Voting Exclusion Statement

There are no voting exclusions for this Resolution.

Board Recommendation and Voting Intention

The Board (excluding Ms Naomi Simson) unanimously recommends that Shareholders vote in **FAVOUR** of this Resolution.

The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of this Resolution.

Resolutions 5 – 13: Approval to Issue Performance Rights and Options to Directors of the Company

Resolutions 5 - 13 seek Shareholder approval for the granting of Performance Rights and Options in the Company to Directors of the Company as follows:

- 350,000 Performance Rights to Mr Jacob Hanoach (Resolution 5);
- 385,000 Options to Mr Jacob Hanoach (Resolution 6);
- 300,000 Performance Rights to Mr David Perlmutter (Resolution 7);
- 215,000 Options to Mr David Perlmutter (Resolution 8);
- 150,000 Performance Rights to Dr Yoav Nissan-Cohen (Resolution 9);
- 43,000 Options to Dr Yoav Nissan-Cohen (Resolution 10);
- 90,000 Performance Rights to Mr Ashley Krongold (Resolution 11);
- 90,000 Performance Rights to Mr S. Atiq Raza (Resolution 12); and
- 90,000 Performance Rights to Ms Naomi Simson (Resolution 13).

The Company intends to grant Performance Rights and Options to appropriately attract and retain Directors over the long term by allowing them to build up an equity ownership aligning their interest with that of the Shareholders. The Performance Rights will be exercised automatically if and when they vest.

Performance Rights will vest and convert into ordinary shares in the Company on the date the applicable time-based vesting condition, and where applicable, performance-based vesting condition, is achieved. If the time-based vesting condition, or where applicable, performance-based vesting condition, is not achieved, the relevant Performance Rights will lapse.

Options will vest and be exercisable on the date the applicable time-based vesting condition is achieved. If the time-based vesting condition is not achieved, the relevant Options will lapse.

The vesting of the Performance Rights and Options to the remaining Directors is not subject to any performance hurdles. Whilst Performance Right grants without performance hurdles are uncommon in Australia, they are common practice in Israel and the US. As a number of the Company's Directors are based in Israel or the US, it is appropriate that the vesting conditions are as set out above.

Why Shareholder approval is being sought

Listing Rule 10.11 states that a listed company must not issue or agree to issue securities to a related party without Shareholder approval, by ordinary resolution. The purpose of Resolutions 5 – 13 is to have Shareholders approve the proposed grant of Performance Rights and Options to the Directors of the Company. If approval is given under Listing Rule 10.11, approval is not required under Listing Rule 7.1.

Grant of Performance Rights

(a) Executive Directors of the Company

Following approval by Shareholders, the Executive Directors of the Company (or their nominee) will be granted Performance Rights to acquire fully paid ordinary shares in the Company (Shares).

Upon exercise, each Performance Right entitles each Executive Director (or their nominee) to one Share (or as otherwise determined by any adjustment required to be made under the Listing Rules) which will rank equally with all other Shares on issue.

(b) Non-executive Directors of the Company

Following approval by Shareholders, the Non-executive Directors of the Company (or their nominee) will be granted Performance Rights to acquire Shares.

Upon exercise, each Performance Right entitles each Non-executive Director (or their nominee) to one Share (or as otherwise determined by any adjustment required to be made under the Listing Rules) which will rank equally with all other Shares on issue.

Vesting period

The Performance Rights shall vest and convert into ordinary shares in the Company during a four year period (**Vesting Period**) based on the following:

- (a) 25% of the Performance Rights shall vest on or around 23 August 2024; and
- (b) thereafter for a period of three years, 6.25% of the Performance Rights shall vest at the end of each quarter.

In the event that prior to the expiration of the Vesting Period, the Company closes an Exit Event (as defined below) then all of the unvested Performance Rights will vest immediately prior to the closing of the Exit Event.

Exit Event means mean any of the following:

- (a) the merger or consolidation or other reorganisation (other than any event of share combination or subdivision, share split, reverse share split, share dividend, distribution of bonus shares or any other reclassification, reorganisation or recapitalisation of the Company's share capital or other similar events) of the Company with or into any other corporate entity; except that any such transaction in which the shares of the Company outstanding immediately prior to such transaction continue to represent, or are converted into or exchanged for shares that represent, immediately following such transaction, at least a majority, by voting power, of the share capital of (1) the surviving, acquiring or resulting corporation or (2) if the surviving, acquiring or resulting corporation is a wholly owned subsidiary of another corporation immediately following such transaction, the parent corporation of such surviving, acquiring or resulting corporation; or
- (b) a sale or other irrevocable disposition of all or of substantially all of the Company's shares or assets; or
- (c) any transfer or grant of an irrevocable, exclusive and substantially worldwide license to all or substantially all of the intellectual property rights of the Company, other than in the Company's ordinary course of business.

Reorganisation

If at any time the capital of the Company is reorganised (including consolidation, subdivision, reduction or return), the number of Performance Rights are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.

Voting Rights / Dividends

Performance Rights do not entitle the holders to vote in respect of that equity instrument, nor participate in dividends, when declared, until such time as the Performance Rights are vested and subsequently registered as ordinary shares.

New Issues

Performance Rights holders may only participate in new issues of securities to holders of ordinary Shares in the Company if Performance Rights have been vested and Shares issued in respect of the Performance Rights before the record date for determining entitlements to the issue.

These Performance Rights are not transferable, and will not be quoted on the ASX.

Date on which the Performance Rights will be granted

Subject to Shareholder approval, it is anticipated that the Performance Rights will be granted to the Directors shortly after the 2023 Annual General Meeting.

Grant of Options

(a) Executive Directors of the Company

Following approval by Shareholders, the Executive Directors of the Company (or their nominee) will be granted Options to acquire Shares at an exercise price equal to the volume weighted average market price calculated during the three trading days up to and including 23 August 2023.

Upon exercise, each Option entitles each Executive Director (or their nominee) to one Share (or as otherwise determined by any adjustment required to be made under the Listing Rules) which will rank equally with all other Shares on issue. No loan has or will be provided by the Company in relation to the exercise of the Options issued to Mr Hanoch or Dr Nissan-Cohen.

(b) Non-executive Directors of the Company

Following approval by Shareholders, the Non-executive Directors of the Company (or their nominee) will be granted Options to acquire Shares at an exercise price equal to the volume weighted average market price calculated during the three trading days up to and including 23 August 2023.

Upon exercise, each Option entitles each Non-executive Director (or their nominee) to one Share (or as otherwise determined by any adjustment required to be made under the Listing Rules) which will rank equally with all other Shares on issue. No loan has or will be provided by the Company in relation to the exercise of the Options issued to Mr Perlmutter.

Vesting and exercise period

The Options shall vest and be exercisable during a four-year period (**Vesting Period**) based on the following:

- (a) 25% of the Options shall vest on or around 23 August 2024; and
- (b) thereafter for a period of three years, 6.25% of the Options shall vest at the end of each quarter.

In the event that prior to the expiration of the Vesting Period, the Company closes an Exit Event (as defined above) then all of the unvested Options shall become exercisable immediately prior to the closing of the Exit Event.

Reorganisation

If at any time the capital of the Company is reorganised (including consolidation, subdivision, reduction or return), the number of Options are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.

Voting Rights / Dividends

Options do not entitle the holders to vote in respect of that equity instrument, nor participate in dividends, when declared, until such time as the options are exercised and subsequently registered as ordinary shares.

New Issues

Options holders may only participate in new issues of securities to holders of Shares in the Company if Options have been exercised and Shares issued in respect of the Options before the record date for determining entitlements to the issue.

These Options are not transferable and will not be quoted on the ASX.

Date on which the Options will be granted

Subject to Shareholder approval, it is anticipated that the Options will be granted to the Directors shortly after the 2023 Annual General Meeting.

Board Recommendation and Voting Intention

The Board (with each Director abstaining in relation to their proposed Resolution) unanimously recommends that Shareholders vote in **FAVOUR** of each Resolution.

The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of this Resolution.

Resolution 14: Director Fee Pool

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

In accordance with section 14.7 of the Company's Constitution and Listing Rule 10.17, the Directors are seeking approval from Shareholders to increase the maximum aggregate amount available for Non-executive Directors' fees (**Fee Pool**) in any financial year commencing on or after 1 July 2023 from \$300,000 per year to \$1,000,000 per year, which is an increase of \$700,000 per year. The Fee Pool has not increased since 2016.

Fees paid to Directors out of the Fee Pool are reviewed periodically to ensure that they are appropriate. The proposed increase in the Fee Pool will ensure that fees can continue to be set at sufficiently competitive rates to attract and retain Non-executive Directors with the necessary qualifications and of appropriate calibre, having regard to fees paid by comparable companies listed on the ASX.

It will provide flexibility to allow for payment of appropriate Non-executive Director fees over time including with regard to the increased responsibilities required of Non-executive Directors generally. It is not intended to distribute all of the proposed Fee Pool, if approved, in the current year.

If Resolution 14 is not passed, the maximum aggregate amount of fees payable to Non-executive Directors will remain at \$300,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled Non-executive Directors.

No Securities have been issued to Non-executive Directors under Listing Rule 10.14 in the last three years.

Securities issued to Non-executive Directors under Listing Rule 10.11 in the last three years are as follows:
