Substantial holding information

As part of its admission to the Official List of ASX, the Company undertook to ASX to inform the market on becoming aware, to the best of the Company's knowledge, of a person beginning to have a substantial holding (as that term is defined in the *Corporations Act 2001* (Cth) (**Corporations Act**)) in the Company, as if those provisions of the Corporations Act applied to the Company in the way they apply to an Australian entity.

ASX ANNOUNCEMENT (ASX:BLY)

In accordance with the undertaking, the Company informs the market that it has become aware that an affiliate of AIPCF VIII Global Corp Holding LP, an affiliate of American Industrial Partners Capital Fund VIII, L.P. and AcquireCo (**AIP**) began to have what would be considered to be a substantial holding (as that term is defined in the Corporations Act) in the Company (if the relevant provisions of the Corporations Act were applicable to the Company) at the time of entry by AcquireCo into the irrevocable voting and support agreements with each of the Major Shareholders on 22 December 2023.
