or if the Board determines, in its absolute discretion, that a change of control has occurred prior to the acquirer exceeding 50% ownership due to a takeover bid or scheme of arrangement or similar event.

However, if the new controller has shares listed on the ASX, the holder may agree with the Company to forego this right and to require the Board to take all reasonable steps to enable the holder to be issued new rights relating to securities in the new controller, so as to provide an incentive on substantially similar terms.

SCHEDULE 2 continued

Adjustments

Other than in respect of shares issued under a Dividend Reinvestment Plan, if (before the Test Date) the Company makes any new issue of securities, or other alterations to its capital by way of a rights issue, bonus issue or other distribution of capital, reduction of capital, or reconstruction of capital:

- the Board will reconstruct the number of Special Purpose Rights granted to the holder to the extent, if any, required to comply with the ASX Listing Rules; and
- the Board may make adjustments to the number of Rights granted to the holder on any other basis it sees fit in its absolute discretion.

If the Company declares and pays a special dividend to holders of all issued Shares, the Board may in its absolute discretion, with effect from the time of declaration of the special dividend, make adjustments to the number of the holder's Special Purpose Rights to take into account the effect of that special dividend.

Amendments

The Board has the discretion to amend at any time all or any of the provisions of the SPRIP and the terms and conditions of an Offer under the SPRIP. However, the Board cannot do so without the consent of a participant if the amendment would prejudicially affect the existing rights of a participant, with the exception that (even in those circumstances), the Board may make an amendment if it is primarily for the purpose of complying with present or future law, to correct any manifest error or mistake, or to take into consideration possible adverse tax implications in respect of the SPRIP.

In addition, the Board has power (subject to the ASX Listing Rules) to waive in whole or in part any of the Performance Criteria or other terms or conditions applicable to a participant's Special Purpose Rights if:

- a Change of Control Event occurs or is likely to occur; or
- the participant ceases to be an Eligible Employee.

Termination

The Board can terminate the operation of the SPRIP at any time, so long as doing so does not prejudicially affect the existing rights of existing participants.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
