Determination of entitlement to attend and vote

In accordance with section 1074E(2)(g)(i) of the Corporations Act and regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Company has determined that you will be entitled to attend and vote at the Annual General Meeting if you are registered as a holder of Shares as at 7.00 pm (AEDT/Sydney time) on Monday, 27 November 2023. If you are not registered as a holder of Shares as at this time, you will not be entitled to attend or vote at the Annual General Meeting as a Shareholder.

If more than one joint holder of Shares is present at the Annual General Meeting (whether personally, or by proxy, attorney or representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

Proxies

Appointing a proxy

A Shareholder who is entitled to attend and cast a vote at the Annual General Meeting may appoint not more than two other persons as that Shareholder's proxies. Where two proxies are appointed, a Shareholder may specify the proportion or the number of votes each proxy may exercise, failing which, each proxy may exercise half of the Shareholder's votes.

A proxy need not be a Shareholder.

The Constitution provides that on a show of hands, every Shareholder present and entitled to vote has one vote. If you appoint a proxy who is also a Shareholder or is also a proxy for another Shareholder, your directions may not be effective on a show of hands. Your directions will be effective if a poll is taken on the relevant Resolution.

If you sign and return a proxy form and do not nominate a person to act as your proxy, the Chairman will be appointed as your proxy by default.

You can lodge your completed proxy form by:

- (a) mailing it to Link Market Services Limited using the reply-paid envelope;

A personalised proxy form has been sent to Shareholders. Additional proxy forms will be supplied by Link Market Services Limited on request.

How the Chairman will vote undirected proxies

The Chairman will vote all undirected proxies in **favour** of Resolutions 1, 2, 3, 4 and 5.

You should note that if you appoint the Chairman as your proxy, or the Chairman is appointed your proxy by default, you will be taken to authorise the Chairman to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Company's Key Management Personnel.

If you wish, you can appoint the Chairman as your proxy and direct the Chairman to cast your votes contrary to the above stated voting intention or to abstain from voting on any Resolution. Simply mark your voting directions on the proxy form before you return it.

In respect of Resolutions 3, 4 and 5, Shareholders should also refer to the important additional information below under the heading "Important information concerning proxy votes on Resolutions 3 to 5".

Important information concerning proxy votes on Resolutions 3 to 5

The Corporations Act places certain restrictions on the ability of Key Management Personnel and their Closely Related Parties to vote on the advisory resolution to adopt the Company's Remuneration Report (see under "Voting prohibitions" in the Notice of Annual General Meeting) and resolutions connected directly or indirectly with the remuneration of the Company's Key Management Personnel. Key Management Personnel of Emeco are the directors of Emeco and all other persons having authority and responsibility for planning, directing and controlling the activities of Emeco, directly or indirectly. The Remuneration Report identifies Emeco's Key Management Personnel for the financial year ended 30 June 2023. "Closely Related Party" is defined in the Corporations Act (and repeated in the Glossary of Defined Terms to the Explanatory Notes) and includes certain family members, dependants and companies controlled by Key Management Personnel.

For these reasons, Shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy how to vote on all Resolutions. In particular, if you intend to appoint any Key Management Personnel of the Company or their Closely Related Parties as your proxy, you should direct your proxy to vote for or against or to abstain from voting on Resolutions 3, 4 and 5 by marking the appropriate box opposite these Resolutions on the proxy form. Other than in respect of the Chairman, if you do not direct such a proxy how to vote on that Resolution, they will **not** be able to vote an undirected proxy and your vote will not be counted. This does not apply to the Chairman, who is able to vote undirected proxies.

Shareholders who intend to appoint the Chairman as their proxy (including an appointment by default) are also encouraged to direct the Chairman how to vote on all Resolutions, including Resolutions 3, 4 and 5.

If the Chairman of the meeting is appointed, or taken to be appointed, as your proxy, you can direct the Chairman to vote for or against or to abstain from voting on Resolutions 3, 4 and 5 by marking the appropriate box opposite these Resolutions on the proxy form.

However, if the Chairman is your proxy (expressly or by default) and you do not direct the Chairman how to vote in respect of Resolutions 3, 4 and 5 on the proxy form, you will be deemed to have expressly authorised the Chairman to vote your proxy in **favour** of Resolutions 3, 4 and 5. This express authorisation acknowledges that the Chairman may vote your proxy even if:

- (a) Resolutions 3, 4 and 5 are connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company; and
- (b) the Chairman has an interest in the outcome of Resolutions 3, 4 and 5 and that votes cast by the Chairman for these Resolutions, other than as an authorised proxy holder, will be disregarded because of that interest.

Body corporate representative

In accordance with section 250D of the Corporations Act, any Shareholder being a body corporate may appoint an individual to act as its representative at the Annual General Meeting. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise all of the powers that the appointing body could exercise at a general meeting or in voting on a Resolution.

Corporate Shareholders who wish to appoint a representative to attend the Annual General Meeting on their behalf must provide that person with a properly executed letter or other document confirming that they are authorised to act as the company's representative. That formal notice of appointment must be brought to the Annual General Meeting.

Explanatory Notes

Please refer to the Explanatory Notes attached to this Notice of Annual General Meeting in relation to the items of business set out in this Notice.

Resolution 4

Approval of benefits that may be payable to Mr Testrow, the Managing Director and Chief Executive Officer on his ceasing employment

The Company and Mr Testrow, the Managing Director and Chief Executive Officer, have agreed variations to Mr Testrow's employment agreement (**Variations**) which take effect for the period from 1 July 2023 to 30 June 2027 (**Variation Period**).

Variations to Mr Testrow's Employment Contract

As announced to ASX on 3 August 2023, Mr Testrow's employment agreement was varied with effect from FY24 to coincide with the end of the previous retention incentives, with the last tranche of equity vesting on release of FY23 results.

The Company's remuneration and nomination committee and the Board regularly review the remuneration strategy for key executives to ensure that, amongst other things, the terms reflect the strategy, position and performance of the Company, align with market conditions and appropriately incentivise the executive.

The Board considers retention of Mr Testrow to be critical to the ongoing profitability of the Company. Mr Testrow has a proven track record and experience in leading the Company including through challenging times and changing markets and the Board considers his operational and strategic leadership to be highly valuable.

Having conducted a review of Mr Testrow's package, the Board considers that the changes to his remuneration are appropriate and will further incentivise Mr Testrow to continue leading the Company and executing the Company's strategic objectives over at least the next 4 years.

Variations

As set out in the ASX announcement on 3 August 2023, changes to Mr Testrow's remuneration arrangements for the Variation Period include the below.

- (a) From 1 July 2023, Mr Testrow's remuneration includes:
- total fixed remuneration of \$1.25 million per

annum (inclusive of superannuation), adjusted annually for inflation (**TFR**);

- the opportunity to receive incentives up to 250% of TFR annually being:
 - 130% of his annual TFR in short term incentives (**STI**). Subject to Shareholder approval (which will be sought at a future shareholder meeting of the Company), a portion of the STI may be payable in equity, vesting on 30 June 2027, unless Mr Testrow elects to take the whole of the STI award in cash.
 - Subject to Shareholder approval including under Resolution 5, 120% of his annual TFR in long term incentives (**LTI**) under the CEO LTI Plan. Further details regarding the LTI are set out below.
- (b) If Mr Testrow's employment were to end during the Variation Period:
- Due to resignation, the loan approved by Shareholders at the 2022 annual general meeting would become due and 12% interest per annum would be applied from the date the loan was drawn down until it is repaid.
 - Due to Mr Testrow suffering a serious illness or injury that resulted in his total and permanent disability such that he is medically assessed as no longer being able to perform the duties of his position on a permanent basis (**TPD Event**) or due to death, subject to the Company obtaining Shareholder approval under Resolution 4, Mr Testrow (or his legal personal representative as the case may be) would immediately receive:
 - unpaid TFR up to 30 June 2027, being the end of the Variation Period; and
 - Rights tested and awarded as at the date that his employment ends and the maximum number of Rights available under the CEO LTI Plan (as described below) which have not yet been tested and awarded. All of these Rights would immediately vest and may be exercised into Shares.
 - For any reason other than due to a TPD Event or death, Mr Testrow would receive TFR up to the date that his employment ends and any Rights tested and awarded prior to that date would vest. No Rights would be issued in respect of part years worked or future years not yet worked.

(c) If there is a Change in Control of the Company during the Variation Period, Mr Testrow would be entitled to immediately receive the following amounts and those Variations that are only to apply during the Variation Period will cease to operate:

- an amount equivalent to his unpaid TFR up to 30 June 2027; and
- Rights tested and awarded as at the date of the Change in Control and the maximum number of Rights available under the CEO LTI Plan (as described below) which have not yet been tested and awarded. All of these Rights would immediately vest and may be exercised into Shares.

The potential issue of Emeco shares to Mr Testrow in connection with a Change in Control forms part of the subject covered by Resolution 5 and is not covered by Resolution 4.

Shareholder approval under the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company if it is approved by Shareholders under section 200E of the Corporations Act or an exception otherwise applies.

Shareholder approval is being sought for the potential future termination benefits under sections 200B and 200E of the Corporations Act that Mr Testrow would receive were his employment to end due to a TPD Event or death.

The Company seeks Shareholder approval under Resolution 4 for the benefits which Mr Testrow may receive under the Variations if Mr Testrow's employment were to end during the Variation Period due to a TPD Event or death.

Details of the retirement benefits

Under the terms of the Variation, if Mr Testrow were to suffer a TPD Event or to die (each a **Trigger Event**), he would be entitled to:

- unpaid TFR from the date of the Trigger Event up to 30 June 2027;
- all Rights tested and awarded to Mr Testrow to the date of the Trigger Event. These Rights would vest and be capable of being immediately exercised into Shares;
- Rights equal to the maximum LTI award for the balance of the Variation Period (calculated on the TFR applicable at the date of the Trigger Event) that have not been tested and awarded as at the date of the Trigger Event,

(together, the **Remaining Remuneration Package**).

The payment of TFR and the accelerated vesting of the Rights on the occurrence of a TPD Event or death may be considered a benefit in connection with Mr Testrow's retirement from office and, therefore, within the scope of section 200B of the Corporations Act.

Value of the retirement benefits

The total value of the proposed benefit to be approved by Shareholders under Resolution 4 cannot be determined in advance. This is because various matters will or are likely to affect the value, including:

- the period of time that has elapsed in the Variation Period prior to the Trigger Event;
- any change in TFR during the period prior to the Trigger Event;
- the market price of Shares at the time that any Rights vest;
- the number of Rights (if any), that were awarded for periods prior to the Trigger Event following testing of the relevant KPIs.

The value of the unpaid total fixed remuneration component of the Remaining Remuneration Package will be calculated on the occurrence of any Trigger Event using Mr Testrow's TFR at that time.

If and when Rights vest to Mr Testrow on an accelerated basis due to a TPD Event or death, the value of the benefit can be calculated by multiplying the number of Rights that Mr Testrow receives by the market price of Shares at that time.

If a Trigger Event were to occur on 30 November 2023, the value of the Remaining Remuneration Package Mr Testrow would receive would be approximately \$4,479,167 in TFR and (assuming a Share price of 65 cents as at the date of the Trigger Event) approximately 9,230,770 Rights with a value of approximately \$6,000,000. However, the potential value of any Remaining Remuneration Package would likely decrease further into the Variation Period and, if a Trigger Event were to occur at the end of the Variation Period, the value of the Remaining Remuneration Package would be nominal. The Company has no information to suggest that a Trigger Event may or is likely to occur during the Variation Period.

Resolution 5**Approval of the issue of Rights under the Emeco CEO Long Term Incentive Plan for FY24, FY25 and FY26 for Mr Ian Testrow, the Managing Director and Chief Executive Officer****CEO LTI terms**

Resolution 5 seeks Shareholder approval for the issue of Rights to fully paid ordinary Emeco shares to Mr Ian Testrow, the Managing Director and Chief Executive Officer, under the Emeco CEO Long Term Incentive Plan (**CEO LTI Plan**) as follows:

- (a) a maximum potential entitlement of 2,307,693 Rights (**FY24 Rights**);
- (b) the number of Rights to be calculated in accordance with the methodology described below in respect of FY25 (**FY25 Rights**); and
- (c) the number of Rights to be calculated in accordance with the methodology described below in respect of FY26 (**FY26 Rights**).

The CEO LTI Plan is an equity incentive aimed to reward the Chief Executive Officer for his contribution to achievement of specified performance criteria (**KPIs**) over the performance period.

The number of Rights issued to Mr Testrow in respect of each year will reflect the KPI assessment against the maximum potential entitlement that he could receive under the CEO LTI Plan for that financial year.

Mr Testrow's maximum potential entitlement is calculated as that number of Rights equal to 120% of his TFR, determined using a share price of \$0.65 per share (**Maximum Potential Entitlement**). This share price will apply for each of FY24, FY25 and FY26.

In FY24, Mr Testrow's fixed annual remuneration is \$1,250,000, providing a Maximum Potential Entitlement (subject to testing of the KPI) of up to 2,307,693 Rights. Pursuant to the terms of the Variation, Mr Testrow's TFR may be reviewed to reflect inflationary adjustments. As such, in FY25 and FY26, Mr Testrow's TFR, and therefore his Maximum Potential Entitlement, may or may not be different to its current level.

Under the CEO LTI Plan, Rights for a financial year may be awarded to Mr Testrow following testing of the relevant KPI for that financial year. KPIs are reviewed, and achievement is tested at the end of each financial year. If the KPI is not achieved or is partly achieved, Mr Testrow will receive a portion (or none) of the maximum potential entitlement for that financial year.

For FY24, the CEO LTI Plan KPI is FY24 EPS growth of equal to or greater than 8%. A pro rata entitlement will be awarded where FY24 EPS growth is greater than 0% but less than 8%. No award will be made if there is no FY24 EPS growth or negative FY24 EPS growth. EPS will be based on the weighted average number of Emeco shares on issue during the year.

The KPIs for FY25 and FY26 are yet to be determined. The Board has adopted an approach of reviewing KPIs early in each financial year to ensure that the KPIs are effective, aligned with Shareholders interests and are appropriately tailored to the circumstances and/or objectives of the Company at the time.

Details of any awards and the applicable KPIs will be set out in the remuneration report each year.

A copy of the employee incentive plan rules is available at <https://emecogroup.com/who-we-are/corporate-governance>

If Shareholder approval is not obtained for this Resolution 5, the Rights the subject of this Resolution 5 will not be granted. If a grant of Rights under the CEO LTI is not approved, the Company has agreed it will pay the award assessed by the Board in cash.

If this Resolution is not passed, the FY24 award will be paid in cash after testing against the CEO LTI Plan KPI and the Company will consider whether to seek approval for the FY25 Rights and the FY26 Rights at subsequent meetings of Shareholders.

Vesting of Rights

If this Resolution is passed and the relevant CEO LTI Plan KPI is partially or fully met resulting in an award of Rights under the CEO LTI Plan, the Rights will be held in the Emeco Employee Share Ownership Trust, a trust operated by Pacific Custodians Pty Ltd (an independent professional trustee), until they vest and are converted into Shares in accordance with their terms.

Any Rights awarded under the CEO LTI Plan will vest on release of Emeco's FY27 full year results unless Mr Testrow's employment ends earlier or there is a Change of Control of the Company as set out below.

Subject to approval of this Resolution:

- If Mr Testrow's employment with the Group ends during the Variation Period for any reason other than death or a TPD Event, Mr Testrow would be entitled to receive Rights that have been tested and awarded but no further Rights would be issued under the CEO LTI Plan including in respect of any incomplete or future financial years.

For personal use only

- In the event of a Change of Control of the Company during the Variation Period, Mr Testrow would be entitled to receive Rights that have been tested and awarded, together with the Maximum Potential Entitlement for each remaining financial year in the Variation Period for which Rights have not yet been tested and awarded.
- If Mr Testrow's employment were to end in the Variation Period due to a TPD Event or death, Mr Testrow would, subject to the Company also obtaining Shareholder approval under Resolution 4, be entitled to receive Rights that have been tested and awarded, together with the Maximum Potential Entitlement for each remaining financial year in the Variation Period for which Rights have not yet been tested and awarded.

After Rights have vested, they may be exercised into Shares in accordance with their terms. If Mr Testrow leaves the Group, Rights must be exercised into Shares within 2 years after the date his employment ends.

Rights awarded under the CEO LTI Plan do not carry voting rights or an entitlement to dividends.

Shareholder approval under the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company if it is approved by Shareholders under section 200E of the Corporations Act or an exception otherwise applies.

Shareholder approval is being sought for the potential future termination benefits under sections 200B and 200E of the Corporations Act that Mr Testrow would receive were his employment to end in the circumstances described above.

Details of the retirement benefits

The retirement benefits in the context of death or a TPD Event are described above in the explanatory notes for Resolution 4.

This section details retirement benefits if Mr Testrow leaves the Group prior to the vesting date in circumstances other than death or a TPD Event.

Where Rights under the CEO LTI Plan vest on an accelerated basis, the accelerated vesting may be considered a benefit in connection with Mr Testrow's retirement from office and, therefore, within the scope of section 200B of the Corporations Act.

These proposed benefits may fall within one of the recognised exceptions under the Corporations Act. However, in the event such a benefit does not technically fall within any of the categories of exceptions set out in the Corporations Act, Shareholders are asked to approve them in these circumstances for the purposes of section 200E of the Corporations Act.

Value of the retirement benefits

The total value of the proposed benefit to be approved by Shareholders under Resolution 5 cannot be determined in advance. This is because various matters will or are likely to affect the value, including:

- the market price of Shares at the time that any Rights vest;
- a change in TFR during the period prior to an accelerated vesting;
- if a Trigger Event has occurred and if so, at what point in time; and
- the number of Rights (if any), that are vested on such an accelerated basis.

If and when Rights vest to Mr Testrow on an accelerated basis, the value of the benefit can be calculated by multiplying the number of Rights that Mr Testrow receives by the market price of Shares at that vesting time.

The Company is seeking this approval to assist it to meet its obligations to Mr Testrow and to provide the Company with flexibility to continue to remunerate executive directors fairly and responsibly. The Board believes the remuneration package agreed with Mr Testrow over the Variation Period will be an effective incentive to retain the energy and valuable leadership of Mr Testrow.

It should be noted that there is no current intention for Mr Testrow to vacate his role of Managing Director and Chief Executive Officer.

Shareholders should be aware that approval is not being sought for the purposes of the related party provisions contained in Chapter 2E of the Corporations Act, because, as set out above, the Board (other than Mr Testrow who is not able to make a recommendation due to his interest in this Resolution) considers that the Variations are appropriate and:

- any amounts received by Mr Testrow in the event of a Change of Control or if his employment ends due to his death or a TPD Event; and

- any accelerated vesting of Rights in the event of a Change of Control or should Mr Testrow leave in circumstances other than as a result of a TPD Event or death,

constitutes part of Mr Testrow's reasonable remuneration (and therefore falls within the exception set out in section 211 of the Corporations Act).

In reaching this conclusion, the Board has had regard to a variety of factors including the position held by Mr Testrow in the Company, the Board's desire to appropriately incentivise Mr Testrow, totality of the Variations agreed by Mr Testrow and the Company, and the remuneration offered to persons in comparable positions at comparable companies.

The Directors (with Mr Testrow abstaining) unanimously recommend that Shareholders vote in favour of Resolutions 4 and 5.

The Chairman intends to vote undirected proxies in favour of Resolutions 4 and 5.

Shareholder approval under the ASX Listing Rules

ASX Listing Rule 10.14 requires a listed company to obtain Shareholder approval by ordinary resolution prior to permitting the acquisition of securities under an employee incentive scheme by a director or an associate of a director. Mr. Testrow falls within Listing Rule 10.14.1 by virtue of being a director, and the Company is seeking approval for the acquisition of these Rights by Mr Testrow under ASX Listing Rule 10.14 and for all other purposes.

There is an exception to Listing Rule 10.14 where the securities to be acquired in satisfaction of the Rights are required by the scheme to be purchased on-market. While the Company has purchased Shares on-market to satisfy recent employee awards, the Company has not yet made any decision whether to issue Shares or acquire them on-market to satisfy any conversion of the awards the subject of Resolution 5. Seeking approval under ASX Listing Rule 10.14 allows the Company flexibility to either continue to purchase on-market or to issue new shares if it determines it is appropriate to do so at the relevant time.

As approval for the issue of the Rights is being sought under ASX Listing Rule 10.14, any issue of Shares by the Company to Mr Testrow to satisfy those Rights will be permitted pursuant to ASX Listing Rules 7.2 (Exception 14) and ASX Listing Rule 10.16(c).

Information required under ASX Listing Rule 10.15

For the purposes of ASX Listing Rule 10.15, the following information is provided to Shareholders:

- Rights will be issued to Mr Ian Testrow, who is a Director of the Company.
- It is proposed to issue Mr Testrow the following Rights under this Resolution (subject to testing against the relevant KPI for the relevant period):
 - a maximum of 2,307,693 Rights in respect of FY24;
 - a maximum number of Rights in respect of FY25 calculated on the basis of 120% of Mr Testrow's then TFR and a Emeco share price of \$0.65; and
 - in respect of FY26, a maximum number of Rights calculated on the basis of 120% of then Mr Testrow's TFR and a Emeco share price of \$0.65.
- On exercise of any Rights, Mr Testrow will receive one Share for each Right.
- Details of the current annual remuneration structure for Mr Testrow for FY24 are as follows:

Total fixed remuneration (including superannuation) (TFR)	\$1,250,000.00
---	----------------

Short-term incentive	Maximum of 130% of TFR
----------------------	------------------------

Long term incentive	Maximum of 120% of TFR
---------------------	------------------------

Please refer to the Remuneration Report for full details of Mr Testrow's remuneration for FY23.

- This Notice of Annual General Meeting sets out a summary of the material terms of the Rights. The Company considers Rights are an effective mechanism to align the interests of executives with the interests of Shareholders, through the testing of achievement against Company KPIs. As each Right may be exercised into one Share, the actual value of the Rights will be the market price of the equivalent number of Shares at the time that the Rights are exercised.

For personal use only

- (f) If approved, the Rights the subject of the relevant Resolution will be issued following this Annual General Meeting and no later than 3 years after the date of this Annual General Meeting.
- (g) The Rights would be issued as part of Mr Testrow's remuneration so there is no cash consideration payable by Mr Testrow (and accordingly no issue price). On exercise of the Rights, Mr Testrow will receive the Shares at no cost to Mr Testrow.
- (h) A summary of the material terms of the CEO LTI Plan is set out above.
- (i) No loans will be provided by the Company in connection with the award.
- (j) Details of any securities awarded under the CEO LTI Plan will be published in the Company's Annual Report relating to the period in which they were awarded, along with a statement that approval for the award was obtained under ASX Listing Rule 10.14.
- (k) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an award of securities under the LTI plan after this resolution is approved and who were not named in this Notice of Meeting will not participate until Shareholder approval is obtained under ASX Listing Rule 10.14.
- (l) A voting exclusion statement for this Resolution is set out in the Notice of Annual General Meeting.
