Thursday, 29 February 2024

Dear Shareholder

On behalf of the Lifestyle Communities Ltd ("**Lifestyle Communities**") Board, I invite you to participate in the fully underwritten 1 for 6.08 pro-rata accelerated non-renounceable entitlement offer of Lifestyle Communities fully paid ordinary shares ("**New Shares**") to raise approximately \$275 million (the "**Offer**"). The New Shares are being offered at a price of \$16.00 ("**Offer Price**") per New Share. The Offer is fully underwritten by Citigroup Global Markets Australia Pty Ltd ("**Underwriter**").

The funds raised from the Offer will be used to provide balance sheet flexibility to fund strategic growth initiatives, including 5 identified land acquisition opportunities, which if executed are expected to underpin LIC's future earnings growth.¹ As announced on 23 February 2024, Lifestyle Communities has completed the institutional component of the Offer ("**Institutional Entitlement Offer**"). The Institutional Entitlement Offer raised approximately \$201 million. New Shares are expected to be issued under the Institutional Entitlement Offer on 4 March 2024.

This Retail Information Booklet ("**Booklet**") relates to the retail component of the Offer ("**Retail Entitlement Offer**").

Retail Entitlement Offer

Under the Retail Entitlement Offer, Eligible Retail Shareholders can subscribe for 1 New Share for every 6.08 existing shares they hold as at 7.00pm on 26 February 2024 ("**Record Date**") at the Offer Price. These are referred to as your **Entitlements**.

The offer ratio and Offer Price under the Retail Entitlement Offer are the same as under the Institutional Entitlement Offer. The Offer Price represents a:

- 7.4% discount to the dividend-adjusted last closing price of \$17.275 per share on 21 February 2024;²
- 12.1% discount to the dividend-adjusted 10-day volume weighted average price ("**VWAP**") of \$18.197 per share up to and including 21 February 2024;³ and
- 6.4% discount to the dividend-adjusted Theoretical Ex-Rights Price of \$17.095 per share.⁴

¹ See slide 15 of the Investor Presentation for further details on the identified land acquisition opportunities, including the status of those opportunities. There is no guarantee those opportunities will result in acquisitions.

² Representing the closing price of Lifestyle Communities shares of \$17.33 on 21 February 2024, adjusted for the 1H24 dividend of 5.5 cents per share.

³ Adjusted for the 1H24 dividend of 5.5 cents per share.

⁴ Dividend-adjusted theoretical ex-rights price ("**TERP**") based on the dividend-adjusted last closing price of \$17.275. TERP is a theoretical calculation only and the actual price at which Lifestyle Communities shares trade immediately after the ex-date for the Entitlement Offer will depend on many factors and may be different from TERP.

New Shares will not be entitled to the 1H24 dividend of 5.5 cents per share, but will otherwise rank equally with all existing fully paid ordinary shares.

The number of New Shares which you are entitled to subscribe for under the Retail Entitlement Offer is set out in your personalised Entitlement and Acceptance Form that is available at www.computersharecas.com.au/licoffer.

If you do not take up all or some of your Entitlements, those Entitlements will lapse. Your Entitlements are non-renounceable, which means they are non-transferrable and cannot be traded on ASX or any other exchange, cannot be sold nor can they be privately transferred or disposed. If you do not take up your Entitlements, you will not receive any payment or value for your Entitlement and you will have your percentage holding in Lifestyle Communities reduced as a result of the Offer.

Lifestyle Communities shareholders outside of Australia or New Zealand are ineligible to participate in the Retail Entitlement Offer. In particular, Lifestyle Communities shareholders in the United States are not eligible to participate in the Retail Entitlement Offer, and those who are acting for the account or benefit of persons in the United States are not eligible to participate on behalf of those persons.

How to apply

To participate in the Retail Entitlement Offer, please ensure that you validly apply before 5.00pm on 14 March 2024 ("**Retail Closing Date**"). To do so, you need to pay your application moneys via BPAY® pursuant to the instructions set out in this Booklet and on your personalised Entitlement and Acceptance Form and instruct your bank to make the payment well before 5.00pm on 14 March 2024 to enable its receipt before that time.

This Booklet contains important information about the Offer. Please read this Booklet carefully before you decide whether to participate in the Offer. You should seek appropriate professional advice before making any investment decision. An investment in Lifestyle Communities is subject to investment risks and other known and unknown risks, some of which are beyond the control of Lifestyle Communities. Recipients should have regard to (among other things) the "Key Risks" section of the Investor Presentation included in this Booklet for a non-exhaustive summary of the key risks that may affect Lifestyle Communities and its financial and operating performance.

Lifestyle Communities[®] announces \$275 million entitlement offer to support strategic growth initiatives and drive its next phase of growth.

Lifestyle Communities[®] (ASX:LIC) is pleased to announce a fully underwritten 1 for 6.08 pro-rata accelerated non-renounceable entitlement offer of its ordinary shares ("**New Shares**") to eligible shareholders to raise approximately \$275 million (the "**Entitlement Offer**").

The Entitlement Offer is being undertaken to provide funding for strategic growth initiatives (identified land acquisition pipeline, and associated development capex), and provides LIC with funding capacity to support an expansion of its greenfield development strategy. The proceeds will be used to fund a strong pipeline of identified land acquisition opportunities of high quality and strategically located assets currently at various stages of negotiations and due diligence¹. In the short-term, the funds will be used to repay debt and provide LIC with a strengthened liquidity position to act quickly on value accretive land acquisition opportunities which may arise.

Expanding LIC's development pipeline is expected to support the next phase of LIC's growth, with potential to increase the number of settlements over the next 5-years, which is expected to deliver further earnings growth.

Market Conditions Presenting Land Acquisition Opportunities

Market conditions have presented Lifestyle Communities with a number of attractive opportunities to potentially acquire new high-quality land sites. Commenting on the Entitlement Offer, Managing Director Mr. James Kelly said:

"We are seeing a number of opportunities to buy further sites on top of the four that we have already purchased in FY24 year-to-date. The Entitlement Offer will create a step change for the business and allow us to recycle capital over time from more projects as we continue our organic growth model."

The acquisition opportunities include five identified land sites, which if executed, are expected to underpin an acceleration in Lifestyle Communities' future earnings growth¹.

The Entitlement Offer

Under the Entitlement Offer, each eligible shareholder can apply for 1 New Share for each 6.08 shares they hold at 7.00pm on 26 February 2024 for a price of \$16.00 per New Share ("**Offer Price**"). The Offer Price represents a:

¹ The acquisition opportunities remain subject to completion of due diligence, negotiation, Board approvals and exchange of contracts. There is no guarantee these opportunities will result in acquisitions.

- 7.4% discount to the dividend-adjusted last closing price of \$17.275 per share on 21 February 2024²;
- 12.1% discount to the dividend-adjusted 10-day volume weighted average price (“**VWAP**”) of \$18.197 per share up to and including 21 February 2024³; and
- 6.4% discount to the dividend-adjusted Theoretical Ex-Rights Price of \$17.095 per share⁴.

New Shares issued under the Entitlement Offer prior to the ex- date for the 1H24 dividend of 5.5 cents per share will be traded on the ASX under a separate code as the New Shares will not be entitled to that dividend. The New Shares will rank equally with all existing fully paid ordinary shares on issue from the ex- date for the 1H24 dividend (being 12 March 2024).

The Entitlement Offer is fully underwritten by Citigroup Global Markets Australia Pty Ltd (“**Underwriter**”).

Lifestyle Communities’ Managing Director, Mr. James Kelly, has a relevant interest in approximately 6.8% of LIC’s shares on issue and has committed to participate in the Entitlement Offer to the value of \$10 million.

Entities associated with AustralianSuper hold approximately 12.0% of LIC’s existing shares on issue, and have committed to take up their full entitlement and sub-underwrite the Retail Entitlement Offer for up to \$40 million.

Collectively, these commitments represent approximately \$83 million, accounting for approximately 30% of the Entitlement Offer⁵.

The Entitlement Offer will comprise an accelerated institutional component to eligible institutional shareholders (“**Institutional Entitlement Offer**”) and a retail component to eligible retail shareholders (“**Retail Entitlement Offer**”).

Institutional Entitlement Offer

Eligible institutional shareholders will be invited to participate in the Institutional Entitlement Offer, which will open today, Thursday, 22 February 2024. Eligible institutional shareholders may opt to take up all, part or none of their entitlement in the Institutional Entitlement Offer.

Retail Entitlement Offer

Eligible retail shareholders as at 7.00pm on Monday, 26 February 2024 will be invited to participate in the Retail Entitlement Offer at the same offer ratio and Offer Price as under the Institutional Entitlement Offer. Eligible retail shareholders may opt to take up all, part or none of their entitlement.

² Representing the closing price of Lifestyle Communities shares of \$17.33 on 21 February 2024, adjusted for the 1H24 dividend of 5.5 cents per share.

³ Adjusted for the 1H24 dividend of 5.5 cents per share.

⁴ Dividend-adjusted theoretical ex-rights price (“**TERP**”) based on the dividend-adjusted last closing price of \$17.275. TERP is a theoretical calculation only and the actual price at which Lifestyle Communities shares trade immediately after the ex-date for the Entitlement Offer will depend on many factors and may be different from TERP.

⁵ Assuming AustralianSuper’s retail sub-underwriting commitment is fully utilised.

Eligible retail shareholders will have access to a Retail Information Booklet, including a personalised Entitlement and Acceptance Form, on Thursday, 29 February 2024. The Retail Information Booklet will contain details of how to participate in the Retail Entitlement Offer. A copy of the Retail Information Booklet will also be lodged with the ASX on Thursday, 29 February 2024.

Lifestyle Communities shareholders outside of Australia and New Zealand are ineligible to participate in the Retail Entitlement Offer. In particular, Lifestyle Communities shareholders in the United States are not eligible to participate in the Retail Entitlement Offer, and those who are acting for the account or benefit of persons in the United States are not eligible to participate on behalf of those persons.

Further details on the eligibility criteria for the Retail Entitlement Offer will be set out in the Retail Information Booklet.

Eligible shareholders can call 1300 850 505 (within Australia) or on +61 3 9415 4000 (outside Australia) at any time from 8.30am to 5.00pm Monday to Friday (excluding public holidays) for more information.

Looking Ahead

There is no change to Lifestyle Communities' existing, focused strategy - providing high quality affordable housing to the downsizer market in Melbourne's growth corridors as well as key Victorian regional centres.

Lifestyle Communities is also committed to maintaining acquisition and capital management discipline post Entitlement Offer and an ongoing focus on recycling capital to pursue self-funding organic growth.

Mr. James Kelly said:

"Lifestyle Communities is positioned to benefit from the prevailing market conditions. Executing on the identified acquisitions will help cement Lifestyle Communities' market leadership position and capitalise on the supply / demand imbalance for high quality affordable housing."

DETERMINATION OF ELIGIBILITY

Investors acknowledge and agree that the eligibility of investors for the purposes of the Institutional Entitlement Offer or the Retail Entitlement Offer is determined by reference to a number of matters, including legal and regulatory requirements, logistical and registry constraints and the discretion of Lifestyle Communities and/or the underwriter. Each of Lifestyle Communities, the underwriter and each of their respective Extended Parties disclaim any duty or liability (including for negligence) in respect of that determination and the exercise or otherwise of that discretion, to the maximum extent permitted by law. The underwriter may rely on information provided by or on behalf of institutional investors in connection with managing, conducting and underwriting the Entitlement Offer without having independently verified that information and the underwriter does not assume responsibility for the currency, accuracy, reliability or completeness of that information.

INFORMATION AND LIABILITY

None of the underwriter, nor its Extended Parties, nor the advisors to Lifestyle Communities, have authorised, permitted or caused the issue, lodgement, submission, dispatch or provision of this Presentation and do not make or purport to make any statement in this Presentation and there is no statement in this Presentation that is based on any statement by any of those parties. - make no representation or warranty, express or implied, as to the currency, accuracy, reliability or completeness of information in this Presentation.

The underwriter, together with its Extended Parties, is a full service financial institution engaged in various activities, which may include trading, financing, financial advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services including for which it has received or may receive customary fees and expenses. In connection with the Entitlement Offer or bookbuilds, one or more investors may elect to acquire an economic interest in the New Shares ("Economic Interest"), instead of subscribing for or acquiring the legal or beneficial interest in those shares. SECTION 1

Market Backdrop

Macro themes underpinning our strategy

- **Today:** ~9.3m of the Australian population >50 years old **Forecast:** ~16.1 million by 2063
- **Non-cyclical growth:** stage of life drives action regardless of the macroeconomic cycle

Source: ABS

- **Increasing need** for affordable housing options
- **Low market penetration in land lease sector:** only ~2% penetration compared to ~6% in retirement villages sector
- **Land lease communities in early stages** with customer awareness building

Source: ABS, LIC estimates

- **Insufficient savings:** a significant number of retirement aged Australians have insufficient superannuation for the ASFA's "comfortable" retirement standard
- **Helps fund retirement:** new residents benefit from equity release on average of approximately \$259,000 upon sale of previous home
- **Meets customer preferences:** LIC provides desired ownership, control, safety, security and social interaction

On average, equity release of approximately \$259,000 upon sale of previous home

Land Market Dynamics

Challenging conditions...

Unfavourable house and land market:

- **Affordability headwind:** 13 consecutive interest rate rises are increasing servicing payments for debt
- **Low consumer confidence:** unstable construction sector and homebuilder insolvencies leading to individuals and developers delaying acquisitions and construction
- **Activity decline:** significant declines in various indicators, including housing construction activity, new home sales, house & land markets

... creating opportunity

Opportune time for LIC to re-stock and expand its development pipeline with high quality locations

- **Motivated sellers:** holders of land looking to sell as the housing market takes time to recover...
- **... Providing access to sites:** weak market conditions opening up opportunities to acquire high quality sites on improved terms

SECTION 2

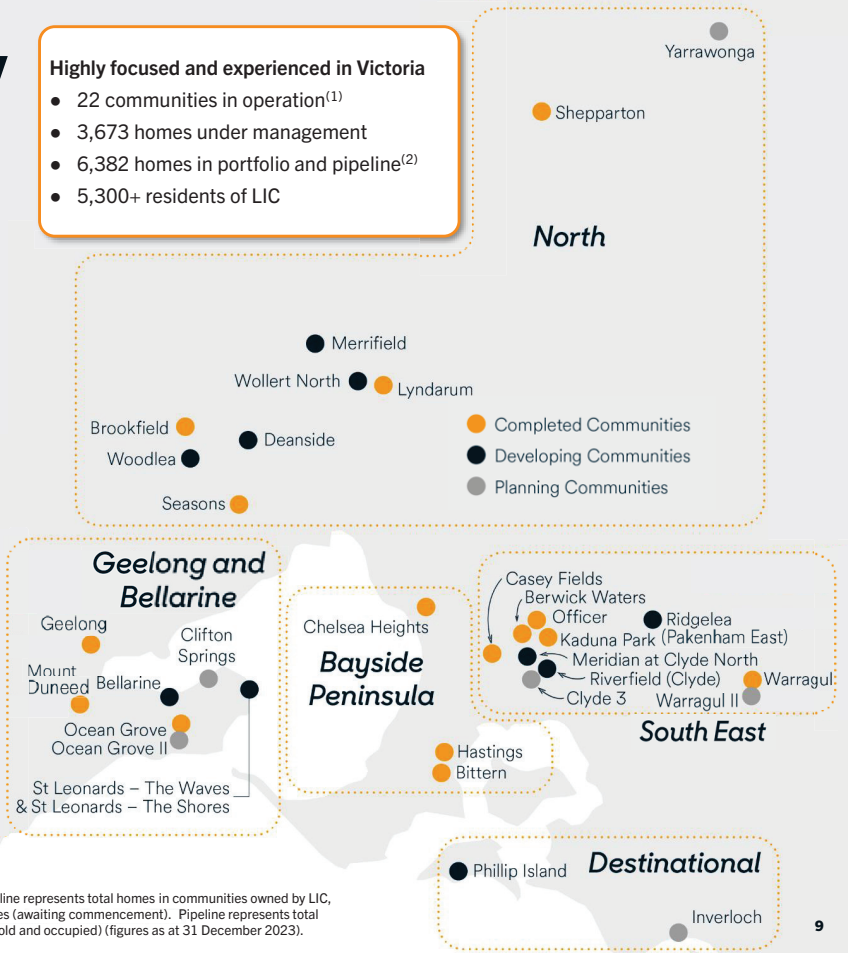

Positioning for Growth

Market leadership and focused strategy

- LIC was founded in 2003, and now has 21 years of experience in developing land lease communities
- LIC remains the only ASX-listed pure play land lease communities business
- A market leader operating solely in Victoria, having welcomed over 5,300 residents and settled over 3,600 homes
- A customer and homeowner centric business that has resulted in up to 50% of sales coming from referrals in some communities
- Focused strategy to provide high quality, affordable housing to the downsizer market in Melbourne's growth corridors as well as key Victorian regional centres
- Strategically developing in select clusters around Victoria, which drives referral and brand awareness, as well as delivering network scale benefits
- Visibility of growth pipeline with LIC currently having 10 projects in active development, with 2 more scheduled for launch in FY24, and another 4 parcels of land in planning

Highly focused and experienced in Victoria

- 22 communities in operation⁽¹⁾
- 3,673 homes under management
- 6,382 homes in portfolio and pipeline⁽²⁾
- 5,300+ residents of LIC

(1) Includes 7 operational communities that are still under construction. (2) Portfolio and pipeline represents total homes in communities owned by LIC, including fully completed communities, communities under construction, and new communities (awaiting commencement). Pipeline represents total homes in communities (6,382) less portfolio of 3,673 homes under management (i.e. homes sold and occupied) (figures as at 31 December 2023).

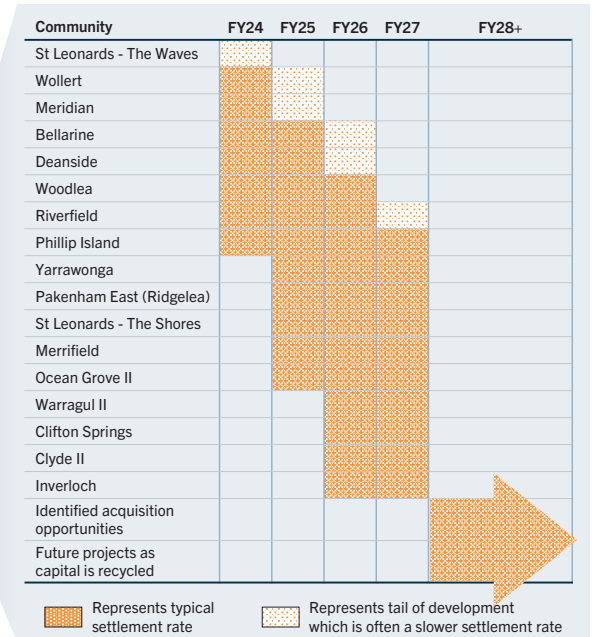

Positioning for the next phase of growth

- Existing portfolio has a concentration of projects settling over FY25-26 (with release of capital for re-investment post settlement)
- Current market conditions give opportunity to buy additional land sites (in addition to the 4 already purchased in FY24)
- New land acquisitions are expected to provide the platform for LIC to accelerate into its next phase of growth beyond the FY24-26 period

Home Settlements

Settlement Profile of Communities in Development

Majority of existing projects' expected settlements concentrated in FY25-26, enabling recycling of capital into more projects

(1) Assuming the mid-point of the FY24-26 settlement guidance range (of 1,400 – 1,700 as disclosed in the 1H FY24 results presentation) is achieved. There is no guarantee that the settlements guidance will be achieved. Please refer to the "Key Risks" section and the "Forward Looking Statements" section of the Important Notice and Disclaimer for further information.

Upfront Investment Delivers Long-term Annuity-like Cash Flows

- Need for capital early in life of project for land acquisition and development
- Capital recovery from c. years 4-6 for greenfield developments
 - Homes are priced with the aim of recovering 100% of development costs⁽¹⁾
 - On average, homes typically priced at 75-80% of the median house price in the target catchment
- Released capital is then recycled into future projects
- Completed communities generate recurring income streams, which continue to grow as newly developed communities are added to LIC's portfolio

(1) Includes land, sales and marketing, holding costs and a share of corporate overheads. (2) This is an example only. The actual cash flow profile for a specific development will depend on a range of factors (many of which are outside LIC's control) and may not reflect this example. Please also refer to "Development Risk" in the Key Risks section.

LIC has a proven track record of delivering growth

Consistent execution of strategy

- Sustained, long-term growth in homes under management
- LIC has proven development and management capabilities, through the ongoing delivery of strong operational performance and customer satisfaction, and successfully scaling operations to deliver more developments over time

Key Risks

Key risks and uncertainties associated with the business

This section discusses some of the key risks and uncertainties associated with an investment in Lifestyle Communities. A number of risks and uncertainties may adversely affect the business, operations, results of operations, reputation, prospects, liquidity, capital resources, financial performance and financial position of Lifestyle Communities (together, "Lifestyle Communities' Position") and in turn affect the value of Lifestyle Communities shares. These include specific risks associated with an investment in Lifestyle Communities and general risks associated with any investment in listed shares. The risks and uncertainties described below are not the only ones that Lifestyle Communities may face. Additional risks and uncertainties that Lifestyle Communities is unaware of, or that Lifestyle Communities currently deems to be immaterial, may also become important factors that affect it. Potential investors should carefully consider whether the New Shares offered are a suitable investment having regard to their own personal investment objectives and financial circumstances and the risks set out below. If required, potential investors should seek to obtain independent advice from their financial or other professional adviser.

Business strategy risk

Lifestyle Communities' business strategy is focused on building, owning and operating land lease communities for people seeking to downsize in Victoria. A key element of its strategy and earnings is attributable to development and sale of new homes in its communities. Lifestyle Communities' future growth is dependent on the successful execution of this strategy. Any change or impediment to implementing this strategy may adversely impact on Lifestyle Communities' Position.

Development risk

Lifestyle Communities has a land and property development pipeline. Such projects have a number of risks including (but not limited to):

- (i) delays or issues around planning, application and regulatory approvals;
- (ii) development costs overruns;
- (iii) environmental costs;
- (iv) project delays;
- (v) issues with building and supply contracts; and
- (vi) expected sales prices or timing of expected sales or settlements not being achieved.

A sustained downturn in the residential property markets due to deterioration in the economic climate could result in reduced development profits through lower selling prices, higher costs or delays in timing of settlements.

Increased competition

Lifestyle Communities operates in the niche of providing high quality affordable housing to the downsizer market, with a focus on Melbourne's growth corridors as well as key Victorian regional centres. Future developments that directly or indirectly compete with Lifestyle Communities' existing portfolio could impact Lifestyle Communities' current business and financial performance.

Rental income

While homeowners at Lifestyle Communities own their own home, they lease the land upon which their homes are located, via a weekly site fee and a deferred management fee. The Social Security Act 1991 (Cth) can provide rental assistance in respect of these leases, where homeowners are eligible to receive it. Any change to

this legislation could result in a reduction in resident demand to enter into leases in the communities and therefore impact Lifestyle Communities' business. Land leases are subject to relevant State-related regulations and legislation, including the Residential Tenancies Act 1997 (Vic). Legislative changes, either temporary or permanent, may increase the protections for tenants, resulting in a loss of rent or increased rental arrears.

Income and expense growth rates

Higher than expected inflation rates could lead to greater development and/or operating costs. While existing leases are subject to rental rate increases, the ability to raise future rents and maintain or grow occupancy may be impacted by resident pension and rental assistance growth. Lifestyle Communities' Position could be impacted where the inflation in operating and development costs exceeds the growth in rental income.

Tax implications

Lifestyle Communities' future tax liabilities may be impacted by changes to Australian taxation law, including changes in interpretation or application of the law by the courts or taxation authorities in Australia. This in turn could impact the value of trading prices of Lifestyle Communities shares, the taxation treatment of an investment in Lifestyle Communities or the holding costs or disposal of its shares.

Litigation

Lifestyle Communities may, in the ordinary course of business, be involved in possible litigation, regulatory actions, legal or arbitration proceedings and other dispute processes that may adversely affect Lifestyle Communities' Position.

Joint venture arrangement

Lifestyle Communities has a joint venture arrangement to manage the communities at Chelsea Heights and Casey Fields. The agreements related to the joint venture arrangement require unanimous consent from all parties for all relevant activities. The ongoing success and viability of the joint venture arrangement could be impacted if the parties cannot agree unanimously on relevant activities.

Dividends

Future dividends paid on Lifestyle Communities shares will be determined by the Directors having regard to the operating results, future capital requirements, bank debt covenants and Lifestyle Communities' Position. There can be no guarantee that Lifestyle Communities will continue to pay dividends at the current level or at all.

Investment property valuation risk

Lifestyle Communities' investment properties are externally valued at least every two years, with changes in their fair market value reflected in its balance sheet. Adverse changes in the fair market value may arise due to changes in valuation assumptions used by independent valuers and the directors, which may include external market factors outside of Lifestyle Communities' control such as rent capitalisation rates, external market price growth assumptions and other available market data.

Key Risks (cont'd)

Funding, sales and settlement risk

Due to the capital recycling nature of its business model, Lifestyle Communities is reliant on continuing sales and settlements to fund its development pipeline and remain compliant with the financial covenants in its funding agreements. In particular, Lifestyle Communities' financial model relies on the rate of sales of new and existing homes, the sales price of new homes (and to a lesser extent the sales price of existing homes) and the timing of settlements of new homes (revenue is only recorded when a sale of a home is settled). There is a risk that these metrics may vary from those achieved previously and that the financial model may be adversely affected as a result.

If there was a sustained slowdown in sales and settlements, Lifestyle Communities may need to slow down its speed of development or undertake other capital management activities.

Any breach of its covenants could result in the early enforced repayment of debt. Such repayment could incur capital losses if assets need to be sold in a short period or shareholders may be diluted if equity needs to be raised at large discounts.

Lifestyle Communities currently has a weighted average debt maturity of 3.8 years. At the maturity of these loans, there is no certainty they will be refinanced on the same terms as are currently in place. Lifestyle Communities is exposed to fluctuating interest rates.

Personnel risk

The ability of Lifestyle Communities to successfully deliver on its business strategy is dependent on retaining key employees of Lifestyle Communities. The loss of senior management or other key personnel could adversely impact on Lifestyle Communities' Position.

Reliance on key contractors / counterparty risks

Lifestyle Communities engages third party contractors and counterparties to carry out development and construction activities on its sites, including one building company that carries out all of its housing construction.

If any of these contractors or counterparties are unable or unwilling to perform the obligations owed to Lifestyle Communities or there is industrial action taken by the employees of those third party contractors and counterparties, Lifestyle Communities may need to seek a replacement contractor or counterparty through commercial tender. The disruption caused to Lifestyle Communities as a result of being required to do that will likely vary depending on the work the relevant contractor or counterparty is engaged to undertake. For example, the disruption caused to Lifestyle Communities as a result of it being required to replace the building company that carries out its housing construction is likely to be material. Any disruptions to Lifestyle Communities' development and construction activities, disruptions to its operations or inadequately performed services could result in delays to projects, degradation in the quality and state of repair of communities, dissatisfaction of homeowners, reduced revenue and breaches of financing arrangements.

Any of these factors could result in a material increase in Lifestyle Communities' costs and/or an interruption to its development and construction activities, or its other operations, particularly in the event that Lifestyle Communities needs to replace a service provider and incur legal liabilities in connection with any associated dispute. The occurrence of any of these risks, as well as the early termination of a development or construction agreement, could materially adversely affect Lifestyle Communities' Position.

Accounting standards

Changes to accounting standards may affect the reported earnings of Lifestyle Communities from time to time, and Lifestyle Communities' Position.

Land acquisition risks

There is a risk that the timing, consideration paid and investment return on any land acquisitions made may vary from the existing portfolio. There is no guarantee that the potential acquisitions described in this presentation will be available, successful or generate the anticipated returns and benefits that Lifestyle Communities expects. The acquisitions and the acquisition site metrics described in this presentation may not eventuate.

Lifestyle Communities may incur substantial costs, delays or other operational or financial difficulties in acquiring, integrating, developing and/or managing new investments, and any such investments may divert management's attention from Lifestyle Communities' existing business. Lifestyle Communities may also encounter unanticipated events, circumstances or legal liabilities in connection with any investment.

The occurrence of any of these risks relating to such an acquisition or investment may materially adversely affect Lifestyle Communities' Position.

Operational risk

There is a risk of loss and/or non-compliance with laws resulting from inadequate or failed internal processes, people and/or systems, or from external events (e.g. fraud, systems failures, cyber risk, damage to physical assets, data management failures, employment and workplace safety practices), which may adversely affect Lifestyle Communities' Position. This includes legal risk, and the risk of reputational loss or damage arising from such inadequate or failed internal processes, people and/or systems.

Lifestyle Communities may also incur reputational damage where one of its practices fails to meet community expectations which are continually changing and evolving, which may affect Lifestyle Communities' Position.

Environmental, social and governance risks, including climate risk

Lifestyle Communities' sites and its homeowners are exposed to environmental, social and governance risks, including climate-related risks (including physical risks such as drought, riverine/rainfall flood, storms and large hail, extreme heat, bushfires and coastal inundation, and transition risks such as market, policy and legal, reputation and technology risks associated with the transition to a low-carbon economy), as well as risks related to modern slavery and land rights. The impact of these events can be widespread and may adversely affect Lifestyle Communities' Position.

Key Risks (cont'd)

Pandemic

Lifestyle Communities' Position, and those of its suppliers and contractors, as well as its homeowners, may be adversely affected by a future pandemic.

As evidenced through the COVID-19 pandemic, a future pandemic may result in federal, state and local governments in Australia implementing a number of measures and recommendations, including significant restrictions on movement and activity to slow or stop the spread of the pandemic. Those measures and recommendations, along with potential changes in the way Lifestyle Communities' employees and homeowners behave may adversely affect Lifestyle Communities' business, operations, financial position and/or performance.

In addition, a future pandemic may require many of Lifestyle Communities' employees to work from home, which may necessitate a reassessment of some work flows and procedures. Addressing the disruptions a pandemic may cause may also require Lifestyle Communities' senior management team and staff to devote time and resources to address the impact of the pandemic on Lifestyle Communities' business, which may negatively impact their ability to implement Lifestyle Communities' business plans and respond to other issues and opportunities.

Government measures or actions could also negatively impact Lifestyle Communities' contractors' ability to perform their contracts with Lifestyle Communities, including Lifestyle Communities' construction contractors, which could have a material adverse effect on Lifestyle Communities' business, operations, financial position and/or performance.

The extent to which a future pandemic will impact Lifestyle Communities will depend on the nature of the pandemic, which cannot be predicted, including the geographic spread, severity and duration of the pandemic; the actions taken by federal and state or local governmental authorities in response to the pandemic; the impact of the pandemic on contracts and agreements to which Lifestyle Communities is a party; and the impact of the pandemic on the economy generally.

Uncertainty about the effects of any future pandemic may also result in significant disruption to credit and capital markets, which may affect Lifestyle Communities' ability to raise new financing and refinance its existing and future indebtedness.

Market price of ordinary shares will fluctuate

There are risks associated with Lifestyle Communities shares that are relevant to any share market investment, including that the demand for Lifestyle Communities shares may increase or decrease and Lifestyle Communities shares may trade above or below the Offer Price on the ASX. The market price of Lifestyle Communities' ordinary shares on the ASX may fluctuate due to various factors, including:

- i. Australian and international general economic conditions (including inflation rates, the level of economic activity, interest rates and currency exchange rates), changes in government, fiscal, monetary and regulatory policies (such as interest rates, inflation, changes or disruptions to political or legal conditions, and geopolitical factors), the expressed views of regulators, investor sentiment and general market movements, which may or may not have an impact on Lifestyle Communities' Position;
- ii. operating results that vary from expectations of securities analysts and investors;
- iii. changes in expectations as to the Lifestyle Communities' future financial performance, including financial estimates by securities analysts and investors;
- iv. changes in market valuations of Lifestyle Communities' competitors;
- v. changes in dividends paid to shareholders, Lifestyle Communities' dividend payout policy or Lifestyle Communities' ability to frank dividends;

- vi. the announcement of acquisitions, strategic partnerships, joint ventures or capital commitments by Lifestyle Communities or its competitors;
- vii. international and local share market conditions, including changes in the market price of ordinary shares and/or other capital securities or other equity securities issued by Lifestyle Communities or by other issuers, or changes in the supply of equity securities or capital securities issued by Lifestyle Communities or by other issuers;
- viii. changes in laws, regulations and regulatory policy;
- ix. Lifestyle Communities' failure to comply with law, regulations or regulatory policy, which may result in regulatory investigations, inquiries, litigation, fines, penalties, infringement notices, revocation, suspension or variation of conditions of relevant regulatory licences or other enforcement or administrative action or agreements (such as enforceable undertakings);
- x. other major Australian and international events such as hostilities and tensions, and acts of terrorism; and
- xi. other events set out in the "Key risks and uncertainties associated with the business".

It is possible that the price of Lifestyle Communities' ordinary shares will trade at a market price below the Entitlement Offer price as a result of these and other factors. It is also possible that new risks might emerge as a result of Australian or global markets experiencing extreme stress or existing risks may manifest themselves in ways that are not currently foreseeable.

Liquidity

The liquidity in Lifestyle Communities' shares can be limited and it may be difficult for investors to buy or sell large amounts of shares at market prices. In response to market conditions or for other reasons, the ASX may amend temporarily or permanently, rules relating to the issue or trading of shares, which may affect the liquidity of such shares.

Dilution

If eligible shareholders do not participate in the Entitlement Offer, then their percentage shareholding in Lifestyle Communities will be diluted and they will not be exposed to future increases or decreases in Lifestyle Communities' share price in respect of those New Shares that would have been issued to them had they participated in the Entitlement Offer.

Future issues of debt or other securities by Lifestyle Communities

Lifestyle Communities may, at its absolute discretion, issue additional securities in the future that may rank ahead of, equally with or behind ordinary shares, whether or not secured. Additionally, convertible securities which may be issued by Lifestyle Communities or a member of its group in the future may be converted from debt to equity securities. Any issue or conversion of other securities may dilute the relative value of existing ordinary shares and affect your ability to recover any value in a winding up. An investment in ordinary shares confers no right to restrict Lifestyle Communities from raising more debt or issuing other securities (subject to restrictions imposed under the ASX Listing Rules), to require Lifestyle Communities to refrain from certain business changes, or to require Lifestyle Communities to operate within potential certain ratio limits. An investment in ordinary shares carries no right to participate in any future issue of securities (whether equity, hybrid, debt or otherwise) by any member of the Lifestyle Communities group, other than future pro rata issues in Lifestyle Communities if the shareholder is eligible to participate in the pro rata issue under relevant laws. No prediction can be made as to the effect, if any, such future issues of debt or other issues of securities by an entity in the Lifestyle Communities group may have on the market price or liquidity of ordinary shares.

Key Risks (cont'd)

Underwriting risk

Lifestyle Communities has entered into an underwriting agreement under which the underwriter has agreed to fully underwrite the Entitlement Offer, subject to the terms and conditions of the underwriting agreement between the parties.

The underwriter's obligation to underwrite the Entitlement Offer is conditional on certain customary matters, including Lifestyle Communities delivering certain certificates, sign-offs and opinions to the underwriter. Further, if certain events occur, the underwriter may terminate the underwriting agreement. Termination of the underwriting agreement would have an adverse impact on the proceeds raised under the Entitlement Offer, and Lifestyle Communities would need to find alternative ways to help fund any identified land acquisition opportunities, which could negatively impact its ability to pursue all or some of those opportunities. Termination of the underwriting agreement could materially adversely affect Lifestyle Communities' Position.

The underwriter's obligations to underwrite the Entitlement Offer is conditional on certain matters, including that the ASX does not indicate that it will not grant permission for the official quotation of the New Shares. The events which may trigger termination of the underwriting agreement include where:

- the offer materials are misleading or deceptive or likely to mislead or deceive, or omit any information they are required to contain, or their issue or distribution or the conduct of the Entitlement Offer is misleading or deceptive or likely to mislead or deceive;
- in the reasonable opinion of the underwriter, Lifestyle Communities is obliged to give ASX a correcting notice under sections 708AA(10) or 708AA(12) of the Corporations Act;
- Lifestyle Communities amends the offer materials in a material respect, without the consent of the underwriter;
- a government agency commences, or notifies an intention to commence, an action in relation to Lifestyle Communities, the Entitlement Offer or the offer materials or prosecutes or commences proceedings against, or notifies an intention to prosecute or commence proceedings against, Lifestyle Communities;
- the S&P/ASX 200 Index is, at any time, at a level that is 10% or more below its level at market close on 21 February 2024;
- ASX announces that Lifestyle Communities will be removed from the official list or that any Lifestyle Communities shares will be delisted or suspended from quotation by ASX (other than in connection with the Entitlement Offer);
- approval (subject only to customary conditions) is refused or not granted to the official quotation of all New Shares on ASX, or if granted, is subsequently withdrawn, qualified (other than by customary conditions) or withheld;
- specified events in the timetable are delayed for one or more business days without the prior approval of the underwriter;
- Lifestyle Communities withdraws the Entitlement Offer, or notifies the underwriter that it does not intend to, or is unable to proceed with, the Entitlement Offer;
- Lifestyle Communities is prevented from allotting and issuing the New Shares under the ASX Listing Rules, applicable laws, an order of a court of competent jurisdiction or a government agency;
- a certificate required to be furnished by Lifestyle Communities under the underwriting agreement is not furnished when required;
- Lifestyle Communities, or a material subsidiary of Lifestyle Communities, is insolvent or there is an act or omission which may result in Lifestyle Communities becoming insolvent;
- there is an event or occurrence which makes it illegal or commercially impossible for the underwriter to satisfy an obligation under the underwriting agreement, or to market, promote or settle the Entitlement

Offer;

- Lifestyle Communities or any of its directors or specified senior executives engage in fraud or are charged in relation to fraudulent conduct or activity;
- specified senior executives resign or are terminated;
- the directors or specified senior executives are charged with an indictable offence, any government agency commences any public action against Lifestyle Communities or any of its directors, or announces that it intends to take action, or any director is disqualified from managing a corporation under the Corporations Act;
- "a certificate required to be given by Lifestyle Communities under the underwriting agreement is false, misleading, deceptive, untrue or incorrect;
- "a representation, warranty, undertaking or obligation of, or given by, Lifestyle Communities in the underwriting agreement is breached or is or becomes misleading or deceptive or not true;
- "Lifestyle Communities fails to perform or observe its obligations under the underwriting agreement;
- "any information supplied (including any information supplied prior to the date of the underwriting agreement) by or on behalf of Lifestyle Communities to the underwriter for the purposes of due diligence investigations, the offer materials or the Entitlement Offer, is or becomes false, misleading or deceptive or likely to mislead or deceive (including by omission);
- "Lifestyle Communities contravenes any provision of the Corporations Act, its constitution, any of the ASX Listing Rules or any other applicable law;
- "there is any adverse change, or an event likely to result in an adverse change, in the assets, liabilities, financial position or performance, profits, losses or prospects of Lifestyle Communities from those disclosed to ASX;
- "a new law or regulation is introduced, or publicly proposed to be introduced, into the Parliament of Australia or any State or Territory of Australia, or the Reserve Bank of Australia, or any Commonwealth or State authority (including ASIC), adopts or announces a proposal to adopt a new policy which has a material impact on the Offer;
- "trading on specified stock exchanges is suspended or limited in a material respect for at least a substantial part of one day, a Level 3 "market-wide circuit breaker" is implemented by the New York Stock Exchange upon a 20% decrease against the prior day's closing price of the S&P500 Index, a general moratorium is declared on commercial banking activities in specified jurisdictions or there is any adverse change or disruption to political, economic or financial conditions in specified jurisdictions; or
- "hostilities not existing at the date of the underwriting agreement commence or a major escalation in existing hostilities occurs involving specified jurisdictions or a major terrorist act is perpetrated in a specified jurisdiction or diplomatic establishment.

The ability of the underwriter to terminate the underwriting agreement in respect of the events above marked with an " " will depend on whether the event has or is likely to have a material adverse effect on the success, settlement or marketing of the Entitlement Offer, the price at which the New Shares are likely to trade on ASX or on the ability of the underwriter to market or promote or settle the Entitlement Offer, or the willingness of investors to subscribe for New Shares, or whether it may give rise to a liability of the underwriter or its affiliates or result in a contravention by the underwriter or its affiliates of applicable law.

The retail component of the Entitlement Offer (“**Retail Entitlement Offer**”) will be open at 9.00am (AEDT) on Thursday, 29 February 2024 and is expected to raise \$74 million, taking the total size of the Entitlement Offer to approximately \$275 million.

Approximately 12.6 million shares will be issued under the Institutional Entitlement Offer. Those new shares will be traded on the ASX under a separate code as they will not be entitled to the 1H24 dividend of 5.5 cents per share. The new shares will rank equally with all existing fully paid ordinary shares on issue from the ex-date for the 1H24 dividend (being 12 March 2024).

Institutional Entitlement Offer

The Institutional Entitlement Offer was well supported with the majority of eligible institutional shareholders taking up at least their entitlements. The shortfall under the Institutional Entitlement Offer attracted demand from both existing and new shareholders.

New shares issued under the Institutional Entitlement Offer will settle on Friday, 1 March 2024, with allotment and commencement of normal trading on Monday, 4 March 2024.

Commenting on the outcome of the Institutional Entitlement Offer, Managing Director Mr. James Kelly said: “We are pleased with the strong support shown for Lifestyle Communities from both existing and new institutional shareholders. The equity raising will provide funding capacity to support the delivery of LIC’s growth strategy and expand our development pipeline to help drive further earnings growth.”

Not for distribution or release in the United States

This Announcement may not be distributed or released in the United States or to any person acting for the account or benefit of a person in the United States. This Announcement does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in the United States or in any other jurisdiction in which such an offer would be illegal.

The distribution of this Announcement may be restricted by law in certain other countries. You should read the important information set out in the “International Offer Restrictions” in the Investor Presentation.

Neither the entitlements nor the New Shares have been, or will be, registered under the U.S. Securities Act of 1933, as amended (the U.S. Securities Act), or the securities laws of any state or other jurisdiction of the United States. Accordingly, the entitlements may not be purchased, traded,

taken up or exercised by, and the New Shares may not be offered or sold, directly or indirectly to, any person in the United States or any person that is acting for the account or benefit of a person in the United States (to the extent such persons are acting for the account or benefit of persons in the United States). In the Retail Entitlement Offer, the entitlements may only be taken up or exercised, and the New Shares may only be offered or sold, outside the United States, in “offshore transactions” (as defined in Rule 902(h) under the U.S. Securities Act) in reliance on Regulation S under the U.S. Securities Act.

Risks

An investment in Lifestyle Communities is subject to investment risks and other known and unknown risks, some of which are beyond the control of Lifestyle Communities. Recipients should have regard to (among other things) the “Key Risks” section of the Investor Presentation released to the ASX on 22 February 2024 for a non-exhaustive summary of the key risks that may affect Lifestyle Communities and its financial and operating performance.

Section 6 - Additional information

This Booklet (including the Announcements and personalised Entitlement and Acceptance Form) have been prepared by Lifestyle Communities.

This Booklet (other than the Announcements) is dated 29 February 2024. The Announcements are current as at the date specified in them. The Booklet remains subject to change without notice.

There may be additional announcements made by Lifestyle Communities throughout the Retail Entitlement Offer Period that may be relevant to your consideration of whether to take up some or all of your Retail Entitlements. Therefore, it is prudent that you check whether any further announcements have been made by Lifestyle Communities before submitting an Application or selling or transferring your Retail Entitlements. Announcements made by Lifestyle Communities are available at www.asx.com.au.

No party other than Lifestyle Communities has authorised or caused the issue of this Booklet, or takes responsibility for, or makes, any statements, representations or undertakings in this Booklet.

For the avoidance of doubt, to the maximum extent permitted by law, the Underwriter and its respective Extended Parties disclaim all liability, including (without limitation) liability arising from fault or negligence, for any loss howsoever and whenever arising from the use of any of the information contained in this Booklet, and the Underwriter does not act as a fiduciary or agent of any other person.

This information is important and requires your immediate attention.

6.1 Not financial product advice

This Booklet is not intended to be and should not be relied upon as advice or as a recommendation to Shareholders or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor. These should be considered, with or without professional advice when deciding whether to participate in the Entitlement Offer. This Booklet does not constitute financial product advice.

6.2 Eligible Retail Shareholders and Ineligible Retail Shareholders

This Booklet contains an offer of New Shares to Eligible Retail Shareholders.

Lifestyle Communities has decided that it is unreasonable to make offers under the Retail Entitlement Offer to Ineligible Retail Shareholders, including retail shareholders who have registered addresses outside Australia and New Zealand and those retail shareholders who are in the United States or are acting for the account or benefit of a person in the United States (to the extent such persons hold Shares and are acting for the account or benefit of a person in the United States). In making this decision, Lifestyle Communities has had regard to the number of such holders and the number and value of the New Shares that they would be offered and the cost of complying with the relevant legal and regulatory requirements in those places.

Lifestyle Communities reserves the right to determine whether a Shareholder is an Eligible Retail Shareholder or an Ineligible Retail Shareholder.

Ineligible Retail Shareholders should shortly receive a letter from Lifestyle Communities outlining their rights in relation to the Entitlement Offer.

Lifestyle Communities may (in its absolute discretion) extend the Retail Entitlement Offer to any Institutional Shareholder in foreign jurisdictions which did not participate in the Institutional Entitlement Offer (excluding the United States and subject to compliance with applicable laws).

6.3 Reconciliation and the rights of Lifestyle Communities and the Underwriter

In any entitlement offer, investors may believe that they own more Existing Shares on the Record Date than they ultimately do, or are otherwise entitled to more New Shares than initially offered to them. This may result in a need for reconciliation to ensure all Eligible Shareholders have the opportunity to receive their full Retail Entitlement.

If reconciliation is required, it is possible that Lifestyle Communities may need to issue a small quantity of additional New Shares (“**Top-Up Shares**”) to ensure all Eligible Shareholders have the opportunity to receive their appropriate allocation of New Shares. The price at which these Top-Up Shares would be issued, if required, is the same as the Offer Price.

Lifestyle Communities reserves the right to reduce the number of New Shares allocated to Eligible Shareholders, or persons claiming to be Eligible Shareholders, if their Entitlement claims prove to be overstated, if they, or their nominees, fail to provide information requested to substantiate their claims, or if they are not Eligible Shareholders.

Those applying under the Entitlement Offer acknowledge that there is no time limit on the ability of Lifestyle Communities or the Underwriter to require any of the actions set out above.

6.4 New Shares

Lifestyle Communities has applied to ASX for official quotation of the New Shares to be issued under the Entitlement Offer. If ASX does not grant quotation of the New Shares, Lifestyle Communities will repay all Application Monies (without interest).

The New Shares issued under the Retail Entitlement Offer will not be entitled to the 1H24 dividend of 5.5 cents per share because the record date for that dividend (being 13 March 2024) occurs before those New Shares are issued. The New Shares issued under the Institutional Entitlement Offer are also not eligible for that dividend.

6.5 Additional New Shares

All Eligible Retail Shareholders will be allocated New Shares applied and paid for, up to their Retail Entitlement.

Eligible Retail Shareholders may not apply for additional New Shares in excess of their Retail Entitlement.

6.6 Information availability

Eligible Retail Shareholders in Australia and New Zealand may access a copy of this Booklet and their personalised Entitlement and Acceptance Form at www.computersharecas.com.au/licoffer. To access their personalised Entitlement and Acceptance Form via this website, Eligible Retail Shareholders will need their SRN or HIN.

If you would like to receive a hard copy of this Booklet and/or a personalised Entitlement and Acceptance Form (containing details of your Entitlement and personalised payment details), please call the Lifestyle Communities Shareholder Information Line on 1300 850 505 (within Australia) or on +61 3 9415 4000 (outside Australia) at any time from 8.30am to 5.00pm Monday to Friday (excluding public holidays) during the Retail Entitlement Offer Period.

Neither this Booklet (or any part of it), the Investor Presentation, any accompanying Announcements nor the Entitlement and Acceptance Form may be distributed or released to, or relied upon by, persons in the United States or persons that are acting for the account or benefit of a person in the United States (to the extent such persons are acting for the account or benefit of a person in the United States).

6.7 Foreign jurisdictions

This Booklet has been prepared to comply with the requirements of the securities laws of Australia and New Zealand. To the extent that you hold Shares or Entitlements on behalf of another person resident outside Australia or New Zealand, it is your responsibility to ensure that any participation (including for your own account or when you hold Shares or Entitlements beneficially for another person) complies with

all applicable laws and that each beneficial owner on whose behalf you are submitting the personalised Entitlement and Acceptance Form is not in the United States, and that you are not acting for the account or benefit of a person in the United States.

This Booklet does not constitute an offer in any jurisdiction in which, or to any person to whom, it would not be lawful to make such an offer. No action has been taken to register or qualify the Retail Entitlement Offer, the Retail Entitlements or the New Shares, or otherwise permit the offering of the New Shares, in any jurisdiction other than Australia and New Zealand. By making an Application, you represent that there has been no breach of any such laws. Eligible Retail Shareholders who are nominees, trustees or custodians are therefore advised to seek independent advice as to how to proceed.

The distribution of this Booklet (including in electronic format) outside Australia and New Zealand is restricted by law. If you come into possession of this Booklet, you must observe such restrictions and should seek professional advice on such restrictions. In particular, this document must not be distributed or released in the United States. Persons who come into possession of this document should seek advice on and observe any such restrictions. See the foreign selling restrictions set out in the 'International Offer Restrictions' section of the Investor Presentation for more information. Any failure to comply with such restrictions may constitute a violation of applicable securities laws.

(a) New Zealand

The Retail Entitlements and the New Shares are not being offered to the public within New Zealand other than to existing shareholders of Lifestyle Communities with registered addresses in New Zealand to whom the offer of these securities is being made in reliance on the Financial Markets Conduct (Incidental Offers) Exemption Notice 2021

This Booklet has been prepared in compliance with Australian law and has not been registered, filed with or approved by any New Zealand regulatory authority under the Financial Markets Conduct Act 2013. This Booklet is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

(b) United States

This Booklet, any accompanying Announcements and the Entitlement and Acceptance Form do not constitute an offer to sell, or the solicitation of an offer to buy, any securities in the United States. Neither this Booklet (or any part of it), the Entitlement and Acceptance Form nor any accompanying Announcements may be distributed or released in the United States or to any person acting for the account or benefit of a person in the United States. The Retail Entitlements and the New Shares have not been and will not be registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States. Accordingly, the Retail Entitlements may not be issued to, or taken up or exercised by, and the New Shares may not be offered or sold, directly or indirectly, to persons in the United States or persons acting for the account or benefit of a person in the United States (to the extent such persons are acting for the account or benefit of persons in the United States). In the Retail Entitlement Offer, the Retail Entitlements may only be purchased, traded, taken up or exercised, and the New Shares may only be offered or sold, outside the United States in "offshore transactions" (as defined in Rule 902(h) under the Securities Act) in reliance on Regulation S under the Securities Act.

6.8 Nominees and custodians

The Retail Entitlement Offer is being made to all Eligible Retail Shareholders. Nominees and custodians with registered addresses in the Eligible Jurisdictions, irrespective of whether they participate under the Institutional Entitlement Offer, may also be able to participate in the Retail Entitlement Offer in respect of some or all of the beneficiaries on whose behalf they hold Existing Shares, provided that the applicable beneficiary would satisfy the criteria for an Eligible Retail Shareholder.

Nominees and custodians which hold Shares as nominees or custodians will have received, or will shortly receive, a letter from Lifestyle Communities. Nominees and custodians should consider carefully the contents of that letter and note in particular that the Retail Entitlement Offer is not available to:

- beneficiaries on whose behalf they hold Existing Shares who would not satisfy the criteria for an Eligible Retail Shareholder;
- Eligible Institutional Shareholders who received an offer to participate in the Institutional Entitlement Offer (whether they accepted their Entitlement or not); or
- Ineligible Institutional Shareholders who were ineligible to participate in the Institutional Entitlement Offer.

In particular, persons acting as nominees or custodians for other persons may not take up New Shares on behalf of, or send any or otherwise distribute any documents relating to the Retail Entitlement Offer (including this Booklet) to, any person in the United States or any person that is acting for the account or benefit of a person in the United States. Persons in the United States and persons acting for the account or benefit of persons in the United States will not be able to take up or exercise Retail Entitlements. Accordingly, if a nominee or custodian takes up Retail Entitlements for the account or benefit of a person in the United States, such person may receive no value for any such Entitlements.

Additionally, nominees and custodians may not send or otherwise distribute this Booklet in any other country outside Australia and New Zealand except (i) Australian and New Zealand nominees may send this Booklet and related offer documents to beneficial shareholders who are professional or Institutional Shareholders in other countries (other than the United States) listed in, and to the extent permitted under, the “International Offer Restrictions” section of the Investor Presentation and (ii) to beneficial shareholders in other countries (other than the United States) where Lifestyle Communities may determine it is lawful and practical to make the Retail Entitlement Offer.

To the extent that you act for any Ineligible Institutional Shareholders or Ineligible Retail Shareholders, your Entitlements may be lower than indicated on your Entitlement and Acceptance Form or payment details. The Share Registry may need to reduce the number of Entitlements allotted to you once it receives advice regarding participation in the Institutional Entitlement Offer.

Lifestyle Communities is not required to determine whether or not any registered holder is acting as a nominee or the identity or residence of any beneficial owners of Shares. Where any holder is acting as a nominee for a foreign person, that holder, in dealing with its beneficiary, will need to assess whether indirect participation by the beneficiary in the Retail Entitlement Offer is compatible with applicable foreign laws.

Lifestyle Communities is not able to advise on foreign laws.

6.9 Underwriting

Lifestyle Communities has entered into an underwriting agreement under which the underwriter has agreed to fully underwrite the Entitlement Offer, subject to the terms and conditions of the underwriting agreement between the parties.

The underwriter's obligation to underwrite the Entitlement Offer is conditional on certain customary matters, including Lifestyle Communities delivering certain certificates, sign-offs and opinions to the underwriter. Further, if certain events occur, the underwriter may terminate the underwriting agreement. Termination of the underwriting agreement would have an adverse impact on the proceeds raised under the Entitlement Offer, and Lifestyle Communities would need to find alternative ways to help fund any identified land acquisition opportunities, which could negatively impact its ability to pursue all or some of those opportunities. Termination of the underwriting agreement could materially adversely affect Lifestyle Communities' Position.

The underwriter's obligations to underwrite the Entitlement Offer is conditional on certain matters, including that the ASX does not indicate that it will not grant permission for the official quotation of the New Shares. The events which may trigger termination of the underwriting agreement include where:

- the offer materials are misleading or deceptive or likely to mislead or deceive, or omit any information they are required to contain, or their issue or distribution or the conduct of the Entitlement Offer is misleading or deceptive or likely to mislead to deceive;

- in the reasonable opinion of the underwriter, Lifestyle Communities is obliged to give ASX a correcting notice under sections 708AA(10) or 708AA(12) of the Corporations Act;
- Lifestyle Communities amends the offer materials in a material respect, without the consent of the underwriter;
- a government agency commences, or notifies an intention to commence, an action in relation to Lifestyle Communities, the Entitlement Offer or the offer materials or prosecutes or commences proceedings against, or notifies an intention to prosecute or commence proceedings against, Lifestyle Communities;
- the S&P/ASX 200 Index is, at any time, at a level that is 10% or more below its level at market close on 21 February 2024;
- ASX announces that Lifestyle Communities will be removed from the official list or that any Lifestyle Communities shares will be delisted or suspended from quotation by ASX (other than in connection with the Entitlement Offer);
- approval (subject only to customary conditions) is refused or not granted to the official quotation of all New Shares on ASX, or if granted, is subsequently withdrawn, qualified (other than by customary conditions) or withheld;
- specified events in the timetable are delayed for one or more business days without the prior approval of the underwriter;
- Lifestyle Communities withdraws the Entitlement Offer, or notifies the underwriter that it does not intend to, or is unable to proceed with, the Entitlement Offer;
- Lifestyle Communities is prevented from allotting and issuing the New Shares under the ASX Listing Rules, applicable laws, an order of a court of competent jurisdiction or a government agency;
- a certificate required to be furnished by Lifestyle Communities under the underwriting agreement is not furnished when required;
- Lifestyle Communities, or a material subsidiary of Lifestyle Communities, is insolvent or there is an act or omission which may result in Lifestyle Communities becoming insolvent;
- there is an event or occurrence which makes it illegal or commercially impossible for the underwriter to satisfy an obligation under the underwriting agreement, or to market, promote or settle the Entitlement Offer;
- Lifestyle Communities or any of its directors or specified senior executives engage in fraud or are charged in relation to fraudulent conduct or activity;
- specified senior executives resign or are terminated;
- the directors or specified senior executives are charged with an indictable offence, any government agency commences any public action against Lifestyle Communities or any of its directors, or announces that it intends to take action, or any director is disqualified from managing a corporation under the Corporations Act;
- *a certificate required to be given by Lifestyle Communities under the underwriting agreement is false, misleading, deceptive, untrue or incorrect;
- *a representation, warranty, undertaking or obligation of, or given by, Lifestyle Communities in the underwriting agreement is breached or is or becomes misleading or deceptive or not true;

- *Lifestyle Communities fails to perform or observe its obligations under the underwriting agreement;
- *any information supplied (including any information supplied prior to the date of the underwriting agreement) by or on behalf of Lifestyle Communities to the underwriter for the purposes of due diligence investigations, the offer materials or the Entitlement Offer, is or becomes false, misleading or deceptive or likely to mislead or deceive (including by omission);
- *Lifestyle Communities contravenes any provision of the Corporations Act, its constitution, any of the ASX Listing Rules or any other applicable law;
- *there is any adverse change, or an event likely to result in an adverse change, in the assets, liabilities, financial position or performance, profits, losses or prospects of Lifestyle Communities from those disclosed to ASX;
- *a new law or regulation is introduced, or publicly proposed to be introduced, into the Parliament of Australia or any State or Territory of Australia, or the Reserve Bank of Australia, or any Commonwealth or State authority (including ASIC), adopts or announces a proposal to adopt a new policy which has a material impact on the Offer;
- *trading on specified stock exchanges is suspended or limited in a material respect for at least a substantial part of one day, a Level 3 “market-wide circuit breaker” is implemented by the New York Stock Exchange upon a 20% decrease against the prior day’s closing price of the S&P500 Index, a general moratorium is declared on commercial banking activities in specified jurisdictions or there is any adverse change or disruption to political, economic or financial conditions in specified jurisdictions; or
- *hostilities not existing at the date of the underwriting agreement commence or a major escalation in existing hostilities occurs involving specified jurisdictions or a major terrorist act is perpetrated in a specified jurisdiction or diplomatic establishment.

Section 7 - Australian taxation considerations

7.1 Introduction

This section is a general summary of the Australian income tax, GST and stamp duty implications of the Retail Entitlement Offer for certain Eligible Retail Shareholders.

The taxation implications of the Retail Entitlement Offer will vary depending upon your particular circumstances. Accordingly, you should seek and rely upon the professional advice of your own taxation or financial advisers before determining the particular taxation treatment that will apply to you in relation to the Retail Entitlement Offer.

Neither Lifestyle Communities nor any of its officers or employees, nor its taxation and other advisers, accepts any liability or responsibility in respect of any statement concerning taxation consequences, or in respect of the taxation consequences.

The comments in this section deal only with the Australian taxation implications of the Retail Entitlement Offer if you:

- are a resident for Australian income tax purposes; and
- hold your Shares on capital account.

The comments do not apply to you if you:

- are not a resident of Australia for Australian income tax purposes;
- hold your Shares as revenue assets or trading stock (which will generally be the case if you are a bank, insurance company, or carry on a business of share trading) or have made certain elections under the Taxation of Financial Arrangements regime in Division 230 of the *Income Tax Assessment Act 1997* (Cth);
- acquired the Shares in respect of which the Retail Entitlements are issued under any employee share scheme or where the New Shares are acquired pursuant to any employee share scheme; or
- may be subject to special tax rules, such as insurance companies, partnerships, tax exempt organisations, trusts (except where expressly stated), non-complying superannuation funds (except where expressly stated) or temporary residents.

This taxation summary is necessarily general in nature and is based on the Australian tax legislation and administrative practice in force as at the date of this Booklet. It does not take into account any financial objectives, tax positions, or investment needs of Eligible Retail Shareholders. It is strongly recommended that each Eligible Retail Shareholder seek their own independent professional tax advice applicable to their particular circumstances.

7.2 Issue of Retail Entitlement

The issue of the Retail Entitlement should be non-assessable non-exempt income and should not, in itself, result in any amount being included in your assessable income.

7.3 Exercise of Retail Entitlement

You will acquire New Shares where you exercise all or some of your Retail Entitlements under the Retail Entitlement Offer.

You should not derive any assessable income, or make any capital gain or capital loss, at the time of exercising your Retail Entitlement (in full or in part) under the Retail Entitlement Offer.

For Australian CGT purposes, New Shares issued pursuant to the Retail Entitlement Offer will be taken to have been acquired no later than the day that the New Shares are issued to an Eligible Retail Shareholder. The cost base of each New Share should be equal to the Offer Price payable by you plus certain non-deductible incidental costs you incur in acquiring, holding and disposing of them.

7.4 Lapse of entitlement

If you do not take up all or some of your Retail Entitlements in accordance with the instructions set out above, those Entitlements not taken up will lapse and you will not receive any payment or value for the Entitlement not taken up. There should be no Australian tax implications for you from the lapse of the Retail Entitlement.

7.5 Taxation in respect of dividends on New Shares

Any future dividends or other distributions made in respect of New Shares will be subject to the same income taxation treatment as dividends or other distributions made on Existing Shares held in the same circumstances.

7.6 Disposal of New Shares

The disposal of New Shares will constitute a disposal for CGT purposes.

On disposal of a New Share, an Eligible Retail Shareholder will make a capital gain if the capital proceeds received on disposal exceed the cost base of the relevant New Share. An Eligible Retail Shareholder will make a capital loss if the capital proceeds are less than the reduced cost base of the New Share. The cost base of New Shares is described above in Section 7.3.

Eligible Retail Shareholders that are individuals, trustees or complying superannuation entities that have held their New Shares for 12 months or more at the time of disposal should be entitled to apply the applicable CGT discount factor to reduce the capital gain (after offsetting capital losses). The CGT discount factor is 50% for individuals and trustees and 33.1/3% for complying superannuation entities.

New Shares will be treated for the purposes of the CGT discount as having been acquired no later than the day the New Shares are issued to the Eligible Retail Shareholder. Accordingly, to be eligible for the CGT discount, the New Shares must be held for at least 12 months² after the date of acquisition for CGT purposes, which should be no later than the time that the New Shares are issued to the Eligible Retail Shareholder.

If you make a capital loss, you can only use that loss to offset other capital gains from other sources (i.e. the capital loss cannot be used against taxable income on revenue account). However, if the capital loss cannot be used in a particular income year, it can be carried forward to use in future income years, providing certain tests are satisfied.

7.7 Provision of TFN and/or ABN

Lifestyle Communities may be required to withhold tax from you on payments of dividends that are not fully franked, at the specified rate, and remit such amounts to the Australian Taxation Office, unless you have provided an ABN, TFN, or you have informed us that you are exempt from quoting your TFN or ABN.

You are not required to provide your TFN or ABN to Lifestyle Communities, however you may choose to do so. If you have previously quoted your ABN, TFN, or have notified us that an exemption from quoting your TFN or ABN exists, that quotation or exemption will also apply in respect of any New Shares acquired by you.

² The ATO measures the period of 12 months for this purpose exclusive of both the acquisition date and the disposal date.

7.8 GST and stamp duty

No stamp duty should be payable by you in respect of the issue, exercise or lapse of Retail Entitlements, or the acquisition of New Shares pursuant to the Retail Entitlement Offer, as long as Lifestyle Communities remains on the official list of ASX, all of its share are quoted on ASX and no holder (alone or with associates as defined in the duties legislation) will start to hold a 90% or more interest in Lifestyle Communities. In some circumstances, interests of persons who are not associates can be aggregated together in determining whether that threshold is met or exceeded.

No Australian GST should be payable by you in respect of the issue, exercise or lapse of Retail Entitlements, or the acquisition of New Shares pursuant to the Retail Entitlement Offer. Subject to certain requirements, there may be a restriction on your entitlement to claim an input tax credit for any GST incurred on costs associated with the acquisition or disposal of New Shares (such as brokerage or adviser fees).
