Voting exclusions

The Corporations Act and the ASX Listing Rules require that certain persons must not vote, and the Company must disregard any votes cast by or on behalf of certain persons, on the Resolutions to be considered at the Annual General Meeting. These voting exclusions are described below.

Resolution 1

In accordance with sections 250R(4) and 250BD(1) of the Corporations Act, a vote must not be cast (in any capacity), and the Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Company's Key Management Personnel (KMP) whose remuneration details are included in the Remuneration Report for the Company, or their Closely Related Parties, regardless of the capacity in which the vote is cast.

However, votes will not be disregarded if they are cast as proxy for a person entitled to vote on Resolution 1:

- in accordance with a direction on the proxy form; or
- by the Chairman of the Annual General Meeting pursuant to an express authorisation to exercise the proxy even though Resolution 1 is connected with the remuneration of the Company's KMP.

Resolutions 2 to 4

There are no voting exclusions on these Resolutions.

Resolution 5 and 6

The Company will disregard any votes cast in favour of Resolution 5 by or on behalf of a

person who is eligible to participate in the Starpharma Holdings Limited Employee Performance Rights Plan or an associate of those persons.

The Company will disregard any votes cast in favour of Resolution 6 by or on behalf of Dr Jacinth Fairley and any person referred to in ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Starpharma Holdings Limited Employee Performance Rights Plan, or an associate of those persons.

However, the Company need not disregard a vote in favour of Resolution 5 or Resolution 6 if:

- it is cast by a person as proxy or attorney for a person who is entitled to vote, in accordance with the directions on the proxy form;
- it is cast by the Chairman of the Annual General Meeting as proxy or attorney for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, the Company will disregard a vote in favour of Resolution 6 as a proxy by a person who is a member of the KMP at the date of the Annual General Meeting or their Closely Related Parties where the proxy appointment does not specify the way the proxy is to vote on the Resolution, unless:

- the proxy is the Chairman of the Annual General Meeting; and
- the proxy appointment expressly authorises the Chairman to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a KMP member.

Important voting information

The Company encourages all Shareholders who submit proxies to direct their proxy how to vote on the Resolutions. All Resolutions will be voted on by poll.

Proxies

A Shareholder has the right to appoint a proxy, who need not be a Shareholder of the Company.

If a Shareholder is entitled to cast two or more votes, they may appoint two proxies and may specify the percentage or number of votes each proxy is appointed to exercise. The Proxy Form should be returned and must be received by no later than 2.00pm (Melbourne time) on Monday, 27 November 2023 to the share registry, of the Company as follows:

Computershare Investor Services Pty Limited:

Yarra Falls
452 Johnston Street
Abbotsford VIC 3067

By mail:

GPO Box 242
Melbourne VIC 3001

By facsimile: 1800 783 447.

Shareholders may lodge proxies electronically through the share registry of the Company via: www.investorvote.com.au using your secure access information or use your mobile device to scan your personalised QR code on the proxy form.

For Intermediary Online subscribers only (custodians):
www.intermediaryonline.com.

If a Proxy Form is signed on behalf of a Shareholder under a power of attorney, then either the original power of attorney, or a certified copy of it, must be lodged with the Proxy Form (before the deadline for the lodgement of proxies), unless the power of attorney has already been sighted by Computershare Investor Services Pty Limited.

A proxy may decide whether to vote on any item of business or other resolution put before the Meeting, except where the proxy is required by law or the Company's constitution to vote or abstain from voting in their capacity as proxy. If the proxy's appointment directs the proxy how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If the proxy's appointment does not direct the proxy how to vote on an item of business or any other resolution before the Meeting, the proxy may vote as he or she thinks fit on that item or resolution.

Appointment of corporate representatives

A body corporate that is a Shareholder and entitled to attend and vote at the Meeting, or that has been appointed as a proxy of a Shareholder entitled to attend and vote at the Meeting may appoint an individual to act as its representative at the Meeting.

The appointment must comply with section 250D of the Corporations Act.

The representative must provide to the Company adequate evidence of his or her appointment by 2.00pm (Melbourne time) on 27 November 2023, including any authority under which the appointment is signed, unless that evidence has previously been provided to the share registry of the Company, Computershare Investor Services Pty Limited.

Appointing the Chairman of the Meeting as your proxy

The Proxy Form accompanying this Notice of Meeting contains detailed instructions regarding the completion of the Proxy Form in circumstances where a Shareholder wishes to appoint the Chairman of the Meeting as his or her proxy.

You should read those instructions carefully.

- By appointing the Chairman of the Meeting as your proxy in relation to any Resolutions, you expressly authorise the Chairman to exercise your vote on those Resolutions, including Resolutions 1 and 6, which are connected directly or indirectly with the remuneration of members of the KMP (which, in respect of Resolution 1, includes the Chairman) unless:
 - you have directed the Chairman how to vote on the resolutions by marking the appropriate box at Step 1 of the Proxy Form; or
 - you are a member of the KMP or a Closely Related Party of such a member of the KMP.
- The Chairman of the Annual General Meeting intends to vote all undirected proxies in favour of each Resolution. In respect of Resolutions 1 and 6, if the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolutions 1 and 6, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation to vote the proxy in accordance with the Chairman's intention, despite the fact that the resolution is related to the remuneration of a KMP or Closely Related Party of a KMP.
- If you do not wish the Chairman of the Meeting to exercise the proxy in accordance with the Chairman's stated voting intentions on a Resolution, you should ensure that a box is clearly marked with your voting direction against each of the Resolutions in the Proxy Form.

Shareholders should refer to the notes above for information regarding voting restrictions.

Voting by proxy holders

Under the Corporations Act:

- if proxy holders vote, they must vote all directed proxies as directed; and
- any directed proxies that are not voted will automatically default to the Chairman, who must vote the proxies as directed.

In respect of Resolutions 1 and 6, if your proxy is a KMP (other than the Chairman), or a Closely Related Party of a KMP, provided you are not a

KMP or a Closely Related Party of a KMP, the person may still vote as your proxy provided you have directed your proxy on the Proxy Form how to vote by marking the voting boxes for those Resolutions and your proxy does vote as directed.

Proxy vote if appointment specifies way to vote

Section 250BB of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way;
- if the proxy has two or more appointments that specify different ways to vote on a resolution – the proxy must not vote on a show of hands;
- if the proxy is the Chairman at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e., as directed); and
- if the proxy is not the Chairman – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e., as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the company's shareholders; and
- the appointed proxy is not the Chairman; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the Chairman is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at that meeting.

Conduct of the Meeting if impacted by technical or other difficulties

The Chairman has discretion as to whether and how the Meeting should proceed in the event that technical difficulty arises in respect of the online meeting platform or in the event of a physical emergency or direction that impacts the in-person attendees. In exercising this discretion, the Chairman will have regard to the number of Shareholders impacted and the extent to which participation in the business of the Meeting is affected.

Where the Chairman considers it appropriate, the Chairman may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, Shareholders are encouraged to lodge a proxy in advance of the Meeting, even if they plan to attend in person or online.

Electronic voting is permitted by the Company's constitution and under applicable laws governing the Meeting.

Receipt of Electronic notice under the Corporations Amendment (Meetings and Documents) Act 2022

The *Corporations Act* (as a result of the *Amendment (Meetings and Documents) Act 2022* (Cth)) includes a requirement for public companies and listed companies to give their shareholders notice of their right to elect to be sent documents electronically or physically by the Company in section 110K of the *Corporations Act*. There are options available to Shareholders as to how you receive communications from the Company.

Starpharma will no longer be sending physical Meeting documents unless you request a copy to be posted.

Starpharma encourages all Shareholders to provide an email address so we can communicate with you electronically when Shareholder notices become available online, for items such as Meeting documents and annual reports.

Shareholders can still elect to receive some or all of their communications in physical or electronic form or elect not to receive certain documents such as annual reports. Explanatory Memorandum

Starpharma Holdings Limited ABN 20 078 532 180

This Explanatory Memorandum has been prepared to assist Shareholders with their consideration of the Resolutions to be put to the Annual General Meeting on Wednesday, 29 November 2023. This Explanatory Memorandum should be read with and form part of the accompanying Notice of Meeting.

Terms and expressions used in this Explanatory Memorandum, the Notice of Meeting and the Proxy Form have the meaning given to them in the 'Definitions' section located at the end of this Explanatory Memorandum.

Financial Statements and Reports

The Corporations Act requires the Annual Financial Report of the Company (which includes the Financial Statements and Directors' Declaration), the Directors' Report (which includes the Remuneration Report) and the Auditor's Report in respect of the financial year ended on 30 June 2023 to be put before the Annual General Meeting. There will be an opportunity for Shareholders to ask questions and comment on these documents and on the business, operations and management of the Company. No resolution is required to be passed on this item.

The Starpharma Annual Report for the year ended 30 June 2023 is available on Starpharma's website at www.starpharma.com. Hard copies of the report are distributed only to those Shareholders who have elected to receive it in printed form.

Shareholders will also have the opportunity to ask the auditor or their representative questions relating to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the auditor. Shareholders may also submit written questions to the auditor in respect of the Auditor's Report or the conduct of the audit. The questions should be received by the Company no later than 5 business days before the meeting.

Resolution 1 – Adoption of Remuneration Report

The Corporations Act requires publicly listed companies to disclose certain information relating to the remuneration of Directors and executives.

This disclosure is contained in a separate section of the Directors' Report called the Remuneration Report (**Remuneration Report**), which is set out on pages 33 to 61 of the Annual Report for the year ended 30 June 2023.

In compliance with section 300A of the Corporations Act, the Remuneration Report sets out the Company's policy for determining the nature and amount of remuneration for the Directors and specified executive officers of the Company.

Starpharma aims to ensure that its remuneration strategy aligns the interests of its executives and employees with those of its Shareholders. In framing Starpharma's remuneration strategy, the Board is conscious that Starpharma only has a relatively small number of employees (~40) so it endeavours to keep its remuneration straightforward. The Company's staff are required to have specialist knowledge and experience allowing them to develop products over the medium to long term. The fact that Starpharma operates in a global pharmaceutical industry environment also influences its remuneration strategy.

The structure of remuneration comprises fixed remuneration, short-term incentives (**STI**) in both cash and equity and equity-based long-term incentives (**LTI**). Starpharma's remuneration structure is transparent and based on Key Performance Indicators (**KPIs**), which are designed to align with the interests of Shareholders and to reward performance across multi-year timeframes related to product development value-adding milestones. In some cases, the Board may exercise discretion to take account of events and circumstances not envisaged. All

allocations of equity to the CEO are approved by Shareholders at each AGM.

The Corporations Act requires publicly listed companies to put their Remuneration Report for each financial year to a resolution of members at the Company's Annual General Meeting.

Under section 250R(3) of the Corporations Act, the vote is advisory only and does not bind the Directors or the Company. Notwithstanding the 'advisory' nature of the vote on the Remuneration Report, the Directors will take the outcome of the vote into account when reviewing the remuneration practices and policies of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a spill resolution) that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

Board Recommendation

The Board considers that the Company's remuneration policies and practices are appropriate for its strategy, stage of development, size, and industry, and are competitive with the external market.

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that Shareholders vote in **FAVOUR** of Resolution 1. The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 1.

Resolution 2 – Election of Board Endorsed Director, Dr Russell Basser

In accordance with clause 64.2 of the Company's constitution and ASX Listing Rule 14.4, a Director (excluding the Managing Director) who is appointed to fill a casual vacancy or as an addition to the Board must not hold office without re-election past the next Annual General Meeting.

Prior to joining CSL, Dr Bassier was a practicing medical oncologist at the Royal Melbourne and Western Hospitals and had an appointment at the Ludwig Institute for Cancer Research.

Dr Bassier is a qualified physician, having completed a Bachelor of Medicine and Bachelor of Surgery and a Doctor of Medicine at the University of Melbourne. Board Recommendation

The Board (with Mr David McIntyre abstaining) recommends that Shareholders vote in FAVOUR of this ordinary resolution.

The Chairman of the meeting intends to vote all available proxies in favour of Resolution 4.

Resolution 5 – Approval of Starpharma Holdings Limited Employee Performance Rights Plan

The Plan provides Eligible Persons with an opportunity to share in the growth in the value of the Company and to encourage them to maximise the performance of the Company and

its return to Shareholders. The Plan gives the Board the ability to provide a remuneration mix to employees and is intended to assist the Company to attract and retain skilled and experienced Eligible Persons and provide them with the motivation to enhance the Company's success.

Listing Rule Requirements

The Plan is an "employee incentive scheme" for the purposes of ASX Listing Rule 7.2. Shareholder approval is being sought for the issue of Rights (refer to "Plan Summary" below) under the Plan to employees over the 3-year period from the date of the Annual General Meeting. The Plan was last approved at the 2020 AGM. 11,830,765 Rights have been issued under the Plan to the date of this Notice of Meeting since it was last approved at the 2020 AGM.

To date, 5,226,127 of these Rights have vested and been converted into Shares.

The maximum aggregate number of Rights proposed to be issued under the Plan following shareholder approval under Resolution 5 over three years following the Annual General Meeting shall not exceed 20,524,654 (**Cap**), which is 5% of the total number of fully paid shares on issue at the date of this Notice of Meeting. Each Right will, if the applicable vesting conditions are satisfied, be convertible into one Share. This maximum number of securities which may be issued under the Plan over the next 3 years is not intended to be a prediction of the actual number of securities to be issued under the Plan, rather it is intended to be a ceiling on the number of securities approved to be issued under the Plan and for the purposes of Exception 13(b) of ASX Listing Rule 7.2. Under ASX Listing Rule 7.1, the number of equity securities (which includes shares, options over unissued shares and rights to shares) a company may issue, or agree to issue, in any 12-month period must not exceed 15% of the Company's issued capital unless an exception applies or Shareholder approval for the issue is obtained (the **15%-in-12-months rule**).

One exception to the 15%-in-12-months rule, which is set out in Exception 13 to ASX Listing Rule 7.2, is where there is an issue of securities under an employee incentive scheme if, within 3

years before the date of issue of the relevant equity security, holders of ordinary securities in the Company have approved the issue of equity securities under the employee incentive scheme.

If Shareholders approve Resolution 5, any issue of Rights under the Plan within the 3 year period from the date of the Annual General Meeting up to the Cap will be treated as having been made with the approval of Shareholders for the purposes of ASX Listing Rule 7.1 and, consequently, the issue of those Rights will be excluded from the calculation of the maximum number of new securities that can be issued by the Company without Shareholder approval for the purposes of the 15%-in-12-months rule. Any Rights issued under the Plan in excess of the Cap will count towards the maximum number of securities that may be issued under the 15%-in-12-months rule.

The issue of any Rights to Directors under the Plan, including the Managing Director of the Company, will require separate Shareholder approval under ASX Listing Rule 10.14.

A voting exclusion statement in respect of Resolution 5 has been included in this Notice of Meeting.

If Shareholder approval is not obtained for Resolution 5, the Company will still be entitled to issue securities under the Plan, but those securities would be included for the purposes of calculating the capacity of the Company to issue securities under the 15%-in-12-months rule, unless another exception in Listing Rule 7.2 applies. This will impair the Company's flexibility to use that 15% placement capacity for other purposes (e.g. for future capital raisings or to fund acquisitions).

Plan Summary

A summary of the key terms and conditions of the Plan are as follows:

- (a) The Board may from time to time invite Eligible Persons which include employees and Directors (**Participants**), to participate in the Plan by offering them the opportunity to acquire Rights.

- (b) Each Right will vest on the date which is specified in the Offer Letter as the date on which a Right vests on the satisfaction or waiver of any Vesting Conditions that may apply to that Right.
- (c) Once vested, each Right may be exercised by the Participant during an exercise window and will subsequently be converted into one Share.
- (d) Vesting of Rights is also conditional on the Participant having been continuously employed by the Company or one of its subsidiaries from the date of grant of the Rights to the Vesting Date (inclusive). Where cessation of employment is due to death, illness, permanent disability, redundancy or any other circumstance approved by the Board, all unvested Rights granted to the relevant Participant under the Plan will lapse, unless the Board determines otherwise having regard to:
 - the portion of the Performance Period elapsed; and
 - the extent to which the Performance Conditions (if any) have been met.
- (e) The Board has the discretion to determine whether Rights will vest and become exercisable if a Change of Control Event happens (or as a result of a proposed Change of Control Event).
- (f) No consideration is payable by a Participant for Rights and the resultant Shares on exercise of the Rights.
- (g) The resultant Shares may be subject to a disposal restriction, and a holding lock may be applied to the relevant Shares.
- (h) The issue of Rights and the Rights themselves are subject to the ASX Listing Rules.

A copy of the Plan rules is available on request from the Company Secretary by calling (03) 8532 2700 or by email to justin.cahill@starpharma.com.

Board Recommendation

Noting that the issue of any Rights to Directors under the Plan, including the CEO and Managing Director of the Company, will require a separate Shareholder approval under ASX Listing Rule 10.14, and that each Director is excluded from voting their Shares on Resolution 5 (as set out in the voting exclusion statement in the Notice of Meeting), the Board recommends that Shareholders vote in FAVOUR of this ordinary resolution.

The Chairman of the meeting intends to vote all available proxies in favour of Resolution 5.

Resolution 6 – Approval of Issue of Performance Rights to Dr Jacinth Fairley – Prospective Performance Rights

ASX Listing Rule 10.14 provides that Shareholders of an ASX-listed company must approve the issue of securities to a Director under an employee incentive scheme.

This Resolution 6 seeks the required approval from Shareholders for the issue of 1,144,184 Rights (**CEO Rights**) to Dr Fairley under the Plan.

As announced on 9 June 2023, Dr Fairley intends to retire in 2024. Dr Fairley and the Board are committed to ensuring an orderly transition and have agreed that Dr Fairley will continue in her role as CEO and Managing Director until a successor is ready to commence. Dr Fairley will remain available in an advisory role for a period of up to 12 months after her successor commences to provide the Company with maximum flexibility for the transition.

In recognition of Dr Fairley's service, and to:

- align Dr Fairley's interests with the interests of Shareholders;
- encourage the achievement of the Company's strategic goals and overall growth of the Company's business necessary to build competitive advantages and Shareholder value; and
- support an orderly transition.

the Company proposes to issue 1,144,184 CEO Rights to Dr Fairley as part of her remuneration

for the year ending 30 June 2024. The CEO Rights have a value of \$173,488, which is a reduced quantum or rights compared to previous years offer's, reflecting Dr Fairley's intention to retire in 2024. The non-executive Directors, on the recommendation of the Remuneration and Nomination Committee, have determined that it is appropriate for the CEO Rights to be subject to short term performance conditions.

The number of CEO Rights was calculated by dividing the value by \$0.1516, the 1-month VWAP of the Shares to 30 September 2023 (the day prior to the beginning of the performance period). The 1-month period to 30 September 2023 has been determined to be the appropriate duration for the calculation of the VWAP of the Shares as it limits any unintended consequences of short-term volatility in the Share price.

For accounting purposes, a fair value valuation will be undertaken, and the fair value of these CEO Rights will be expensed in accordance with the Accounting Standards. This is likely to lead to a difference between the face value amount stated above and the fair value amount recorded in the FY24 Remuneration Report.

The CEO Rights will be issued under the Plan (which is subject to Shareholder approval at this Annual General Meeting). The key terms of the grant are set out in the following table, and further information required by the ASX Listing Rules is set out on pages 18 to 19 of this Notice of Meeting.

If Resolution 6 is not passed, Starpharma will not be able to proceed with the issue of the CEO Rights and the non-executive Directors will consider alternative arrangements to appropriately remunerate and incentivise Dr Fairley.

The following table outlines the key terms related to the issue of the CEO Rights:
