Under section 250R(3) of the Corporations Act, the vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the discussion on this Resolution and the outcome of the vote into account when considering the Company's remuneration policy.

Recommendation - Resolution 4

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

4. APPROVAL OF GRANT OF PERFORMANCE RIGHTS TO THE MANAGING DIRECTOR (Resolution 5)

Resolution 5 is proposed as an ordinary resolution.

The Company proposes to grant 4,729,730 Performance Rights (**Rights**) to Mr Sam Budiselik, Managing Director of the Company, as the long-term incentive component of his remuneration for FY24 under the Company's Equity Incentive Plan (**Plan**).

Why is shareholder approval being sought?

ASX Listing Rule 10.14 requires Shareholder approval for a director of a listed company to be issued securities under an employee incentive scheme. Accordingly, Resolution 5 seeks approval from Shareholders under ASX Listing Rule 10.14.1 for the grant of Rights to Mr Budiselik under the Plan, because he is the Managing Director.

What will happen if the resolution is, or is not, approved?

The FY24 grant of Rights to Mr Budiselik is conditional on receiving Shareholder approval. If Shareholder approval is obtained, 4,729,730 Rights will be granted to Mr Budiselik under the Plan within 12 months of the Meeting.

Once Shareholder approval is obtained under ASX Listing Rule 10.14, the issue of such Rights to Mr Budiselik will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1.

If Shareholders do not approve the proposed grant of Rights to Mr Budiselik, the proposed grant of Rights will not proceed. In that circumstance, the Board would then need to consider alternative remuneration arrangements for Mr Budiselik which are consistent with the Company's remuneration principles, including providing an equivalent cash long-term incentive subject to the risk of forfeiture, performance conditions and performance period.

Details of the proposed grant

It is proposed that 4,729,730 Rights will be granted to Mr Budiselik as the long-term incentive component of his remuneration for FY24 under the Plan.

The Company has attributed the Rights offered with a maximum indicative award value of \$1,050,000 in the event the maximum opportunity is achieved at the time of vesting. The actual value (if any) that Mr Budiselik will receive from the award will depend on the extent to which the vesting conditions are achieved including the Cash Converters' share price at the time of vesting measurement.

Explanatory Memorandum

Recommendation - Resolution 5 (continued)

The number of Rights to be granted has been calculated by dividing the face value of Mr Budiselik's FY24 long-term incentive maximum opportunity, in the event of meeting the "stretch" requirements of the vesting conditions, of \$1,050,000 by the face value attributable to a Right. The face value attributable to each Right is \$0.222, being the 5-trading day volume weighted average price (VWAP) of the Company's Shares traded in the period immediately following (and not including) the date of release of the FY23 annual results.

Each Right entitles Mr Budiselik to one fully paid ordinary share in the Company on vesting (or a cash payment equivalent to the market value of a Share in lieu of a Share at the time of vesting at the discretion of the Board) if the applicable performance conditions (set out below) are met. The Rights will be granted at no cost and there is no amount payable by Mr Budiselik on vesting.

Rights have been selected as the long-term incentive component of the FY24 remuneration of the Company's senior executives, including Mr Budiselik, as they align the interests of executives with the interests of Shareholders without providing the participant with ownership in Shares until performance conditions are met.

Performance conditions and performance period

The FY24 grant of Rights will be subject to performance conditions measured over a performance period of 3 years commencing on 1 July 2023 and ending on 30 June 2026. Calculation of the achievement against the performance conditions will be determined by the Board of the Company in its absolute discretion at the conclusion of the performance period, having regard to any matters that it considers relevant. In line with the Plan rules, unless otherwise determined by the Board, the Rights will lapse where the vesting condition applicable to the award cannot be satisfied as at the end of the performance period. On this basis the expiry date for the Rights is 30 September 2026.

The number of Rights that vest will depend on the level of performance achieved. The Board also retains overall discretion to determine whether vesting of Rights is appropriate considering, among other factors it considers relevant, Company performance from the perspective of Shareholders.

Of the total number of Rights proposed to be granted to Mr Budiselik:

- 50% (i.e., 2,364,865 Rights) will be subject to a Relative Total Shareholder Return ("rTSR Rights") measure, assessing the Company's performance relative to constituents of the S&P/ASX Small Ordinaries index excluding materials, utilities, and REITs over the Performance Period; and
- 50% (i.e., 2,364,865 Rights) will be subject to an earnings per share ("EPS Rights") measure.

Explanatory Memorandum

Recommendation - Resolution 5 (continued)

rTSR Rights

Broadly, Total Shareholder Return ("TSR") calculates the return Shareholders would earn if they held a notional number of Shares over a period and measures the change in the Company's Share price together with the value of dividends during the period, assuming that all those dividends are re-invested into new Shares.

For any Rights subject to the rTSR measure to vest, a threshold level of performance must be achieved. The percentage of rTSR Rights that vest, if any, will be determined by the Board as follows:

Company's TSR relative to constituents of the S&P/ASX Small Ordinaries index excluding companies from the materials, utilities, and REIT sectors*	Performance Level	Percentage of rTSR Rights vesting	Number of rTSR Rights vesting
Less than 50th percentile	< Threshold	Nil	Nil
At 50th percentile	Target	50%	1,182,433
Between 50th percentile and 100th percentile	Pro-rata	Straight-line pro-rate vesting between 50% and 100%	Pro-rata
At 100th percentile	Stretch	100%	2,364,865

**This index is designed to measure companies included in the S&P/ASX300 but not in the S&P/ASX100.*

The Board will appoint an independent valuation expert to provide a calculation of the rTSR hurdle outcome at the measurement date of 30 June 2026. The calculations will be performed in accordance with the terms outlined with the calculation approach as follows:

- Obtaining share price and dividend data from an independent source
- Determining the TSR of Cash Converters and the Index as described above at the measurement date
- Calculating the Compound Annual Growth Rate (CAGR) of the TSRs for both Cash Converters and the Index
- Calculating the over / (under) performance of Cash Converters CAGR relative to the Index CAGR
- Determining the percentage of rights which would vest based on the relative performance calculated above

The market observable data collected by the independent expert and used in the calculations is described below:

- Starting and ending share price for Cash Converters
- Starting and ending value of the Index
- Net dividends issued during the measurement period; dividends are assumed to be reinvested to purchase shares of the Company at the closing price applicable on the ex-dividend date

Explanatory Memorandum

Recommendation - Resolution 5 (continued)

EPS Rights

Broadly, EPS measures the profit generated by the Company attributable to each Share on issue, adjusted for certain accounting items (Operating EPS).

The table below sets out the percentage of Rights subject to the EPS hurdle that can vest depending on the Company's FY26 Operating EPS.

For the purposes of assessing performance against the EPS target, the Board will consider whether any adjustments to statutory earnings are appropriate on a case-by-case basis to ensure that inappropriate outcomes are avoided.

FY26 EPS	Percentage of Rights that vest (%)	Number of EPS Rights vesting
Less than 3.45 cps	Nil	Nil
3.45 cps (Threshold)	25%	591,216

Subject to the terms of the Plan, any Rights that do not vest will lapse.

A summary of the material terms of the Plan is provided in Schedule 1 to the Explanatory Memorandum.

Cessation of employment

Unless the Board determines otherwise, if Mr Budiselik's employment with the Group is terminated during the performance period as a 'good leaver' (i.e. as result of genuine redundancy, death, terminal illness, total and permanent disablement, or any other reason as determined by the Board), he will be entitled to retain a pro-rata amount of his unvested Rights based on the proportion of time that he remained an employee of the Company during the performance period. Any retained Rights will be performance tested in the ordinary course as outlined above following the end of the performance period. Any remaining unvested Rights will lapse.

If Mr Budiselik's employment with the Group is terminated in circumstances in which he is not considered a good leaver (e.g., resignation, or termination of employment initiated by him or the Company other than where such termination is as a good leaver), his unvested Rights will immediately lapse, unless the Board determines otherwise. Notwithstanding the above, the Board may, subject to any requirement for shareholder approval, determine to treat any of Mr Budiselik's Rights in a different manner to that set out above upon him ceasing to be an employee of the Group.

Change of control

If a change of control event occurs with respect to the Company, the Board may determine, in its discretion, the way all unvested Rights will be dealt with.

Clawback and malus

If the Board becomes aware of a material misstatement in the Company's financial statements, that Mr Budiselik has committed an act of fraud, negligence or gross misconduct or failed to comply with any restrictive covenant or that some other event has occurred which, as a result, means that his Rights should be reduced or cancelled, or should not vest, then the Board may clawback or adjust his Rights at its discretion to ensure he derives no inappropriate benefit.

Recommendation - Resolution 5 (continued)

Restrictions on dealing

Rights may not be sold, transferred, encumbered, or otherwise dealt, without the prior approval of the Board, or unless required by law.

Mr Budiselik will be free to deal with the shares allocated on vesting of his Rights, subject to the requirements of the Company's Securities Trading Policy and applicable law.

The following additional information is provided for the purposes of ASX Listing Rule 10.15:

Term	Description
Eligibility	The Board has the discretion to determine which employees are eligible to participate in the Plan, and the number and type of Awards that they will be offered ("Eligible Employee"). This includes anyone employed by the Company or any of its subsidiaries, which can include a director or non-executive director, or anyone else that the Board determines should be eligible to participate in the Plan.
Awards	<p>The Plan provides flexibility for the Company to grant options to acquire Shares (or an equivalent cash amount), rights to acquire Shares (or an equivalent cash amount) and/or Shares as incentives ("Awards"). The Board has the discretion to set the terms and conditions on which it will offer Awards under the Plan.</p> <p>The Board may determine that the Awards will be subject to performance, service, or other conditions which must be satisfied or waived before the Award vests ("Vesting Conditions") and, if so, will specify those Vesting Conditions in the invitation to each Eligible Employee.</p> <p>In addition, the Board may determine that Awards in the form of options or rights will be subject to further conditions which must be satisfied or waived before vested options or rights may be exercised ("Exercise Conditions").</p> <p>The Board may, at its discretion, vary, reduce or waive any Vesting Conditions and/or Exercise Conditions attaching to Awards at any time, subject to applicable law.</p>
Acquisition price	The grant of Awards under the Plan may be subject to the payment of an acquisition price by the participant as determined by the Board, or otherwise Awards may be granted at no cost to the participant.
Exercise price	The exercise of Awards in the form of options or rights may be subject to payment of an exercise price by the participant as determined by the Board, or otherwise may be exercised at no cost to the participant.
Shares as an Award or on vesting of an Award	<p>Shares granted under the Plan or issued or transferred on the exercise of options or rights will rank equally in all respects, and carry the same rights and entitlements, as other issued Shares, including dividend and voting rights.</p> <p>Depending on the terms of an Award, Shares may be subject to disposal restrictions, which means that they may not be disposed of or dealt with for a period.</p>
Vesting of Shares	<p>Shares granted under the Plan which have not been forfeited under the Plan will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board. Shares may remain subject to dealing restrictions after vesting.</p> <p>Shares will continue to be subject to malus and clawback following vesting under the Plan. Alternatively, the Board may determine to make a cash payment in lieu of the release of Shares from restriction (in which case, the Company will buy back and cancel the Shares or deal with the Shares in any other manner determined by the Board).</p>

Schedule 1 – Key terms of the Equity Incentive Plan

Vesting and exercise of options and rights	<p>Options and rights which have not lapsed under the Plan will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board. To exercise vested options or rights, any applicable Exercise Conditions must be satisfied or waived by the Board.</p> <p>Following the valid exercise of an option or right, the Company will issue or arrange the transfer of such number of Shares to the participant that relate to the option or right being exercised. Alternatively, the Board may determine to make a cash payment in lieu of the issue or transfer of Shares.</p>
Expiry of options and rights	<p>Options or rights which have not been exercised by the date 15 years from the date of grant of the options or rights, or such other date determined by the Board and specified in the invitation ("Expiry Date"), will lapse unless the Board determines otherwise.</p>
Forfeiture/lapse of Awards	<p>Unless otherwise determined by the Board, a Share granted under the Plan will be forfeited, and an option or right will lapse, in certain circumstances including:</p> <ul style="list-style-type: none">• where the Board determines that any Vesting or Exercise Condition applicable to the Award cannot be satisfied;• in the case of an option or right, on the Expiry Date applicable to the option or right;• in certain circumstances if the participant's employment is terminated (see 'Cessation of employment' below);• if the Board determines that the Award is liable to clawback or malus (see 'Clawback and malus' below)• if the Board determines that the Award will be forfeited or lapse in the event of a change of control in respect of the Company; and• where the participant purports to dispose of the Award or enter any arrangement in respect of the Award, in breach of any disposal or hedging restrictions.
Dividend and voting entitlements	<p>Awards, other than Shares, are not entitled to dividend or voting rights. However, the Board may determine that any options or rights the subject of the offer will carry rights entitling the holder to receive a payment in cash or Shares equivalent to the value of dividends that would have been payable to the holder had they been the holder of the underlying Shares over which the option or right is exercisable.</p>
Participation rights of options and rights	<p>Options and rights do not confer the right to participate in new issues of Shares or other securities in the Company.</p> <p>However, subject to the ASX Listing Rules, the Plan provides for adjustments to be made to the number of Shares which a participant would be entitled on the exercise of options or rights or the exercise price (if any) of the options or rights in the event of a bonus issue or pro-rata issue to existing holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) or a reorganisation of capital.</p>
Restrictions	<p>Awards may not be sold, transferred, mortgaged, pledged, charged, granted as security, or otherwise disposed of, without the prior approval of the Board, or unless required by law.</p> <p>Participants must not enter any arrangement for the purpose of hedging, or otherwise affecting their economic exposure to any unvested Shares, or options or rights.</p>

Schedule 1 – Key terms of the Equity Incentive Plan

Quotation	Awards, except Shares, will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the Plan, in accordance with the ASX Listing Rules.
Cessation of employment	The Board has discretion to determine, subject to compliance with applicable law, the treatment of an Award if a Participant ceases to be employed by a Group Company prior to the vesting or exercise of an Award, or an Award ceasing to be subject to any disposal restrictions as a term of the invitation or at the time of cessation.
Clawback and malus	The Board has clawback and malus powers under the Plan. For example, if the Board becomes aware of a material misstatement in the Company's financial statements, that a participant has committed an act of fraud, negligence or gross misconduct or failed to comply with any restrictive covenant or that some other event has occurred that may warrant the Board exercising malus or clawback powers, then the Board may exercise those malus or clawback powers to ensure no unfair benefit is derived by the participant.
Change of control	If a change of control event occurs with respect to the Company, the Board may determine, in its discretion, the way Shares, or options or rights, will be dealt with. A change of control includes any transaction or event proposed that, in the opinion of the Board, is likely to result in one or more persons becoming entitled to exercise control over the Company.
Amendments	The Board may amend the rules of the Plan (including amending, reducing or waiving the application of the rules in relation to a participant) or amend the terms of an offer made under the Plan.
Trust	The Company may establish an employee share trust for the purposes of the Plan.
