Sydney, Australia – 15 February 2024 – Altium Limited (ASX: ALU) has entered into a binding scheme implementation agreement (“SIA”) with Renesas Electronics Corporation (TSE: 6723) (“Renesas”), in relation to a proposal for Renesas to acquire 100% of the issued shares in Altium by way of a scheme of arrangement (the “Scheme”).

Overview of the Scheme

Under the terms of the Scheme, Altium shareholders will receive A\$68.50 per share in cash for each Altium share held (“Scheme Consideration”).

The all-cash Scheme Consideration which will be received by Altium shareholders represents:

- an implied equity value of A\$9.1 billion and enterprise value of A\$8.8 billion for Altium, representing multiples of approximately 18x EV / FY24E revenue and approximately 50x EV / FY24E EBITDA
- a 39% premium to Altium's 1-month volume-weighted average price (“VWAP”) per share of A\$49.43 prior to the date of this announcement;
- a 46% premium to Altium's 3-month VWAP per share of A\$47.07 prior to the date of this announcement; and
- a 31% premium to Altium's all-time high closing share price of A\$52.34 per share on 12 February 2024.

Board recommendation

The Altium Board of Directors unanimously recommends that shareholders vote in favour of the Scheme in the absence of a Superior Proposal, and subject to the Independent Expert concluding and continuing to conclude that the Scheme is in the best interests of Altium shareholders. Subject to these same qualifications, all directors (who in aggregate have 13.8 million Altium shares) intend to vote all the Altium shares they hold or control in favour of the Scheme.

The entry into the SIA follows a negotiation with Renesas and due diligence to formalise a proposal that is capable of being recommended to shareholders.

The Altium Board believes Renesas holds a shared vision to build a seamless and open electronics system design and lifecycle management platform, which will utilise Altium's market-leading design software and cloud platform capabilities.

Altium Chairman, Sam Weiss, said: "The proposal put forward by Renesas is compelling for Altium investors. It is a strong endorsement of the company's strategy and performance over many years.

"The Board and management have carefully evaluated the proposed Scheme Consideration against the company's medium- and long-term growth prospects and market opportunities. The Directors have unanimously formed the view that the proposal represents attractive and certain value for Altium shareholders," he said.

Altium CEO, Aram Mirkazemi, said: "I strongly believe that electronics is the single most critical industry to building a smart and sustainable world. Renesas' visionary leadership and commitment to making electronics accessible to all resonates strongly with Altium. Altium's vision of industry transformation finds its fullest expression in service of this grand vision of Renesas.

"Having worked closely with Renesas as a partner for nearly two years, we are excited to be part of the Renesas team as we continue to successfully execute and grow," he said.

Details of the Scheme Implementation Agreement

The implementation of the Scheme is subject to conditions customary for a transaction of this nature, including:

- Altium shareholder approval;
- regulatory approvals (including approval from Australian Foreign Investment Review Board and the Committee on Foreign Investment in the United States);
- an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Altium shareholders;
- no Altium material adverse change; and
- no prescribed events.

Altium has certain rights to pay dividends under the terms of the SIA. An interim dividend for the financial half year ending 31 December 2023, remains at the discretion of the Altium Board. If paid it will not be deducted from the Scheme Consideration. Any additional dividends, beyond any interim dividend, will be deducted from the Scheme Consideration.

Renesas has advised Altium that it expects to fund the Scheme Consideration through existing cash reserves, and third-party financing. Implementation of the Scheme is not conditional on Renesas obtaining financing or funding.

The SIA contains customary exclusivity provisions, including "no shop", "no talk", and "no due diligence" restrictions, a "notification" obligation, as well as a "matching right". It also contains break fee and reverse break fee provisions.

A copy of the SIA is attached to this announcement.

Indicative timetable and next steps

Altium shareholders should take no action at this time.

A Scheme Booklet that will contain important information is expected to be sent to Altium shareholders once the timing of all regulatory approvals is clear. The Scheme Booklet will contain information relating to the Scheme and an independent expert's report on whether the Scheme is in the best interests of Altium shareholders.

A Scheme Meeting for Altium shareholders to vote on the proposal will take place thereafter.

If the Scheme is approved by Altium shareholders and the other conditions precedent are satisfied or waived, the Scheme will then be submitted for final court approval. Altium expects that this will occur prior to the end of the year and hopefully well before that time.

Altium intends to release its financial results for the six months ended 31 December 2023 on 27 February 2024.

Altium is being advised by J.P. Morgan as exclusive financial adviser and King & Wood Mallesons and Reed Smith LLP as legal advisers.

- (a) each of the Conditions Precedent for which it is a party responsible (as noted in clause 3.1):
 - (i) is satisfied as soon as practicable after the date of this document; and
 - (ii) continues to be satisfied at all times until the last time it is to be satisfied (as the case may require); and
- (b) there is no occurrence that would prevent a Condition Precedent for which it is a party responsible being satisfied.

3.3 Regulatory matters

Without limiting clause 3.2 or clause 3.4, each party:

- (a) **(applying for Regulatory Approvals)** must promptly apply for all relevant Regulatory Approvals and provide each other party with a copy of those applications (provided that any commercially sensitive information may be redacted from the copy provided);
- (b) **(cooperation)** must cooperate and coordinate with each other in the preparation and submission of any filings necessary for Regulatory Approvals;
- (c) **(Regulatory Approvals process)** must take all steps it is responsible for as part of the Regulatory Approval process, including responding to requests for information at the earliest practicable time;
- (d) **(representation)** has the right to be represented and make submissions at any meeting with any Regulatory Authority relating to a Regulatory Approval (except to the extent otherwise required by the Regulatory Authority);

- (f) **(consultation)** must consult with the other party in advance in relation to all material communications (whether written or oral, and whether direct or via a Representative) with any Regulatory Authority relating to any Regulatory Approval and:
 - (i) provide the other party with drafts of any material written communications to be sent to a Regulatory Authority (provided that any commercially sensitive information may be redacted from the draft provided) and consider in good faith any amendments the other party reasonably requires;
 - (ii) keep the other party informed of any material discussions or correspondence with a Regulatory Authority; and
 - (iii) provide copies of any material written communications sent to or received from a Regulatory Authority to the other party promptly upon despatch or receipt (as the case may be) (provided that any commercially sensitive information may be redacted from the copy provided),

in each case to the extent it is reasonable to do so provided that a party may withhold or redact information or documents from the other party, if and to the extent that they are either confidential to a third party or required by a Regulatory Authority to remain confidential from the other party; and

- (g) **(FIRB Approval)** in respect of the Regulatory Approval necessary to satisfy the Condition Precedent in clause 3.1(a), must promptly negotiate with FIRB and endeavour to resolve negotiations as soon as possible, and agree or accept, all reasonable undertakings, commitments and

conditions necessary or appropriate in order to obtain the approval or consent (as the case may be), unless it would be unreasonable to do so.

3.4 Mitigation measures

- (a) Nothing in this document requires Renesas to:
- (i) pay any money or to provide any financial compensation or provide any other incentive or benefit; or
 - (ii) propose, negotiate, offer to commit or to effect, accept or otherwise agree to:
 - (A) any sale, divestiture, license, hold separate, or otherwise dispose of any assets or business of Renesas Group or Altium Group;
 - (B) any material restriction or material commitment relating to the assets or business of Renesas Group or Altium Group;
 - (C) any material impairment of or material restriction on Renesas Group's or Altium Group's ability to own, control, or operate any of the assets, licenses, operations, rights, product lines, business of Renesas Group or Altium Group; or
 - (D) commence or defend any legal action,

to obtain CFIUS Approval or any other Regulatory Approval.

- (b) Provided that the condition, limitation or measure does not commence until on or after the Implementation Date, Altium must not:
- (i) refuse to accept any condition, limitation, or measure required by CFIUS to obtain CFIUS Approval or any Regulatory Authority (other than FIRB) to obtain any other Regulatory Approval (other than the Regulatory Approval necessary to satisfy the Condition Precedent in clause 3.1(a)) (**Regulatory Mitigation Measure**); or
 - (ii) refuse to accept any Regulatory Mitigation Measure because it would be necessary for Altium to take steps prior to implementation of the Scheme occurring, in order to be able to comply with it from implementation,

without the prior written consent of Renesas (which Renesas may withhold in its sole and absolute discretion). Despite anything in this document, including clause 3.3(e), nothing in this document requires Altium to accept a Regulatory Mitigation Measure unless this clause 3.4(b) prohibits it from refusing to do so.

- (c) Each party must take such steps prior to the implementation of the Scheme occurring, as are necessary to ensure that any Regulatory Mitigation Measures which have been accepted by Renesas or Altium which take effect following implementation of the Scheme are capable of so taking effect (each such step a '**Pre-implementation Step**'), provided that notwithstanding that Altium may be required by clause 3.4(b) to accept the applicable Regulatory Mitigation Measure, Altium is not required to take a Pre-implementation Step which would have a material and adverse effect on the business of Altium as a whole (assessed as if

no control transaction were to occur) after taking into account any funding, compensation or other steps which Renesas has offered to provide or take to mitigate the impact of the applicable Pre-implementation Step on Altium's business. If Altium considers that a Pre-implementation Step would have a material and adverse effect on the business of Altium as a whole (assessed as if no control transaction were to occur) it must immediately notify Renesas and must consult in good faith with Renesas as to measures which could be taken to mitigate that outcome. If this document terminates and the Scheme is not implemented, and neither the Break Fee nor the Reverse Break Fee are payable, Renesas will reimburse Altium for its reasonable costs and expenses incurred in respect of any Pre-implementation Steps taken by Altium.

3.5 FIRB conditions

The parties acknowledge that the standard tax conditions published in items 1 – 6 of Part D: Examples of tax conditions in Guidance Note 12 issued by the Foreign Investment Review Board (Version 3 (10 August 2023)) are reasonable and acceptable if imposed on the no objections notifications contemplated by clause 3.1(a)(i).

- (a) A Condition Precedent may only be waived in writing by the party or parties entitled to the benefit of that Condition Precedent as noted in clause 3.1 and will be effective only to the extent specifically set out in that waiver.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.6 may do so in its absolute discretion.
- (c) If either Altium or Renesas waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.6, then:
 - (i) subject to clause 3.6(c)(ii), that waiver precludes that party from suing the other for any breach of this document arising as a result of the breach or non-fulfilment of that Condition Precedent or arising from the same event which gave rise to the breach or non-fulfilment of that Condition Precedent; but
 - (ii) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.6(c)(i); or
 - (B) does not accept the condition, the Condition Precedent has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:
 - (i) a waiver of a breach or non-fulfilment of any other Condition Precedent arising from the same event; or
 - (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.7 Notices in relation to Conditions Precedent

Each party must:

- (a) **(notice of satisfaction)** promptly notify the other of satisfaction of a Condition Precedent and must keep the other informed of any material development of which it becomes aware that may lead to the breach or non-fulfilment of a Condition Precedent; and
- (b) **(notice of failure)** immediately give written notice to the other of a breach or non-fulfilment of a Condition Precedent, or of any event which will prevent a Condition Precedent being satisfied. In the event a party receives a notice pursuant to this clause 3.7(b), the party benefiting from the Condition Precedent will have until 8:00 am on the Second Court Date to decide whether or not it waives the breach or non-fulfilment of the relevant Condition Precedent resulting from the occurrence of that event, specifying the Condition Precedent in question.

3.8 Consultation on failure of Condition Precedent

If:

- (a) there is a breach or non-fulfilment of a Condition Precedent which is not capable of waiver, or if capable of waiver, is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent; or
- (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this document for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this document),

the parties must consult in good faith with a view to determine whether:

- (c) the Scheme may proceed by way of alternative means or methods;
- (d) to extend the relevant time for satisfaction of the Condition Precedent or to adjourn or change the date of an application to the Court; or
- (e) in respect of Conditions Precedent which must be satisfied on or before the Longstop Date, whether to extend the Longstop Date.

3.9 Failure to agree

If the parties are unable to reach agreement under clause 3.8 within 5 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):

- (a) subject to clause 3.9(b), either party may terminate this document (and that termination will be in accordance with clause 13.1(d)(i)); or
- (b) if a Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this document (and that termination will be in accordance with clause 13.1(d)(ii)),

in each case before 8.00am on the Second Court Date. A party will not be entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party or a deliberate act or omission of that

party. Altium cannot terminate this document under this clause for a breach or non-fulfilment of the Condition Precedent in clause 3.1(k) where the reason the Independent Expert concludes in the Independent Expert's Report (including any update, revision or amendment thereto) that the Scheme is not in the best interest of Altium Shareholders is a Competing Transaction, unless one or more Altium directors adversely changes or withdraws their Recommendation and the Break Fee has been paid to Renesas in accordance with clause 10.

3.10 Longstop Date

If any of the Conditions Precedent in clauses 3.1(b), (c), (d), (e) or (f) has not been satisfied by 31 December 2024 and none of the outstanding Conditions Precedent, which have not been waived, has been breached or become incapable of being satisfied, unless Renesas notifies Altium otherwise in writing prior to 31 December 2024, the Longstop Date will be automatically extended until 31 March 2025.

4 Outline of Scheme

4.1 Scheme

Altium must propose the Scheme, under which:

- (a) all the Altium Shares held by Scheme Participants at the Scheme Record Date will be transferred to Renesas; and
- (b) each Scheme Participant will be entitled to receive the Scheme Consideration.

4.2 Scheme Consideration

Subject to and in accordance with this document and the Scheme, if the Scheme becomes Effective, each Scheme Participant is entitled to receive the Scheme Consideration in respect of each Altium Share held by that Scheme Participant at the Scheme Record Date.

4.3 Payment of Scheme Consideration

Subject to this document and the Scheme, Renesas undertakes to Altium (in its own right and separately as trustee or nominee of each Scheme Participant) that, if the Scheme becomes Effective, in consideration of the transfer to Renesas of each Altium Share held by a Scheme Participant at the Scheme Record Date, Renesas will, on the Implementation Date:

- (a) accept that transfer; and
- (b) pay or procure the payment of the Scheme Consideration in accordance with the terms of this document and the Scheme.

Where the calculation of the Scheme Consideration to be provided to a Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down (as applicable) to the nearest cent.

4.4 Permitted Dividend

- (a) Subject to clause 4.4(b), Renesas agrees that Altium may:

- (i) on or about the date of this document (in its absolute discretion) announce, declare or determine to pay, and pay to Altium Shareholders, a Permitted Dividend that is a special dividend paid in accordance with limb (c) of the definition of Permitted Dividend; and
 - (ii) that it may (in its absolute discretion) announce, declare, or determine to pay, and pay to Altium Shareholders, the Permitted Dividends referred to in limb (a) and (b) of the definition of Permitted Dividend.
- (b) If Altium announces, declares or determines to pay, and pays a Permitted Dividend:
- (i) the Record Date for the Permitted Dividend must be before the Scheme Record Date;
 - (ii) the Permitted Dividend must be determined to be paid, or declared, and paid no later than at least one day prior to the Implementation Date;
 - (iii) the Permitted Dividend must be paid in cash (and franked) in accordance with the Tax Act, the Corporations Act, the Listing Rules and the Altium Constitution;
 - (iv) the Scheme Consideration per Altium Share will be reduced by the cash amount of the Permitted Dividend (other than a Permitted Dividend paid in accordance with limb (a) of the definition of Permitted Dividend);
 - (v) the franking account of Altium must not be (or be deemed to be) in a deficit position on or after the Implementation Date taking into account any reasonably expected tax refund in respect of any tax payments or instalments made for the period up to the Implementation Date;
 - (vi) the Permitted Dividend must not cause Altium to breach the benchmark rule (as defined in section 203-25 of the Tax Act); and
 - (vii) the Permitted Dividend may only be funded directly from excess cash available to Altium at the time of payments.
- (c) For the purpose of determining Altium's franking account balance prior to the Implementation Date, Altium must provide a copy of the Altium franking account to Renesas, on the following dates:
- (i) 15 Business days before the declaration or resolution to pay the Permitted Dividend is passed; and
 - (ii) 5 Business Days prior to the Implementation Date.

4.5 Employee incentives

- (a) Altium must ensure that, by no later than the time at which the Scheme becomes Effective, there are no outstanding Employee Share Rights.
- (b) In order to comply with its obligation under clause 4.5(a), Altium and Renesas agree that Altium's outstanding Employee Share Rights will be dealt with in the manner agreed between Renesas and Altium in writing on or before the date of this document.

4.6 No amendment to the Scheme without consent

Altium must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Renesas (not to be unreasonably withheld or delayed).

4.7 Appointment of nominee and guarantee

At any time prior to the Business Day before the First Court Date, Renesas may nominate any wholly-owned Subsidiary of Renesas ("**Renesas Nominee**") to acquire Altium Shares under the Scheme by providing a written notice which sets out the details of Renesas Nominee to Altium. If Renesas decides to nominate Renesas Nominee to acquire Altium Shares:

- (a) the parties must procure that the Altium Shares transferred under the Scheme are transferred to Renesas Nominee rather than Renesas; and
- (b) Renesas must procure that Renesas Nominee complies with all of the relevant obligations of Renesas under this document and the Scheme; and
- (c) the nomination will not relieve Renesas of its obligations under this document, including the obligation to provide (or procure the provision of) the Scheme Consideration in accordance with the terms of the Scheme provided that Renesas will not be in breach of this document for failing to perform an obligation of Renesas if that obligation is fully discharged by Renesas Nominee.

5 Implementation

5.1 General obligations

Altium and Renesas must each:

- (a) use all reasonable endeavours and commit necessary resources (including management and corporate relations resources and the resources of external advisers); and
- (b) procure that its officers and advisers work in good faith and in a timely and co-operative fashion with the other party (including by attending meetings and by providing information),

to produce the Scheme Booklet and implement the Scheme as soon as reasonably practicable and in accordance with the Timetable.

5.2 Altium's obligations

Altium must take all reasonable steps to implement the Scheme on a basis consistent with this document as soon as reasonably practicable and must:

- (a) **(announce directors' recommendation)** following execution of this document, announce, in a form agreed between Altium and Renesas (on the basis of statements made to Altium by each member of the Altium Board) that:
 - (i) the Altium Board intends unanimously to recommend to Altium Shareholders that the Scheme be approved; and
 - (ii) each Altium Board member who holds or controls Altium Shares, intends to vote their Altium Shares in favour of the Scheme,

subject to:

- (iii) the Independent Expert concluding, and continuing to conclude, that the Scheme is in the best interests of Altium Shareholders; and
 - (iv) there being no Superior Proposal;
- (b) **(preparation of Scheme Booklet)** subject to clause 5.2(e)(i), as soon as practicable after the date of this document, prepare and despatch the Scheme Booklet:
- (i) in accordance with all applicable laws, including the Corporations Act, Corporations Regulations, ASIC Regulatory Guide 60, Takeovers Panel guidance notes and the Listing Rules; and
 - (ii) which includes a statement by the Altium Board:
 - (A) unanimously recommending that Altium Shareholders vote in favour of the Scheme subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of Altium Shareholders and there being no Superior Proposal; and
 - (B) that each Altium Board member who holds or controls Altium Shares intends to vote their Altium Shares in favour of the Scheme subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of Altium Shareholders and there being no Superior Proposal;
- (c) **(Independent Expert)** promptly appoint the Independent Expert and provide any assistance and information reasonably requested by the Independent Expert to enable the Independent Expert to prepare its report for the Scheme Booklet as soon as practicable;
- (d) **(section 411(17)(b) statement)** apply to ASIC for the production of a statement pursuant to section 411(17)(b) of the Corporations Act stating that ASIC has no objection to the Scheme;
- (e) **(consultation with Renesas)** consult with Renesas as to the content and presentation of:
- (i) the Scheme Booklet, which includes:
 - (A) allowing Renesas a reasonable opportunity to review and make comments on successive drafts of the Scheme Booklet and Independent Expert's Report (accepting that any review of the Independent Expert's Report is limited to review for factual accuracy of those parts that include information relating to Renesas);
 - (B) taking any reasonable comments made by Renesas into account in good faith when producing a revised draft of the Scheme Booklet and providing the Independent Expert with Renesas' factual accuracy comments on the Independent Expert's Report;
 - (C) providing to Renesas a revised draft of the Scheme Booklet and Independent Expert's Report within a

reasonable time before the draft of the Scheme Booklet which is provided to ASIC for approval pursuant to section 411(2) of the Corporations Act is finalised; and

- (D) obtaining Renesas' consent to the inclusion of the Renesas Information (including in respect of the form and context in which the Renesas Information appears in the Scheme Booklet); and
- (ii) documents required for the purposes of the Court hearings held for the purposes of sections 411(1) and 411(4)(b) of the Corporations Act in relation to the Scheme (including originating processes, affidavits, submissions and draft minutes of Court orders), and consider in good faith any comments on, or suggested amendments to, those documents from Renesas prior to filing those documents with the Court;
- (f) **(lodgement of Regulator's Draft)**
 - (i) no later than 14 days before the First Court Date, provide an advanced draft of the Scheme Booklet ("**Regulator's Draft**") to ASIC for its review for the purposes of section 411(2) of the Corporations Act, and provide a copy of the Regulator's Draft to Renesas immediately thereafter; and
 - (ii) keep Renesas reasonably informed of any material issues raised by ASIC or ASX in relation to the Regulator's Draft or any related documents and, where practical to do so, consult with Renesas in good faith prior to taking any steps or actions to address those material issues (provided that, where those issues relate to Renesas Information, Altium must not take any steps to address them without Renesas' prior written consent, not to be unreasonably withheld);
- (g) **(Data Room)** subject to continued compliance by Renesas with the terms of the Confidentiality Agreement, keep open and permit Renesas to access the Data Room;
- (h) **(information)** provide all necessary information, and procure that the Register provides all necessary information, in each case in a form reasonably requested by Renesas, about the Scheme, the Altium Shareholders and Scheme Participants to Renesas, which Renesas reasonably requires in order to:
 - (i) understand the legal and beneficial ownership of Altium Shares, and canvass agreement to the Scheme by Altium Shareholders; or
 - (ii) facilitate the provision by, or on behalf of, Renesas of the Scheme Consideration and to otherwise enable Renesas to comply with the terms of this document, the Scheme and the Deed Poll (which must include the name, Registered Address and registered holding of each Scheme Shareholder as at the Scheme Record Date), within two Business Days after the Scheme Record Date;
- (i) **(supplementary disclosure)** if, after despatch of the Scheme Booklet, Altium becomes aware:

- (i) that information included in the Scheme Booklet is or has become misleading or deceptive in any material respect (whether by omission or otherwise); or
- (ii) of information that is required to be disclosed to Altium Shareholders under any applicable law but was not included in the Scheme Booklet,

promptly consult with Renesas in good faith as to the need for, and the form of, any supplementary disclosure to Altium Shareholders, and make any disclosure that Altium considers reasonably necessary in the circumstances, having regard to applicable laws and to ensure that there would be no breach of clause 12.1(g) if it applied as at the date that information arose;

- (j) **(Court application)** apply to the Court for an order under section 411(1) of the Corporations Act directing Altium to convene the Scheme Meeting;
- (k) **(Register Scheme Booklet)** request that ASIC registers the explanatory statement included in the Scheme Booklet in relation to the Scheme in accordance with section 412(6) of the Corporations Act;

- (m) **(promotion)** subject to compliance with applicable law and ASIC policy, take reasonable steps, in consultation with Renesas, to provide all reasonable information and assistance Renesas requires to promote the Scheme and, to the extent it undertakes promotion of the Scheme, ensure that it acts in a way that is consistent with applicable law and ASIC policy;
- (n) **(proxy reports)** subject to compliance with applicable law and ASIC policy, keep Renesas reasonably informed of:
 - (i) the status and outcome of proxy appointments received in respect of the Scheme Meeting, including over the period commencing 10 Business Days before the Scheme Meeting and ending on the deadline for receipt of proxy forms; and
 - (ii) other information as the Altium Group may receive concerning the voting intentions of Altium Shareholders.
- (o) **(Scheme Meeting)** convene and hold the Scheme Meeting to agree to the Scheme in accordance with any orders made by the Court pursuant to section 411(1) of the Corporations Act. The parties must consult in good faith as to the timing of any Scheme Meeting (including whether the Scheme Meeting should be held prior to any or all Regulatory Conditions being satisfied or waived);
- (p) **(director's voting)** use its reasonable endeavours to procure that each member of the Altium Board acts in accordance with their Voting Intention and votes any Altium Shares in which they have a Relevant Interest in favour of the Scheme;

- (u) **(Register)** close the Register as at the Scheme Record Date to determine the identity of Scheme Participants and their entitlements to Scheme Consideration;

- (z) **(other steps)** do all other things necessary to give effect to the Scheme and the orders of the Court approving the Scheme.

5.3 Release under NDA

Altium releases Renesas from clause 5 of the Confidentiality Agreement to the extent that it would prevent or restrict Renesas, its Representatives or Associates from:

- (a) acquiring Altium Shares pursuant to the Scheme; or
- (b) communicating with Altium Shareholders to promote the merits of the Scheme and the Scheme Consideration.

5.4 Renesas's obligations

Renesas must take all reasonable steps to assist Altium to implement the Scheme on a basis consistent with this document and as soon as reasonably practicable, and in particular must:

- (a) **(Renesas Information)** prepare and promptly provide to Altium for inclusion in the Scheme Booklet the Renesas Information (in accordance with all applicable laws, including the Corporations Act, Corporations Regulations, ASIC Regulatory Guide 60 and the Listing Rules) and consent to the inclusion of that information in the Scheme Booklet;
- (b) **(further Renesas Information)** promptly provide to Altium any further or new Renesas Information as may arise after the Scheme Booklet has been sent to Altium Shareholders and until the date of the Scheme Meeting as may be necessary to ensure that the Renesas Information contained in the Scheme Booklet is not, having regard to applicable disclosure requirements, false, misleading or deceptive in any material respect (including because of any material omission) and to ensure that there would be no breach of clause 12.3(g) if it applied as at the date on which further or new Renesas Information arose;
- (c) **(Independent Expert information)** provide any assistance or information reasonably requested by the Independent Expert in connection with the preparation of the Independent Expert's Report;

- (i) **(compliance with laws)** do everything reasonably within its power to ensure that the Scheme is effected in accordance with all applicable laws and regulations.

5.5 Scheme Booklet responsibility statement

The responsibility statement to appear in the Scheme Booklet, in a form to be agreed by the parties, will contain words to the effect of:

- (a) Altium has prepared, and is responsible for, the content of the Scheme Booklet other than, to the maximum extent permitted by law, the Renesas Information, the Independent Expert's Report or any other report or letter issued to Altium by a third party and Renesas and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that Altium has prepared and has responsibility for; and
- (b) Renesas has prepared, and is responsible for, the Renesas Information in the Scheme Booklet (and no other part of the Scheme Booklet) and that Altium and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that Renesas has prepared and has responsibility for.

5.6 Disagreement on content of Scheme Booklet

If Renesas and Altium disagree on the form or content of the Scheme Booklet, they must consult in good faith to try to settle an agreed form of the Scheme Booklet. If complete agreement is not reached after reasonable consultation, then:

- (a) if the disagreement relates to the form or content of the Renesas Information contained in the Scheme Booklet, Altium will make any amendments as Renesas reasonably requires; and
- (b) if the disagreement relates to the form or content of any other part of the Scheme Booklet, the Altium Board will, acting in good faith, decide the final form or content of the disputed part of the Scheme Booklet.

5.7 Verification

Each party must undertake appropriate verification and due diligence processes for the information supplied by that party in the Scheme Booklet.

5.8 Conduct of Court proceeding

Altium and Renesas are entitled to separate representation at all Court proceedings relating to the Scheme. This document does not give Altium or Renesas any right or power to give undertakings to the Court for or on behalf of the other party without that party's written consent. Altium and Renesas must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Scheme as contemplated by this document.

5.9 Appeal process

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, Renesas and Altium must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) the parties agree otherwise; or

- (b) an independent senior counsel of the New South Wales bar advises that, in their opinion, an appeal would have no reasonable prospect of success,

in which case either party may terminate this document in accordance with clause 13.1(d)(iii).

5.10 No partnership or joint venture

Subject to this document, nothing in this clause requires either party to act at the direction of the other. The business of each party will continue to operate independently from the other until the Implementation Date. The parties agree that nothing in this document constitutes the relationship of a partnership or a joint venture between the parties.

6 Altium Board recommendation

6.1 Representation and warranty

Altium represents and warrants to Renesas that, as at the date of this document, each Altium director has confirmed that:

- (a) his or her recommendation in respect of the Scheme is that Altium Shareholders vote in favour of the Scheme (**Recommendation**); and
- (b) he or she intends to vote, or cause to be voted, all Altium Shares held or controlled by that Altium director (if any), in favour of the Scheme (**Voting Intention**),

in each case subject to:

- (c) no Superior Proposal emerging; and
- (d) the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Altium Shareholders.

6.2 Best endeavours

Altium must use its best endeavours to procure that none of its directors withdraws, or changes their Recommendation or Voting Intention, unless:

- (a) there is a Competing Transaction which emerges other than as a result of a breach of clause 9 and the Altium Board, after all of Renesas' rights under clauses 9.9 and 9.10 are exhausted, determines that the Competing Transaction constitutes a Superior Proposal; or
- (b) the Independent Expert concludes that the Scheme is not in the best interests of Altium Shareholders, or adversely changes its previously given opinion that the Scheme is in the best interests of Altium Shareholders; and
- (c) the Altium Board determines in good faith having received expert advice in writing from its legal advisors, (King & Wood Mallesons) that they must do so because of their fiduciary or statutory duties to Altium Shareholders.

6.3 Announcements

Altium must ensure that each Altium director's Recommendation and Voting Intention which has not been withdrawn or changed is included in each ASX announcement in which a statement is made by Altium about an Altium director's recommendation or voting intention in respect of the Scheme from the date of this document until the Scheme Meeting is held.

7 Directors and employees

7.1 Release of Altium Indemnified Parties

Subject to the Corporations Act, Renesas releases its rights, and agrees with Altium that it will not make a claim, against any Altium Indemnified Party (other than Altium and its Related Bodies Corporate) as at the date of this document and from time to time in connection with:

- (a) any breach of any representations and warranties of Altium or any other member of Altium Group in this document; or
- (b) any disclosures containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Altium Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.1 limits Renesas's rights to terminate this document under clause 13.1.

7.2 Benefit for Altium Indemnified Parties

Altium receives and holds the benefit of clause 7.1 to the extent it relates to each Altium Indemnified Party on behalf of each of them.

7.3 Release of Renesas Indemnified Parties

- (a) any breach of any representations and warranties of Renesas or any other member of Renesas Group in this document; or
- (b) any disclosures containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Renesas Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.3 limits Altium's rights to terminate this document under clause 13.1.

7.4 Benefit for Renesas Indemnified Parties

Renesas receives and holds the benefit of clause 7.3 to the extent it relates to each Renesas Indemnified Party on behalf of each of them.

7.5 Appointment/retirement of Altium directors

On the Implementation Date, but subject to the Scheme Consideration having been paid to the Scheme Participants and receipt by Altium of signed consents to act, Altium must:

- (a) cause the appointment of each Incoming Director to the Altium Board;
- (b) use its reasonable endeavours to procure that each of the Outgoing Directors retire from the Altium Board, by providing to the Altium Board their resignation in writing (to the extent reasonable, the resignation to include a statement to the effect that the Outgoing Director has no claim outstanding against any member of the Altium Group, in their capacity as an Altium director, and without prejudice to any rights they may have under any deed of indemnity, access and insurance or policy of directors and officers insurance, or equivalent); and
- (c) use its reasonable endeavours to procure that each director of any other member of the Altium Group (other than any existing director of a member of the Altium Group which Renesas has agreed in writing will remain on the board of the relevant member of the Altium Group) resigns from their office as a director by providing to the board of the relevant member of the Altium Group their resignation in writing (to the extent reasonable, the resignation to include a statement to the effect that the outgoing director has no claim outstanding against any member of the Altium Group, in their capacity as a director, and without prejudice to any rights they may have under any deed of indemnity, access and insurance or policy of directors and officers insurance, or equivalent), and cause the appointment of the nominees of Renesas to those boards,

in each case, in accordance with the relevant company's constituent documents, the Corporations Act, the Listing Rules and any other laws.

7.6 Directors' and officers' insurance

Subject to the Scheme becoming Effective and subject to the Corporations Act, Renesas undertakes in favour of Altium and each other person who is a Altium Indemnified Party that it will:

- (a) for a period of 7 years from the Implementation Date, ensure that the constitutions of Altium and each other member of the Altium Group continue to contain rules as are contained in those constitutions at the date of this document that provide for each company to indemnify each of its directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a member of the Renesas Group; and
- (b) procure that Altium and each other member of the Altium Group complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and without limiting the foregoing, ensure that the directors' and officers' run-off insurance cover for those directors and officers is maintained, for a period of 7 years from the Implementation Date.

7.7 Benefit of undertaking for Altium Group

Altium acknowledges that it receives and holds the benefit of clause 7.6 to the extent it relates to each director and officer of a member of the Altium Group on behalf of each of them.

8.1 Overview

From the date of this document up to and including the Implementation Date, Altium must and must cause each member of the Altium Group to:

8.3 Exceptions to conduct of business provisions

Nothing in this clause 8 restricts the ability of Altium to take any action:

- (a) which is expressly required or permitted by this document or the Scheme;
- (b) which has been Disclosed to Renesas; or
- (c) where Altium has first consulted with Renesas in relation to the action and:
 - (i) it has been agreed to in writing by Renesas; or.
 - (ii) if within 5 Business Days of Altium notifying Renesas of the proposed action, Renesas has not responded.

Renesas must not unreasonably delay or, having regard to any applicable budget or business plan that has been adopted as at the date of this document and Disclosed to Renesas, withhold any approval requested for any proposed action under this clause 8.3(c).

8.4 Access to people and Altium Information

Between the date of this document and the Implementation Date, Altium must provide Renesas and its officers and advisers with reasonable access to Altium's officers and advisers and documents, records, and other information (subject to any existing confidentiality obligations owed to third parties, or applicable privacy laws) which Renesas reasonably requires for the purposes of:

- (a) implementing the Scheme;

- (c) applying for all relevant Regulatory Approvals; or

As soon as practicable after the date of this deed, Altium must seek to identify any consents, waivers, approvals or notifications required in respect of the Scheme:

- (a) under any contracts (including any lease) to which a member of Altium Group is a party; or
- (b) under any licences, permits or other regulatory approvals or authorisations of any member of the Altium Group,

in circumstances in which the termination or revocation of that contract, licence, permit or other regulatory approval would have a Material Adverse Effect and use reasonable endeavours to agree a strategy with Renesas to obtain those consents, waivers or approvals and reasonable endeavours to then seek those consents in accordance with the agreed strategy.

8.6 No amendment or waiver of the Debt Commitment Letter

Renesas will not, without Altium's prior written consent, amend or permit the amendment of the Debt Commitment Letter nor waive any of its rights under the Debt Commitment Letter in each case in any respect which will, or is reasonably likely to, prejudice Renesas' ability to pay the Scheme Consideration in accordance with this document, the Scheme and the Deed Poll.

8.7 Co-operation with financing

During the period from the date of this document to the earlier of the Implementation Date and the termination of this document in accordance with its terms:

- (a) Altium must provide, and must cause each member of the Altium Group and use its commercially reasonable efforts to procure that their respective Representatives provide, in each case in a timely manner all co-operation and assistance as may be reasonably requested by Renesas or its Representatives and take all actions in connection with the debt financing contemplated under the Debt Commitment Letter, as reasonably requested by Renesas or its Representatives in connection with the syndication, implementation and consummation of the debt financing contemplated in connection with the Scheme on the terms and subject to the conditions described or contemplated by the Debt Commitment Letter (**Renesas Financing**), including but not limited to using commercially reasonable efforts to do the following:

- (iv) assisting in the repayment and/or replacement (by way of back to back or otherwise) of any contingent letters of credit, bank guarantees or other similar financial instruments on issue under any financial arrangements of the Altium Group (for the avoidance of doubt but without prejudice to the operation of this clause 8.7, it is Renesas' responsibility to procure availability of the replacement credit support such as back-to-back instruments); and
- (b) Altium must procure that each relevant member of the Altium Group consents to use of its logos in connection with the financing; provided, that the logos are used solely in a manner that is not intended or reasonably likely to harm or disparage Altium or any member of the Altium Group, or their respective reputation, goodwill or trade marks,

provided that:

- (c) Renesas must indemnify and reimburse Altium, any member of the Altium Group or their Representatives (as appropriate) on written demand for all Losses suffered and any and all reasonable and documented out-of-pocket costs and expenses incurred by Altium, any member of the Altium Group and / or their Representatives (as

appropriate) in compliance with the requirements of this clause 8.7, other than to the extent that any of the foregoing arises from any fraud, gross negligence, wilful misconduct or breach of this document by any person; and

- (d) nothing in this clause 8.7 requires Altium or any member of the Altium Group or any of their respective Representatives to:
- (i) take any action to the extent that it would unreasonably interfere with the on-going business or operations of the Altium Group (having regard to, among other things, the reasonableness of the notice given by Renesas or its Financing Sources of any requested assistance or cooperation);
 - (ii) provide any information to the extent it would be in breach of any obligation of confidentiality to any person, breach any applicable law, waive legal professional privilege or take any other action to the extent that it would reasonably be expected to breach any applicable law or any contractual or equitable obligation;
 - (iii) execute any credit or facility agreements, pledge or security documents, or other certificates, legal opinions or documents in connection with the Renesas Financing (other than customary release, prepayment and/or cancellation documents to effect repayment and/or cancellation of the Financial Indebtedness referred to in clause 8.7(a)(iii) and Encumbrances securing those Financial Indebtedness, or to continue following the Implementation Date any transactional banking facilities or other financial arrangements of the Altium Group as may be agreed between Altium and Renesas); or
 - (iv) provide any financial assistance that Altium reasonably considers requires shareholder approval under Part 2 J.3 of Chapter 2J of the Corporations Act.

9 Exclusivity

9.1 No existing discussions

Altium represents and warrants to Renesas that:

- (a) at the time of execution of this document, other than with Renesas in respect of the Scheme, it and its Representatives:

has been requested to return or destroy that non-public information in accordance with terms of the confidentiality agreement in place with that person. Altium will enforce its rights to require the return or destruction of non-public information and agrees not to waive and to enforce any stand still obligations owed to it by any person.

9.2 No-shop

During the Exclusivity Period, Altium must ensure that neither it nor any of its Representatives directly or indirectly:

- (a) solicits, invites, encourages or initiates any enquiries, negotiations or discussions; or

9.3 No-talk

Subject to clause 9.5 (but without limiting clauses 9.9 or 9.10), during the Exclusivity Period, Altium must ensure that neither it nor any of its Representatives directly or indirectly:

- (b) participates in negotiations, discussions or other communications with any other person regarding,

a Competing Transaction or any inquiry, offer, proposal or expression of interest agreement, understanding or arrangement in relation to or that could be reasonably expected to lead to a Competing Transaction, even if that person's Competing Transaction was not directly or indirectly solicited, invited, encouraged or initiated by Altium or any of its Representatives or the person has publicly announced the Competing Transaction.

9.4 No due diligence

Subject to clause 9.5, during the Exclusivity Period, Altium must ensure that neither it nor any of its Representatives directly or indirectly:

- (a) provide to any person other than Renesas or its Representatives any non-public information relating to the business or affairs of any member of the Altium Group; or

9.5 Exceptions

Clauses 9.3 and 9.4 do not apply to the extent that it restricts Altium or the Altium Board from taking or refusing to take any action with respect to a genuine Competing Transaction (in relation to which there has been no contravention of this clause 9) provided that the Altium Board has determined, in good faith after:

- (a) consultation with its external financial advisers who are experienced in advising on Australian public market M&A transactions, and legal advisers (King & Wood Mallesons) that the Competing Transaction is or may reasonably be expected to lead to a Superior Proposal; and
- (b) receiving written legal advice from its external legal advisers (King & Wood Mallesons) that taking or refusing to take the action would or would be likely to constitute a breach of the fiduciary or statutory obligations owed by any Altium director.

9.6 Further exceptions

Nothing in this document prevents Altium from:

- (a) continuing to make normal presentations to, and to respond to enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to the Scheme or its business generally (provided that the engagement does not relate to soliciting, inviting, encouraging or initiating a Competing Transaction); or
- (b) fulfilling its continuous disclosure requirements.

9.7 Equivalent obligations

If during the Exclusivity Period, Altium proposes that any non-public information be provided to a person in connection with a Competing Transaction which but for clause 9.5, it would be prohibited from providing by clause 9.4, Altium must:

- (a) not provide any information to the person until the person is bound by a confidentiality agreement in favour of Altium which imposes obligations on the person that are no less onerous in any respect to the obligations imposed on Renesas under the Confidentiality Agreement (including with respect to standstill obligations); and
- (b) promptly provide to Renesas any non-public information provided to the person that has not already been provided to Renesas.

9.8 Notice of approach

During the Exclusivity Period, Altium must notify Renesas within 24 hours if it, or any of its Representatives, receives any Competing Transaction or is approached to engage in any activity prohibited by this clause 9 (or would be but for clause 9.5), or determines that clause 9.5 applies in respect of a Competing Transaction. The notice must disclose to Renesas the identity of the person who made the proposal and the material terms and conditions of the Competing Transaction, including the price (or other consideration proposed), conditions precedent, timetable, break fee (if any), reverse break fee (if any) and other deal protection provisions (to the extent known).

9.9 Matching right

During the Exclusivity Period, Altium:

- (a) must not accept or enter into, and must ensure that no other member of the Altium Group accepts or enters into, any agreement, arrangement or understanding (whether or not in writing and whether conditional or unconditional) pursuant to which a third party, Altium (or any other member of the Altium Group) or both proposes or propose to: (i) undertake or give effect to a Competing Transaction; or (ii) pay any amount or incur any liability if such an agreement, arrangement or understanding is not entered into or a Competing Transaction is not recommended by some or all of the Altium Board, and for these purposes, a confidentiality agreement entered into in accordance with clause 9.7(a) will not be an agreement to which this clause 9.9(a) applies; and
- (b) must use its best endeavours to procure that none of its directors withdraws or change their Recommendation or Voting Intention, or publicly recommends, supports or endorses the Competing Transaction,

unless:

- (c) the Altium Board acting in good faith and in order to satisfy what the Altium Board considers to be its statutory or fiduciary duties (having received written advice from its external legal advisors (King & Wood Mallesons) experienced in advising on Australian public M&A transactions), determines that the Competing Transaction is a Superior Proposal;
- (d) Altium has provided Renesas with the material terms and conditions of the Competing Transaction, including price, conditions precedent, timetable, break fee (if any), reverse break fee (if any) and other deal protection provisions (if applicable) and the identity of the third party making the Competing Transaction;
- (e) Altium has notified Renesas that it has made the determinations set out in clause 9.9(c) in relation to the Competing Transaction and provided an explanation as to why the Altium Board considers that the Competing Transaction is a Superior Proposal;
- (f) Altium has given Renesas at least 4 Business Days after the date of the provision of the information referred to in clauses 9.9(d) and 9.9(e) to provide a Bidder Counterproposal; and
- (g) either:
 - (i) Renesas has not announced or provided a Bidder Counterproposal by the expiry of the 4 Business Day period referred to in clause 9.9(f); or
 - (ii) Renesas has announced or provided a Bidder Counterproposal by expiry of the 4 Business Day period referred to in clause 9.9(f) and the Altium Board has determined in accordance with clause 9.10 in good faith, that the Bidder Counterproposal does not provide an outcome for Altium Shareholders which is equally as favourable to, or more favourable to Altium Shareholders as a whole than the relevant Competing Transaction.

9.10 Renesas counterproposal

If Renesas proposes to Altium, or announces amendments to the Scheme or a new proposal ("**Bidder Counterproposal**") by the expiry of the 4 Business Day period referred to in clause 9.9(f), Altium must procure that the Altium Board considers the Bidder Counterproposal in good faith and if the Altium Board,

acting in good faith and after having consulted Altium's external legal advisors (King & Wood Mallesons) and financial advisors, determines that the Bidder Counterproposal would provide an outcome for Altium Shareholders which is equally as favourable to, or more favourable to Altium Shareholders as a whole compared with the Competing Transaction, taking into account matters including, but not limited to, consideration, conditionality, funding, certainty and timing and the terms and conditions of the Bidder Counterproposal compared to the Competing Transaction, then:

- (a) Altium and Renesas must use their best endeavours to agree the amendments to this document and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable; and
- (b) Altium must use its best endeavours to procure that each of the directors of Altium continues to recommend the Scheme (as modified by the Bidder Counterproposal) to Altium Shareholders.

9.11 Variations

For the purposes of clauses 9.8, 9.9 and 9.10 any material modification to a Competing Transaction shall be taken to make that proposal a new Competing Transaction in respect of which Altium must comply with its obligations under clauses 9.8, 9.9 and 9.10 (as applicable).

9.12 Legal advice

Altium acknowledges that it has received legal advice on this document and the operation of this clause.

10 Break fee

10.1 Background to Break Fee

Renesas and Altium each acknowledge that if they enter into this document and the Scheme is not subsequently implemented, Renesas will incur significant costs, including those set out in clause 10.4. In these circumstances, Altium has agreed that provision be made for the payment provided for in clause 10.2, without which Renesas would not have entered into this document. Altium and the Altium Board believe, having taken advice from its legal and financial advisors, that the implementation of the Scheme will provide benefits to Altium Shareholders and that it is appropriate for Altium to agree to the payment referred to in clause 10.2 in order to secure Renesas' participation in the Scheme.

10.2 Break Fee

Altium must pay the Break Fee to Renesas if:

- (a) during the Exclusivity Period (even if permitted under this document):
 - (i) any Altium director fails to make, or makes and then withdraws or adversely changes their Recommendation or Voting Intention or otherwise makes a public statement indicating that they no longer recommend, support or endorse the Scheme;
 - (ii) any Altium director publicly recommends, supports or endorses a Competing Transaction; or

- (iii) any member of the Altium Group accepts or enters into any agreement, arrangement or understanding (whether conditional or unconditional) to give effect to or implement a Competing Transaction or to pay any amount or incur any liability if such an agreement, arrangement or understanding is not entered into or a Competing Transaction is not recommended by some or all of the Altium Board,

other than in circumstances where:

- (iv) the Independent Expert concludes in the Independent Expert's Report (including any update, revision or amendment thereto) that the Scheme is not in the best interest of Altium Shareholders (other than where the reason for that opinion is a Competing Transaction); or
 - (v) Altium has a right to terminate this document under clause 13.1(b) and has given notice terminating this deed to Renesas in reliance on that right;
- (b) a Competing Transaction is announced during the Exclusivity Period and, within 12 months of the Competing Transaction being announced, the Competing Transaction results in a person or persons (other than a member of the Renesas Group):
- (i) completing in all material respects a transaction of the kind referred to in items (b), (c) or (d) of the definition of Competing Transaction; or
 - (ii) acquiring a Relevant Interest in more than 50% of Altium Shares or Voting Power of more than 50% in Altium; or
- (c) Renesas has a right to terminate this document under clause 13.1(b) and has given notice to Altium terminating this document.

10.3 Demand for payment

Altium must pay the Break Fee into an account nominated by Renesas, without set-off or withholding, within 10 Business Days after receiving the demand for payment from Renesas. The demand for payment from Renesas must:

- (a) be in writing;
- (b) only be made after the occurrence of an event in clause 10.2, giving rise to the right to payment;
- (c) state the circumstances which give rise to the demand; and
- (d) nominate an account into which Altium is to pay the Break Fee.

10.4 Basis of Break Fee

The Break Fee has been calculated to reimburse Renesas for costs, including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Scheme;
- (b) reasonable opportunity costs incurred in engaging in the Scheme or in not engaging in other alternative transactions or strategic initiatives;

- (c) costs of management and directors' time in planning and implementing the Scheme;
- (d) out of pocket expenses incurred directly or by employees, advisors and agents in planning and implementing the Scheme; and
- (e) any damage to reputation associated with a failed transaction,

and Renesas and Altium agree that:

- (f) the costs actually incurred by Renesas will be of a nature that they cannot be accurately ascertained;
- (g) the Break Fee is a genuine and reasonable pre-estimate of those costs; and
- (h) both parties have received advice from their respective legal advisors on the operation of this clause 10.

10.5 No payment if Scheme becomes Effective

No Break Fee is payable if the Scheme becomes Effective. To the extent that the Break Fee has already been paid under this clause 10 and the Scheme does become Effective, the Break Fee must be immediately refunded to Altium.

10.6 Break Fee payable once

The Break Fee is payable by Altium to Renesas only once and where the Break Fee becomes payable to Renesas under clause 10.2 and is actually paid to Renesas, Renesas cannot make claim against Altium for any further payment of the Break Fee.

10.7 Other claims

- (a) Subject to and without limiting clause 18.19, where the Break Fee becomes payable by Altium to Renesas under clause 10.2 and is actually paid to Renesas (or is payable, but no demand has been made under clause 10.3), Renesas must not make any claim (other than a claim under this clause 10) against Altium which relates to the event that resulted in the Break Fee becoming payable.
- (b) Subject to and without limiting clause 18.19, other than in the case of fraud, wilful misconduct or intentional breach of this document by Altium:
 - (i) the maximum aggregate liability of Altium under or in connection with this document or the Scheme, including in respect of any breach of this document, is the amount of the Break Fee and in no event will the aggregate liability of Altium to Renesas for all claims under this document or in connection with the Scheme exceed the Break Fee;
 - (ii) payment by Altium to Renesas of the Break Fee in accordance with this clause 10 will constitute the sole and absolute liability of Altium to Renesas and remedy for Renesas (other than specific performance, or declaratory, or injunctive relief), under or in connection with this document or the Scheme and no further damages, fees, expenses or reimbursement of any kind will be payable by Altium to Renesas; and
 - (iii) the amount of the Break Fee payable to Renesas under this clause 10 will be reduced by the amount of any Loss recovered

by Renesas from Altium in relation to a breach of any other clause of this document (**Recovered Amount**) and to the extent all or any of the Break Fee has been paid to Renesas by Altium, Renesas must promptly refund to Altium the Recovered Amount.

- (c) Nothing in this clause 10.7 affects Renesas' right to specific performance, or declaratory, or injunctive relief as a remedy for a breach or threatened breach of this document or the Scheme by any party.

10.8 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court (or Altium and Renesas agree not to appeal the decision) that all or any part of the Break Fee required to be paid under clause 10.2 (**Break Fee Impugned Amount**):
- (i) is unenforceable or unlawful;
 - (ii) involves a breach of directors duties; or
 - (iii) constitutes unacceptable circumstances or breaches an order of the Takeovers Panel,
- then:
- (iv) the requirement to pay the Break Fee does not apply to the extent of the Break Fee Impugned Amount and the Break Fee is reduced by the Break Fee Impugned Amount; and
 - (v) if Renesas has received the Break Fee Impugned Amount, it must refund the Break Fee Impugned Amount to Altium within 10 Business Days of the final determination being made.
- (b) Altium must not make, or cause to be made, any application or support any application to the Takeovers Panel or a court for or in relation to a declaration or other order that all or any part of the Break Fee:
- (i) is unenforceable;
 - (ii) involves a breach of directors duties; or
 - (iii) constitutes unacceptable circumstances or breaches an order of the Takeovers Panel.

11 Reverse Break fee

11.1 Background to Reverse Break Fee

Renesas and Altium each acknowledge that if they enter into this document and the Scheme is not subsequently implemented, Altium will incur significant costs, including those set out in clause 11.4. In these circumstances, Renesas has agreed that provision be made for the payment provided for in clause 11.2, without which Altium would not have entered into this document. Renesas and the Renesas Board believe, having taken advice from its legal and financial advisors, that the implementation of the Scheme will provide benefits to Renesas Shareholders and that it is appropriate for Renesas to agree to the payment referred to in clause 11.2 in order to secure Altium's participation in the Scheme.

11.2 Reverse Break Fee

Renasas must pay the Reverse Break Fee to Altium if:

- (a) the Scheme does not proceed because this document is terminated under clause 3.9 because there is a breach or non-fulfilment of:
 - (i) a Condition Precedent in clause 3.1(b), (c), (d), (e) or (f) provided that:
 - (A) none of the Conditions Precedent in clauses 3.1(a), (g), (j), (k) (l) or (m) has been breached or become incapable of being satisfied;
 - (B) if the Scheme Meeting has been held, the Condition Precedent in clause 3.1(h) has been satisfied provided that the Scheme Meeting will not be taken to have been held for these purposes until the conclusion of the meeting; and
 - (C) if a hearing to seek an order pursuant to section 411(4)(b) of the Corporations Act approving the Scheme has been held, the Condition Precedent in clause 3.1(i) has been satisfied provided that the hearing will not be taken to have been held for these purposes until the Court has made the orders or has publicly determined not to make the orders,

and further provided that the Reverse Break Fee will not be payable by Renesas to Altium under this clause 11.2(a)(i), if the Conditions Precedent in clauses 3.1(d), (e) and (f) have been satisfied (or waived) but a Condition Precedent in either or both of clauses 3.1(b) or (c) has not been satisfied, in circumstances where Renesas has waived the applicable unsatisfied Condition Precedent unconditionally, or sought to do so, but it has not been waived because Altium has not waived it; or

- (ii) 3.1(j), but only where the reason for that Condition Precedent being breached or becoming incapable of being fulfilled is that the applicable Regulatory Authority has taken any action which has the effect (temporarily or permanently) of enjoining, restraining or otherwise imposing a legal restraint or prohibition preventing the Scheme, in circumstances where the parties have waived the Condition Precedent in clauses 3.1(b), (c), (d), (e) or (f),

except where a breach of this document by Altium is a material cause of the breach or non-fulfilment of the relevant Condition Precedent;

- (b) Altium has a right to terminate this document under clause 13.1(b), and has given notice to Renesas terminating this document; or
- (c) Without limiting clause 11.2(b), Renesas does not pay the aggregate Scheme Consideration in accordance with the terms and conditions of this document, the Scheme and the Deed Poll and Altium validly terminates this document as a result.

11.3 Demand for payment

Renesas must pay the Reverse Break Fee into an account nominated by Altium, without set-off or withholding, within 10 Business Days after receiving the demand for payment from Altium. The demand for payment from Altium must:

- (a) be in writing;
- (b) only be made after the occurrence of an event in clause 11.2, giving rise to the right to payment;
- (c) state the circumstances which give rise to the demand; and
- (d) nominate an account into which Renesas is to pay the Reverse Break Fee.

11.4 Basis of Reverse Break Fee

The Reverse Break Fee has been calculated to reimburse Altium for costs, including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Scheme;
- (b) reasonable opportunity costs incurred in engaging in the Scheme or in not engaging in other alternative transactions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Scheme;
- (d) out of pocket expenses incurred directly or by employees, advisors and agents in planning and implementing the Scheme; and
- (e) any damage to reputation associated with a failed transaction,

and Altium and Renesas agree that:

- (f) the costs actually incurred by Altium will be of a nature that they cannot be accurately ascertained;
- (g) the Reverse Break Fee is a genuine and reasonable pre-estimate of those costs; and
- (h) both parties have received advice from their respective legal advisors on the operation of this clause 11.

11.5 No payment if Scheme becomes Effective

No Reverse Break Fee is payable if the Scheme becomes Effective. To the extent that the Reverse Break Fee has already been paid under this clause 11 and the Scheme does become Effective, the Reverse Break Fee must be immediately refunded to Renesas.

11.6 Reverse Break Fee payable once

The Reverse Break Fee is payable by Renesas to Altium only once and where the Reverse Break Fee becomes payable to Altium under clause 11.2 and is actually paid to Altium, Altium cannot make claim against Renesas for any further payment of the Reverse Break Fee.

11.7 Other claims

- (a) Where the Reverse Break Fee becomes payable by Renesas to Altium under clause 11.2 and is actually paid to Altium (or is payable, but no demand has been made under clause 11.3), Altium must not make any claim (other than a claim under this clause 11) against Renesas which relates to the event that resulted in the Reverse Break Fee becoming payable or otherwise in connection with this document or the Scheme (including for any breach by Renesas).
- (b) Notwithstanding any other provision of this document, other than in the case of fraud, wilful misconduct or intentional breach of this document by Renesas, to the maximum extent permitted by law:
 - (i) the maximum aggregate liability of Renesas under or in connection with this document or the Scheme, including in respect of any breach of this document, is the amount of the Reverse Break Fee and in no event will the aggregate liability of Renesas to Altium for all claims under this document or in connection with the Scheme exceed the Reverse Break Fee;
 - (ii) payment by Renesas to Altium of the Reverse Break Fee in accordance with this clause 11 will constitute the sole, and absolute liability of Renesas to Altium and remedy for Altium (other than specific performance, or declaratory, or injunctive relief), under or in connection with this document or the Scheme and no further damages, fees, expenses or reimbursement of any kind will be payable by Renesas to Altium; and
 - (iii) the amount of the Reverse Break Fee payable to Altium under this clause 11 will be reduced by the amount of any Loss recovered by Altium (or any other member of the Altium Group) or any Altium Shareholder from Renesas (or any other member of the Renesas Group) in relation to a breach of any clause of this document, the Deed Poll or the Scheme (**Recovered Amount**) and to the extent all or any of the Reverse Break Fee has been paid to Altium by Renesas, Altium must promptly refund to Renesas an amount equal to the Recovered Amount; and
- (c) Nothing in this clause 11.7 affects Altium or an Altium Shareholder's right to specific performance, or declaratory, or injunctive relief (but no other remedies in equity or law) as a remedy for a breach or threatened breach of this document, the Deed Poll by Renesas or the Scheme by any party.

11.8 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court (or Altium and Renesas agree not to appeal the decision) that all or any part of the Reverse Break Fee required to be paid under clause 11.2 (**Reverse Break Fee Impugned Amount**):
 - (i) is unenforceable or unlawful;
 - (ii) involves a breach of directors duties; or
 - (iii) constitutes unacceptable circumstances or breaches an order of the Takeovers Panel,

then:

- (iv) the requirement to pay the Reverse Break Fee does not apply to the extent of the Reverse Break Fee Impugned Amount and the Reverse Break Fee is reduced by the Reverse Break Fee Impugned Amount; and
 - (v) if Altium has received the Reverse Break Fee Impugned Amount, it must refund the Reverse Break Fee Impugned Amount to Renesas within 10 Business Days of the final determination being made.
- (b) Renesas must not make, or cause to be made, any application or support any application to the Takeovers Panel or a court for or in relation to a declaration or other order that all or any part of the Reverse Break Fee:
- (i) is unenforceable;
 - (ii) involves a breach of directors duties; or

5.4 Title and rights in Scheme Shares

Subject to the provision of the Scheme Consideration for the Scheme Shares as contemplated by clause 6.2 of this Scheme, on and from the Implementation Date, Renesas (or the Nominee) will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme, pending registration by Altium of Renesas (or the Nominee) in the Register as the holder of the Scheme Shares.

Each Scheme Participant warrants to Renesas (or the Nominee) and is deemed to have authorised Altium to warrant to Renesas (or the Nominee) as agent and attorney for the Scheme Participant by virtue of this clause 5.6, that:

- (a) all their Scheme Shares (including any rights and entitlements attaching to those shares) transferred to Renesas (or the Nominee) under this Scheme will, as at the time of the transfer, be fully paid and free from all Encumbrances or any other third party interest or restrictions on transfer of any kind; and

5.8 Appointment of Renesas as sole proxy

Subject to the provision of the Scheme Consideration for the Scheme Shares as contemplated by clauses 5.2 and 6.3 of this Scheme, on and from the Implementation Date until Altium registers Renesas (or the Nominee) as the holder of all of the Altium Shares in the Register, each Scheme Participant:

- (a) irrevocably appoints Altium as attorney and agent (and directs Altium in that capacity) to appoint Renesas (or the Nominee) and any director, officer or agent of Renesas (or the Nominee) from time to time nominated by Renesas (or the Nominee) as the Scheme Participant's sole proxy, and where applicable corporate representative, to attend shareholders' meetings, exercise the votes attaching to Altium Shares registered in the Scheme Participant's name and sign any shareholders resolution, and no Scheme Participant may itself attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to this clause 5.8(a)); and
- (b) must take all other actions in the capacity of the registered holder of Altium Shares as Renesas (or the Nominee) directs; and
- (c) acknowledges and agrees that in exercising its powers conferred by clauses 5.8(a), Renesas (or the Nominee) and any director, officer or agent of Renesas (or the Nominee) nominated by Renesas (or the Nominee) under clause 5.8(a) may act in the best interests of Renesas (or the Nominee) as the intended registered holder of the Scheme Shares.

6 Scheme Consideration

6.1 Consideration under the Scheme

- (a) On the Implementation Date, Altium must procure Renesas (or the Nominee) to pay (or procure the payment of), and Renesas (or the Nominee) must pay, the Scheme Consideration to the Scheme Participants in accordance with clause 6.2.
- (b) If there is a Nominee, in the event that the Nominee will not or does not fulfil its obligations under clause 6.1(a) of this Scheme, Renesas must, and Altium must use its best endeavours to procure that Renesas does, perform those obligations as if the references to the Nominee in clause 6.1(a) of this Scheme were references to Renesas.

6.2 Satisfaction of obligations

Subject to clauses 6.6 and 11.7, the obligation of Altium to procure payment of the Scheme Consideration pursuant to clause 6.1 of this Scheme will be satisfied by Altium procuring Renesas (or the Nominee) no later than the Business Day before the Implementation Date to deposit (or procure the deposit) in Immediately Available Funds the aggregate amount of the Scheme Consideration payable to all Scheme Participants into the Trust Account (except that the amount of any interest on the amount deposited will be to Renesas's (or the Nominee's) account).

6.3 Payment of Scheme Consideration

- (a) On the Implementation Date, subject to receipt of the funds from Renesas (or the Nominee) in accordance with clause 6.2 of this Scheme, Altium must pay to each Scheme Participant an amount equal to the Scheme Consideration for each Scheme Share transferred to Renesas (or the Nominee) on the Implementation Date by that Scheme Participant from the Trust Account.
- (b) The obligations of Altium under clause 6.3(a) will be satisfied by Altium (in its absolute discretion) and despite any election referred to in clause 6.3(b)(i) or authority referred to in clause 6.3(b)(ii) made or given by the Scheme Participant:
 - (i) paying, or procuring the payment of, the relevant amount in A\$ by electronic means to a bank account nominated by the Scheme Participant, where the Scheme Participant has made a valid election prior to the Scheme Record Date in accordance with the requirements of the Registry to receive dividend payments from Altium to that bank account;
 - (ii) paying, or procuring the payment of, the relevant amount in A\$ by electronic means to a bank account nominated by the Scheme Participant by an appropriate authority from the Scheme Participant to Altium; or
 - (iii) dispatching, or procuring the dispatch of, a cheque drawn on an Australian bank for the relevant amount in A\$ to each Scheme Participant by pre-paid ordinary post (or, if the address of the Scheme Participant in the Register is outside Australia, by pre-paid airmail post) to their address recorded in the Register on the Scheme Record Date, with the cheque being drawn in the name of the Scheme Participant (or in the case of joint holders, in accordance with the procedures set out in clause 6.7).

- (c) If:
- (i) a Scheme Participant does not have a Registered Address and no account has been notified in accordance with clause 6.3(b)(i) or a deposit into that account is rejected or refunded; or
 - (ii) a cheque issued under this clause 6.3 has been cancelled in accordance with clause 6.4(a)(i),

Altium as the trustee for the Scheme Participants may credit the amount payable to the relevant Scheme Participant to a separate bank account of Altium ("**Separate Account**") to be held until the Scheme Participant claims the amount or the amount is dealt with under the Unclaimed Money Act. If the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Participant claims the amount or the amount is dealt with under the Unclaimed Money Act. Until that time as the amount is dealt with under the Unclaimed Money Act, Altium must hold the amount on trust for the relevant Scheme Participant, but any interest or other benefit accruing from the amount will be to the benefit of Renesas (or the Nominee). An amount credited to the Separate Account or Trust Account (as applicable) is to be treated as having been paid to the relevant Scheme Participant when credited to the Separate Account or Trust Account (as applicable). Altium must maintain records of the amounts paid, the people who are entitled to the amount and any transfers of the amounts.

- (d) If, following satisfaction of Altium's obligations under clause 6.3(c), there is a surplus in the amount held by Altium as trustee for the Scheme Participants in the Trust Account, that surplus must be paid by Altium to Renesas (or the Nominee).
- (e) If this Scheme lapses after Renesas (or the Nominee) has provided some or all of the Scheme Consideration in accordance with clause 6.2, but prior to Renesas (or the Nominee) being entered into the Register as the holder of the Scheme Shares in accordance with clause 5.2(b), Altium must immediately refund (or procure the refund) to Renesas (or the Nominee) of the amount deposited into the Trust Account in accordance with clause 6.2, together with any interest thereon (less bank fees and charges).

6.4 Unclaimed monies

- (a) Altium may cancel a cheque issued under clause 6.3 of this Scheme if the cheque:
 - (i) is returned to Altium; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 1 year commencing on the Implementation Date, on request from a Scheme Participant, Altium must reissue a cheque that was previously cancelled under this clause 6.4.
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes "unclaimed money" (as defined in section 7 of the Unclaimed Money Act). Any interest or other benefit accruing from the unclaimed Scheme Consideration will be to the benefit of Renesas (or the Nominee).

6.5 Fractional entitlements and splitting

Where the calculation of the Scheme Consideration to be issued to a particular Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

6.6 Orders of a court or Regulatory Authority

In the case of notice having been given to Altium (or the Registry) or Renesas (or the Nominee) of an order made by or a requirement of a court of competent jurisdiction or other Regulatory Authority:

- (a) which requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Participant, which would otherwise be payable to that Scheme Participant in accordance with this Scheme, then Altium must procure that payment is made in accordance with that order or otherwise by law; or
- (b) which would prevent Altium from dispatching payment to any particular Scheme Participant in accordance with this Scheme, or the payment is otherwise prohibited by applicable law, Altium will retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Participant multiplied by the Scheme Consideration until the time payment in accordance with this Scheme is permitted by that order or otherwise by law.

6.7 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any Scheme Consideration payable in respect of those Scheme Shares is payable to the joint holders (unless the joint holders have nominated a bank account in accordance with clauses 6.3(b)(i) or 6.3(b)(ii), in which case the amount may be deposited to the nominated bank account of the joint holders) and any bank cheque required to be paid to Scheme Participants under this Scheme must be payable to the joint holders and be forwarded to the holder whose name appears first in the Register as at the Scheme Record Date; and
- (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of Altium, the holder whose name appears first in the Register as at the Scheme Record Date or to the joint holders.

7 Dealings in Scheme Shares

7.1 Determination of Scheme Participants

To establish the identity of the Scheme Participants, dealings in Altium Shares or other alterations to the Register will only be recognised by Altium if:

- (a) in the case of dealings of the type to be effected using CHESSE, the transferee is registered in the Register as the holder of the relevant Scheme Shares on or before the Scheme Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Scheme Record Date at the place where the Register is kept,

and Altium will not accept for registration, nor recognise for any purpose (except for a transfer to Renesas (or the Nominee) under this Scheme and any subsequent transfer by Renesas (or the Nominee) or its successors in title), any transfer or transmission application in respect of Altium Shares received after the Scheme Record Date, or received prior to the Scheme Record Date but not in registrable or actionable form, as appropriate, unless approved by Renesas (or the Nominee).

7.2 Register

Altium must register any registrable transmission applications or transfers of the Scheme Shares received in accordance with clause 7.1(b) of this Scheme on or before the Scheme Record Date provided that nothing in this clause 7.2 of this Scheme requires Altium to register a transfer that would result in an Altium Shareholder holding a parcel of Altium Shares that is less than a “marketable parcel” (for the purposes of this clause 7.2 of this Scheme “marketable parcel” has the meaning given in the Settlement Rules).

7.3 No disposals after the Scheme Record Date

- (a) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after the Scheme Record Date in any way except as set out in this Scheme and any disposal will be void and of no legal effect whatsoever, and any attempt to do so will have no effect and Altium is entitled to disregard any disposal, purported disposal or agreement.
- (b) Altium will not accept for registration or recognise for any purpose any transmission, application or transfer in respect of Scheme Shares received after the Scheme Record Date (except a transfer to Renesas (or the Nominee) pursuant to this Scheme and any subsequent transfer by Renesas (or the Nominee) or its successors in title).

7.4 Maintenance of Altium Register

For the purpose of determining entitlements to the Scheme Consideration, Altium will maintain the Register in accordance with the provisions of this clause 7 until the Scheme Consideration has been paid to the Scheme Participants and Renesas (or the Nominee) has been entered in the Register as the holder of all the Scheme Shares. The Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to Renesas (or the Nominee) contemplated in clauses 5.2 and 7.4 of this Scheme, any certificates or statements of holding in respect of Scheme Shares will cease to have effect after the Scheme Record Date as documents of title in respect of those shares (other than statements of holding in favour of Renesas (or the Nominee) and its successors in title). After the Scheme Record Date, each entry current on the Register as at the Scheme Record Date (other than entries in respect of Renesas or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

7.6 Details of Scheme Participants

Within 1 Business Day after the Scheme Record Date Altium will ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Participant, as shown in the Register at the Scheme Record Date

are available to Renesas (or the Nominee) in a form as Renesas (or the Nominee) reasonably requires.

7.7 Quotation of Altium Shares

Altium must apply to ASX to suspend trading on ASX of Altium Shares with effect from the close of trading on the Effective Date.

7.8 Termination of quotation of Altium Shares

After the Scheme has been fully implemented, Altium will apply:

- (a) for termination of the official quotation of Altium Shares on ASX; and
- (b) to have itself removed from the official list of the ASX.

8 Appointment of Altium as attorney for implementation of Scheme

Each Scheme Participant, without the need for any further act by any Scheme Participant, irrevocably appoints Altium and each of its directors, officers and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of:

- (a) executing any document or doing or taking any other act necessary, desirable or expedient, or incidental to give effect to this Scheme and the transactions contemplated by it including executing and delivering any Share Scheme Transfer; and
- (b) on and from the Effective Date enforcing the Deed Poll against Renesas (or the Nominee) (and Altium undertakes in favour of each Scheme Participant that it will enforce the Deed Poll against Renesas (or the Nominee) on behalf of, and as agent and attorney of, each Scheme Participant),

and Altium accepts the appointment. Altium, as attorney and agent of each Scheme Participant, may sub-delegate any of its functions, authorities or powers under this clause 8 to all or any of its directors or officers (jointly, individually or jointly and individually).

9 Notices

9.1 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of a notice by any Altium Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

9.2 Form

Unless this document expressly states otherwise, all notices, demands, certificates, consents, approvals, waivers and other communications in connection with this document must be in writing and signed by the sender (if an individual) or an Authorised Officer of the sender.

All communications (other than email communications) must also be marked for the attention of the person referred to in the Details (or, if the recipient has notified otherwise, then marked for attention in the way last notified).

Email communications must state the first and last name of the sender and are taken to be signed by the named sender.

9.3 Delivery

Communications must be:

- (a) left at the address referred to in the Details;
- (b) sent by regular ordinary post (airmail if appropriate) to the address referred to in the Details; or
- (c) sent by email to the address referred to in the Details.

If the intended recipient has notified changed contact details, then communications must be sent to the changed contact details.

9.4 When effective

Communications take effect from the time they are received or taken to be received under clause 9.5 (whichever happens first) unless a later time is specified in the communication.

9.5 When taken to be received

Communications are taken to be received:

- (a) if sent by post, 6 Business Days after posting (or 10 Business Days after posting if sent from one country to another); or
- (b) if sent by email:
 - (i) when the sender receives an automated message confirming delivery; or
 - (ii) 4 hours after the time sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that delivery failed,

whichever happens first.

9.6 Receipt outside business hours

Despite anything else in this clause 9, if communications are received or taken to be received under clause 9.5 after 5.00pm on a Business Day or on a non-Business Day, they are taken to be received at 9.00am on the next Business Day. For the purposes of this clause, the place in the definition of Business Day is taken to be the place specified in the Details as the address of the recipient and the time of receipt is the time in that place.

10 GST

10.1 Definitions and interpretation

For the purposes of this clause:

- (a) “**GST Act**” means the *A New Tax System (Goods and Services Tax) Act 1999* (Cth);

- (b) a term which has a defined meaning in the GST Act has the same meaning when used in this clause, unless the contrary intention appears; and
- (c) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies will be treated as if it were a separate supply.

10.2 GST exclusive

Unless this Scheme expressly states otherwise, all consideration to be provided under this Scheme is exclusive of GST.

10.3 Payment of GST

- (a) If GST is payable, or notionally payable, on a supply in connection with this Scheme, the party providing the consideration for the supply agrees to pay to the supplier an additional amount equal to the amount of GST payable on that supply ("**GST Amount**").
- (b) Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time as the GST-exclusive consideration for the supply, or the first part of the GST-exclusive consideration for the supply (as the case may be), is payable or is to be provided.
- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

10.4 Adjustment events

If an adjustment event arises for a supply made in connection with this Scheme, the GST Amount must be recalculated to reflect that adjustment. The supplier or the recipient (as the case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

10.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this Scheme which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled to. If the reduced payment is consideration for a taxable supply, clause 10.3 will apply to the reduced payment.

11 General

11.1 Variations, alterations and conditions

- (a) Altium may, with the prior consent of Renesas (or the Nominee), by its counsel or solicitor, consent on behalf of all persons concerned to those variations, alterations or conditions to this Scheme which the Court thinks fit to impose.
- (b) Each Scheme Participant agrees to any variations, alterations or conditions which Altium has consented to.

11.2 Further action by Altium

Altium will execute all documents and do all things (on its own behalf and on behalf of each Scheme Participant) necessary or expedient to implement, and perform its obligations under, this Scheme.

11.3 Authority and acknowledgement

Each of the Scheme Participants irrevocably consents to Altium and Renesas (or the Nominee) doing all things necessary or expedient for or incidental to the implementation of this Scheme.

11.4 No liability when acting in good faith

Each Scheme Participant agrees that neither Altium nor Renesas (or the Nominee), nor any of their respective officers or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

11.5 Enforcement of Deed Poll

Altium undertakes in favour of each Scheme Participant to enforce the Deed Poll against Renesas (or the Nominee) on behalf of and as agent and attorney for the Scheme Participants.

11.6 Stamp duty

- (a) Renesas (or the Nominee) will:
- (i) pay all stamp duty, registration fees and similar taxes (including any related fines, penalties and interest) payable in connection with this document and this Scheme; and
 - (ii) indemnify each Share Participant against any liability arising from failure to comply with clause 11.6(a)(i),
- subject to and in accordance with clause 7 of the Deed Poll.
- (b) In the event that there is a Nominee and the Nominee will not or does not fulfil its obligations under 11.6(a) of this Scheme, Renesas must, and Altium must use its best endeavours to procure that Renesas does:
- (i) perform those obligations as if the references to the Nominee in clause 11.6(a) of this Scheme were references to Renesas; and
 - (ii) indemnify each Scheme Participant against any liability in respect of stamp duty under clause 11.6(a)(ii) as if the references to the Nominee in clause 11.6(a)(ii) were references to Renesas.

11.7 Withholding tax

- (a) If Renesas (or the Nominee, if applicable) is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953 (Cth)* ("**Subdivision 14-D**") to pay amounts to the Commissioner of Taxation in respect of the acquisition of Altium Shares from certain Scheme Participants, Renesas (or the Nominee, if applicable) is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Participants, and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to those

Scheme Participants shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Participants shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Participants.

- (b) Renesas (and the Nominee, if applicable) acknowledges and agrees that it shall not pay any amounts to the Commissioner of Taxation under clause 11.7(a) with respect to a Scheme Participant where it receives an entity declaration from that Scheme Participant prior to the Implementation Date, where:
 - (i) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and covers the Implementation Date ("**Entity Declaration**"); and
 - (ii) Renesas (and the Nominee, if applicable) does not know that the Entity Declaration is false.
- (c) Renesas (and the Nominee, if applicable) may approach the Australian Taxation Office to obtain clarification as to the application of Subdivision 14-D to the Scheme and Altium will provide all information and assistance that Renesas (and the Nominee, if applicable) reasonably requires in making any such approach. Renesas (and the Nominee, if applicable) agrees:
 - (i) to provide Altium a reasonable opportunity to review the form and content of all materials to be provided to the Australian Taxation Office, and must incorporate Altium's reasonable comments on those materials, and more generally to take into account Altium's comments in relation to Renesas's (and the Nominee's, if applicable) engagement with the Australian Taxation Office, and provide Altium a reasonable opportunity to participate in any discussions and correspondence between Renesas (and the Nominee, if applicable) and the Australian Taxation Office in connection with the application of Subdivision 14-D to the Scheme; and
 - (ii) not to contact any Scheme Participant in connection with the application of Subdivision 14-D to the Scheme without Altium's prior written consent.
- (d) Altium, Renesas and the Nominee, if applicable, agree to consult in good faith as to the application of Subdivision 14-D, including taking into account any clarification provided by the Australian Taxation Office following any process described in clause 11.7(c). Altium, Renesas and the Nominee, if applicable, agree to take all actions that they agree (each acting reasonably) are necessary or desirable following that consultation which may include, without limitation, making amendments to this Scheme to ensure that relevant representations are obtained from Scheme Participants.

11.8 Binding effect of this Scheme

This Scheme binds Altium and all of the Scheme Participants (including those who did not attend the Scheme Meeting and those who did not vote, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Altium.

12 Governing law

12.1 Governing law and jurisdiction

The law in force in the place specified in the Details governs this document. The parties submit to the non-exclusive jurisdiction of the courts of that place.

12.2 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at that party's address set out in the Details.

1 Definitions and interpretation

1.1 Definitions

Unless the contrary intention appears, these meanings apply:

Authorised Officer means a director or secretary of a party or any other person nominated by a party to act as an Authorised Officer for the purposes of this document.

Scheme means the proposed scheme of arrangement between Altium and Scheme Participants under which all the Scheme Shares will be transferred to Renesas [(or the Nominee)] under Part 5.1 of the Corporations Act, substantially in the form of Annexure A to this deed poll, or as otherwise agreed by Renesas and Altium, subject to any amendments or conditions made or required by the Court pursuant to section 411(6) of the Corporations Act, to the extent they are approved in writing by Altium and Renesas.

Scheme Implementation Agreement means the scheme implementation agreement dated [*] February 2024 between Altium and Renesas under which, amongst other things, Altium has agreed to propose the Scheme to Altium Shareholders, and each of Renesas and Altium has agreed to take certain steps to give effect to the Scheme.

All other words and phrases used in this document have the same meaning as given to them in the Scheme, except that references to “this Scheme” are to be read as references to “this document”.

1.2 General interpretation

Clause 1.2 of the Scheme applies to this document, except that references to “this Scheme” are to be read as references to “this document”.

1.3 Nature of deed poll

[Each of] Renesas [and the Nominee] acknowledges that:

- (a) this document may be relied on and enforced by any Scheme Participant in accordance with its terms even though the Scheme Participants are not a party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints Altium and each of its directors, officers and secretaries (jointly and individually) as its agent and attorney to enforce this deed against Renesas [and the Nominee].

2 Conditions precedent and termination

2.1 Conditions precedent

[Each of] Renesas [and the Nominee's] obligations under this document are subject to the Scheme becoming Effective.

2.2 Termination

[Each of] Renesas [and the Nominee's] obligations under this document will automatically terminate and the terms of this document will be of no further force or effect if:

- (a) the Scheme Implementation Agreement is terminated in accordance with its terms before the Scheme becomes Effective; or
- (b) the Scheme terminates and ceases to be of any force or effect in accordance with its terms,

unless Altium and Renesas otherwise agree in writing (and, if required, approved by the Court).

2.3 Consequences of termination

If this document is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to Scheme Participants:

- (a) Renesas [and the Nominee] are released from [its / each of their] obligations to further perform this document except those obligations contained in clause 7.1; and
- (b) each Scheme Participant retains the rights, powers or remedies they have against Renesas [and the Nominee] in respect of any breach of this document which occurs before it is terminated.

3 Performance of obligations generally

Subject to clause 2, [each of] Renesas [and the Nominee] covenants in favour of each Scheme Participant that it will be bound by the terms of the Scheme as if it were a party to the Scheme and undertakes to perform all obligations and other actions, including those obligations and actions which relate to the payment of the Scheme Consideration, and give each acknowledgement, representation and warranty (if any), attributed to it under the Scheme, subject to and in accordance with the terms of the Scheme.

4 Scheme Consideration

Subject to clause 2, [each of] Renesas [and the Nominee] undertakes in favour of each Scheme Participant to observe and perform all obligations contemplated by Renesas [and the Nominee] under the Scheme to pay or procure the payment of the Scheme Consideration into the Trust Account, on behalf of each Scheme Participant, in accordance with the Scheme.

5 Representations and warranties

[Each of] Renesas [and the Nominee] represents and warrants that:

- (c) **(no contravention)** the entry by it into, its compliance with its obligations and the exercise of its rights under, this document do not and will not conflict with:
 - (i) its constituent documents or cause a limitation on its powers or the powers of its directors to be exceeded;
 - (ii) any law binding on or applicable to it or its assets; or
 - (iii) any Encumbrance binding on it.
- (d) **(authorisations)** it has in full force and effect each authorisation necessary for it to enter into this document, to comply with its obligations and exercise its rights under it, and to allow them to be enforced;
- (e) **(validity of obligations)** its obligations under this document are valid and binding and are enforceable against it in accordance with its terms; and
- (f) **(solvency)** it is not Insolvent (as that term is defined in the Scheme Implementation Agreement).

- (b) [In the event that the Nominee will not or does not fulfil its obligations under clause 7.1(a)(i), Renesas must:
 - (i) perform those obligations as if the references to the Nominee in clause 7.1(a)(i) were references to Renesas; and
 - (ii) indemnify each Scheme Participant against any liability in respect of stamp duty under clause 7.1(a)(ii) as if the references to the Nominee in clause 7.1(a)(ii) were references to Renesas.]

Communications take effect from the time they are received or taken to be received under clause 8.4 (whichever happens first) unless a later time is specified in the communication.

8.4 When taken to be received

Communications are taken to be received:

- (a) if sent by post, 6 Business Days after posting (or 10 Business Days after posting if sent from one country to another); or

whichever happens first.

8.5 Receipt outside business hours

Despite anything else in this clause 8, if communications are received or taken to be received under clause 8.4 after 5.00pm on a Business Day or on a non-Business Day, they are taken to be received at 9.00am on the next Business Day. For the purposes of this clause, the place in the definition of Business Day

is taken to be the place specified in the Details as the address of the recipient and the time of receipt is the time in that place.

8.6 GST

For the purposes of this clause:

- (a) “**GST Act**” means the *A New Tax System (Goods and Services Tax) Act 1999* (Cth);
- (b) a term which has a defined meaning in the GST Act has the same meaning when used in this clause, unless the contrary intention appears; and
- (c) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies will be treated as if it were a separate supply.

8.7 GST exclusive

Unless this document expressly states otherwise, all consideration to be provided under this document is exclusive of GST.

8.8 Payment of GST

- (c) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

8.9 Adjustment events

If an adjustment event arises for a supply made in connection with this document, the GST Amount must be recalculated to reflect that adjustment. 8.10 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this document which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled. If the reduced payment is consideration for a taxable supply, clause 8.8 will apply to the reduced payment.

9 General

9.1 Variation

A provision of this document or any right created under it may not be varied, altered or otherwise amended unless:

- (a) if the variation occurs before the First Court Date (as that term is defined in the Scheme Implementation Agreement) the variation is agreed to by Altium and Renesas in writing (which agreement may be given or withheld without reference to or approval by any Scheme Participant); and
- (b) if the variation occurs on or after the First Court Date (as that term is defined in the Scheme Implementation Agreement), the variation is agreed to by Altium and Renesas in writing (which agreement may be given or withheld without reference to or approval by any Scheme Participant) and the Court indicates (either at the hearing on the First Court Date, at an interlocutory hearing or the hearing on the Second Court Date) that the variation, alteration or amendment would not itself preclude approval of the Scheme,

in which event Renesas [and the Nominee] must enter into a further deed poll in favour of the Scheme Participants giving effect to the variation, alteration or amendment.

9.2 Partial exercising of rights

Unless this document expressly states otherwise, if Renesas does/[or the Nominee does] not exercise a right, power or remedy in connection with this document fully or at a given time, it/[they] may still exercise it later.

9.3 No waiver

A provision of this document, or any right, power or remedy created under it may not be varied or waived except in writing signed by the party to be bound.

No failure to exercise, nor any delay in exercising, any right, power or remedy by Renesas, [the Nominee] or by any Scheme Participant operates as a waiver. A waiver of any right, power or remedy on one or more occasions does not operate as a waiver of that right, power or remedy on any other occasion, or of any other right, power or remedy.

9.4 Remedies cumulative

The rights, powers and remedies in connection with this document are in addition to other rights, powers and remedies given by law independently of this document.

9.5 Assignment or other dealings

Reneasas[, the Nominee] and each Scheme Participant may not assign or otherwise deal with its rights under this document or allow any interest in them to arise or be varied without the consent of Renesas [and Altium]. Any purported dealing in contravention of this clause 9.5 is invalid.

9.6 Further steps

[Each of]Reneasas [and the Nominee] agrees to do anything including executing all documents and do all things (on its own behalf or on behalf of each Scheme

Participant) at its own expense necessary or expedient to give full effect to this document and the transactions contemplated by it.

9.7 Severability

If the whole or any part of a provision of this document is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of this document has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This clause has no effect if the severance alters the basic nature of this document or is contrary to public policy.

9.8 Withholding tax

- (a) If Renesas [or the Nominee] is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953 (Cth)* ("**Subdivision 14-D**") to pay amounts to the Commissioner of Taxation in respect of the acquisition of Altium Shares from certain Scheme Participants, Renesas [or the Nominee] is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Participants, and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to those Scheme Participants shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Participants shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Participants.
- (b) Renesas [and the Nominee] acknowledges and agrees that it shall not pay any amounts to the Commissioner of Taxation under clause 9.8(a) with respect to a Scheme Participant where it receives an entity declaration from that Scheme Participant prior to the Implementation Date, where:
- (i) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D and covers the Implementation Date ("**Entity Declaration**"); and
- (ii) Renesas [and the Nominee] [does / do] not know that the Entity Declaration is false.
- (c) Renesas [and the Nominee] may approach the Australian Taxation Office to obtain clarification as to the application of Subdivision 14-D to the Scheme and Altium will provide all information and assistance that Renesas [and the Nominee] reasonably requires in making any such approach. Renesas [and the Nominee] agrees:
- (i) to provide Altium a reasonable opportunity to review the form and content of all materials to be provided to the Australian Taxation Office, and must incorporate Altium's reasonable comments on those materials, and more generally to take into account Altium's comments in relation to Renesas's [and the Nominee's] engagement with the Australian Taxation Office, and provide Altium a reasonable opportunity to participate in any discussions and correspondence between Renesas and the Australian Taxation Office in connection with the application of Subdivision 14-D to the Scheme; and
- (ii) not to contact any Scheme Participant in connection with the application of Subdivision 14-D to the Scheme without Altium's prior written consent.
- (d) Renesas [and the Nominee] [agrees / agree] to consult with Altium in good faith as to the application of Subdivision 14-D, including taking into

account any clarification provided by the Australian Taxation Office following any process described in clause 9.8(c). Renesas [and the Nominee] [agrees / agree] to take all actions that [it / they] and Altium agree (each acting reasonably) are necessary or desirable following that consultation which may include, without limitation, making amendments to the Scheme to ensure that relevant representations are obtained from Scheme Participants.

10 Governing law and jurisdiction

10.1 Governing law and jurisdiction

The law in force in the place specified in the Details governs this document. [Each of] Renesas [and the Nominee] submits to the non-exclusive jurisdiction of the courts of that place.

10.2 Serving documents

Without preventing any other method of service, any document in an action in connection with this document may be served on a party by being delivered or left at the party's address set out in the Details.

10.3 Appointment of process agent

Without preventing any method of service allowed under any relevant law, Renesas [and the Nominee]:

- (a) irrevocably appoints DLA Piper Australia as its process agent to receive any document in an action in connection with this document; and
- (b) agrees that failure by a process agent to notify Renesas of any document in an action in connection with this document does not invalidate the action concerned.

If for any reason DLA Piper Australia ceases to be able to act as process agent, Renesas [and the Nominee] agrees to appoint another person as its process agent in the place referred to in clause 10.1 and ensure that the replacement process agent accepts its appointment and confirms its appointment to Renesas.

Renesas [and the Nominee] agrees that service of documents on its process agent is sufficient service on it.
