

Drilling Set to Commence at The Claw Gold Project

- Site preparations completed with 10,000m drilling program set to commence in the coming week.
- Claw is immediately along strike of Capricorn Metals 3.24Moz¹ Mt Gibson Gold Project (Fig. 1).
- Several targets to be drill tested as part of the program, including:
 - **Louie Prospect** - Gold in regolith anomaly located on the tenement boundary ~500m from Capricorn's recent exploration/resource drilling.
 - **Chickie Prospect** - ~1000m long, gold in regolith anomaly with multiple holes finishing in mineralisation.
 - **Regional structural targets identified from magnetic processing and targeting exercise undertaken by Dr. Barry Murphy (ASX: PDI, NYSX: KL)**

This release is authorised by the Board of Directors of BPM Minerals Limited.

Competent Persons Statement

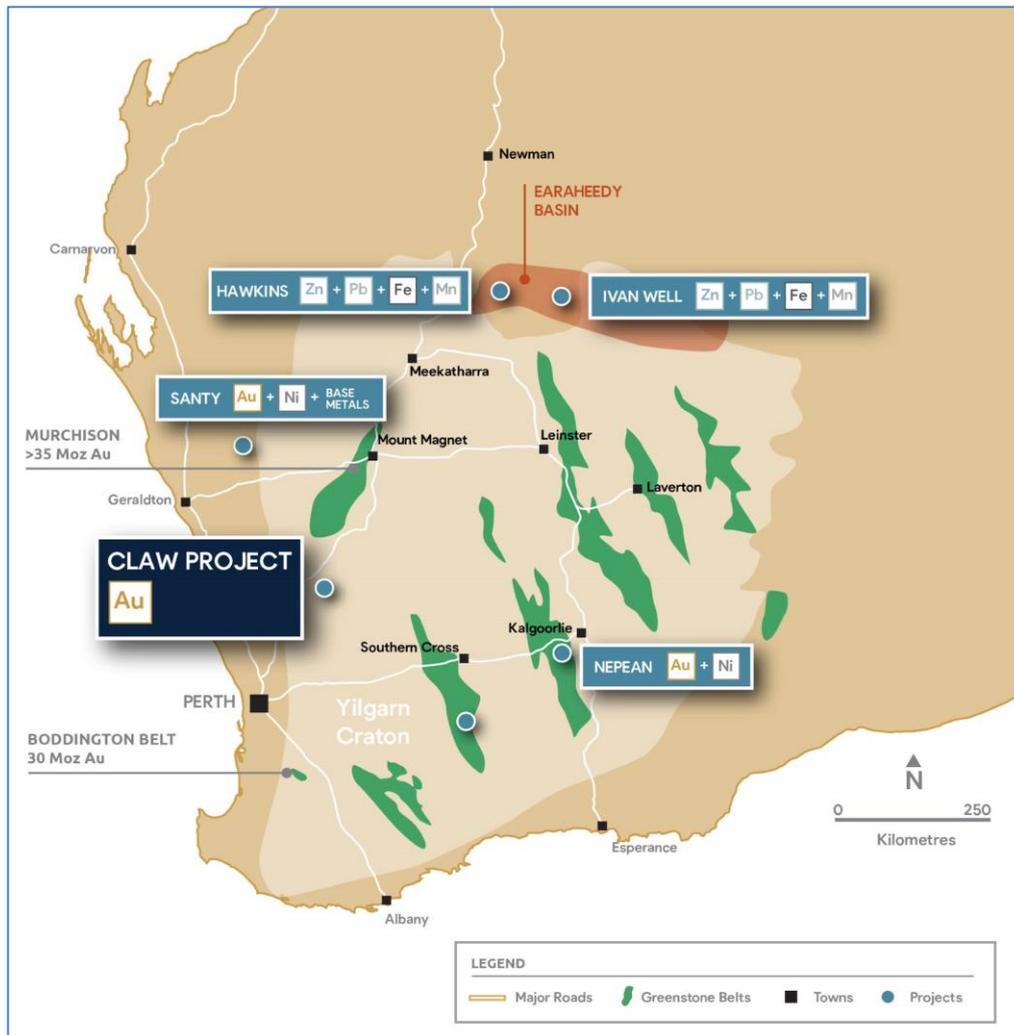

The information in this announcement that relates to Exploration Results is based on information compiled by Oliver Judd, who is a Member of AusIMM and who has more than five years' experience in the field of activity being reported on. The information in the market announcement is an accurate representation of the available data.

Mr. Judd has sufficient experience which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Mr. Judd consents to the inclusion in the report of the matters based on his information in the form and context in which it appears.

About BPM Minerals

BPM Minerals Limited (ASX:BPM) is a Perth-based gold, nickel and base-metal explorer with a portfolio of projects located across some of Western Australia’s most prolific greenstone belts. The Company seeks to build its landholdings within Tier-1 mining locations, close to existing deposits and world-class infrastructure. The company is focussed upon its Claw Gold Project (adjacent to Capricorn Metals Ltd.’s Mt Gibson Gold Project), a highly prospective greenfield opportunity on the doorstep of one of West Australia’s next major mining operations.

The management and exploration teams are well supported by an experienced Board of Directors who have a strong record of funding and undertaking exploration activities which have resulted in the discovery of globally significant deposits both locally and internationally.
