Termination of Scheme Implementation Deed

OreCorp Limited (**OreCorp** or the **Company**) ASX: ORR) refers to its previous announcements in relation to the proposed transaction whereby Silvercorp Metals Inc. (**Silvercorp**) (TSX/NYSE American: SVM) was to acquire all fully paid ordinary shares of OreCorp (**OreCorp Shares**) not held by Silvercorp or its associates pursuant to an Australian scheme of arrangement (**Scheme**).

OreCorp and Silvercorp have now mutually agreed to terminate the Scheme Implementation Deed dated 5 August 2023 (as amended and restated on 23 November 2023) (**SID**), with effect from today. Accordingly, the Company is seeking orders from the Federal Court of Australia that the Scheme meeting proposed for 18 January 2024 no longer be held. No break fee is payable by OreCorp in these circumstances.

Execution of Bid Implementation Deed

OreCorp is delighted to announce that concurrently with termination of the SID it has entered into a Bid Implementation Deed (**Bid Implementation Deed**) with Silvercorp, pursuant to which Silvercorp has agreed to acquire, by means of an off-market takeover offer, all of the OreCorp Shares not already owned by Silvercorp for consideration comprising 0.0967 common shares of Silvercorp (**Silvercorp Shares**) and A\$0.19 cash per

¹ Implied consideration based on the 20-day VWAP of Silvercorp share price of US\$2.74 and the average AUD:USD exchange rate of 1.505 on the NYSE American for the twenty days up to and including 22 December 2023.

² By reference to the 20-day VWAP of OreCorp shares trading on the ASX up to and including 4 August 2023, being the last trading day prior to announcement of the Scheme.

OreCorp Share (the **Consideration**), currently equivalent to A\$0.589³ per OreCorp Share (**Silvercorp Offer**, or **Transaction**).

The Silvercorp Offer, which offers the same consideration to that which was being offered under the Scheme, values OreCorp at approximately A\$276.5 million and represents an attractive premium of:

- 40.1% to the 20-day volume-weighted average price (**VWAP**) of OreCorp Shares of A\$0.420 on the ASX for the period ending 4 August 2023;
- 21.8% to the 20-day VWAP of OreCorp Shares of A\$0.484 on the ASX for the period ending 22 December 2023; and
- 15.5% to the closing price of OreCorp Shares of A\$0.51 on the ASX on 22 December 2023.

Board Recommendation

The OreCorp Board has carefully considered the Silvercorp Offer in consultation with its financial and legal advisors and unanimously recommends that OreCorp shareholders **ACCEPT** the Silvercorp Offer in the absence of a Superior Proposal⁴ and subject to the Independent Expert's Report concluding, and continuing to conclude, that the Silvercorp Offer is reasonable to OreCorp shareholders.

Subject to those same qualifications, the OreCorp Board, who collectively hold 3.94% of the OreCorp Shares, intend to accept the Silvercorp Offer in respect of all OreCorp Shares they own or control 14 days after the Silvercorp Offer is opened for acceptance.

Key Benefits to OreCorp Shareholders

As with the Scheme, the Silvercorp Offer aims to create a geographically diverse mid-tier precious metals company with a robust growth pipeline. The Silvercorp Offer benefits from the receipt of the necessary government approvals required to implement the Scheme, and accordingly provides OreCorp shareholders with the opportunity to receive the Consideration in a timely manner, conditional only on a 50.1% minimum acceptance condition and other customary conditions applicable in transactions of this nature.

OreCorp's CEO & Managing Director, Henk Diederichs, said:

"We are delighted to have reached this position with Silvercorp. It became clear in recent weeks that the proposed Scheme was at risk of not proceeding to completion. We believe this would have prevented OreCorp shareholders having the opportunity to receive a significant premium on their OreCorp Shares and exposure to a company that is geographically diverse, with a strong balance sheet and solid mine building and operational experience. This new Silvercorp Offer provides shareholders with a level of certainty and the Board believes this is an excellent outcome."

³ Implied consideration based on the 20-day VWAP of Silvercorp share price of US\$2.74 and the average AUD:USD exchange rate of 1.505 on the NYSE American for the twenty days up to and including 22 December 2023.

⁴ As defined in the Bid Implementation Deed

Bid Implementation Deed

OreCorp and Silvercorp have executed the Bid Implementation Deed (a copy of which accompanies this announcement) under which the parties have provided undertakings to each other to facilitate the Transaction. The Silvercorp Offer is subject to minimal conditions, specifically:

- Silvercorp having a relevant interest in at least 50.1% of the OreCorp Shares;
- no regulatory action which could reasonably be expected to restrain, impede or prohibit the Silvercorp Offer and completion of the Transaction;
- no OreCorp material adverse change or prescribed occurrence or event (such terms defined in a customary manner); and
- approval for listing of the new Silvercorp Shares issuable under the Silvercorp Offer on the TSX and NYSE American stock exchanges.

The Bid Implementation Deed includes market standard deal protection measures equivalent to those previously agreed under the Scheme, including “no talk” and “no due diligence” provisions (subject to a fiduciary out exception) and “no shop”. It also includes notification and matching rights for Silvercorp in the event of a competing proposal. Pursuant to these deal protection measures, OreCorp has agreed, inter alia that it will not solicit, encourage or initiate any competing proposal and further, that it will not participate in any discussions or negotiations with a third party in relation to any competing proposal (unless certain conditions are satisfied, including where a failure to do so would constitute a breach of the OreCorp Board’s fiduciary duties or statutory obligations).

As with the Scheme, under certain circumstances a break fee of approximately A\$2.8 million will be payable by OreCorp to Silvercorp if the Bid Implementation Deed is terminated.

The Silvercorp Offer will extend to all OreCorp Shares, including those issued as a result of the exercise of currently existing OreCorp performance rights during the period which the Silvercorp Offer is open for acceptance (**Offer Period**). Separate offers will be made to acquire outstanding OreCorp options for the same cash consideration as was offered in conjunction with the Scheme, having been valued using conventional option valuation methodologies.

Silvercorp continues to explore the possibility of being admitted to the official list of ASX, and if that occurs, holders of Silvercorp Shares will be able to convert the Silvercorp Shares which they receive under the Silvercorp Offer into Silvercorp CDIs which will be tradeable on the ASX.

Timetable and Next Steps

Further detail regarding the Silvercorp Offer will be provided in Silvercorp’s Bidder’s Statement and OreCorp’s Target’s Statement, which are expected to be despatched shortly. The Bidder’s and Target’s Statements will set out important information, including how to accept the Silvercorp Offer and the key reasons why OreCorp shareholders should accept the Silvercorp Offer. The Target’s Statement will include an Independent Expert’s Report prepared by BDO Corporate Finance (WA) Pty Ltd.

For personal use only

It is anticipated the Silvercorp Offer will be open for acceptance from 3 January 2024. Within three business days of Silvercorp having a relevant interest in 50.1% of the OreCorp Shares and listing approval being granted by the TSX and NYSE American stock exchanges for the new Silvercorp Shares, the Bid Implementation Deed requires Silvercorp to waive all conditions (other than any condition in respect of which a breach has been announced). Payment will be made to OreCorp shareholders 10 business days after the Silvercorp Offer is declared unconditional (or 10 business days after acceptance, if this is later).

- (c) Silvercorp must procure that (i) the appointments of such persons as Silvercorp nominates as new directors of any member of the OreCorp Group and, (ii) the resignations of the existing directors of any member of the OreCorp Group, are registered with the relevant Government Agency as soon as practicable after their appointment or resignation (as applicable) (with written evidence of the registration of such resignations to be provided on request by any former OreCorp nominee director).
- (d) Silvercorp agrees that, notwithstanding clause 8 of the Subscription Agreement, it will not exercise its right under clause 8(a) of the Subscription Agreement unless this Bid Implementation Deed is terminated in accordance with its terms.

5. CONDUCT OF SILVERCORP GROUP

- (a) From the date of this deed up to the earlier of the end of the Offer Period and the date this deed is terminated, Silvercorp must ensure that it and each other member of the Silvercorp Group:
- (i) to the extent it is within its power to do so, carries on its business in the ordinary course and in substantially the same manner as conducted at the date of this deed; and
 - (ii) does not, except as permitted by clause 5(b), take any action that, or fail to take any action whose omission, would give rise to a Silvercorp Prescribed Occurrence.
- (b) Any member of the Silvercorp Group may do any thing referred to in clause 5(a):
- (i) with the prior written consent of OreCorp;

- (ii) to the extent reasonably required to permit Silvercorp to comply with its obligations under any other provision of this deed; or
- (iii) if the doing of that thing is Fairly Disclosed in the Silvercorp Data Room Information, the Additional Silvercorp Due Diligence Information or in any TSX or NYSE announcement made by Silvercorp after 1 January 2022 and before the date of this deed, provided it will not impact on Silvercorp's ability to complete the Transaction on the terms set out in this deed (including, but not limited to, adherence to the Timetable).

6. EXCLUSIVITY

6.1 No current discussions regarding a Competing Proposal

OreCorp represents and warrants to Silvercorp that, as at the date of this deed, it and each member of the OreCorp Group:

- (a) is not a party to any agreement, arrangement or understanding with a Third Party entered into for the purpose of facilitating a Competing Proposal (other than confidentiality agreements entered into before the date of this deed);
- (b) is not participating in any discussions, negotiations or other communications, and has terminated any existing discussions, negotiations or other communications, in relation to a Competing Proposal, or which could reasonably be expected to lead to a Competing Proposal;
- (c) has ceased to provide or make available any non-public information in relation to the OreCorp Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal; and
- (d) has requested in writing the return or destruction of any non-public information in relation to the OreCorp Group provided to a Third Party at any time within the 12 months prior to the date of this deed where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal.

6.2 Restriction during Exclusivity Period

During the Exclusivity Period, OreCorp must not, and must procure that each of its Representatives does not, directly or indirectly:

- (a) **(no shop)** solicit, invite, encourage or initiate any Competing Proposal or any offer, proposal, expression of interest, enquiry, negotiation or discussion with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, a Competing Proposal, or announce or communicate to any person an intention to do anything referred to in this clause 6.2(a); or
- (b) **(no talk)** subject to clause 6.3, enter into or continue negotiations or discussions with any Third Party in relation to a Competing Proposal, or that may reasonably be expected to encourage or lead to a Competing Proposal, even if:
 - (i) the actual, proposed or Potential Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by OreCorp or any of its Representatives; or
 - (ii) the Competing Proposal has been publicly announced; or

- (c) (**no due diligence**) subject to clause 6.3, make available to any Third Party, or cause or permit any Third Party to receive, any non-public information relating to any member of the OreCorp Group or their respective businesses or operations that may reasonably be expected to assist such Third Party in formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal.

6.3 Fiduciary exception

The restrictions in clauses 6.2(b) and 6.2(c) do not apply to the extent that they restrict OreCorp or the OreCorp Board from taking or refusing to take any action with respect to a Competing Proposal that did not result, directly or indirectly, from a material breach of clauses 6.2(b) or 6.2(c), provided the OreCorp Board, acting in good faith, has determined:

- (a) after having taken advice from its financial and external legal advisers, that the Competing Proposal is, or could reasonably be expected to become, a Superior Proposal; and
- (b) after having taken written advice from its external legal advisers, that failing to respond to such Competing Proposal would be reasonably likely to constitute a breach of the OreCorp Board's fiduciary duties or statutory obligations,

provided that if OreCorp makes available to any Third Party any non-public information relating to any member of the OreCorp Group or their businesses or operations:

- (c) the Third Party has first entered into a written agreement in favour of OreCorp restricting the use and disclosure by the Third Party and its affiliates and advisers of the information made available to the Third Party on terms no less favourable in aggregate to OreCorp than those contained in the Confidentiality Deeds; and
- (d) to the extent that any information made available to the Third Party has not previously been provided to Silvercorp, OreCorp provides that information to Silvercorp at the same time as it is provided to the Third Party. However, OreCorp is not required to provide or make available to Silvercorp any information which OreCorp reasonably considers is likely to disclose information relating to that Third Party which is commercially sensitive information of that person.

6.4 General notification obligations

During the Exclusivity Period, OreCorp must immediately notify Silvercorp if:

- (a) OreCorp or any of its Representatives receives any Competing Proposal or Potential Competing Proposal or any offer or request to do any of the things referred to in clause 6.2(b) or clause 6.2(c), whether direct or indirect, solicited or unsolicited, and in writing or otherwise; or
- (b) OreCorp proposes to take any action in reliance on the exceptions in clause 6.3.

6.5 Matching right

- (a) During the Exclusivity Period, without limiting any of clause 6.1 to 6.4, before:
- (i) any member of the OreCorp Group enters into any agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party or OreCorp proposes (or both a Third Party and OreCorp propose) to undertake or give effect to a Competing Proposal; or

- (ii) any member of the OreCorp Board changes, withdraws, modifies, revises or qualifies their recommendation in favour of the Transaction in response to or in connection with an actual Competing Proposal,

each of the following conditions must be satisfied:

- (iii) the OreCorp Board, acting in good faith, must determine that:
 - (A) the Competing Proposal is a Superior Proposal; and
 - (B) the failure to take an action specified in clause 6.5(a)(i) would likely breach the fiduciary or statutory duties of the members of the OreCorp Board;
- (iv) OreCorp has provided Silvercorp with:
 - (A) the material terms and conditions of the Competing Proposal, including the price, conditions precedent, timetable, break fee or reimbursement fee and the identity of the Third Party making the actual, proposed or potential Competing Proposal (in each case, to the extent known); and
 - (B) notwithstanding any other provision of this deed, a notification in writing of the determination under clause 6.5(a)(iii), stating the reasons for that determination;
- (v) for at least 5 Business Days after the date of the provision of the information referred to in clause 6.5(a)(iii), Silvercorp and OreCorp have negotiated in good faith, to the extent Silvercorp wishes to negotiate and make itself reasonably available to negotiate, to enable Silvercorp to provide an equivalent or superior proposal to the terms of the Competing Proposal;
- (vi) by (but not before) the expiry of any negotiation period under clause 6.5(a)(v) (to avoid doubt, such negotiation period to be no less than 5 Business Days after the date of the provision of the information referred to in clause 6.5(a)(iv), the OreCorp Board has received a written proposal to OreCorp from Silvercorp to improve the consideration or otherwise alter the terms of the Transaction (**Silvercorp Counterproposal**) and, acting reasonably and in good faith, after receiving written advice from its external legal advisers and advice from its financial advisers has determined as soon as reasonably practicable (and in any event within 4 Business Days of receiving the Silvercorp Counterproposal), that the Silvercorp Counterproposal would not produce an equivalent or superior outcome for OreCorp Shareholders (when considered as a whole) as compared to the Competing Proposal, taking into account all terms and conditions and other aspects of:
 - (A) the Silvercorp Counterproposal (including the value and type of consideration, funding, any timing considerations, any conditions precedent or other matters affecting the probability of the Silvercorp Counterproposal being completed compared to the Competing Proposal or other relevant matters); and
 - (B) the Competing Proposal,

and that the failure to take an action specified in clause 6.5(a)(i) and/or 6.5(a)(ii) would continue to breach the fiduciary or statutory duties of the members of the OreCorp Board; and

- (vii) OreCorp has complied with its obligations under clause 6.5(b).
- (b) If, in accordance with clause 6.5(a)(vi), Silvercorp provides a Silvercorp Counterproposal, OreCorp must procure that the OreCorp Board considers the Silvercorp Counterproposal and determines, as soon as reasonably practicable (and in any event, within 4 Business Days of receiving the Silvercorp Counterproposal), whether, acting reasonably and in good faith, after receiving written advice from its external legal advisers and advice from its financial advisers, the Silvercorp Counterproposal would provide an equivalent or superior outcome to OreCorp Shareholders (when considered as a whole) as compared with the Competing Proposal. Following that determination, OreCorp must:
- (i) procure that the OreCorp Board promptly (and in any event within 24 hours) notifies Silvercorp of the determination in writing, stating reasons for that determination; and
 - (ii) if the determination is that the Silvercorp Counterproposal would provide an equivalent or superior outcome to OreCorp Shareholders (when considered as a whole) as compared with the Competing Proposal, then:
 - (A) for a period of not less than 2 Business Days after OreCorp delivers to Silvercorp the notice referred to in clause 6.5(b)(i) above (or such other period agreed by the parties), OreCorp and Silvercorp must use their best endeavours to agree the transaction documentation required to implement the Silvercorp Counterproposal as soon as reasonably practicable; and
 - (B) OreCorp must use its best endeavours to procure that the OreCorp Board unanimously recommend that OreCorp Shareholders vote in favour of, or accept (as relevant) the Silvercorp Counterproposal subject to:
 - I. the Independent Expert concluding, and continuing to conclude, that the Silvercorp Counterproposal is reasonable to OreCorp Shareholders; and
 - II. there being no further Superior Proposal.
- (c) A statement by OreCorp, the OreCorp Board or any member of the OreCorp Board to the effect that:
- (i) the OreCorp Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 6.5; or
 - (ii) OreCorp Shareholders should take no action pending the completion of the matching right process set out in this clause 6.5,
- does not of itself:
- (iii) constitute an adverse change, withdrawal, modification, revision or qualification of the recommendation by the members of the OreCorp Board that OreCorp Shareholders accept the Offer or an endorsement of a Competing Proposal;
 - (iv) contravene this deed;
 - (v) give rise to an obligation to pay the Break Fee under clause 7; or
 - (vi) give rise to a termination right under clause 11.

6.6 Normal provision of information

Nothing in this clause 6 prevents a party from:

- (a) providing information required to be provided by law, any court of competent jurisdiction, any Government Agency or the rules of any Relevant Exchange; or
- (b) making presentations to, and responding to bona fide enquiries from, stockbrokers, portfolio investors and equity market analysts in relation to the Transaction or in accordance with its usual practices.

6.7 Amendments to exclusivity arrangements

- (a) If any of the following occurs:
 - (i) ASIC indicates to either party in writing that in the absence of modification to this clause 6, it will apply to the Takeovers Panel for a declaration of unacceptable circumstances; or
 - (ii) as a result of an application to the Takeovers Panel by a party other than OreCorp or its Representatives, the Takeovers Panel indicates to either party in writing that, in the absence of a written undertaking pursuant to section 201A of the *Australian Securities and Investments Commission Act 2001* (Cth) to modify this clause 6, it will make a declaration of unacceptable circumstances,

the parties must amend this clause 6 to the extent required to give effect to the requirements of ASIC or the Takeovers Panel, as the case may be, and in the circumstances referred to in clause 6.7(a)(ii) must give the required undertakings.

- (b) The parties must not request ASIC to review, or make or cause or permit to be made any application to the Takeovers Panel in respect of, the arrangements in this clause 6.

6.8 Acknowledgment

OreCorp and Silvercorp acknowledge and agree that Silvercorp has requested the inclusion of this clause 6 in this deed and would not have entered into this deed without it.

6.9 Warranty

Each Party warrants to the other that it has received legal advice in relation to the operation of this clause 6.

7. BREAK FEE

7.1 Background to Break Fee

OreCorp and Silvercorp acknowledge and agree that:

- (a) Silvercorp and its Related Entities have incurred and will continue to incur significant costs and expenses in pursuing the Transaction, including those set out in clause 7.5;
- (b) in these circumstances, the parties have agreed that provision be made for the payment outlined in clause 7.2 in this deed, without which Silvercorp would not have entered into this deed; and

- (c) the OreCorp Board has received external legal and financial advice in relation to this clause 7 and, having taken such advice, has concluded that the implementation of the Transaction will provide benefits to it and the OreCorp Shareholders, and that it is reasonable and appropriate for OreCorp to agree to payment of the Break Fee in the circumstances described in clause 7.2 in order to secure Silvercorp's participation in this Transaction.

7.2 Circumstances where Break Fee payable

Subject to clauses 7.3 and 7.6, OreCorp must pay the Break Fee to Silvercorp if, during the Exclusivity Period:

- (a) a Competing Proposal is announced or made and, within 12 months after the date of the announcement, a Third Party completes a Competing Proposal;
- (b) any OreCorp Director:
- (i) fails to make the recommendation in the manner described in clause 2.3(b)(i)(A);
 - (ii) changes, withdraws, modifies, revises or qualifies their support for the Transaction or their recommendation that OreCorp Shareholders accept the Offer in the manner described in clause 2.3(b)(i)(A); or
 - (iii) makes a public statement indicating that they no longer recommend the Offer or recommend that OreCorp Shareholders accept the Offer, or otherwise publicly supports or endorses, a Competing Proposal (but excluding a statement that no action should be taken by OreCorp Shareholders pending the assessment of a Competing Proposal by the OreCorp Board or the completion of the matching right process set out in clause 6.5),

except where this is:

- (iv) after the Independent Expert's Report concludes that the Offer is not reasonable to OreCorp Shareholders (other than where the reason for this conclusion or amended conclusion is wholly or in part the existence of a Competing Proposal); or
 - (v) in circumstances where OreCorp is entitled to terminate this deed under clause 11.1 or 11.2(a); or
 - (vi) in circumstances where OreCorp is entitled to terminate this deed under clause 11.4 (other than where such termination right arises under clause 11.4(b) and where the circumstances giving rise to the right of termination arose as a result of any act or omission that could have been prevented by OreCorp); or
- (c) Silvercorp validly terminates this deed under clause 11.1, 11.2(b) or clause 11.4(b) where the circumstances giving rise to the right of termination arose as a result of any act or omission that could have been prevented by OreCorp.

7.3 Break fee not payable

Notwithstanding anything else in this deed:

- (a) the Break Fee is not payable if Effective Control is reached within 6 months of the date of the start of the Offer Period (and if it has been paid in whole or part by OreCorp to Silvercorp before the date on which Effective Control is reached, it must be refunded by

Silvercorp to OreCorp within 5 Business Days after receiving a written demand for payment from OreCorp); and

- (b) to avoid doubt, the Break Fee is not payable if this deed is terminated under clause 11.4(d); and
- (c) the Break Fee is payable only once.

7.4 Payment of Break Fee

- (a) A demand by Silvercorp to OreCorp for payment of the Break Fee under clause 7.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account into which OreCorp is to pay the Break Fee.
- (b) OreCorp must pay the Break Fee into the account nominated by Silvercorp, without withholding or set-off, within 10 Business Days after receipt of a demand for payment where Silvercorp is entitled under clause 7.2 to the Break Fee.

7.5 Basis of Break Fee

- (a) The Break Fee has been calculated to reimburse Silvercorp for costs and expenses incurred, including the following:
 - (i) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
 - (ii) costs of management and directors' time in planning and implementing the Transaction;
 - (iii) funding costs;
 - (iv) out of pocket expenses incurred by Silvercorp and Silvercorp's employees, advisers and agents in planning and implementing the Transaction;
 - (v) reasonable opportunity costs incurred in pursuing the Transaction or in not pursuing alternative acquisitions or strategic initiatives; and
 - (vi) reputational damage associated with a failed transaction and the implications of that damage to Silvercorp's business.
- (b) The parties acknowledge and agree that:
 - (i) the costs and expenses actually incurred by Silvercorp and its Related Entities are of such nature that they cannot accurately be ascertained; and
 - (ii) a genuine and reasonable pre-estimate of the costs and expenses that have been or will be actually incurred by Silvercorp and its Related Entities in pursuing the Transaction would equal or exceed the Break Fee.

- (c) Each of Silvercorp and OreCorp represents and warrants to the other party that it has received legal advice from its external legal advisers in relation to the operation of this clause 7.

7.6 Amendments to Break Fee arrangements

If any of the following occurs:

- (a) ASIC indicates to either party in writing that in the absence of modification to the amount of the Break Fee or the circumstances in which it is to be paid (the **Break Fee Arrangements**), it will apply to the Takeovers Panel for a declaration of unacceptable circumstances; or
- (b) as a result of an application to the Takeovers Panel by a party other than OreCorp or its Representatives, the Takeovers Panel indicates to either party in writing that, in the absence of a written undertaking pursuant to section 201A of the Australian Securities and Investments Commission Act 2001 (Cth) to modify the Break Fee Arrangements, it will make a declaration of unacceptable circumstances,

then the parties must amend this clause 7 to the extent required to give effect to the requirements of ASIC or the Takeovers Panel, as the case may be, and in the circumstances referred to in clause 7.6(b) must give the required undertakings.

7.7 Sole and exclusive remedy

Silvercorp acknowledges and agrees that payment of the Break Fee is the sole and exclusive remedy available to Silvercorp in connection with any event or occurrence referred to in clause 7.2 and OreCorp is not liable for any loss or damage arising in connection with any such event or occurrence other than for any liability that it may have to pay Silvercorp the Break Fee under this clause 7.

- (c) the provisions of, and the rights and obligations of each party under, this clause 11 and each of the Surviving Clauses survive termination of this deed.

11.7 No other right of termination

Except for the express rights of termination contained in this clause 11, no party has any right to terminate this deed and the parties waive their rights (if any) to annul, rescind, dissolve, withdraw from, cancel or terminate this deed in any circumstances.

12.1 Continued effect of Confidentiality Deed

Each party acknowledges and agrees that:

- (a) it continues to be bound by the Confidentiality Deeds after the date of this deed; and
- (b) its rights and obligations under the Confidentiality Deeds survive termination of this deed.

 - (ii) with the written consent of the other party, which must not be unreasonably withheld or delayed; or

- (b) The obligations under clause 12.2(a) do not apply to:
 - (i) the extent that the proposed announcement or disclosure only substantially repeats some or all matters expressly contained in prior announcements or disclosures; or
 - (ii) any announcement or disclosure by a party in connection with:
 - (A) receipt of an actual Competing Proposal except to the extent that such announcement or disclosure could reasonably be deemed to be a solicitation of OreCorp Shareholders in connection with the Transaction; or

13. PAYMENTS

13.1 Manner of payments

Unless otherwise expressly stated (or as otherwise agreed in the case of a given payment), each payment to be made under this deed must be made in A\$ by transfer of the relevant amount into the relevant account on or before the date on which the payment is due and in immediately available funds. The relevant account for a given payment is the account that the party due to receive the

payment specifies, not less than 3 Business Days before the date on which payment is due, by giving notice to the party due to make the payment.

13.2 Default interest

If a party defaults in making any payment when due of any sum payable under this deed, it must pay interest on that sum from (and including) the date on which payment is due until (but excluding) the date of actual payment (after as well as before judgment) at an annual rate of 2% above the Reference Rate on that sum, which interest accrues from day to day and must be compounded monthly.

13.3 Withholding

All payments to be made by a party under, or in respect of any breach of, this deed or under the Transaction must be paid free and clear of all deductions and withholdings except as required by law. If a party is required by law to make a deduction or withholding in respect of any sum payable under, or in respect of any breach of, this deed, or under the Transaction, that party must, at the same time as the sum which is the subject of that deduction or withholding is payable, pay to the payee of that sum such additional amount as is required to ensure that the net amount received by the payee will equal the full amount which it would have received had no such deduction or withholding been required to be made.

14. GST

14.1 Interpretation

Words and expressions that are defined in the GST Law have the same meaning when used in this clause 14. For the purposes of this clause 14, references to GST payable and input tax credit entitlements of any entity include GST payable by, and the input tax credit entitlements of, the representative member of the GST group of which the entity is a member.

14.2 Consideration exclusive of GST

Except as otherwise expressly provided in this deed, all amounts payable or consideration to be provided under or in connection with this deed are exclusive of GST (**GST Exclusive Consideration**).

14.3 Payment of GST

- (a) If GST is payable, or notionally payable, on any supply made under or in connection with this deed the recipient must pay to the party that has made or will make the supply (the **Supplier**), in addition to the GST Exclusive Consideration, an additional amount equal to the GST payable on that supply (the **Additional Amount**).
- (b) Subject to the prior receipt of a tax invoice under clause 14.4, the recipient must pay the Additional Amount without set-off, demand or deduction, at the same time and in the same manner as any GST Exclusive Consideration for that supply is required to be paid.
- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

14.4 Tax invoice

For any supply to which clause 14.3 applies, the Supplier must issue a tax invoice which complies with the GST Law.

14.5 Adjustments

If any adjustment event occurs in respect of a supply to which clause 14.3 applies:

- (a) the Additional Amount paid or payable by the recipient must be recalculated, taking into account any previous adjustments under this clause 14.5, to reflect the occurrence of that adjustment event and the Supplier or the recipient, as the case requires, must pay to the other the amount required to reflect the recalculation of the Additional Amount; and
- (b) the Supplier must provide an adjustment note to the recipient as soon as practicable after the Supplier becomes aware of the occurrence of that adjustment event.

14.6 Input tax credits

Notwithstanding any other provision of this deed, if an amount payable under or in connection with this deed is calculated by reference to any loss, damage, cost, expense, charges or other liability incurred or suffered by a party, then the amount payable must be reduced by the amount of any input tax credit to which that entity is entitled in respect of the acquisition of any supply to which the loss, damage, cost, expense, charge or other liability relates. If the reduced payment is consideration for a taxable supply, clause 14.3 will apply to the reduced payment.

- (b) except as otherwise expressly provided by this deed, are cumulative and not exclusive of rights and remedies provided by law; and

and delay in exercising or non-exercise of any such right is not a waiver of that right.

16.10 Further assurance

Each party undertakes, at the request, cost and expense of the other party, to sign all documents and to do all other acts, which may be necessary to give full effect to this deed and the Transaction.

16.11 No reliance

Each party acknowledges that in agreeing to enter into this deed it has not relied on any express or implied representation, warranty, collateral contract or other assurance made by or on behalf of the other party before the entering into of this deed. To the maximum extent permitted by law, each party waives all rights and remedies which, but for this clause 16.11 might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance including all
