Dear Melissa

Re: Request for trading halt in the shares of Compumedics Limited (Compumedics) on the Australian Securities Exchange (ASX) [ASX Code: CMP]

Compumedics requests that trading in its shares on the Australian Securities Exchange (ASX) be halted, pursuant to Listing Rule 17.1, upon receipt of this request, with a resumption of trading on Tuesday morning, 12th December 2023.

Compumedics requests a halt in the trading of its shares on the ASX pending the release of an announcement in relation to correspondence received from its China-based distributor, over the weekend, in relation to additional MEG orders.

The company is not aware of any other reason why the trading halt should not be granted.

If you require any further information in relation to this request, please let me know otherwise I look forward to receiving confirmation of the request.

Yours sincerely
