EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.capmetals.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Board recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that Shareholders vote in favour of Resolution 1.

3. RESOLUTIONS 2 – RE-ELECTION OF DIRECTOR – MR MARK OKEBY

3.1 Background

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting. Rule 11.7 of the Constitution provides that no director may retain office without re-election for more than three years or past the third annual general meeting following the Director's appointment, whichever is the longer.

Mr Mark Okeby, having been last elected to the Board on 20 November 2020, will retire in accordance with clause 11.7 of the Constitution and ASX Listing Rule 14.4 and being eligible, seek election from Shareholders.

3.2 Qualifications and other material directorships

Mr Mark Okeby

LLM

Mr Okeby began his career in the resources industry in the 1980s as a corporate lawyer advising companies on resource project acquisitions, financing, and development. He has a Masters of Law (LLM) and over 30 years' experience as a director of ASX listed mining and exploration companies.

Mr Okeby is currently a director of Red Hill Iron Limited (appointed in 2015) and is also Non-executive Chairman of Peel Mining Limited (appointed in 2022). Previously Mr Okeby has been a director of Hill 50 Ltd, Abelle Limited, Metals X Limited, Westgold Resources Limited, Lynas Corporation Ltd and Regis Resources Limited.

Mr Okeby has a deep knowledge of the Australian resources landscape and the regulatory regimes around mine development and operation. He also has significant experience in the commercial and legal aspects of project development, financing and corporate transactions.

During the past three years Mr Okeby has held the following other listed company directorships:

- Non-Executive Director of Peel Mining Limited (appointed 3 March 2022 to present); and
- Non-Executive Director of Red Hill Iron Limited (appointed 12 August 2015 to present).

3.3 Board recommendation

The Board (with Mr Okeby abstaining in relation to Resolution 2) supports the election of Mr Okeby and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – ELECTION OF DIRECTOR – MS JILLIAN IRVIN

4.1 Background

Rule 11.3 of the Constitution provides that, if a person is appointed as a Director by the Board, Shareholders must confirm the appointment at the Company's next annual general

meeting. If the appointment is not confirmed, the person ceases to be a Director at the conclusion of that annual general meeting.

Similarly, the ASX Listing Rules provide that a person appointed as a Director by the Board must not hold office (without re-election) past the Company's next annual general meeting.

Ms Jillian Irvin was appointed to the Board on 11 October 2023. Accordingly, in order for Ms Irvin to remain as a Director after the Meeting, Shareholders are required to elect Ms Irvin as a Director at that Meeting.

4.2 Qualifications

Ms Jillian Irvin is an experienced geological consultant with 25 years' experience in the mining industry and a strong history in resource estimation, near mine exploration and mining geology. Ms Irvin gained solid operational experience with ten years in production, project and management roles. This was followed by a decade specialising in resource evaluation and due diligence for precious and base metal deposits in Australasia and Africa. Ms Irvin holds postgraduate qualifications in geostatistics and served as a Federal Councillor for the Australian Institute of Geoscientists (AIG) from 2008 until 2012.

Ms Irvin has held senior geologist roles at a number of major listed mining companies including Barrick Gold (listed on the New York stock exchange). Ms Irvin is currently Principal Geologist at Entech Pty Ltd.

During the past three years Ms Irvin has held no other listed company directorships.

4.3 Board recommendation

The Board (with Ms Irvin abstaining) supports the election of Ms Irvin and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – RE-ADOPTION OF PERFORMANCE RIGHTS PLAN

5.1 General

The Company is seeking Shareholder approval to re-adopt the Company's existing Performance Rights Plan in accordance with ASX Listing Rule 7.2 (Exception 13(b)). The Performance Rights Plan was first adopted by Shareholders on 23 November 2017 and last re-adopted for the purposes of ASX Listing Rule 7.2 (Exception 13(b)) at the Company's annual general meeting held on 20 November 2020.

As in previous years, the objective of the Performance Rights Plan remains to attract, motivate and retain key employees and it is considered by the Company that the re-adoption of the Performance Rights Plan and the future issue of Performance Rights under the Plan will provide selected employees, and consultants with the opportunity to participate in the future growth of the Company.

Any future issues of Performance Rights under the Performance Rights Plan to a party to whom ASX Listing Rule 10.14 applies (such as a Director) will require additional Shareholder approval at the relevant time.

5.2 ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. ASX Listing Rule 7.2 (Exception 13(b)) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue Performance Rights under the Plan to eligible participants over a period of 3 years and to issue Shares to those persons if

they choose to exercise the Rights granted to them under the Performance Rights Plan, without impacting the Company's placement capacity under ASX Listing Rule 7.1.

If Resolution 4 is not passed, the Company may still issue Performance Rights under the Performance Rights Plan, but any issue of Performance Rights will reduce, to that extent, the Company's capacity to issue securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the issue of the Performance Rights.

5.3 Information required by ASX Listing Rule 7.2 (Exception 13(b))

The Company provides the following information in relation to the Plan:

- A summary of the key terms and conditions of the Plan is set out in Schedule 1. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting.
- Since 20 November 2020 (being the date on which the Plan was last approved by Shareholders), the Company has issued 2,970,722 Performance Rights under the Plan.
- The maximum number of securities proposed to be issued under the Plan over three years is 11,278,745 securities (being 3% of the Company's fully diluted Share capital as at the date of this Explanatory Statement). This maximum is not intended to be a prediction of the actual number of securities to be issued under the Plan but is specified for the purposes of setting a ceiling on the number of securities approved to be issued for the purposes of ASX Listing Rule 7.2 (Exception 13(b)).
- A voting exclusion statement is included in the Notice in respect of Resolution 4.

5.4 Board recommendation

Noting that each Director may have a personal interest in the outcome of this Resolution 4 by virtue of them being eligible to participate in the Performance Rights Plan, the Board recommends that Shareholders vote in favour of Resolution 4.

6. RESOLUTION 5 – APPROVAL OF INCREASE TO NON-EXECUTIVE DIRECTORS' REMUNERATION

6.1 Background

ASX Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of its shareholders. Similarly, rule 11.9(a)(ii) of the Constitution requires that the maximum remuneration payable to the Non-Executive Directors be determined by the Shareholders in general meeting.

6.2 Proposed increase

It is proposed that the fee pool for Non-Executive Directors be increased from \$600,000 to \$800,000 per annum (an increase of \$200,000). The fee pool is inclusive of statutory entitlements (including superannuation).

The reasons for the proposed increase are as follows:

- The current maximum aggregate amount of remuneration payable to Non-Executive Directors (being an amount of \$600,000) was set at the Company's 2021 annual general meeting.
- Since 2021 the Company has increase both in size and has rapidly expanded its operational footprint with the Mt Gibson Gold Project recently announcing a maiden ore reserve and Karlawinda delivering record annual gold production.
- Based on the current composition of the Board, total fees payable to Non-Executive Directors for the 2023 / 2024 financial year will be approximately 432,900, being 72% of the total current fee pool.

- The proposed increase to the Non-Executive Director fee pool is sought to provide sufficient scope for possible Board expansion, succession planning and ongoing flexibility, and to allow for future adjustments to Non-Executive Director fees in light of future increased time commitments and workload.
- The Board considers that an increase to the maximum aggregate fee pool is appropriate and will enable the Company to retain and attract appropriate candidates to the Board.

If Resolution 5 is not passed, the Board will lose the flexibility it is seeking to provide sufficient scope for possible Board expansion, succession planning and ongoing flexibility potentially impacting the Company's ability to retain existing and/or attract new directors. Accordingly, if this resolution is not passed, the fee pool for Non-Executive Directors will remain at \$600,000 and the Board will need to reassess this strategy.

6.3 Information required by ASX Listing Rule 7.2

In accordance with ASX Listing Rule 10.17:

- the amount of the proposed increase is A\$200,000;
- if Resolution 5 is passed, the proposed maximum aggregate of Directors' fees that may be paid to all of the Company's Non-Executive Directors is A\$800,000 per annum;
- in accordance with ASX Listing Rule 10.14, Shareholders have previously approved the issue of 2,000,000 options to Non-Executive Director Mr Mark Okeby in August 2019, under the Company's then incentive option plan. At the time of issue, the options were exercisable at \$0.60 each and had an expiry date of 30 August 2022. The options vested were exercised, and 2,000,000 shares were issued to by Mr Okeby, in July 2021;
- a voting exclusion statement is included in the Notice in respect of Resolution 5.

6.4 Board recommendation

Given the interest of each Non-Executive Director in Resolution 5, the Board does not consider it appropriate to make a recommendation to Shareholders regarding this Resolution. Executive Chairman, Mr Mark Clark, recommends that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 – APPROVAL OF ISSUE OF PERFORMANCE RIGHTS TO MR MARK CLARK

7.1 Background

Resolution 6 seeks Shareholder approval for the Company to issue of 154,670 Performance Rights to Mr Mark Clark (or his nominee) under the Performance Rights Plan and on the terms and conditions set out below.

The Board is responsible for administering the Performance Rights Plan and the terms and conditions of the specific grants to participants under the Performance Rights Plan. The Performance Rights Plan was last approved by Shareholders at the Company's 2020 annual general meeting and is proposed to be re-approved by the Shareholder at the Company's 2023 annual general meeting under Resolution 4 (above). A summary of the material terms of the Performance Rights Plan is set out in Schedule 1.

As an executive of the Company, Mr Clark is entitled to participate in the Company's incentive plans. The Board believes balancing remuneration between fixed remuneration and incentive-based remuneration is an important component of attracting and retaining the best available executive talent. The Board is also cognisant of general Shareholder opinion that equity-based rewards for staff should be linked to the achievement by the Company of performance conditions.

Accordingly, the Board has determined to offer 154,670 Performance Rights to Mr Clark, which will be subject to the terms of the Performance Rights Plan and the vesting conditions described in section 7.2 below.

7.2 Vesting conditions

The Performance Rights are subject to vesting conditions that are tied to the total shareholder return (**TSR**) of the Company relative to the TSR of the comparator group of companies set out in the table below (**Peer Group**) over a defined period of time (**Measurement Period**).

Peer Group		
Alkane Resources Limited	Bellevue Gold Limited	Calidus Resources Limited
Dacian Gold Limited	De Grey Mining Limited	Emerald Resources NL
Evolution Mining Limited	Genesis Minerals Limited	Gold Road Resources Limited
Northern Star Resources Limited	OceanaGold Corporation	Ora Banda Mining Ltd
Pantoro Limited	Perseus Mining Limited	Ramelius Resources Limited
Red 5 Limited	Regis Resources Limited	Resolute Mining Limited
Silver Lake Resources Limited	St Barbara Limited	Westgold Resources Limited
West African Resources Limited		

The peer group is comparable ASX companies. This provides a broad and representative comparative peer group for Australian investors. The peer group will be adjusted if members are delisted (for reasons other than financial failure) or a company merges with or is acquired by another company in the peer group - in which case the resulting company remains in the peer group and the acquired company is removed. The Board has the discretion to adjust the peer group in other circumstances.

TSR is a method of calculating the return shareholders would earn if they held a notional number of shares over a period of time. TSR measures the growth in a company's share price together with the value of dividends during the period, assuming that all of those dividends are re-invested into new shares.

The Measurement Period for:

- 50% of the Performance Rights is the 24 month period commencing on 1 July 2023 and ending on 30 June 2025 (**Tranche 1 Performance Rights**); and
- the other 50% of the Performance Rights is the 36 month period commencing on 1 July 2023 and ending on 30 June 2026 (**Tranche 2 Performance Rights**).

TSR is calculated by reference to the volume weighted average price of Company shares traded on ASX during the 20 trading days before and including the first trading day of the Measurement Period and the 20 trading days up to and including the last trading day of the Measurement Period.

The proportion of each tranche of the Performance Rights that vest, if any, will be determined as follows:

Relative TSR for Measurement Period	Proportion of Performance Rights that will vest
Below the 50th percentile	0%
At the 50th percentile	50%
Between the 50th and 75th percentile	Pro-rata between 50% and 100%
At and above the 75th percentile	100%

For personal use only

7.3 Other terms

Subject to the terms of the Performance Rights Plan, upon the satisfaction of the applicable vesting condition, each Performance Right entitles the holder to one Share. The holder is not required to pay any exercise price to the Company on the vesting or exercise of a Performance Right.

The expiry date of the:

- Tranche 1 Performance Rights is 31 December 2025; and
- Tranche 2 Performance Rights is 31 December 2026.

Performance Rights that do not vest because of either a failure to achieve the vesting conditions or that have not vested by the expiry date will lapse (subject to the terms of the Performance Rights Plan).

7.4 ASX Listing Rule 10.14

Resolution 6 seeks Shareholder approval under ASX Listing Rule 10.14 for the issue of 154,670 Performance Rights to Mr Mark Clark (or his nominee) under the Performance Rights Plan (**PR Issue**).

ASX Listing Rule 10.14 provides that, subject to certain exceptions, a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company (10.14.1);
- an associate of a director of the company (10.14.2); or
- a person whose relationship with the company or a person referred to in ASX Listing Rules 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (10.14.3),

unless it obtains the approval of its shareholders.

The PR Issue falls within ASX Listing Rule 10.14.1 and therefore requires Shareholder approval under ASX Listing Rule 10.14.

Resolution 6 seeks the required Shareholder approval to the PR Issue for the purposes of ASX Listing Rule 10.14.

Shareholders should note that, if Resolution 6 is passed, (i) the Company will be able to proceed with the PR Issue, (ii) approval will not be required under ASX Listing Rule 7.1 in respect of the PR Issue, and (iii) the PR Issue will be excluded from the calculation of the number of equity securities the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Shareholders do not pass Resolution 6, the Company will not be able to proceed with the PR Issue.

For the purposes of ASX Listing Rule 10.15, the following information is provided in relation to the PR Issue pursuant to Resolution 6:

- (a) The name of the person
The recipient of the Performance Rights will be Mr Mark Clark, or his nominee.
- (b) Category the person falls within and why
The issue of the Performance Rights falls within ASX Listing Rule 10.14.1 because Mr Mark Clark is a Director of the Company.
- (c) The number and class of securities proposed to be issued to the person under the scheme for which approval is being sought
The maximum number of securities that may be issued to Mr Clark, or his nominee, is 154,670 Performance Rights.
- (d) Details of Mr Clark's current remuneration package
Mr Clark's current remuneration package comprises fixed remuneration of \$900,000 per annum (plus superannuation benefits).
- (e) The number of securities previously issued to Mr Clark under the scheme and the average acquisition price (if any) paid by Mr Clark for those securities
Since the Performance Rights Plan was last re-adopted at the Company's 2020 annual general meeting, Mr Clark received:
- 240,000 Performance Rights with a nil exercise price under the Performance Rights Plan and as approved by shareholders in November 2021; and
 - 161,414 Performance Rights with a nil exercise price under the Performance Rights Plan and as approved by shareholders in November 2022.
- (f) Summary of the material terms of the securities, an explanation of why that type of security is being used and the value the Company attributes to that security and its basis
A summary of the material terms of the Performance Rights is set out in sections 7.1 to 7.3 above, with a summary of the material terms of the Performance Rights Plan being set out in Schedule 1.

The Board has determined to issue Performance Rights because the Board considers that the Performance Rights will assist in:

- attracting, motivating and retaining Mr Clark;
- delivering rewards to Mr Clark for individual and Company performance;
- allowing Mr Clark the opportunity to increase his shareholding in the Company; and
- aligning the interest of Mr Clark with those of Shareholders.

The Company considers that the use of performance rights as opposed to other forms of incentive instruments achieves the optimal taxation and financial outcome for both the Company and the executive.

The Company attributes a value of \$630,000 to the Performance Rights on the basis of multiplying the number of Performance Rights by the 5-day volume weighted average price of the Company's shares (\$4.07) up to 4 October 2023. No discount has been applied to account for any probability of the vesting conditions having been achieved. The Company has not received an independent valuation in relation to the Performance Rights.

- (g) The date or dates on or by which the Company will issue the securities
If Shareholders pass Resolution 6, the Performance Rights will be issued to Mr Clark or his nominee as soon as practicable after the date of the Meeting and in any event within 3 years of the Meeting. It is anticipated that all Performance Rights will be issued on the same date.
- (h) The price at which the Company will issue the securities to Mr Clark under the scheme
No price will be paid for the Performance Rights upon their issue, nor for the Shares provided upon the exercise of any Performance Right.
- (i) The material terms of the scheme
A summary of the material terms of the Performance Rights Plan is set out in Schedule 1.
- (j) A summary of the material terms of any loan that will be made in relation to the acquisition
There are no loans being made in relation to the acquisition of the Performance Rights.
- (k) Disclosure statement
Details of any securities issued under the Performance Rights Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in the Performance Rights Plan after Resolution 6 is approved and who were not named in the Notice will not participate until approval is obtained under that rule.
- (l) A voting exclusion statement
A voting exclusion statement for Resolution 6 is included in the Notice.

7.5 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights to Mr Mark Clark constitutes giving a financial benefit as Mr Clark is a related party of the Company for the purposes of the Corporations Act by virtue of being a Director.

The Board (excluding Mr Clark in respect of Resolution 6) has determined that the proposed issue of the Performance Rights the subject of Resolution 6 constitutes reasonable remuneration having regard to the respective position of the Company and the Mr Clark, including the duties and responsibilities of Mr Clark in relation to the Company.

Accordingly, the Board (excluding Mr Clark in respect Resolution 6) has determined that the issue of these rights falls within an exception to the need to obtain the approval of the Company's Shareholders for the purposes of Chapter 2E of the Corporations Act.

7.6 Termination benefits

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if it is approved by Shareholders in accordance with section 200E or an exemption applies. This applies to Mr Clark.

The term 'benefit' has a wide operation and could capture the automatic or accelerated vesting of Performance Rights under the rules of the Performance Rights Plan.

This resolution will therefore also approve, under section 200E of the Corporations Act, any 'termination benefit' that may be provided to Mr Clark under the Performance Rights Plan in relation to the Performance rights contemplated by Resolution 6 in addition to any other termination benefits that may be provided to Mr Clarke under the Corporations Act. This may include the early vesting of those Performance Rights (and the receipt of Shares upon exercise of those Performance Rights) if Mr Clark ceases employment with the Company due to death, disability, bona fide redundancy or other reason with the approval of the Board.

The value of such benefits cannot presently be ascertained but matters, events and circumstances that will, or are likely to, affect the calculation of that value include the number of Performance Rights held by Mr Clark prior to cessation of employment, the number that vest and the price of a share.

7.7 Board recommendation

The Board (other than Mr Clark given his interest in the Resolution) recommends that Shareholders vote in favour of Resolution 6.

8. ENQUIRIES
